HARD WORK FOR MEN

LOWE, OF GRAND RAPIDS, BEGINS TOILING.

TO PLAY DETROIT TIGERS

Exhibition Game Between Yannigans and Regulars Scheduled for Wednesday and Thursday—Manager Pieonel.

Grand Rapids, Mich., April 7.—This week will witness the regular grind away of the Grand Rapids team for the training season of 1908. Last week about half the men on President Arnold's list of players reported and they had one good work-out, but within the next few days all the team with a few exceptions will have reported.

Hard work for every day in the week is scheduled from now on. Practice will be held at 10 o'clock every morning and again at 2 o'clock in the afternoon, and every man on the team will be put through his paces and have a chance to see what he can do at the position he is trying for. Manager Lowe declares that no one is sure of his position, but will have to show first what kind of work he is going to do this season. This is the kind of a policy which puts plenty of ginger into the men and makes championship teams.

The schedule for the week includes games between the Regulars and the Yannigans on Wednesday and Thursday afternoons. Friday there will be practice work again and then on Saturday the Detroit crew and the fans will have their first real taste of the Tigers. The Detroit team will be in shape this afternoon
