SPORTS OF SEASON--BASEBALL

ZBYSZKO DEFEATS TWO MEN HANDILY

GIVES GREAT SCIENTIFIC WRESTLING EXHIBITION HERE.

POLE GETS FINE OVATION

Countryman in South Bend Receive Him With Open Arms and Present Bouquet Following His Victory.

Downing his first opponent in 25 seconds and his second in 19 minutes of the fastest wrestling ever seen in South Bend Zbyszko, the crack Polish wrestler, demonstrated his marvelous strength and wonderful ability at St. Hedwig's school hall yesterday afternoon. The wrestling carnival was attended by hundreds of eager spectators and the wrestling giant was given a rousing ovation as he appeared on the mat.

He was late in arriving from Chicago and the first bout, called for 3 o'clock, was not started until an hour later. Announcements had been that Zbyszko was to go on with Siegfried, the German champion, but the latter failed to appear and in his opening bout the Pole took on A. Specht, a Chicago mat artist. With lighting like speed, despite his great weight, Zbyszko had Specht down and out in less than half a minute. 25 seconds to be exact, had pinned his shoulder blades to the mat. It was over before the crowd had realized it had commenced.

In the second appearance, however, the Pole met something of a Tartar. Paul Alvarez, the Spanish champion, by using great skill and strength, started 19 minutes with the gigantic Pole and the gathering was treated to an exhibition of wrestling such as it had in seldom equalled. The Spaniards was greatly outweighed and it was evident from the first that it was merely a question of time before he was thrown and the crowd was not long in doubt as the hands of the Pole were for the round after round of anglaus.

In the preliminaries "Kid" Jones and "Kid" Martin, of Chicago, put on a clever bout, the former winning in straight falls. He took the first in 12 minutes and the second in 17 minutes. The other preliminary was between Reiewing and Ernst, also Chicago men. They went 20 minutes without a fall and their match was called a draw. Much good work was the order of the afternoon.

At the close of his bout with Alvarez, Zbyszko was presented with a handsome bouquet of cut flowers which he received with profuse thanks and many bows. He then addressed the audience in Polish and English. His remarks were met with deafening applause.

The wonderful physique of the Pole was the cause of much comment about the city. He is a perfect specimen of solid muscle, and he is as active as a cat despite his weight. In size of limb, breadth and depth of chest and general development his equal has seldom been seen in South Bend.

Former Chief of Police James Morrison refereed the bouts of the afternoon in a style that met with the approval of all. He had little trouble with the contestants as all the matches were clean and free from rough tactics.

PRINCIPALS ARRANGE SCHOOL TRACK MEET

Will Hold Annual Event at Notre Dame, May 14.

Arrangement for holding the annual track meet and oratorical contest of the schools composing the Northern Indiana Athletic and Oratorical league, were made Saturday afternoon, when representatives of nine of the 10 schools comprising the league, met in the office of Principal Isaac S. Neff, of Central high school. Only Mishawaka Polytechnic was the only school not represented.

The meet will be held May 14 at Notre Dame, provided the date does not conflict with a meet at the Notre Dame university. In the event the date does conflict it will be changed to the succeeding still most again. It is thought it will be possible to secure the campus for that date and plans will go forward to that end. The contest will be similar to that of last year held on the evening of the same day.

The coming meeting will be the third in four years to be held in the city. Gorham and Eikhart wanted the meet this year and the latter city had favored the majority. The school winning the meet will be awarded a shield this year instead of a banner as formerly. The individual point winners will be awarded ribbons and the winners of the highest number of points, gold, silver and bronze medals.

Principal Neff was elected secretary of the league to fill a vacancy made by the removal of one of the principals from the district.

TRACK CANDIDATES OUT.

High School Squad Prepares for Spring Athletic Events.

Fifteen candidates for the High school track team reported at track practice in the Notre Dame gym Saturday. This is the second workout of the season, and the men seem expect to be in form for the interclass meet which will be held within a month. Of last year's team Kirvy and Rowe are missing, the latter having been taking a short workout at the college. Both baseball and track teams will be bolstered up by the return of Crips to school, who was in track in '04, and baseball in '05.

Captain Rowe has secured the Notre Dame track team for April 9, and Manager Whitcomb will try to arrange a meet for that date. It is expected that one with Powagiac, Mishawaka and Niles will be secured, as the Downgirl track manager has written for a meeting.

Couquillard Suffers Defeat.

The basketball team from the Madison school defeated the Couquillard school team Saturday afternoon in a game at the Y. M. C. A. gymnasium, the vanquished being able to play but four men. The final score was four to twenty-four. The Madison boys who were Rapp, Miller, Moore, Bibel and Wilhelm, while those playing for Couquillard were Turner, Boyles, Vermande and Nevins.

LAMY BROTHERS PROMINENT IN ICE SKATING PROGRAMME

SARANAC LAKE, N. Y., Feb. 14.—Prize Lamy, father of Edward Lamy, the world's champion amateur ice skater, is probably the most pioneer sport character in the realm of sport, if not the nation in having in his charge the first Dissatisfaction speed merchant of the country. He has also two younger sons, Ernest and Claudius, who give promise of occupying the place now held by the older one in a few years to come. At the Saranac Lake carnival last week, certainly the Lamy brothers captured seven out of the eight events scheduled, Edmund was first, Ernest second and Claudius two. Pape Lamy says the boys will show a little more of the world within a few years. Claudius is only 14 years old but he has been

BASKETBALL TEAM GROWS STRONGER

PRACTICE OF LAST WEEK GIVES NOTRE DAME COURAGE.

Game Tie-night With Lincoln College in Unknown Fashe and No Chances Will be Taken.

The basketball practice at Notre Dame during the past week has put the men in the best shape that they have been in this year. The team work has improved greatly and the change that Coach Marts made in the lineup seems to be working in good style Matthews can cover the floor and is also a good shot. With Fish, Mooney and Matthews playing the offensive game and Freese and Chatswort playing defensively, Notre Dame ought to hold the state championship again this year.

To-night the varsity plays Lincoln college. This will be the first time the Lincoln boys have been to Notre Dame floor and Coach Marts has no idea of its strength. McNichol, who has been unable to play on account of a twisted ankle, is coming around in good shape and ought to be able to go with the team on its trip through Illinois next week. He came down morning, and will play the Michigan Aggies in the first game and will also play Hope college. Hope won the championship of Michigan last year and Coach Marts is anxious to defeat the Aggies on account of the defeat she formerly administered to it at Notre Dame.

The lineup for the game to-day follows: Fish and Mooney, forwards; Freese, center; Chatswort and Matthews, guards.

GOLDY OFFERS SHOES.

Walkover Manager Will Buy One of Season Tickets.

J. P. Goldy, manager of the Walkover Shoe store, again offers a pair of Walkover shoes to the home player who makes a home run on the home grounds. In the last three years, Mr. Goldy has given away the following: 1907—14 pairs; 1908—6 pairs; 1909—3 pairs. The number of pairs of shoes Goldy thinks is a decreasing ad that the Bronchos need some more sluggers like one Edward Cotter is credited for.

"Not saying anything about any other players that have ever been here," said Mr. Goldy. "I do say that Billie Cotter can sling the bat."

"Besides giving the shoes I will buy a season ticket and expect to attend a number of games. If every merchant in the city would do the same there would be 24 pairs of shoes, which is 288, the team would not lack for support."

NEWS FOR AUTOISTS.

A four-passenger close-coupled Franklin automobile of special design and equipment has been made by the Franklin factory for Dwight Davis, golf, of Boston, Mass., J. A. Kerr, of Yakima, Wash. A light gray body and running gear with a slightly darker gray trimming, a gray silk mohair top and upholstery of gray leather, with a dark gray of contrasting with which the black buffed leather of the upholstery. The initials "J. A. K." is on the doors of the top.

Much of the success of the Overland is due to the unusual flexibility of the transmission with which it can be controlled. The planetary pedal control is one of its distinctive features. No side levers are used, but it is unofficial ever to see the driver's hands off the steering wheel. One pedal pushed forward engages low speed, and when pushed back you have the reverse. The other pedal automatically disengages the low speed and engages high speed. A four-year-old child can learn to operate an Overland in five minutes. The child can be walking, as all you have to do is to steer.

C.-A. C. TEAM WINS IN RETURN BATTLE

ELKS OUT-BOWLED ON COMMERCIAL CLUB ALLEYS.

BUFFET LUNCH FOLLOWS

Even Break Thus Far Between Two Aggregations and Rubber Will Probably Result to Decide Real Merits of Teams.

In a return series on the Commercial Athletic club alleys Saturday evening, the C. A. C. bowling team defeated the Elks' team in three straight games and thereby administered effective revenge for similar treatment at the hands of the Elks in a recent series on the alleys of the Antlered crew.

While not handing overwhelming defeat to their adversaries, the C.-A. C. team won each round with a comfortable margin and totalled 286 points over the aggregate of bowling of the Elks. Following the fray the victors gave the vanquished an informal buffet lunch that was greatly enjoyed. The even break between the two teams thus far necessitates a rubber to determine which is the better aggregation.

The results of Saturday evening's work follows:

SURPRISE IN LEAGUE.

Old College Wins Giving Sorin Chance in Race.

The unexpected happened Sunday afternoon at Notre Dame when Old College defeated Walsh hall in a bowling match. The team from Walsh had been going along in fine style and they were looked upon as the winners of the league, but the match yesterday gave Sorin an even chance with Walsh in the Inter-Hall league. The league standing is as follows:

	W.	L.	Pct.

LAFAYETTE, Ind., Feb. 14.—Purdue scored Rose Poly under been Saturday night, by a score of 50 to 9. The athletic rushes and passing of the Boilermakers' quintette were too much for the engineers from the down state school.

CIRCUIT SPARKS.

Osborne, who was with Wheeling during the closing days of last season and who was drafted by Columbus, will likely go back to the Stagies. Osborne played one game in the A. A. last year.

Guy Small will probably be helping Wheeling next year in an indirect way. Wheeling has always been a feeder for Pittsburg and Small, last year in the O.-P. has been a farm for Wheeling. Small is a pitcher and he was from East Liverpool and he has made it not ripe they turn him back to Wheeling.

Bob Tarleton will have to play with Wheeling this season or quit baseball. Tarleton was anxious to go with New Orleans but the Pelicans, who have his name on file, will not let him go. Tarleton had rather give up the Wheeling franchise than see Tarleton go. Tarleton was dissatisfied with his berth at Wheeling and wanted to go south.

Whether Benny Jewell, the one good Wheeling pitcher, will be back for spring and hitting honors of last year, is a shortstop, will be darned back to Wheeling is a question that is bothering Wheeling fans. Jewell was drafted by the St. Louis Cardinals and has a fair chance to stick if he does good work with that same club.

COACH CURTIS TO LEAVE NOTRE DAME

ATHLETIC MANAGER QUITS UNIVERSITY FOR GIANTS.

Will Depart for Marlin Spring Where Ball Team Will Commence Practice in Few Weeks.

Harry Curtis, who has been graduate manager of athletics at Notre Dame university for two years and also the baseball coach for three years, has decided to resign these offices and report to the New York Giants for their spring training trip. He will leave the university Thursday for Marlin Springs, Tex., where the Giants will soon start their spring training.

Curtis came to Notre Dame in 1907 and during the fall was a candidate for the football team. He was showing excellent form, but was forced to give up football on account of a broken leg. In the spring he played on the baseball team, proving to be one of the best men on the team and showed great promise. During the part of the 1907 season Dehoe and Crowley, Scanlon were not showing good form but under the coaching of Curtis they pitched to the end of the two best pitchers in the west. That summer he attracted the attention of Jack Dunn, Minnie while playing for Bradford in the O. and P. league and was drafted. He finished the season with the Giants showing "Muggsy" he had made no mistake in his choice of a pitcher.

Instead of reporting to Notre Dame the following year he returned to Notre Dame to finish his law course. He was given the position of coach. Last year he coached a number of graduate men for a athletics and while in that position attended to his duties in such a fourthrilling condition. This year he made out the best schedule that a Notre Dame football team had ever had. The first year Curtis was coach at Notre Dame the faculty are exceedingly sorry to see Curtis leave, he being popular both as a student and coach. Father Kirby, the assistant manager, Edwin J. Lynch will take care of the managing and of the athletic teams, but as yet no one has been chosen to take the place of Curtis, the duties have been handled in the athletic association, however.

This year there is no baseball captain on account of Daniels not coming back to school. Daniels has signed with the New York American League. Last years' team will be communicated with and a new captain will be elected.

BREAKS WORLD'S RECORD.

Donaldson Does Hundred Yards in 9 2-5 Seconds.

JOHANNESBURG, Feb. 14.—Donaldson, the South African sprinter, Saturday broke the world's professional record for 100 yards, defeating Arthur Postin, the world professional champion of Australia, and C. Mooney, the champion of Canada. Donaldson won by two and one-half yards, less than a yard separating second and third mark. The starting record was held by Bethune and Johnson, who covered the 34 distance in :09 4-5.

Indiana Wins Contest.

BLOOMINGTON, Ind., Feb. 14.—Indiana defeated the score of the Northwestern basketball team on the local floor Saturday night by the score of 24 to 16, and that without the assistance of Dean Marshall, the star of the crimson aggregation. The game was fast and rough, there being a good number of errors and fouls marked up against them.

Milo Stratton, the slugger backstop, was knocked out of the game the coming season, according to reports from Wheeling.

HARD LUCK FOR BASE BALL TEAM AT 'VARSITY

Candidates for Notre Dame Nine Injured in Practice.

The baseball prospects at Notre Dame took a fall to-day after the afternoon drey since the second hour had been out it has been working in good style and the injuries to the men have been few and not all serious. In the game Sunday morning, McCarty, who has been playing a good game at shortstop, wrenched his knee so that he will not be able to do any practice for a few days. Ryan, who was standing around base and in an effort to avoid the hazard, sustained the injury. McCarty was considered a fixture at shortstop and his injury will break up the team work. Ryan was in the line of the injured and while taking a hard hit ball his finger was split so that he will also be out of the practice for at least a week.

Hogan, the only southpaw on the squad, has gone in fine style. Coach Curtis has been working with him of late and he has practiced his underhand ball until he has perfect control of it. This ball is the most effective one in Hogan's delivery and now that he has the control of it he will be able to keep the batters at his mercy. Summers also worked in good form, holding the scrubs to one hit in five innings.

Ryan and Unatowski, of the basketball team, seem to be playing the best game behind the ball. Both of these men have strong arms and fast good receivers, but are not very strong at the bat. Beardsley is also doing good work as a receiver.

Of the varsity last year, three members of the varsity have not been reporting regularly as yet, on account of classes, but will be on in the near future and will bolster up the pitching department. Ryan, Hogan and Summers are in good shape and are always depended upon to win their games. Williams has been playing in the outfield position left vacant by the injury to Hogan. He is very, very promising, also. He is a strong batter, but a trifle wild in the pitcher's box. He is a strong hog, he hits to Cleveland, he is a fast man as he is a natural runner.

Effective Home Cure for Tuberculosis

It is a serious matter, when the lungs are affected. A trip away, or to a sanitarium, is not only inconvenient, expensive, but it involves separation from home and friends. Some are benefitted; but, most are badly worse to their homes.

Eckman's Alterative is effective in curing Bronchitis, Asthma and more serious affections of the lungs. Not leaving home and friends is necessary for instance:

Mr. Jos. Bennett Ave., Haddonfield, N. J. Gentlemen: In the Fall of 1903, I contracted a very severe cold which settled on my lungs. At last I began to raise sputum and my physician then told me I had a bad case of Bronchial trouble. At this time I was advised to take Eckman's Alterative. I stayed at home and commenced taking it the last week in October. I began to improve and the first week in January, I felt, I resumed my regular duties. I have not lost a day since, and I feel it restored to health. It is now four years since my cure has been affected and I cannot praise Eckman's Alterative too highly. I have recommended it to many with good results. (Signed) W. M. TATEM.

Eckman's Alterative is good for Throat and Lung Trouble and is on sale at Milton's drug store and other dealers. Ask for booklet of testimonials, or write to Eckman Mfg. Co., Phila. Pa.

For Aged People
Old Folks Should be Careful in Their Selection of Regulative Medicines.

With advanced age comes inactive bowel movement and sluggish liver. Natural secretions become less active or functions, and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic, but a mild regulative medicine.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitution, who are subject to constipation or other bowel disorder. We are so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that we make and sell it on a positive guarantee that they shall give the trial or nothing if they fail to substantiate our claim. This remedy is called Rexall Orderlies.

Rexall Orderlies are eaten like candies, are taken as a soothing, healing, strengthening, tonic and regulative action upon the dry mucous lining and the relaxed muscular coat of the bowel. They produce a natural, inoccusive construction and relaxation of the muscular coat of the bowel, by a vibrating wave-like motion which forces their contents onward and outward thus stimulating nature in perfect bowel movement. They tone up the liver, relieve the system of poisonous and rancid matter, tone the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience; do not gripe nor sicken, are free from unpleasant, nauseous ingredients, bitterness or other disagreeable effect. Try Rexall Orderlies on our guarantee: 15 tablets 25 cents, and 12 tablets 10 cents. Sold exclusively in this city at our stores, Rexall Drug Store, Corner Michigan and Washington streets, Public Drug Store, N. H. Woods & F. D. Striebel, 113 South Michigan street.
