SUNDAY TRAVEL IS UNUSUALLY HEAVY

LAKE SHORE BRINGS 1,050 FROM FORT WAYNE.

Baseball Game Attracts Large Crowd Front Out of the City—Outgoing Business Light.

The baseball game yesterday at Springstons park between the South Bend and Fort Wayne teams coupled with ideal weather, brought large crowds to the city, the incoming travel exceeding to quite an extent the travel out of the city. An excursion traveling in two sections brought 1,050 persons from Fort Wayne. All steam and interurban lines carried large crowds in to the city, more than offsetting the travel out of the city by the lakes and resorts of the section.

The baseball excursion from Fort Wayne was the largest conducted into the city Sunday. The excursion was operated in two sections, the first over over the tracks of the Lake Shore route. The two sections left Fort Wayne at 1:30 and 8:20 o'clock, making the run to South Bend in about two hours and 15 minutes. Both sections of the trains left South Bend at 7 o'clock.

The excursion from Fort Wayne was the largest of the season operated into the city, excepting the baseball excursions from Fort Wayne earlier in the summer. A crowd of 300 was brought into the city by the Vandalia, from points along the road as far south as Culver. Travel into the city from nearby points on the interurban lines was unusually heavy, cars being crowded throughout the day.

Special rates prevailed on all steam lines to points in Indiana and Michigan for the day. The Lake Shore on the day at the various lakes and resorts. The Vandalia ran its regular Sunday excursion to Lake Maxinkuckee. The Michigan Central railroad ran excursions to points in Southern Mich., and the Lake Shore ran excursions to Chicago and Grand Rapids, Mich. The special rate to Chicago was taken advantage of by a large number of people, the Lake Shore conducted the special train to Grand Rapids and way points.

The ideal weather of yesterday brought many out of doors and large crowds were in evidence at the resorts. St Mitre's beach were enjoyed by large numbers, in the afternoon at Leeper park and in the evening at Howard park. A picnic was held Sunday afternoon at Howard park by the Catholic picnic for St. Adalbert's church, a new edifice to be erected in the city soon, was held in Mansen's grove.

With the vacation season at its height the travel out of the city was exceptionally heavy. The attractions of fishing and boating at the nearby lakes took about the usual number out of the city. An unusually large number of people left the city Sunday afternoon and evening for different resorts, to spend the week end, with friends.
