SPORTS OF SEASON--BASEBALL

COST OF BOWLING CONGRESS IS GREAT

FEW PEOPLE REALIZE IMMENSITY OF MEETING.

DETROIT SPENDS $20,000

Two Special Trains Will Carry Chicago Pin Artists to Michigan Metropolis—Roll for $30,000 Pot.

The Tribune's Special Series.

DETROIT, Mich., Jan. 17.—Very few people have the least idea of how much money is required to prepare for and conduct one of the annual tournaments of the American Bowling congress such as will be held in this city during February and March. Probably not 100 bowlers in the country could give any idea of the finances required locally and generally to make this big winter sporting event a success. To begin with, it will require between $10,000 and $12,000 to put in alleys at the Wayne Hotel garden and repare that place for the coming of the pin spillers. All in all, the local Bowling Tournament company will have spent $20,000 before the doors are opened Feb. 26th.

Detroit is a big city and that it ranks the peerless of the country to conduct the big tournament. From present indications, the entry list will reach six five-man teams, coming from Boston on the east, Brooklyn, on the south Middle, and Denver and St. Paul in the west and northwest. These men will spend from $20,000 to $40,000 in railroad fare, and in the city of Detroit. He (no person who is not a bowler, it seems almost impossible to state that these enthusiasts do all this for a gift cash prize—the Bowling Congress Pot of $30,000 Dollars) will be something like $10,000.

Detroit and Michigan have many thousand bowlers who have been unable in the past to attend this big tournament, or, if they did, it has necessitated a great deal of time of the national officials from Chicago. In the city this week, predicted that at least 25 teams would come from Detroit, and, if this proves true, every low suffered rate made, one and one half for the round trip, will greatly assist in increasing the attendance to Detroit. Other places that will run special trains are Milwaukee, Louisville, St. Louis, Indianapolis and Paul. Minneapolis, Chicago, Grand Rapids, Milan, both promise to turn out the largest crowds they have ever sent to an A. B. C. tournament.

From these facts and figures, local bowlers can form some idea of what it will cost Detroit to have the tenth, interstate bowling tournament, and the 1910 bowling season. Much time, labor and money would have to secure the tournament, complaining at St. Louis and Cincinnati before being successful. Local bowlers have done much good and effective work during the past few months to make the event here a success, raising money and creating local enthusiasm, such as has never been approached.

But there is one man that has made it more than possible for Detroit to successfully conduct this big sporting event. He is Frank Wayne, proprietor of the Wayne Hotel garden, who has shown liberality in furnishing his hall, considered by far the best you offered the A. B. C. both in equipment as well as central location. Mr. Hayne is a great bowling enthusiast himself and is the same matter of the tournament coming to Detroit was put up to him one year ago he made such a good proposition that this city could not help it but win.

BASEBALL ON ITS WAY.

Each Day Sees Development in Skill at Notre Dame.

Several new men reported to Coach Curtis to-day for the baseball team. All of these men seem to show up in good style and the coach is of the opinion that they are variety material. As yet, he has not announced when the first cut will take place, but it is clear that it will come next Wednesday. There are so many men out for the team that it will be impossible at that time for the most promising candidates can get the required amount of work.

Fielding practice was held to-day for the first time this season. Practically this is the first time that the candidates have had practice on ground balls, they did good work. The pitchers are slowly rounding into form, and Coach Curtis is throwing in a lot batting practice at the beginning of next week.

Whites Again Victorious.

Whites, Rev. Frank Hartman's Bible class of the Y. M. C. A. boys' department were again victorious when they defeated R. B. Brady's class, the Reds, at basketball Saturday afternoon by 4. The Whites are captained by Carl Dubail and the Reds by Donald Hunt. The preceding Saturday the Reds defeated Rev. C. A. Dunning's class.

JIM RECTOR, SPEED MARVEL, WILL TRY HIS LUCK AGAIN

ST. LOUIS, Mo., Jan. 17.—James Rector, known the wide world over as one of the greatest sprinters who ever pulled on a spiked shoe, has been a resident of St. Louis What's more, Rector has passed up all idea of returning from the track and compete in the Olympic games in Rome. Rector, big graduate in law, he has come to the Mound city for the purpose of practicing his chosen profession. Rector was the athlete who created such a furore at the Olympic games in 1904 when he was second to Walker, the South African sprinter, in the 100 meter race at the Olympic games. The

SELECTS TEAM FOR FIRST TRACK MEET

DIMMICK WILL NOT GET INTO HURDLES.

Steers, Winner of Mishawaka-South Bend Marathon, Entered in Distance Events.

After watching the different track men who have been out for the team for the past week, Coach Marie had selected the team that will compete in the First regiment meet. Several of the new men that have been out have shown fine form and some of last year's veterans have done more than Coach Marie expected of them. Last year Duffy was considered a senior of mediocre ability, but the coach predicts that before the season is over he advanced, he will attain the gym record for the quarter mile. Phillbrook has also been showing good form in the shot-put during the past week. He has spent most of his time in developing speed in the ring. This was his great fault last year and at present it looks as though it would be eliminated this season. Although only out for a few days, Moriarty is showing up well in the mile run. He is expected to win the high hurdles. Devine is showing that his year's rest did him a world of good and he is looked upon to carry off the half mile. Dimmick will not get into the hurdles. Dimmick is still the same old fleet runner and will, no doubt, win whatever event he goes in.

Of the new men, Martin and McGuire are showing up well in the sprint work. Both are sprint men of no mean ability. This is McGuire's first attempt at track work, but his reputation has already been established in the sprint world. Martin of the best in the I. A. C. relay team.

It is expected that Dimmick will not be able to enter the shot-put. The injury that he sustained to the shoulder last year is still troubling him and Coach Marie does not want to take any chances of permanently injuring him. The entries for the meet are as follows: Capt. Dana, mile and two mile; Devine, quarter mile and two mile; Devine, quarter mile and half mile; Fisher quarter mile and half mile; Cox, half mile, quarter mile and dash; Brady, half mile and mile; Roth, high jump and shot-put; Pettibone, high jump, 40 yard dash and high hurdles; Martin, 40 yard dash, quarter mile; Marie, 40 yard dash, quarter mile, and shot-put; Phillbrook, high jump and shot-put; Mellom, 40 yard dash, Moriarty, pole vault, high hurdles, and four 40; Duffy, quarter mile and half mile. Coach Manager Dunn will accompany the team.

BAD LUCK FOR QUINTETTE.

Basketball Prospects Still Dim—Center Not Decided On.

Basketball prospects still appear dim. It is feared that Ashley will have to give up basketball on account of his classes and if that is so, Coach Marie will have another task on his hands. Ashley, Dimmick, Devine, Cox, Brady, Murphy, and Finnegan are up for the best men for the pivot position, but they lack experience, yet late, Attlee has been getting on that job. Dimmick is expected back shortly and he will be the coach's choice. Than still has hard luck following him. Added to his sprained thumb, he has a bruised tendon in his leg. It is hoped that he will be out in time to take the southern trip.

SQUIRES STILL QUINCE.

Australian Prize Fight for Title of South Continent.

By associated press.

SYDNEY, N. S. W., Jan. 17.—"Tom Lang" to-day retained his title of heavyweight champion of Australia by defeating "Bill" Squires in the seventh round.

Y. W. C. A. Closes To-night.

The second meetings of the classes in law, art, needlework and Irish crochet will be held this evening at the Young Womens Christian association. Several new pupils have registered for each class and others will be welcomed at any time. The last meeting of the class will meet for the third lesson six the course. To-morrow the class in aircraft making will meet at 7:15 o'clock.

Talcott Elected Trustee.

Creditors of Abraham M. Gross bankrupt, met John O. Bowers, of Hammond, a referee in bankruptcy Saturday morning in the office of F. E. Lambert and elected Thad Talcott, Jr., as trustee. This was the first meeting of the creditors.

NEWS FOR AUTOISTS.

George Eberhart, a Mishawaka garage owner, has sold two 5-passenger touring cars to D. C. Loer and Mrs. Ida Kuhlman, of Mishawaka, this week.

A Waverly electric, model 70-C 2-passenger coupe recently traveled from Indianapolis 72 Terre Haute on a single charge of electricity. The range of the latter town until the battery is all had been covered without recharging.

Talk about immensity. Wait, if you want to get a small idea of the velocity of business done at the Buick plant, Flint, Michigan, where the Buick the Flint company's pay rolls, which each exceed $400,000. At this rate for 12 months one should would be approximately $5,000,000. Buy a pretty good sized city with that money. But it is not to be spent for entertainment, the amount would keep one theatrical company busy at least a year and a two.

Mr. J. Patterson, of the Rambler-Toledo branch, slipped a new one over on a "joy rider" the other day. While he was out for a few minutes on an errand a friend came along, cranked a Rambler and started for a joy ride. When the salesman opened the throttle for a join, was going to take a short spin around town, leaving the impression when Patterson returned that the joy rider had stolen the car. The joy rider's name is Tom Tale latch on the Rambler locking device, which shuts off the engine equipped had been carried and there was just enough gas in the tank to take the joy rider a few blocks. Patterson's joy rider had caught him making frantic efforts to start the machine. Showed him the locking device, and the friend had to admit that it was one on him—he bought the drinks.

CIRCUIT SPARKS.

Chill, Kilden, Jacobs, and Gardner were the umpires who started the season in the Central association. Gardner was later dropped and Kinsan and Johnson taken on. Chill will not be back next year for a certainty. The same conclusion can be drawn regarding Kilden. Jacobs will be back on the Central diamonds again, but Johnson will be sent to a minor league to get a little more experience. Newhouse and Pasterius are two of the umpires who will officiate in Indiana during the coming season.

In the 46 games, Bob Tarleton played with Little Rock last season he batted .324.

Jack Hendricks was one of the poorest fielders in the Central association last year, but he batted .264 and all of his hits were timely. He was materially a factor in winning the pennant for Little Rock.

Kid Wilson and Davy Lloyd will not be separated next year. With the exception of the kid in Oakland, the Pacific Coast league, the two will be together on Mobile's team.

Pitcher Frank Mahoney, famous Dutch and Dorothy Stringer, once tried by Detroit, goes to Baltimore in the Eastern league. Malloy was in the New York state league, he was drafted by the Albatross.

POP GEERS HOLDS ALL RECORDS FOR LONG DISTANCE RIDING

How would you like to ride from 10 to 150 miles in a sulky in a day? How would you like to try the same thing every day for a month and then for a year. Would you believe that there is a man at the present time who has averaged fifty 100 miles a day driving pacers and trotters for not a month, not a year, but for 21 years.

Pop Geers, the man who has been the days since 1874 that did "Pop" Geers, the veteran driver of harness racers, did 84,000 and probably into million and rest of mile after mile until on miles. Other days he drove 100 miles and some days only 10 miles. His average during all these years has been 100 miles a day.

It is almost beyond comprehension the thousands and thousands of miles Geers has driven some of the best trotters and pacers in the history of the sport. Figure it out for yourself 100 miles a day for 21 years, the veteran has added 1,277,100 miles in all, time since he first started in trade the fast steppers. Of course Geers has not driven 100 miles in the last 21 years in which he has driven, but they have been very few. The time is that likely that his daily average is even more than 100 miles, in which event he probably has been in the sulky while his various charges recorded 1,500,000 miles.

WOMEN OF STUDEBAKER OFFICES FORM CLUB

Study, Friendship, and Recreation Objects—Officers in Charge.

A Womens club, made up of the young women employed by the Studebaker Manufacturing company has been organized. Mrs. W. E. Miller assisted in the organization. The purpose of the club is to promote a closer friendship among the girls employed, to furnish opportunity for social intercourse, recreation and to promote study. The club will meet every two weeks in the library of the studebaker administration building. A name for the organization has not been decided upon.

Under the direction of Mrs. W. E. Miller, the young women of the Studebaker factory have been meeting informally since November for social purposes. Mrs. Miller has assisted organization in the outcome of these informal meetings. Officers of the new organization are: Miss Margaret Quinlan, president; Miss Lena Turner, vice-president; Miss Anna Hardt, secretary.

EPILEPTIC RECOVERS AND GIVES HIS NAME

Chicago Man is Ready to be Released From Jail Hospital.

Recovered from the epileptic at which threw him to the sidewalk on Lafayette street Thursday night, alfred Gesia gave his name and address to the employes of the county Jail Friday. He is now able to travel and is waiting for the city police to say the word that will allow him to leave the jail. Gesia was found unconscious by the police and taken to the hospital ward of the county jail. He gave him address as 4313 Jackson avenue, Chicago.

CLASS OF '49 TO BE ENTERTAINED

HON. MARVIN CAMPBELL HOST OF BANQUET AT OLIVER.

Marks 40th Anniversary as South Bend Resident and Voter—Twenty-five Guests Invited.

Friends of Hon. Marvin Campbell, who were born in 1848 and who have voted for 40 years, will be entertained at an informal banquet Tuesday evening at the Oliver hotel. The occasion is also the 40th anniversary of Mr. Campbell's arrival in South Bend. Several guests will talk on subjects and incidents transpiring in South Bend in the past 40 years. The men will be seated around the table at 6:30, the addresses being made during and following the banquet.

The 1910 guests or the class of 1849 beside Mr. Campbell will be: A. R. Fitzsee, born Jan. 4, 1849; A. O. Sonntz, Jan. 31; G. A. Saunders, Jan. 29; Albert Myers, Feb. 4; John W. Crumpacker, March 8; Myron Campbell, March 12; Rev. H. M. Middleton, March 14; Dr. Frank Hartman, April 2; W. B. Stover, April 12; E. A. Peck, April 20; Calvin Moon, May 16; Charles Cassidy, May 29; Rev. D. M. Wood, May 30; Horace Randall, June 4; Dr. Frank Hartman, June 6; Ira Smith, July 13; C. H. Fassett, July 26; Lee R. Sherrill, July 31; O. H. Falconer, Aug. 12; W. H. Owen, Sept. 11; John E. Fisher, Sept. 21; Fred C. Stuff, Sept. 24; Dr. Frank Hartman, Oct. 2; T. Montgomery, Dec. 10; and H. C. Dresden, Dec. 26.

A unique feature will be a number of addresses during the serving of the dinner. "Old Kentucky Home" and "Auld Lang Syne" will be sung by the guests with a tuning fork accompaniment, led by L. R. Sherrill. The following toasts and spring courses will be, "Our Grandparents," Dr. Frank Hartman; "South Bend As I Saw It," Rev. Middleton; H. G. Miller; "Our Mothers" Rev. D. M. Wood; "Modern Times," Dr. H. H. Morrison; "Our Forefathers in Indiana the War", Myron Campbell. The Schools "When We Were Growing" Rev. Middleton
