WEDDED FIFTY YEARS

LAPORTE COUPLE CELEBRATE GOLDEN ANNIVERSARY.

PIONEERS OF THAT SECTION

The Husband, Reuben H. Sanders, Was Early Day Circuit Rider in the Kankakee Valley—Served Many Churches.

Special to The South Bend Tribune.

Laporte, Ind., May 15.—The Rev. Reuben H. Sanders and his wife, Mary Sanders, to-day celebrated the golden anniversary of their marriage. Fifty years ago, Rev. Mr. Sanders, an earnest, enthusiastic, hard-working farmer boy, self-educated, self-reliant and newly wedded, lifted up his voice in the Kankakee wilderness and was a liaison to preach in the Methodist church the same year he attached his membership. As an exhorter and circuit rider he was a pioneer in the Kankakee valley and labored incessantly in the sparsely settled country districts of a half dozen river counties for more than 3 years, until he fell, stricken of his pulpit, and was compelled accept superannuation.

Elder Sanders was born in Pennsylvania, as was also his wife, whose name was Mary Sanders. Hence he was brought to Ohio by his parents, and later the family located on Shaffer's farm, near Laporte, Indiana, on virgin soil purchased of the government. All the hardships and vicissitudes of the rugged life of the pioneers was experienced by these people. At 18 young Sanders was breaking new ground with eight yoke of oxen and at the same time keeping up his studies. At 18 he was teaching in the log school house in winter and doing farm work in the summer, reading and studying the gospel meanwhile. He married and the next year he was a successful teacher in the Northwest Indiana conference from which he has never departed.

To the various churches and missions he has served within the limited territory of six counties he has spread of three thousand members. Since retiring from active labors he has written and published a valuable work on "The Mysteries of Prime Life," "the angels and Shadows of Prime Life," the number of which, he says, was gathered during years of work among the prisoners in the penitentiary at Michigan City. Mr. and Mrs. Sanders have one child, Mrs. Millie Pearson, of Chicago.

The principal charges the venerable preacher has filled in his long ministry have been the Knox circuit, extending into Jasper county; the Star City circuit, including Winamac; the Kokomo college, Valparaiso circuit, Argos, Walkerton, Deer Village, North Liberty and Walkerton.

STUDENTS AT MICHIGAN CITY

Notre Dame Musicians Entertained by Mr. and Mrs. Matt Kenefick.

The Philopatrian orchestra of 18 members and about 50 Philopatrians and students of Notre Dame university returned from Michigan City this morning, where they attended a party tendered the Philopatrians by Mr. and Mrs. Matt Kenefick, of that place. The orchestra was under the direction of Prof. Charles Peterson, who holds the chair of music at the university, and assisted in the entertaining.

A special car was chartered for the trip. The Philopatrians are a junior society of Carroll hall composed of boys under 17 years of age. Mathew J. Kenefick, whose mother was the hostess last night, is one of the most popular students in Carroll hall and is manager of the first football team and one of the leading musicians in his department.

Many prominent Michigan City people assisted in entertaining the Philopatrians and they were highly pleased for the exceptional programme of music they gave at the Kenefick home.

TROUBLE FOR "BABES."

Continued from Third Page.

The men are young as a rule and new to each other yet, but when they get acquainted, which they will be in a important factor in the Central league race.

"The Journal Gazette, of Fort Wayne, says: "President L. D. Smith, of the Three Rivers club, states that Scott Bond has five of the best pitchers in the league, but says that Hines has them all beat. In his opinion, Grant has a fine pitcher and he thinks he is fast enough for major league company."

"Richarkson who attended any of the South Bend-Three Rivers games says the Elkhart Review, "was surprised to hear that the South Bend and Kendallville teams play as a professional team and pay under Umpire Al. Martin again."

SOUTH BEND AFTER BAIRD.

Former Terre Haute Third Baseman May Come Here.

Manager Grant is after Third Baseman Baird, of the Atlanta Southern league team and expects to land him for South Bend within a few days.

Baird is well claimed by Terre Haute and Manager Walters is expected to exchange him for Robinson, the catcher, who is making good with the "Hoosiers." Grant wired Walters to-day to close the deal at once or return Robinson.

Baird is a fast third baseman and a heavy hitter but could not get along with Walters. For that reason he was sold to Atlanta. The money, however, was not paid, hence the latest transaction.

AN INTERSCHOLASTIC MEET.

The South Bend Tigers will play Walkerton Sunday at Walkerton. The Tigers have won four games and have not been defeated. About 20 rooters will accompany the team from South Bend. The Tigers' batteries will be Kelter, Crow and Hull.

Odds and Ends of Sports.

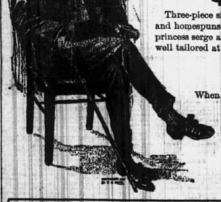
Hot Weather Clothing for Men.

To say this store sells the best Summer Suits is easy to assert, but it's the doing that counts. Judging by the business you have given us—greater than any local store—you appreciate our clothing intelligence and splendid facilities for out-fitting men.



Our two-piece suits for summer wear are unequaled—take our four buttoned round corned sack suit, in beautiful gray check cassimeres or Donegal homespuns in spots and stripes; broad shouldered coat with seams welt stitched and trousers with outside welt seams and belt loops, splendidly tailored. They seem to have the call with good dressers—

$7.50 to $15.00

Three-piece single breasted sacks of fancy dark mixed cassimeres, worsteds and homespuns—will wear like iron—very fashionable. The coat, lined with princess serge and plain seams, is hand tailored throughout, and particularly well tailored at that. These are "Spiro's" specials—

$15.00.

When you have found out how good the clothes are that we sell and how little we ask, you will be satisfied with nothing less than a "Spiro" suit.

Men's Summer Shoes and Fancy Hose.

A great combination—our fancy open work hose and new oxfords. Stunning! A handsome blucher tie, patent leather vamp, dull kid upper, medium extension sole, new Cuban heel. The correct thing for street wear and swell with our handsome hosiery.

Hat Facts.

Not a shape you can mention missing. All swell new blocks in stiff and soft hats—made for summer of 1903. Original, exclusive shades in soft hats are here and twice as many to select from as any other store—

$1.50 to $3.50

STRAW HATS are beginning to appear—swagger Panamas and thin, flat split straw and Sennett sailors are the thing. We can show you the new ones now, they're here, as usual, first—$1.00 to $10.00.

The "Crossett's" the Shoe.

Will stand hard knocks—the leathers are high grade and the workmanship is thorough. They fit correctly, are stylish and wear splendidly, yet the price per pair is but—

$3.50
