

BOTH PHYSICIANS MADE SAME MISTAKE

Peace-Hospital in Paris, Colo., where the two physicians, Dr. J. H. Smith and Dr. J. H. Smith, made the same mistake in diagnosing a case of typhoid fever. The patient, a young man, was brought to the hospital by a friend. The physicians, who were both new to the hospital, made the same mistake in diagnosing the case. The patient died of the disease.

Nature tells You

As Mary a South Bend Reader Knows to Well.
When the address is given, it is not a matter of course that the physician will be called. It is a matter of course that the physician will be called. It is a matter of course that the physician will be called.

PIMPLES

And all Humiliating Skin Eruptions are Eliminated by the New Hair Treatment.
On the question of these ugly, unsightly, humiliating eruptions, the new hair treatment is the only one that will give you a permanent cure. It is a matter of course that the physician will be called.

Plumppness Makes Health

This People Had This.
If you are a person who is not in good health, you are a person who is not in good health. You are a person who is not in good health. You are a person who is not in good health.
