

# Murphy of Notre Dame Wins High Jump in Olympic Tryout at Cambridge

## PREDICT AMERICA WILL HAVE BEST TEAM AT ANTWERP

Sol Butler Leaps 24 Feet 8 Inches in Broad Jump—Other Results.

By Associated Press.  
CAMBRIDGE, July 17.—Athletes from all parts of the country qualified for places on the American Olympic team in the final trials at the Harvard stadium today in a track and field meet, the average of which has never been equalled. Although no world's records were broken, two American field event figures were surpassed. In addition two amateur Athletic Union senior championship records went by the board and another was equaled. Members of the American Olympic committee, who will select the team which will represent the United States at Antwerp next month, expressed the opinion that the 1920 combination would be the best balance that ever sailed from these shores.

Although the first four places in each event alone counted in the A. A. U. championship scores, six men were scored in most of the contests in order to afford the Olympic committee a working basis for the selection of the team tomorrow. In these qualifying trials eastern athletes secured 32 places, middle western performers 26 and far western stars 27. In a general way the easterners showed to best advantage in track events, while the westerners were strongest in field contests.

Call Off Three Events.  
Three events of the regular A. A. U. championship program were not staged, having no Olympic equivalent, and for that reason the Olympic team of clay award cannot be made until later in the season when these contests have been held. In the events of today the New York A. C. led the field with 17 1/2 points. The Chicago A. A. was a close second, with 25 points; the Illinois A. C. of Chicago third, with 14 1/2 points, and the Olympic club of San Francisco fourth and last, with 11 points.

Western athletes scored heavily in the record breaking, both in the American and A. A. U. classes. Sol Butler, the negro sprinter and broad jumper from Dubuque, college leaped 24 feet 8 inches in the broad jump, displacing the record made by Meyer Printz at Philadelphia in 1916.

More than six high jumpers cleared better than six feet and the winner, John Murphy of Portland, Ore., was obliged to break his record of 6 feet 3 1/2 inches to win.

Murphy cleared the bar at six feet 4 1/4 inches in his winning jump, but failed in his attempt to break the world's record when the bar was set at six feet, eight inches.

Ray-Falls to Lower Mark.  
The distance runs produced the competition made of spectators to greatest heights. Although Jole Ray, the Illinois runner, failed in his attempt to lower the mile record, he won four miles in 17:15, second in the race that brought out high secondary honors.

The 10,000 metres run was won by Fred M. Faller of the Rochester club, Boston, 32:40. J. E. Johnson, a negro runner of Pittsburgh was second.

In the other principal distance events, the Boston A. A. Intercollegiate star won impressively while Gordon T. Nightingale, conqueror of the English distance star, Montgomery, won the mile race.

One former Olympic star dashed again today when Ted Meredith won second place in the quarter mile run, close behind F. J. Shea of the navy.

## WILSON BROTHERS BEAT LATHE WORKS

In a class B Industrial league game played yesterday at Hudson lake the Wilson Bros. nine fairly swamped the South Bend Lathe Workers' nine, defeating them by the score of 11 to 5.

The Wilson men touched Heyde for a total of sixteen hits, while Sparr pulled through with nine against him. The Wilsons of this game made the shirt men real contenders for the class B honors. Sparr, besides pitching a first class game, clouded the ball for three hits today when Ted Meredith won second place in the quarter mile run, close behind F. J. Shea of the navy.

Charles W. Paddock, the western sprinter, equaled a long standing championship record of 21:25 in winning the 220 yard dash, but lost the 100 yards dash to Lorne Murchison, the New York crack, who won it in ten seconds.

## Murphy Rises to Fame

He did it all in a second when he lifted himself over the cross-bar at 6 feet 4 inches at the A. A. U. meet sponsored in Gotham last February by the N. Y. A. C. He is national champion and bid fair to be world's title-holder. He will represent Notre Dame and the United States at Antwerp in the Olympic games next August.

## SINGER BALL CLUB BEATS MISHAWAKA

Instructos Get One Run Off Stellar Hurling of Joe Nutt.

Before a scattered crowd in the Notre Dame grandstand at Carter field, the Singer Industrial league outfit of Mishawaka by the score of 4 to 1. The Mishawaka nine showed several improvements. Nutt, the winning pitcher, did not contend with the deliveries of Joe Nutt. Henderson, who started in the box for the Dodge nine was removed in the fourth at Nutt led off with a triple. Zentz replaced him, but did not stop the slaughter this inning, two additional hits being registered. After this inning Zentz held the Singer lads scoreless.

The Singer nine, although easy winners, showed lack of practice far more than the Instructos outfit. Many wild throws and simple bingles were missed. Despite the errors and wild throwing several double plays of note were staged.

Heavy Stickers.  
The Singer nine have a heavy stick nine that believes in winning a game by sheer force of batting. The Singer men got eleven hits, and not a man received a walk, although several men were benched. Nutt, the winning pitcher, is one of the heaviest sluggers on the nine, his first two trips to the plate bringing him a single and a triple.

More than six high jumpers cleared better than six feet and the winner, John Murphy of Portland, Ore., was obliged to break his record of 6 feet 3 1/2 inches to win.

## STUDEBAKERS WIN FROM OLIVER MEN

Kruk Pitches Masterly Game for Winners and Also Shines at Bat.

Studebakers pushed themselves up another notch in the Industrial league, inundating the crack Oliver team by the score of 9 to 1 in the contest played at Singer field Saturday afternoon. The machine-like teamwork of the automobile men, reinforced by the flawless hurling of their moundman, Kruk, was too baffling a combination for Olivers to solve.

Arnold, the plowmakers' slaban, pitched masterfully as long as his support lasted, but he was powerless when the breaks went against him. The opening inning exposed the untendness of the Oliver slaban, although his control remained intact. A two-bagger in the second frame, seconded by a well-placed brass-burner from the bat of Gruber, brought in the first run.

Down in Order.  
One, two, three outs and Olivers took the field to stumble through their half of the third stanza, with Gruber, the pitcher, leading off with a triple. A ball slipping through the catcher brought the man to third. He came home on another fumble by the backstop. The entire Oliver team was suspended in the fifth inning, when the Studebakers walked. A short fly just over the shortstop's head netted another tally. A long drive to left increased the score to four. The frame ended its long finish with a pop fly to third.

Kruk Is Master.  
At the end of this grade, Olivers were even less able to hit than before and went down like ten-pins before Kruk. The sixth and seventh frames found Olivers taking a new trip to the game, perhaps because they were few well-throw words by their manager. In the seventh they actually pushed a man across the plate. A clean hit to third put a man on base, and the runner advanced in time to take advantage of a powerful drive which sent him home. A double play following this performance clinched the plowmakers' rising hopes.

In the same frame Pitcher Kruk, who can hit as hard as he can pitch, proved himself to be a real star of the game by coming through with an undisciplined homer with the following Studebakers on base. The following inning bunched hits caused another Studebaker home run. Kruk, the pitcher, was caught at home. Although Olivers valiantly attempted to do something with their share of the ninth, they were lamb in the stockyards before the start of the tenth.

## FIRST VICTORY OF SEASON FOR VETERAN DRIVER

Pop Geers Pilots Don De Lopez to Victory in Grand Circuit.

By Associated Press.  
TOLEDO, O., July 17.—The veteran driver "Pop" Geers won his first race of the season today at the Port Miami track when he piloted Don De Lopez, a winner in the Maumee 2-65 trot, the feature of get-away day on the Grand Circuit. Don De Lopez won in straight heats beating the big favorite Nigolia in easy fashion.

June, driven by Nat Ray, won the 2:15 pace while John Henry, a winner in the stake at Cleveland had to be content with the second money. Norman Dillon was the 2:18 trot, going the second heat in 2:05 1/4, equalling the world record for four year old geldings held by Ramco and Echo Direct.

Driver Roy Trench and his gelding Roy Gratian, were suspended for thirty days by the judges because of a fight in the lead but the American players summoned all their reserve strength and skill and toward the end overpowered their opponents. So terrific was Trench's service in the fifth set that he won one game on four served balls, not one of which his opponents were able to touch.

This virtually ends the English tour of the American, who sail for home July 31.

## YANKEE PLAYERS DEFEAT BRITISH

Johnston and Tilden Earn Right to Challenge for Davis Cup.

By Associated Press.  
WIMBLEDON, July 17.—American players, Johnston and Tilden today won the right to challenge Australasia for the Davis cup by their defeat of the British team, Kincaid and Park, in the doubles of the international lawn tennis matches by 5-8, 4-6, 6-3, 6-2.

Their victory today matches the American three straight games against England, which was also the sum of their victory against France, Holland, which had previously won against South Africa and was eligible for the final contests has withdrawn.

## COMMITTEE CALLS YACHT RACE OFF WHEN WIND DIES

Resolute Leading Rival When Flag is Hoisted—Race Tuesday.

By Associated Press.  
SANDY HOOK, N. J., July 17.—After having left Shamrock IV, challenger for the American cup, about two miles behind in today's international yacht race, the American defender Resolute failed because of light winds to finish the six hour time limit and the race was called off by the regatta committee after 20 miles had been covered.

The regatta committee hoisted the code flag "N" at 7:30 o'clock when it was obvious that the yachts could not finish on time. At this hour the American defender Resolute was a little more than half a mile from the second mark, but although her skipper, Capt. Charles Francis Adams, II, made every effort to get his ship over the finish line in time, it was obvious long before the 20-mile mark had been reached that the yachts could not beat the watch on the line.

Shamrock IV.  
When the committee hoisted its signal, Shamrock was flourishing toward the second mark, virtually in a calm. The American race the contest developed simply into a question of whether a sudden blow would drive the American sloop across the line in time. Hope of the American crew being over the line had long before been abandoned.

Resolute had led all the way from the starting line and was apparently half an hour ahead of the challenger when the committee's signal was flown.

The Yankee defender had out-pointed the Shamrock in a ten mile beat to windward on the first leg and had turned the first mark more than 25 minutes ahead of the challenger, which had become becalmed as she approached the turn.

Favored by Wind.  
On the second leg, Resolute, at first favored by a freshening wind, again ran away from the British contender, but ran into a head wind and for a time the green sloop gained on her but could not overtake her.

Nearing the second turn both boats drifted along in baffling, fluky airs which favored neither. Resolute managed to get around the mark at 7:01:06 unofficial time, but Adams laid his course for the finish line but there was no hope of finishing within the time limit of six hours.

Resolute again next Tuesday.
