SPORTS OF SEASON--BASEBALL

MANY THOUSANDS TO BE DISTRIBUTED

BOWLERS AT DETROIT WILL RECEIVE AMPLE REWARDS.

ENTRIES CLOSE FEB. 11

Followers of Great Indoor Pastime Sending in Squads of Individual, Two and Five Men Teams.

BY MILTON CARMICHAEL.

DETROIT, Mich., Jan. 28.—Although the entries to the Tenth Annual American Bowling congress to be held in Detroit, Feb. 28 to March 11, do not close until midnight on Feb. 11, the followers of the great indoor pastime of knocking down the ten pins are already sending in fifty squads in individual, two and five-men classes in order to win a portion of the $15,000 which will be distributed to those totalling highest scores. A. L. Lengery, Wayne hotel, is the secretary.

Clubs or teams regularly organized in order to compete must be members of the A. B. C. city association of their own district. Each city association pays to the National association $1 for every club in good standing and each city association is entitled to one delegate to the national convention. Bowlers who appear in connection with the tournament must be individual enrolled or major portion thereof. The convention makes the rules to regulate the game and will be held at the Wayne hotel, while the tournaments being rolled on March 1 and 4, 5, 6, 7, 8, 9, 10, 11. The five-man teams will enter the championship class, and as all also roll in the two-men and individual events the tourney will undoubtedly be the biggest ever held. Bowlers who have formed squads of teams as well as individuals are requested to give their bowling address as well as their residence address in the two-man team contests and the individual events, as the bowl-offs of the men entered and scheduled must bowl. In the five-man team contests the substitutes must be bona fide members of the team, and the rules governing Twenty and Individual will govern. Over games of the series on the first set of alleys drawn for that series.

Daylight bowling as well as Sunday games is a new feature emerging in eastern competition, which will be tried out in Detroit, and if it proves a success it may result in better scores. The social feature will be carried on upon something like the same scale as at Cincinnati, so that bowlers will have ample time to visit the city and not be not contending or seeing the show places of Detroit. Every official of the American congress has convenient the Wayne gardens to be the finest building ever used for a tournament it has occupied in the heart of the city. The arrangements are being well organized and the business men of Detroit are back of the affair.

Average Scores Win Money.

The history of national championships show that average scores win a portion of the prize money which is distributed among the contestants and in which the first 100 scores usually prove high enough to earn a share of the cash. The showing made by some of the star squads in competition with the bowlers from the ventures as the contestants are not permitted to use the alleys until scheduled and unknowns have invariably found the drives for better prizes than anticipated. Chicago has a great array of bowlers and has won most of the five-man team events to date. In 1901 the Standards of Chicago, was with 3,779. In 1902 Fidelias, of New York, won with 3,791. In 1903, O'Leary's, of Chicago, won with 3,819; in 1904, the Pastimes, of Chicago, won with 3,848; in 1905, Gamesters No. 2 team, of Chicago, won with 3,786; in 1906, the Centurys, of Chicago, won with 3,749; in 1907, the Pastimes Cities, of Grand Rapids, won with 3,811; in 1908, the Bonds of Columbus, O., won with 3,837, while last year the Lipmans, of Chicago, won with 3,862.

Detroit's Mayor a Bowler.

The officials of the A. B. C. have had long experience in handling tournaments and everything possible will be done to make the visit of out-of-town bowlers pleasant and profitable. The six practice alleys the tourney alleys, numbering 14, will be located on the second floor. The scoring system will be equal to any ever used. Mayor Marx, of Detroit, is a good athletic bowler, will explain one of the Harmonie society teams on the opening day of the series. In the first squad many other notable Detroit citizens who are professional and amateur bowlers and bowlers.

Conditions of the Tournament.

Bowlers entered in five-men, two-men and individual contests will be scheduled so as to allow them to compete in the three events in two consecutive days. All clubs and bowlers who can visit Detroit on certain days will be scheduled on those days, as it will be most satisfactory to them and in the event of such clubs not being officially drawn in the desired dates every effort will be made to arrange for such clubs to bowl on the date so drawn with some of the Detroit clubs scheduled for the date desired. An effort will be made to have all five-men teams bowl in the evening, while the individuals will be scheduled in the same on the next day however. On the three Sundays in the schedule, matinee squads will be scheduled, providing enough entries can be secured to fill a squad of 14 alleys.

Wear White Shirts and Belts.

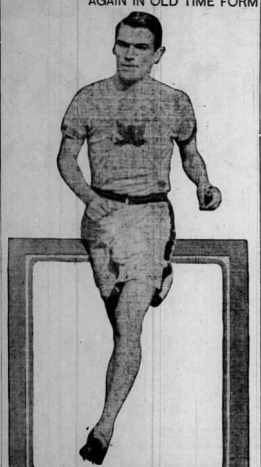
At Louisville, Ky., in 1906, an amendment was made to the rules of play governing tournaments, requiring that all teams and individuals be in uniform of their respective clubs while rolling their schedule games. Bowlers who have been in the habit of observe the above rule if possible. This rule reads as follows: "On motion it was decided that all clubs and bowlers participating in the national tournament should wear uniform shirts."

At Pittsburg an amendment was made to the constitution providing that every bowler must have one ball for the exclusive use in the tournament event; every two-men team must have two balls for the exclusive use of their team; every five-men team must have at least one ball for the exclusive use of their team.

Quigley Fast on Bases.

Quigley, who is trying for one of the outfield positions on Notre Dame baseball team, is a fast base runner. He is a fast runner and is being pushed by Dunkle, the old star.

BONHAG, GREAT RUNNER AGAIN IN OLD TIME FORM



NEW YORK, Jan. 27.—George Bonhag, the Village Green, Philadelphia, and the holder of all American outdoor records from five and a half to 10 miles, is in the game again and will from now on until the season closes, George says, he will be in the game. George got his training up for his coming contests in Boston, recently when he ran five miles in 26 minutes 2 3-5 seconds. Bonhag's next big race is in Buffalo, where he is to meet Tait, the phenomenal Canadian, and other men in a five mile handicap event at the games of the Seventy-fourth regiment. The promoters asked George to run Tait a special two mile race, but Bonhag feared he would be beaten, as Tait has been clocked much faster than the five mile race in Boston. Other meets in which George has been asked to appear are the Boston A. C. carnival in Boston, and the Pittsburg indoor Olympic games in Pittsburg early in February. Bonhag says he will be in the game the past month and is fairly regaining his record breaking form. He will try to lower the world's indoor record for four miles in the special Olympic contest, which is one of the novelty features of the carnival of the Irish American A. C. in Madison Square garden on Feb. 5.

"DUD" MELONY INJURED.

Doctor Forbids Playe to Take Part in Any More Games.

Basketball prospects at Notre Dame had the most severe setback of the season yesterday when the doctor forbid "Dud" Melony to play the game again this season. In the practice yesterday "Dud" was hamped on the face while shooting a basket. Last night his cheek swelled up and to-day he had the doctor examine it. After a careful examination, it was found that his cheek bone was fractured. This will keep "Dud" out of the game with Michigan "Aggie" on Saturday and unless something very radical turns up he will not be able to go on the trip Monday.

It is probable that the "varsity will be able to get along without him in the game against the "Aggies" but he is needed when they meet Ross Poly and Wabash.

McNichol will take his place, and although he is a good man will not be able to fill the position in the style that Melony does. McNichol is a good floor worker, but cannot locate the basket as frequently as Melony. If McNichol cannot take care of the position Coach Rockne will give Burke a try at the place.

CAPT. DANA IS CONFINED.

Track Leader Ill and Cannot Take Part in Practice.

Hard luck seems to be right at Notre Dame's back. Capt. Dana, of the track team, has been ill ever since the First regiment meet and it will be impossible for him to start training for at least two weeks. Several times last year his stomach went back on him, and he was forced to leave the team for a season. This year it is impossible for him to train and he will take a good rest.

The loss of Dana will mean that Coach Marsh will have to make a few changes. Dana was depended on to take care of the mile and Steers was looked upon to take care of the two mile event. Now Coach Marsh will use Steers in the mile and Devine, Brady and Fleboy will be entered in the two mile event. Fleboy is a man who showed good form in the fall cross country run, will in all probability be entered in the two mile event.

NEW AUTO CONCERN.

S. W. Nicholson Will Manufacture Motor Car Bodies.

Automobile bodies will be manufactured by a new South Bend concern which has been organized by S. W. Nicholson, 418 West Wayne street. Mr. Nicholson has rented floor space in the Manufacturers' Power and Power company, the old Singer plant, and is installing machinery and expects to in two weeks. Mr. Nicholson has been connected with the Studebaker Manufacturing company in the drafting department for the last few years.

Ask Waivers for "Pop."

ZANESVILLE, O., Jan. 28.—The New Orleans club has asked for waivers on Catcher "Pop" Schriver. Schriver is the Zanesville boy in the Southern league who once brought a pennant to Wheeling.

MORE BASEBALL FOR RABID FANS

INDIANA-MICHIGAN LEAGUE ORGANIZED AT GOSHEN.

SUNDAYS AND HOLIDAYS

Gary, Hammond, Michigan City, Niles, Elkhart, and Goshen Form Yourself Circuit—Second I-M Organization.

The Tribune's Special Service.

GOSHEN, Ind., Jan. 28.—The Indiana-Michigan league was organized by baseball men at a meeting held in the Eagles club rooms in Goshen, Thursday night. The league will be comprised of Gary, Hammond, Michigan City, Niles, Elkhart and Goshen. Four other cities have been active in advancing suggestions regarding the organization of the league, but they were not represented at the meeting Thursday night. These cities are Valparaiso, Laporte, Plymouth and Warsaw. The managers or owners of these teams will be given a hearing, when the organizers of the league meet in Gary, Thursday afternoon, Feb. 3, at 2:30. The majority of the present directors will be in Gary, Sunday, the meeting in Gary by-laws and constitution will be adopted, and as schedule for the coming season drawn up. Officers will be elected at the Gary meet.

Carroll R. Woods, of the Gary Evening Times, represented the Gary team. He was elected as chairman of the temporary organization. L. Morrice, of the Goshen News-Times, was chosen secretary.

The committee on by-laws and constitution, in report at the meeting in Gary, is composed of Robert E. Proctor, Elkhart; F. A. Marshall, Niles, Mich.; Fred W. Drouch, Goshen.

The committee on schedule is Charles Ketchell, Hammond; John Stotts, Michigan City; C. R. Woods, Gary.

It was voted to affiliate with the National association and a committee composed of Fred W. Drouch, Goshen; Secretary Purcell, of Albany, N. Y., is composed of John Shotts, Michigan City; Rosslyn E. Proctor, Elkhart; Charles Ketchell, Hammond.

Managers Sign Agreement.

The managers signed an agreement that each team to be considered the representative of the team in his city, must sign a contract with the league on March 1, the forfeit or penalty money of each team. It was decided to draft a provisional schedule at once and correct it at the meeting in Gary. The season will open on May 30 and close Sept. 25. The teams will play Sunday and holiday games, and arrangements will be made for Saturday games if any of the teams desire it, although the majority favored Sunday and holiday games alone for the season.

Gate receipts will be split even. Concessions and grand stand receipts go to the manager of the home team. On holidays the total receipts of gate and grand stand will be split even, as played will be needed and will be split evenly among the teams.

Post season games will be played. The number of franchises will come up at the meeting in Gary. It is thought that each team would play only its signed members and none will load up for any particular game. It is probable that a maximum salary rule will be adopted.

For three years determined efforts have been made to organize a trolley league in northern Indiana and western Michigan, and the baseball enthusiasts have been in the game, and where success is in sight. The teams in this district have been playing independent ball, but many of the players from these teams are now in fast company. Interest in the league in the game has increased and it is believed that the cities in the league will double the attendance at the games. All of the cities are joined by electric lines, and limited cars give fast service.

Manager Fred Drouch, of Goshen, has been the most energetic of those laboring to secure the organization of the league and it is to his endeavors that the league has been organized. Nearly every one of the cities in the circuit would like to enjoy the league if favorable transportation facilities could be secured.

WAGNER PASSES KIRBY.

Individual Competition for Stover Medal Growing Warm.

W. F. Wagner passed W. Kirby for third place in the individual competition at the Y. M. C. A. for the Frank Stover silver medal by winning the 12-pound shotput last night in the 12th competition. Wagner put the shot 35 feet and 6 inches. Kirby took second in the leaders in the competition did not place in the shotput. The standing of the leaders now is Kirby with 31, Mosimann second with 29, Wagner third with 12, and W. Kirby fourth with 11.

Business boys, A and B basketball teams will meet in the Y. M. C. A. gym to select the team which will represent their class in future inter-class contests. The B's won and their captain, Joe Brady, will at once select a representative team.

PLAYING HAMMOND HIGH.

South Bend Team Meets Visiting Quintette—Class Standing.

High school basketball practice yesterday was a long and hard one, the seconds finishing one basket to the good. To-day the quintette is battling with Hammond High, lined up as follows: Forwards, Cassidy, Homer; center, Kirby; guards, Rose, Whitaker.

The class game between the freshmen and sophomores was called off Thursday at the request of the sophomores, the latter being unable to bring in mind the last contest between the two teams. Next Tuesday the juniors and seniors meet. The standing of the league now is:

	W.	L.	Pct.
Senior	4	1	.800
Freshmen	2	1	.666
Sophomores	1	1	.333
Juniors	0	3	.000

Ned Crowder In Field.

ZANESVILLE, O., Jan. 28.—Manager Montgomery, of the Zanesville club, has received Shortstop Ned Crowder's contract. Crowder hit .309 last year and fielded .917. Pitcher Schmick, who was drafted from Anderson in the Carolina association, also sent in his signature. Schmick pitched for Anderson last year. He played 19 games at first base with an average of .878, and pitched 24 games and had a fielding average of .947. He won 15 out of 19 games, and led all pitchers with .778.

Watkins Denies Report.

TERRE HAUTE, Ind., Jan. 28.—Reports say that Indianapolis is about to form an alliance with the Terre Haute club, but President Watkins says that is news to him. He admits that it would be to the advantage of the Indianapolis club to have interests in a minor league organization, but says there will be no difficulty in safely placing the men the Indianapolis club wishes to place on its string.

SUNDAY AND SOFTEL SIGN.

LOUISVILLE, Ky., Jan. 28.—Walter Saith and Gus Sotel, former Central leaguers, have signed contracts to pitch for Louisville. Sotel will be a candidate for one of the three games left to fill out the Louisville club next season. Saith will have to fight it out with Butler Sullivan for first sack, while Gus will have a battle with an Irishman named Casey for second.

Coach Longman Retained.

Coach Frank Longman has been retained at Notre Dame for the 1910 season. The announcement was made yesterday by the athletic board of the university.

Picture Framing That Lasts For Years

PICTURE framing is something that you don't have done every day. When you wish to preserve a photo or favorite picture you want a harmonious, tasteful frame that will last. Years of practical experience has taught us how to do the work. The "Golden Seal of Merit" is on the back of every picture we frame and people have learned to look for it.

Framed Pictures, Art Goods, Statues, Bronzes and Brass Goods.

Cost of Electric Light Has Decreased Over 60% Since 1890

1890 — 10 Candle-power
In 1890, 40 units of electricity gave only 10 candle power.

1900 — 16 Candle-power
In 1900 a better grade of carbon filament lamp gave 16 candle-power, burning 60 units per hour, cost being 12½c per 1,000 units.

1906 — 24 Candle-power
In 1906 the new "Gem" lamp gave 24 candle-power from 60 units.

1908 — 48 Candle-power
In 1908 "Tungsten" came with 48 candle-power and using 60 watts of current
