

Benders Win Overtime Game With Rousing Rally in Tenth Inning

SMITHMEN MAKE GARRISON FINISH

Crack Out Three Runs in Tenth—Vets Come Back With Two.

News-Times Special Service: DAYTON, O., June 23.—There wasn't a whole lot of action in Saturday's game at Wright park until the ninth, when South Bend tied the score, but the tenth was replete with thrills and the Benders furnished most of them, and won over the Vets in a driving finish by a 3 to 2 count.

For nine innings the contest was a pitchers' battle between Slattery and Whitehouse. The Vet twirler had his rival shaded, 2 to 1, when the final stanza opened, and then he faltered. He pitched two more, the second when he made the fatal move of handing out a pass to Slattery. Bashing followed with a hit that drove in the tying tally.

Witners in the Tenth. Whitehouse's let down in the ninth seemed to take the heart out of him for he withered in a hurry in the tenth. Collins opened the frame with a two-bagger to right, Hoffman popped to Tepe, Aaron dropped a hit back of second, while Callahan walked, crowding the catcher. Allen got Whitehouse in a hole, and when Lefty was finally forced to stock one down the middle, the shortstop "busted" it for a double, bringing in Collins and Aaron. Allen's wallop settled things for Whitehouse, and he retired in favor of Wells. Kelly sent a short fly to Stewart, who made a perfect play to the plate to nail Callahan coming in from third, but Brennegan failed to tag the runner, although the throw had Callahan beat by at least a yard. Hobbs threw out Slattery.

Vets in Game Finish. Although the Vets looked beaten they refused to admit it. Stewart opened the home 10th with a double to left center, and Spencer got a pass. Derrick soared to right, Slattery and Storch drew free transportation, filling the bases. After Slattery had passed Storch, the side-wheeler came out and the veteran Lew Schettler was rushed to the slab. Nea's best was a hard grounder to Allen, who threw Johnny out at first, while Stewart scored. Schettler was ordered to take no chances with Brennegan, who was purposely passed, loading the bases for the second time.

While waiting Brennegan, Schettler must have lost the direction of the plate, for he also dishied out a pass to Tepe.

RED SOX HURLER IN HALL OF FAME

Ernest Shore Twirls No Hit, No Run, No Man to First Game.

Associated Press Service: BOSTON, June 23.—Atno-hit, no-run, no-man reached first base pitching performance by Ernest Shore, Boston twirler, an assault upon Empire Owens by "Babe" Ruth, another Boston pitcher, in which the umpire was struck behind the ear, and the defeat of Walter Johnson by "Dutch" Leonard, were incidents of the world champions' double victory over Washington today.

The scores were 4 to 0 and 5 to 0. Shore's entry into select list of pitchers who have shown perfect performances was made possible by Ruth's banishment from the first game. Ruth had pitched only to Ray Morgan and Empire Owens had given the latter his base on balls. Ray argued the decision, the umpire ordered him off the field and the Boston pitcher then struck Owens. Other players intervened and Ruth left the field. Shore was called in with Morgan at first base, but a moment later the latter was thrown out attempting to steal second.

Thereafter the Boston pitcher and his fielders turned back every Washington batsman. Ayers, who pitched for Washington, was hit hard in the second game. Leonard held Washington to four hits, while the world champions cracked out hits in bunches off Johnson and with errors won easily. The score:

First game:
Washington.....000 000 000—0 0 3
Boston.....010 000 30—4 9 0
Ayers and Henry; Ruth, Shore and Thomas.

Second game:

"TEX" ALLISON HARDEST HITTER ON N. D. TEAM

The last bit of information supplied by Athletic Director Jesse C. Harper before leaving for a long vacation on his father's ranch in Kansas was the announcement of the batting averages of the Notre Dame baseball team for the season of 1917. Though the schedule originally called for 23 games, owing to cancellations by different colleges who discontinued athletics upon the declaration of war, only 16 contests were played.

That this year's team contained plenty of hitting strength is attested by the collective average of .317. "Tex" Allison, according to the figures handed out by Coach Harper, was the heaviest hitter on the team. His 25 hits are six more than were made by any other player, and they gave him an average of .417. Two South Bend boys follow Allison in the averages.

"Swede" Edgren and Captain-elect "Louie" Wolf whaled the horsehide for .345 and .340, respectively. Edgren's feat of being the second best hitter on the team in addition to his enviable record as a pitcher stamps him as being a particularly valuable man. "Chief" Meyer, who has signed with the Chicago White Sox since the completion of the season, was hitting at a .500 clip up until the last two or three games, but finished in what was a slump for him with .328.

The remainder of the team batted as follows: Scherer, .323; Clark, Kline, .291; Keenan, .278; Spalding, .233; Murphy, .222; Dubois, .190; Philbin, .166; Murray, .090.

DOGGERS WIN TWIN BILL FROM BRAVES

Associated Press Service: BROOKLYN, June 23.—The Brooklyn returned from a disastrous trip today and won a double-header from Boston, 3 to 0, and 7 to 5. The home team bunched two singles, a triple and a double off Barnes in the first inning of the first game, but thereafter were unable to score. Cadore held the visitors safe throughout. The second was a free hitting game in which Ragan and Smith were knocked out of the box and Coombs and Allen had a pitchers' battle. Both games were featured by brilliant fielding plays, one-handed catches by Stengel and Wheat stopping Boston rallies. Wheat drove the ball over rightfield fence in the second game with Ragan pitching. The score:

Haskell & Barker Trim Singers and Take League Lead

The Haskell & Barker baseball team of Michigan City jumped into the lead in the Northern Indiana Manufacturers league yesterday afternoon when they defeated the Singers of this city by the score of 5 to 3, at the Singer park. While the prison city lads were defeating the locals, the Studebaker club of this city, was taking the measure of the league leaders, the Great Western team of Laporte.

Edgren, former star alumnus of the University of Notre Dame, made his debut on the mound for the sewing machine men. Although a trifle wild he pitched superb ball at all times. Had he been given any help by his battery mate, Hudak, he would have pulled through the nine innings with a win. Riley, who was on the hill for the visitors, pitched good ball until the eighth inning when he walked two and these coupled with two hits netted two runs for the Singer team. Sullivan, who relieved him in the ninth, found little difficulty in retiring the side.

Riley's Support. Riley by his team was faultless at all times, while locals made three errors which turned out to be costly. The visitors on reaching first base seldom hesitated as stealing bases on Singer catcher seemed a very easy task. At least Halas, former University of Illinois athlete, encountered little trouble in pilfering three sacks.

Haskell and Barker scored their first run in the second inning, after Spychalski fled out to Broder, Nespo singled and stole second when Hudak threw wild to Aftowski. Shinski popped to short, but Eggelson singled scoring Nespo. Another run was pushed over in the third, Baumgartner walked, was advanced to second on Stanley's infield out, went to third on Aftowski's error and scored when Halas grounded out Zellinski.

Singers chalked up their first run in the fifth, Hudak walked, Spahr struck out, Swartz was hit by a pitched ball, advancing Hudak to second, Zellinski struck out, Riley again hit a batsman making the count full, Broder walked forcing in Hudak, Aftowski grounded to short and Broder was forced out, ending the inning.

Edgren and Aftowski were the hitting stars for the losers, each annexing three hits.

A SURE FIRE AD.
"Did you ever know positively that an advertisement published in your paper got results?" asked the man who don't believe in advertising.

The editor scratched his head and studied a while, then he said: "Yes, one. One that I am positive brought results."

"What was it?" "Well, the time I lost my umbrella and I put in a short notice telling the finder to keep it."

"He did."—Puck.

NO NOVELTY.
"If you go first, dear, you'll wait for me on the other shore, won't you?" questioned the fond wife. "I suppose so," returned her husband, with a sigh. "I never went an where yet without having to wait for you."—Puck.
