CROWD OF 3,000 FANS SEE GAME AT SPRINGBROOK

"SAPPIE" MOFFIT TWIRLS FINE GAME

BRONCHO PITCHER WINS FROM GRANT'S EVAS.

"DANGER" HAS OFF DAY

Fatal Seventh Inning Is Jinks of Southpaw "Billy" Crystalle—Four Runs Scored in Unlucky Frame.

Twenty-seven hundred and one, to 2,701, fans went to Springbrook yesterday afternoon and saw the Broncho (nine) lick the Evas, 4-6. The game was 4-0-6 affair up to the seventh when all the mischief was done and all four runs went over. Homer Moffitt's fine pitching was the feature of the game with Ben Koehler's batting and fielding another comet in the horizon.

"Billy" Crystal, a veteran southpaw, was "Danger" Grant's choice for club duty and "Billy" was as good as usual. It is hard to beat for his own pen work in fielding bants in the seventh he might have won the game. He had plenty of speed, a puzzling assortment of curves, and a spit ball. Against the southpaw batters, he was a big stumbling block, and he deserved a better fate.

The fans were in a jolly mood and they hated to hit the visitors while they were down, when it looked like they would be down for the count of four. When the four runs came over in the seventh, the interest lagged but the 2,701 were glad the Bronchos won.

Works "Lil" Sager.

There was much to make the afternoon pleasant for the fans. The first four innings two plays were pulled off that will probably not be duplicated again this season. Old Lil Sager was the victim of the first and to make it worse old Ben Koehler pulled it. With one down, Lil drew a base on balls. Crystal was hard hit for his bread-and, Sager dug for second, and McGray hit a high foul over near third. As Sager turned to look Ben Koehler yelled:

"Old Lil"

"Old Lil" took a great sport and slid for the sack. Wilhelm caught the foul and threw it in first for a double play. When Sager stood up on second, he looked like a man who had just seen the Evas were leading. Lil walked over to third in a sheepish manner while Koehler came in laughing with the fans.

In the second inning, "Agate" Cravan was caught off first and run down between the bases a feat that is accomplished only once in a life time. "Midge" was caught asleep. Then they threw McGrier and Sager and although Koehler fumbled it, "Midge" was caught off third. Sager reached first, he dazed off the sack and took his usual lead. Crystal wound up and threw. "Midge" thought he threw home, that he didn't have time to get back to third and "Midge" was caught asleep. Then Gaul began to run him down. When Grant's team catcher a man between the bases, "Cap" takes no chances on losing a game and he ran over from third over to join in the chase and finally Crystal had his revenge of pulling a fast on the fatigued "Midge."

"If I get on again I bet he don't get me," said Crystal. Koehler hit a fast one on Tom two-bagger in the first inning put a lot of pep in the game.

The seventh came around with 5-4 up. The fans put the jinks to work. Crystal was leading Crystal (Billy) a pop down the first base line. Crystal nearly reached it on fair ground and he knocked it foul. The ball was clearly fair but Brinlan called it foul and Krug was pulled back from third while Wheeler was forced to bunt again.

Koehler Gets Single.

Hibbs laid a neat bunt down the first base line again, and Crystal got in it and fumbled. Both men safe. Connors made a perfect sacrifice. Crystal was hard hit and McGrier was called again and Koehler was hit and he got two strikes on himself. Then he got his second hit, a screaming single to center field, scoring both runners. McCarthy hit to Grant who fumbled and two runners scored.

Koehler stole third when Sager failed to touch him with the ball. McCarthy pilfered second and Grant slightly called him as he went into the sack. Wells hit to Sager and McCarthy. Wells tried to beat razor and then swung had on one, and said it down the right field foul line for a single scoring the base runners. McGrier hit a fast one to Sager and Grant fooling Wells. Grant made his second error of the inning by throwing wild to LaJoice and Moffit went to third. Craven flew out.

Evansville was dangerous only in the sixth and seventh. In the sixth, Cady singled and Crystal sacrificed. With the top of the batting order up it looked bad and it looked worse when Cady stole third. Then Moffitt called Cady to third. "Sappie" Moffitt got down to work and made Centilvre fall to McCarthy. "Mac" held Cady on third and threw Centilvre out at first then Sager called an easy one to McCray.

In the seventh, McGray hit a hard liner past Wheeler, who knocked it down and then threw wild to first, McGray going to second. Sager hit Lajoice going down and "Sappie" lighted his bat. He got two strikes on "LaJoie" and then struck him out. Pfaltzgraf drew a pass, but Moffitt fanned Snyder. Then Grant called on easy

Who was the "twenty-seven hundred and ninety?"

Every fan may lay claim to the honor.

"Sappie" fed "LaJoie" LeJoanne a fast one.

In the eighth inning Snyder got an easy out out.

In the third inning, McCarthy had three assists.

Ben Koehler two-threes for the Evas in six innings.

"Sappie" deserves all the credit in this game.

"Danger" certainly had an off day when he let Wheeler get on first.

"Wells" (?) have caught Cady in the sixth if his throw had been perfect.

Wheeler got in the game long enough to get his name in the official scores.

Crystal (Billy) pitched a good game and deserved good and round hard.

"Old Bert" Koehler is anything but "Has Been" (has been). He is playing the game of his life.

Grant, Wheeler, Koehler, a snap throw in question (Snyder) and a cause back runners trouble if he gets in the game.

It is being cried in many fans that mammoth as Ben Koehler is lack the Broncho nine in hitting, he is now a dozen to about what he can do in the game. He is little clean-up medium for a few days.

LINDSAY DROPS HARD ONE.

"Southpaw Pat" Loses to Evas 3-2 in Hard Luck Contest.

"Pat" Lindsay lost a tough-luck game to "Brick" Sterner, Saturday, 3 to 2. "Pat" pitched a good game and he worked hard, but baseball luck was against him. In the first inning two runs were scored on lucky hits and "Pat" was hit hard. He recovered himself long enough to shut down the Snyder with the winning run. Sterner kept the hits well scattered. Jottings by Judge.

It was Hibbs's score reversed.

Wheeler and McCarthy got doubles.

Koehler played another grand game at second.

Wheeler got two hits and scored a run in four innings.

Grant changed his batting order and it worked good enough to win.

It was a question of which "Brick" was meant when Connors faced Sterner.

The Studebaker automobile fans gave an old-fashioned serenade to Mr. and Mrs. William Clark, of St. Joseph, Mo., at the game. Mr. and Mrs. Clark are spending their honeymoon in the city and they were present Saturday's game in an automobile. The Studebaker fans were tipped off to the fact and surrounded the auto and gave them a real charivari with cowbells and horns.

RUNT WALSH GOING GOOD.

Former Broncho Is Playing Great Game at Second for Phillies.

It looks like "Runt" Walsh is going to show the Phillies they were bad wrong in drafting him after all. "Runt" played in Saturday's game against the Pirates and got two hits, one a two-bagger and he had two putouts and six assists with no errors. In Friday's game he had two hits, one a three, one for run and six hits, four of which assists with no errors. When Walsh was a Broncho he was a poor waiter and was constantly striking out on bad balls. He has points was he learned in the big game. Since going to the Phillies he has been a hard hitter to wait and is drawing his base-on-balls regularly. In the game he is getting better every day. The Pittsburg Post says the following:

"Runt" Walsh, the Phillies' star from Quincy from South Bend in the Central league, put up a brilliant game yesterday. Walsh, and nearly every one of his hard drawn assists robbed the Pirates of a hit.
