

BIG SERIES BEGINS

PENNANT WINNERS IN MAJOR LEAGUES TO PLAY.

FIRST GAME IN CHICAGO

Opening Contest and Second Will Take Place on Cule Grounds and Rest of Week in Detroit.

The great series with the championship of the world at stake begins at Chicago to-morrow and the Cubs and Cubs will fight it out. The Cubs, by their victory over St. Louis yesterday, were the pennant winners in the American league and drew the right to defend the honor of the league and the world's first contest, the Chicago team, near victory in the National.

The National commission met to Chicago last night and made up the schedule. The opening game will be played at Chicago to-morrow and Wednesday and then the teams will go on to Detroit, where they are slated to meet Thursday, Friday and Saturday. Should another game be necessary to decide the title the Cubs and Cubs will play it there.

A new division of the receipts among the players was also discussed last night. The National commission will meet again in Detroit on the 12th. The commission will set the date of the game and the date of the game will be set by the date of the game.
