FINAL CONTEST A TIE

VETS LAND HARD ON KEENER IN LATTER PART.

GRANT'S STOOP SAVES GAME

One Handed Spear by Aggie Averts Defeat in Ninth—Halycrose Stick Star—On to Springfield.

The Tribune's Special Service.

Dayton, O., June 8.—The South Bend team left here for Springfield today having secured an even break with the locals. Manager Grant and his bunch got another good start in the final and it looked as though they had the game clinched until the Old Soldiers jumped on Keener and tied up the game in the seventh and eighth rounds. Neither side could score in the ninth and at the end of the round Umpire Cille Chill called the game on account of rain.

Big Roy Keener was going well and the visitors were with him until the fifth when the Vets started to find his slants. South Bend poked out four healthy swats in the second and third which coupled with two errors, counted four tallies. After that hits off Malloy were scarce when men were on the sacks. The visitors were killed at the plate by frog hair margins—Hayworth being the victim in the ninth. Mooney was trying to score from third on a grounder to Richardson and Bush tried hard to win in the ninth by coming from second on a grounder to Hayworth but was disputed both decisions and in the ninth account Chill of losing the game for his club.

Start Scoring in Second.

South Bend started scoring in the second. After Tieman skied out, Richardson walked and Mooney fouled while Crutchfield fanned. Greatly timely single to center scored Pearl. Keener's long two sacker to center brought his manager in. Mooney scored on a wild throw to home on Hayworth's attempted sacrifice to second, but Grogan muffed the throw and both runners were safe. In an attempt to catch Mooney off second, Malloy threw wide to third and all hands were safe, Grogan to advance on back. After Johnson went out Tieman grounded to Richardson. Mooney was caught at the plater. Holycrose scored Hayworth with a single and Tieman came home when Pool muffed Johnson's drive to left. Holycross got his third hit in the sixth, stole second and scored again on Grant's second bingle.

Hits by Grogan and Walker and an error by Grogan gave Dayton a run in the fifth. Mooney and Malloy hit safely in the seventh, and after Grogan and Walker went down, Boecher, Rich and McKean hit consecutively, counting two runs and tying the score. Hits by Pfeiffner and Grogan tied the score in the eighth.

In the ninth Bush walked and stole. Mooney grounded to Rich and Bush was waved out on a close decision at the plate.

With one down in Dayton's half McKean hit for two bases. Malloy lost out a grounder to "Crulk." Pfeiffner walked and Grogan hit safely on a sensational one hand spear and double play to Hayworth saved the game. Umpire Chill then called the game on account of rain.

COLLINS LEAVES PILGRIMS.

Exchanged for Knight of Athletics—McGuire to Manage Boston.

The Tribune's Special Service.

Boston, Mass., June 8.—A deal affecting three American league clubs has just become known. James Collins, third baseman of the local team, will go to the Athletics in exchange for John Knight and a large cash bonus, and James McGuire, the veteran catcher of the New York Americans, will come here to assume the management of the local team, displacing Robert Unglaub.

Unglaub, who left the New York team, released McGuire outright the last night and the catcher with himself of the opportunity to manage the local club. The cause of the change in management is said to be due to the report that Unglaub was giving satisfaction, and the report that McGuire was to succeed the first baseman as manager came as a complete surprise. McGuire is the third manager the Boston Americans have had this season, who signed out as manager, was succeeded after his suicide by George Huff, and the latter, after a week as manager, was followed by Unglaub.

New York, June 8.—It is said McGuire will receive a salary of $5,000 as manager of the Boston Americans. The New York club receives about $2,000 for Knight, who last year, when he has been in business as a professional ball player since 1882, when he joined the Toledo club.

CLOSE SMITH DEAL.

President Hermann Said to Have Paid Good Price for Twirler.

The Tribune's Special Service.

Terre Haute, Ind., June 8.—President Louis Smith received a telegram last night from President Herman, of the Cincinnati National baseball team, stating that the deal for Pitcher Fred Smith has been closed and that the pitcher will be a member of the Cincinnati team. This is done to seal the agreement so that Smith cannot be sold to any other team. President Smith said last night that he was still perfectly to make public the terms of the deal, but it is understood that Smith received a good price for the twirler.

NORMAL TEAM DISBANDS.

Failing to Win a Game All Season Teachers Quit.

Terre Haute, Ind., June 8.—It was announced yesterday at the Indiana State Normal school that the baseball team has disbanded for the season. The reason given was that Null was sick and Ross was in Chicago and some of the other men were not in condition.

The season was not successful, not a game was won by the teachers.

THROUGH A KNOT HOLE.

Six shut-outs in seven games is the closer record of Pitcher Plank, of Jersey City.

Cleveland is making a great run in the American league, pushing Detroit to the trail of the Sox.

Walker, of St. Louis, is the first player in the American league to register a hit off Plank.

Jack Hendley, of the Cardinals, is fooling two fat thumbs. He can't grasp a bat but is still able to kick.

Jack Thoney, outfielder of the Toronto team, is the only player who has been of the baseball Montreal in 12 years ago, equalling the world's record.

Cree, so the story goes, it was hard to tell whether the club from Springfield was represented a baseball team or a distillery. Now there are some Springfield players who are not drinking any beverage—Springfield Daily News.

The Cubbers journey to Springfield to-day to meet the Babes in their own backyard. Jack Taylor, the Babe's pitcher, has something up his sleeve for the travelers, and expects to push Wheeling when the series is over, according to dope from that country. Grimes and the Wheeling bunch will probably feel him.

PLAY FOR CITY TITLE

SPIROS AND EAGLES TO MEET TO-MORROW.

GREAT GAME IS EXPECTED

Both Teams Putting Up Fast Ball—Fine Record of Past Performances—Rosters Will Attend in Force.

Two of the fastest amateur teams that ever played in South Bend will clash to-morrow when the Spiros and the Eagles meet at Springbrook in the first game of the series of three involving the title of city champion. During the week both teams have been getting in every minute of practice possible in spite of the anti-baseball weather, and Managers Jess, of the Eagles, and Swartz, of the Spiros, each confident of victory.

The Eagles have a good record so far this year. They played a fast game with the Three Oaks Grams at the Michigan town Memorial Day, losing out by the close score of 4 to 3, and defeated the strong Mishawaka Giants last Sunday. The Spiros, after a rather unlucky beginning, struck their gait at Goshen, where they pinched two games Decoration Day, tying the first 4 to 4 in overtime and winning the second, 8 to 5. Sunday Manager Swartz's team defeated the Mishawaka Independent aggregation 4 to 2 in a game which for speed had anything beat in the town, being pulled off in five minutes over one hour.

Promise Fast Game.

If the teams maintain their former form the game promises to be one of the big crowd expected will not be disappointed for the contest promises to be about as fast as is often seen. Both teams will have a strong bunch of rooters on the grounds and the rivalry between them will add a little mirth to the respective supporters, so that the game will not be devoid of interest among the spectators.

Wilfong, the Eagles' twirler, has a number of friends in Mishawaka, who will be on the grounds to root hard for him, and to offset this Yager, the Spiro southpaw, will be cheered by his clients from the Studebaker and Oliver plants.

Yager has been pitching good ball this season and is in fine shape to do the work of his life to-morrow. Yager expects to be able to keep the Eagles from running away with the game, but the outcome of the game is in every prediction by the supporters of the teams.

The game will be called at 3:15. Umpire Wade will see that the men play ball and the game will be fast enough to give satisfaction, as he is an official of experience. No extra charge will be made for seats in the grandstand, so in case the weather is unfavorable the fans can keep dry under the roof. The batting orders of the teams are as follows:

Spiros—Hart, catcher field; Wurtz, catcher; Richards, left field; Enyard, first base; Klayber, short stop; Hauck, third base; Pechenoy, second base; Yager, pitcher; Wilson, right field; Martin, pitcher.

Eagles—Hilinski, left field; Kornmeier, right field; Warbis, catcher; Shoek, first base; Blue, third base; Wilfong, pitcher; Jess, second base; Stump, short stop; Rigney, center field; Wilfong, pitcher.

Leapers vs. Sunnysides.

The Leaper Parks will play the Sunnysides Sunday afternoon at 2:30 at the Sunnysides diamond at LaSalle avenue and Adams street.

Tessettie at Niles.

Arnold, Frank Hickel, Lorenz Ziegler, John Bosse, Owen Chilcote, Joseph Ziegler, Frank Ziegler, William Dreher, Paul Metzger and John Metzger.

The congress this year will be held in two sections, the first to-night and the second to-morrow afternoon. The winner of the premier honors will receive a silver cup and medal. The second prize is a $100 gold medal and the third a $500 silver service. The prize list is all aggregates $15,000.

FORM NET LEAGUE

TENNIS PLAYERS IN TEMPORARY ORGANIZATION.

Date For Semi-Final Contest is July 5—L. E. Maher is Chosen President.

A temporary organization of the proposed tennis league was effected at the meeting of the local and visiting tennis players last night at the Oliver hotel. Lester E. Maher, of Mishawaka, was elected temporary president, and H. Hoffman, of South Bend, was chosen temporary secretary. The plans for the tournament in which tennis players from all the neighboring towns will be asked to take part were discussed at length.

Each town will be allowed to enter two men in the single events and one team in the doubles. The entries must be in by July 4, as the semi-final contest will begin July 5. The finals in the tournament from South Bend and Mishawaka will be selected in the tournaments to be held soon, and it is expected that the other towns in the league will be represented by a number of representatives in the semi-finals chosen in the same way. The date for the final meeting of the runners-up has not been decided, but it probably will be some time soon after the semi-final date, July 5.

The meeting, which was followed by a banquet, is in progress, and the players will then meet and organize permanently. The league will be known as the Northern Indiana and Southern Michigan tennis association.

ORBY, RICHARD CROKER'S HORSE, WHICH WON THE GREAT DERBY

ORBY, WITH JOCKEY REIFF UP.

Richard Croker, the former boss of Tammany hall, won the biggest horse race that can come to a turfman, when his horse, Orby, won the classic Epsom derby. In winning the prize Croker, who is a resident of Ireland, had acquired a stake worth $44,000. Incidentally, he was snubbed by King Edward, who did not send for him and congratulate him, as is the custom.

The victory was popular here, because it came to an American owner and because Orby, which was said to be half American, being the son of Rhoda B., a mare bred by Harry Blanding, of Kentucky, and sold to Croker for $1,000 in 1902. Blanding was the man who first sent Lexington to Orby was Croker's mare in dower.

The derby was founded by Lord Derby in 1780, and to win it has been an honor sought by the best stars of princes and the biggest men in the kingdom. King Edward, when he was Prince of Wales, sent two derby winners under the hammer.

Croker is the third American owner, and Johnny Reiff, the fifth American jockey to be associated with derby winners. The other American owners were Pierre Lorillard and William C. Whitney, and the other jockeys were Frank Wootton, Sloan and Tod Sloan.

The derby is for 3-year-olds, and horses to be eligible must be entered when foaled. Croker entered Orby in 1904 and trained him at the Croker estate, Delbyde, Ireland. The length of the derby course is one mile, four furlongs and 29 yards.
