EX-GIANT MAY BUY GRAND RAPIDS CLUB

JOE McGINNITY WANTS TO TRY CENTRAL LEAGUE.

EMMISSARY MEETS ANNIS

Deal Hinges Upon Result of Negotiations With Obison Who Has Option on Franchise—Annis' Meeting Opens To-day.

BULLETIN.

The Grand Rapids Central league club was this afternoon sold by Bert Annis to C. F. Brotherton, of Ashtabula, O. He is said to represent Bobbie Love, who last year managed the Stags.

Recent developments in the sale of the Grand Rapids club, of which Bert Annis is owner, has brought another prospective buyer into the field in H. C. Smith, of Chicago, who is attendin the central league meeting to-day representing Joe McGinnity, the famous "Iron Man" who for years twirled with the New York Giants.

For several hours yesterday Smith conferred with Owner Annis and he will be given first opportunity to purchase the club if the pending deal with C. F. Brotherton, of Ashtabula, O., falls through. Brotherton has secured an option on the Grand Rapids club with a view of purchasing it for Bobby Lowe, last season leader of the Furniture city aggregation. He was in South Bend for several hours Friday afternoon and evening in conference with Owner Annis, made a trip to Grand Rapids. He will return to South Bend to-day.

Unless the deal with Brotherton is closed, it is probable that Owner Annis will stand next to the fur city representative, H. C. Smith, returning to Chicago before the meeting was called. He will be advised immediately if Owner Annis fails to close the deal with Brotherton, and if such is the case McGinnity, The "Iron Man" will come to South Bend possibly Wednesday to consider the proposition.

Will Discuss Important Matters.

Magnates of the Central league, every city being represented, gathered in the Elks' temple at 2 o'clock this afternoon, when President Carson called the meeting to order.

It is expected that several matters of great importance will be brought up before the meeting. The magnates will settle the much discussing salary question, the schedule committee is ready for starting and closing the coming season. Several of the club owners, in fact nearly all of them, favor a later starting and closing game card, while few of the moguls are in favor of the longer schedule. It is almost certain that the committee will adopt the longer programme.

Announcement was made to-day by W. W. Irvin, secretary of the Wheeling baseball club, that he signed Bill Phillips for the coming Central league trail season. Several other personal who are prominent in baseball have been considered by the Wheeling magnates, but Phillips was the final selection. He made a creditable record late season and has already made good in the Central league.

During the morning the magnates gathered in the Oliver and was the Central league pennant for next season. Everybody was glad to see each other, and the morning was spent in a social chat and then passed for the real doings which began at 2 o'clock.

CORBETT'S DEFI IS REGARDED AS JOKE

"GENTLEMAN JAMES" IN NO CONDITION FOR FIGHT.

PROMOTERS BOOM KAUFMA

Powerful Coast Heavyweight May Secure Match With Colored Champion—Jeffries to Develop His Prestige for Title Bout.

The ascension of Jack Johnson to the heavyweight throne created a commotion in pugilistic circles. Apparently, will be slow in subsiding. With Burns bearing the championship honors on his brow there appeared but little doubt on the part of the big men in ringdom to wrest the laurels from the Canadian. But since the negro accomplished the feat things have been different.

Reversed and the result of the battle as Rushbutter's Day has been called in this country before the glove gladiators of a decade ago began to after the mighty tombs and dousing an opportunity to reclaim the title for the white race. The list included Bob Fitzsimmons, Tom Sharkey, Gus Ruhlin, Jack O'Brien, Marvin Hart, Dave Ed Smith, Dave Barry, Jim Corbett and a host of virtually unknown heavyweights.

Not Taken Seriously.

None of the alleged challengers, with the possible exception of Corbett, was taken seriously by the fight followers, and the question of "Pompadour" Jim's ability to figure seriously in a contender is open for discussion. Corbett is 43 years old, while he has not been prominent since he was twice defeated Corbett. In 1899 it took him 23 rounds to do the trick, but three years later Jeffries was an easy winner in 10 rounds. Either Corbett or Jeffries could have defeated Johnson years ago. Jeffries improved remarkably. From either angle Jeffries stands out as Corbett's successor.

Corbett probably is sincere in saying that he is willing to fight Johnson for the championship if given six months to prepare. He has been training off and on for a year, but the present prospects of Corbett at the age of 43 defeating Johnson, who is his junior by 12 years.

Jim Corbett since Corbett fought his last battle, and in those six years he has been traveling the theatrical circle from coast to coast which is a site not conducive to the upbuilding of the physique. When Corbett fought Jeffries at Coney Island on May 11, 1903, he was in good condition. The wind of 23 rounds against the eight-to-Californian was heralded as a "comeback" feat of remarkable proportions. To ask or expect him to repeat at the age of 43 is equivalent to expecting the laws of nature to turn back.

Johnson in Prime.

Johnson is but 31 years old, and is apparently as fit as ever. Corbett's chances of defeating the big black are slim. The negro is an exceptional boxer, a hard hitter, lightning fast on his feet, and the only charge ever brought against him was that he had what is called "yellow streak." Johnson is strong, it has never been proved against Johnson, and Corbett at 43 is not the man to demonstrate it if such a failing exists. Jeffries is the only one of the old regime who appears to figure with Johnson.

Jim has a number of challenges that are being issued almost daily in Jack Johnson are any criterion, it looks as though some time in the far distant future an opponent might be worthy of Johnson's prowess.

Jim Jeffries from Los Angeles said that Jim Jeffries has actually begun training but not for the purpose of meeting Jack Johnson. Jeffries says he simply wants to get his hand in shape for a go-go or a tour with Al Kaufman. Jeffries says Kaufman is the man he is as close as anybody. Also a speedy youngster and I must get my eyes opened to keep up with the pace he will set for me.

It is believed that Jim hopes to develop a champion out of Kaufman, Jeffries is a big man, and if he can develop half Jeff he could work wonders with Kaufman. "Al is a strong and willing youngster," said Jeffries. "Al Al needs is the proper schooling. We will go to Vancouver and drill him the way I drilled Jim. Jim's best of you will come on the road with me and I will work with Al every day. In a few months Al will be out to beat the champion.

Jeffries mentioned three days before Johnson's victory that he was in training. "Boys, I want to see a white man beat Johnson. If you think I can beat Kaufman in two days I am willing to try. At any rate I will be getting pretty well paid for my services and I will be satisfied if Kaufman can failed to develop because I have not yet met a man who was his superior in knowledge of the game. "Tommy Burns looks bad, or Jeff can see him to process every day until he developed I think Jeff can do the same thing with Kaufman. Al has the same thing with Kaufman. Al has beaten every white man in his class. And I want to call attention to the fact that I have not been off out of business. Some of the boys have been good after Al get through."

DONS GLOVES FOR HIS STAGE BOUTS

JEFFRIES APPEARS BEFORE PUBLIC IN SAN FRANCISCO.

Boss Heavyweight Fighter Boots With Berger in Spirited Contest—Champion Looks Good.

SAN FRANCISCO, Jan. 18.—For the first time in more than four years, Jim Jeffries donning the gloves in a sparring exhibition with Sam Berger at the Wigwam theater yesterday afternoon. The champion attempted three rounds were each of less than a minute, critical judges agreed that given time to wear down surplus from Jeff will be at an end.

His wind is nine top good, but he perspired freely from the exercise, was sparring in his punching, and quick on his feet to a degree that was surprising. Thousands of people who saw Jeffries at four shows given afternoon and evening were loud in their praise and strong in demands for a fight with Johnson.

"Jeffries is a wonderful man," said Berger. "I don't believe there was ever another fighter like him. For a man as big as he is I never saw so much speed. He needed to work off some of the fat, of course, but that is just a matter of time. He is in good condition his punch and is quick on his feet. There all he needs. Give him a few months for work and he will beat Jack Johnson with ease.

Tex Rickard, the promoter, said: "Jeffries was a surprise. Of course I have seen him many times in Los Angeles, but I was afraid he would lose that speed. He's as lively on his feet as a schoolboy and he hasn't forgotten how to fight."

Tommy Ryan, a brother of the ex-champion, said: "Johnson is a good all defensive, if Jeffries will step into the ring with him, I know that Jeffries is many times not to be able to defeat Johnson. I know that if he fights he would put on the fight of his life."

While Jeffries still contends he is merely going back on the stage for boxing exhibitions he order to pick up such "easy jobs" as his services may earn, he indicated something more in conversation with friends.

NOTRE DAME DEFEATS CHICAGO FIVE, 25 TO 8

Vaughn, Star Center, Features With Brilliant Work.

Notre Dame, 25; Central, 8.

This is brief is the figure result of the fastest, cleanest, cleanest and all around brilliant basketball performance ever seen in the Notre Dame gymnasium—perhaps in this section of the country.

The score, however, does not tell the story of the game. It does not indicate the fierceness of the struggle for supremacy, the fighting spirit which was evident on both sides. Notre Dame was out to win, hoping to vindicate its laurels lost to Chicago central fought desperately in order to maintain its supremacy over Notre Dame, and after its unbroken line of victories, Central had been looked upon as the best team of the present season.

The contest was slow in starting, a capable being heard over the rules under which the game was to be played, which Referee Wood and Coach Marie held out for the Collegiate game, when which the variety always played. However, the Notre Dame sportsmanship showed itself when they gave in to Central.

The game was particularly close. Over the score stood a tie at five all, and again it was even at six all. However, Notre Dame was never headed throughout the entire game, and at the first half led by the small margin of one point, the score being 13 to 12.

The variety came back strong in the second half. By wonderful team work, lightening passes and phenomenal heaves by Vaughn, the Notre Dame team piled up a lead which Vaughn was the shining star of the game. His work always stood out. He played all the time and after he dropped into his gait he threw six and goals in rapid succession.

"Chief" Thorne and Scanlon were prominent for the Chicago team. Their opponents were able to secure only one goal from the field, and this it fell to the Scanlon Twin Pairs they accomplished, playing against Barrett, Maines and Vaughn, the Notre Dame championship of the country last season. Sugarman was there with the goods Saturday night. He was always in the team play.

Large, Barrett and Hartman were the best men on the side of Central. Hartman was the only man who made Notre Dame get the only field goal on the side of Central. Those two men made all of the Central points. Lineup:

Notre Dame (25).		Central (8).

Constipation Caused By Indigestion

Is Cured by Helping The Stomach Do Its Work as it Should.

All forms of constipation, bowel or intestinal trouble owe most of their origin to the improper digestion of food. The bowels measure, as feel. The muscle walls or surfaces are wound tightly about with millions of nerves. Nature has provided these muscles, millions of little mouths or suckers which are supposed to take nourishment from the food as it leaves the stomach and passes along this 20-foot human canal.

When indigestion, dyspepsia or stomach troubles begin, the food is undigested, passes over these millions of mouths. It is a fermented dodging mass and holds no nourishment as it should.

Each little mouths suck in, impoverished nutrition to the blood, impoverishes the little muscles, weakens and so the work of constipation and bowel trouble begins.

A natural laxative or secretion belongs normally in the little cells and glands of the bowel, and constipation is a 20-foot canal or bowel. When indigestion occurs this juice is lacking and the mass of waste matter cannot pass along as it should and is piled up and caked in the bowel thus bringing pain and misery.

Stuart's Dyspepsia Tablets, when taken after meals, digests the food so it does not ferment and sour, sicken and ill passes to the bowels complainment and jaloes, which help the intestines not only to do their work at once but builds them up, restores vigor to the muscles, and gives a secretion to the glands and so helps bowel action and enriches the blood.

The stomach is the cause. Common sense and science are one on this point. You see it yourself. One little grain of Stuart's Dyspepsia Tablets will digest 3000 times its weight of food. The assimilation of a meal of one or three tablets is an easy matter and it keeps the stomach clean and sweet so that in a brief time the organ is restored.

Every druggist carries them in stock at 50 cents per package or at Stuart's Store and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.
