OPEN BASKETBALL SEASON AT Y. M. C. A.

SUCCESSFUL INAUGURATION OF 1911-12 PLAY IN LEAGUE.

PETERSON & ADLER WIN

Are First Victors of Year — Hellers and Lees Also Triumph—First Night Augurs Well for Future.

The Peterson & Adlers, Hellers, and Lees are tied for the lead in the Y. M. C. A. Commercial basketball league as a result of the opening games of the season last night. The inauguration of the 1911-12 season is regarded as highly successful. A satisfactory number of enthusiasts was in the gallery, while as interest increases greater crowds are expected. The games last night, while rather loose, augur well for future play.

After the six teams forming the league had been photographed, the Peterson & Adlers and Chard & Tompsett took the floor in the first contest of the competition for the A. B. Heller trophy, a shield offered by Mr. Heller to the team winning most in the league by a team, to the winner of five 10 weeks' race. The Peterson & Adlers won, 16 to 11. The Hellers won easily from the Chasers, 22 to 16, while the Lees feasted on the Stapleton-Hildebrands, 12 to 10.

Chards Set Pace.

The Chard & Tompsett team set the pace for the first few moments of the opening game, but the Peterson & Adlers soon overhauled the leaders and at the close of the first half the score stood 9 to 5, in the clothier's favor. The second half was marked by poor passing and team work, while close guarding kept the score down.

The Chasers and Hellers contested a fast game on the basketball programme in a rather one-sided (!!) which Capt. Whitaker featured by his basketshooting. Steely, leader of the Chasers, was not in his usual form and his team-mates were unable to rely on the center keeping the latter covered at all times.

Barrett in Form.

Barrett was seen in his usual speedy role and secured four baskets during the fray. The Hellers appear to have a team of good basketshooters in the league, while as Steely and Kirby reels the burden of the work of the Chasers.

The Lees and Stapleton-Hildebrands displayed unexpected strength in their meeting. Both teams are well balanced and in good condition, while strategery on both sides seems to be well fitted for the position he holds. They fought on even terms in the first period, but in the latter half the Lees strode in the fore, the final game ending 12 to 10 in the Lees' favor. A. Wilt starred in the offense.

The Chasers and S.-H.'s and Lees have strong pivotal men in Steely, Forster and Mortimer, Steely and Mortimer are good basketshooters, while Forster seems to be a diamond in the rough. Capt. Whitaker hopes to develop a good center in Hahbe, while Rausch is expected to prove a lower of strength between Mason is over, especially on defense. Score:

Plums for San Francisco.

NEW YORK, Nov. 23.—The governing officials of the Amateur Athletic union have agreed with the approval of the national committee of the organization to award the next Olympiad (that is, the place to San Francisco in 1915, and they will be held in accordance with the exposition of the Panama canal opening. The national committee will meet in Chicago on the 14th accordingly as Portland, Oregon, in 1913, and Seattle in 1916, and it is believed that eastern athletes will not object to another long journey.

MARIS ASSUMES CHARGE OF BASKETBALL SQUAD

Practice Basket Shooting—Bowling Arouses Interest.

Basketball practice at Notre Dame took on a cheerful aspect yesterday afternoon. The squad still continues to grow and the return of Coach Maris to the university after his trip to Crawfordsville has impelled the aspirants to greater efforts. Maris assumed charge yesterday, spending most of his time in getting acquainted with the squad, and drilling them in the fundamentals of the game.

The squad was put through shooting practice. That there are many good basketshooters in the Notre Dame ranks is apparent. Capt. Grandfield found it especially strong on long shots which adds much to his efficiency as a guard. McNiel and Kuhn are good shots from the center, and their shots at the basket were clean and accurate. Kenney is an easy shooter, and frequently shot goals although covered by his opponent at the time.

Coach Maris will start at once to put the team through practice for the preliminary combination games to finished two teams will be pitted against each other and the choice will be made from the teams.

Practice games with the University of Notre Dame team have been fixed. Already the bowling men are at work and a schedule of games is being arranged by the committee in charge. As yet no regular team has been selected but it is believed the universe will be represented by a team sufficiently strong enough to cope with the best teams in and around South Bend.

Tomorrow a return game will be played on the Studebaker's alleys by the "varsity team.

Just who will represent the Notre Dame team has not been decided. McGlynn of last year's team is toppling the pins in chasers and bids fair to reach some high scores before the season closes.

SPRING TRIP FOR UMPIRES.

Club Official Believes Indicator Men Should Train.

CHICAGO, Nov. 23.—Spring training for major league umpires may become an added feature in the national pastime if the National and American moguls harken to the suggestion of Charles G. Williams, secretary-treasurer of the Chicago Cubs. The latter, an active cog on the baseball world for more than a score of years, yesterday stepped to bat with an argument in favor of the proposition, which seems to accompany each of the big league clubs during the spring pilgrimages, officiating in the exhibition contests and thereby "making weight" for the chamberlain of the game.

The idea as broached by the Cub official is in direct "conga" of the National circuit with teams of the American league, while the men on Johnson's team would receive similar fate in the hands of training contingents made up of National leagues. Thus, according to Williams, better results might be attained than by shipping the arbitrators with teams of their own particular league.

BLOW TO FIGHT GAME.

Boxing in New York State Decided Illegal.

NEW YORK, Nov. 23.—The New York State Athletic commission has made the ruling that boxing in the state is illegal.

Giants Leave for Cuba.

MIAMI, Fla., Nov. 23. — The New York National yesterday defeated the Miami baseball team by a score of 5 to 2. The Giants left to-day for Havana, and the Philadelphia National will arrive here Friday from Havana. The Philadelphia team will play in several Florida cities on the way home.

LOCAL FOOTBALL.

When the Husbners were defeated last Sunday by the Stroughiaria, several Hoosiers were left on the bench. The board, it is claimed to have broken a winning streak of two years' standing, while it was the first game for Hoffberg Bolinski in which his team failed to score. The Husbners are likely to fire years, in that time the burly halfback is claimed to have played 41 games, all of which bar one resulted in victories for his teammates or neutral scores.

The Stroughiaria began practice last night in preparation for a game with Mishawaka at Springbrook park Sunday. Coach Bolinski must develop practically a new line, as three of the best forwards were injured. The defeat at the hands of the Hoosiers was not unexpected, according to the Husbner management, as without Dugdale, Urwardt, Evans and Kowalski the offense and defense were weakened. Urwardt and Kowalski will be in Sunday's game, however.

The Stroughiaria Juniors, claimants of the lightweight championship in local gridiron circles, are about to disband for the season. The Juniors have won all games, averaging but 115 pounds have by their opponents. Coach Bolinski of the Juniors will meet Shirley's Shamrocks Thanksgiving Day, and expect to further strengthened their claim to the title held by the Hoosiers for two years. Matches, right end; Wilbs, right tackle; Rochelson, right guard; Dugan, center; Horne, left guard; Dugan, left tackle; Conn, left end; Brennan, quarterback; Arnold, halfback; G. Horne, left halfback; Frederick, fullback.

STARS OF HARVARD AND YALE READY TO CLASH IN FINAL BIG GAME

CAMBRIDGE, Mass., Nov. 22.—The football eleven of Harvard and Yale will clash here at the stadium Nov. 25 in the final big game of the season. Although no championship title hinges on the event, Princeton having defeated both, there is no decrease in interest. If the weather is fair it is likely to be the most satisfactory contest of the year. Yale will open the game with Princeton without a single injury of consequence, and the same is true of Harvard's encounter with Dartmouth. Harvard and Yale have met 19 times since the game in 1874, in which time Harvard has won only four games, four have been tied, and Yale has won 22. Up until 1908 Harvard had not defeated Yale since 1894, but in that year the Crimson defeated by a score of 12 to 6 over Yale eleven that had beaten Princeton a week before. The probable line-up of the two eleven will be Yale—left end, Avery; left tackle, Swift; left guard, Francis; center, Ketchum; right guard, Ruhlen; right tackle, Paul; right end, Somsdorf; quarterback, Howe; right halfback, Spalding; left halfback, Camp; fullback, Dunn. Harvard—left end, Smith; left tackle, Hurwich; left guard, Ruber; center, Huntington; right guard, Fisher; right tackle, Storer; right end, O'Brien; quarterback, Gardner; left halfback, Campbell; right halfback, Wendell; fullback, Blackall.

HARD PROGRAMME IS GIVEN N. D. PLAYERS

Varsity Men Work Out in Afternoon and Evening.

Coach Maris, of Notre Dame, gave his warriors two thorough workouts yesterday. In the afternoon the varsity was pitted against the scrubs in the toughest battle of the season. In the evening Maris ran his men through a fast signal drill in the gym."

Capt. Kelly and Crowley in addition to Rockne and Pinka are out of the game, as Maris is unwilling to take any chances with his crippled men.

In all future scrimmages Maris will take special precaution to keep his men off the injured list.

Maris now has two well trained teams of substitutes, the second team of which is the varsity timber. Capt. Kelly, Feeney, Harvat, Oaas, Phillips, Brooks and Crowley will in all probability form the line sent against Maryville Nov. 30. Rockne, Pinka, Maher, Dorais, Smith, McGinnis and Dolan will be ready to supplant any of the former, in the backfield Maris has an abundance of good material with three sets of men all of sterling caliber.

In the event of a muddy field Herget, Pinka and Eichenlaub will lead at quarterback will probably be the lucky men. Dorais will gain, and Dolan will be ready to supplant any of the former, in the backfield Maris has an abundance of good material with three sets of men all of sterling caliber.

COLISEUM CLUB OPENED.

Four-Event Boxing Card Introduces New Organization.

The Coliseum Boxing club located at 148-114 East Jefferson boulevard, was officially opened last night with a four-event boxing card. Guy Griffin and Frank Pierce were seen in a four-thousand exhibition at the window. Kid Hanna and Kid Moore went six rounds with the former leading the way, while Kid Tessitino and Kid Jones spared six rounds. Tessitino was given the nod. Sweet Grady Anderson in a six-round battle.

As a curtain-raiser, five colored boys engaged in a battle royal, out of which Jack Dillon, the Indianapolis lad, and O'Neill, who will meet Phil Schoonberg here Nov. 28, was introduced before the main bout.

Billiard League Scores.

CHICAGO, Nov. 23.—Bowling Chicago back into a tie for the lead in the National Amateur Three-Cushion Billiard league tournament, A. J. Horvitz took the third and deciding game for the Brunswick series from Charles McCourt last night, but he was forced to establish a new record in order to turn the trick. Horvitz made the winning game, he ran out the string in 31 innings for an average of .323, while McCourt counted 44 points on 60 aways for a mark of .367.

BOSTON, Nov. 22.—Smoothly was a feature of the opening of the Boston Boxing in the National Billiard league three-cushion tournament last night. Ed score standing 50 to 42. Esterbrook for the visitors had an average of .41 and a high run of 6, while Dr. Hudson, of Boston, had an average of .41 and a high run of six.

CROWLEY HAS WON HIS "H"

Notre Dame End Former Member of Harvard Eleven.

INDIANAPOLIS, Nov. 22.—There are few football followers in this state who know the name of Notre Dame this year? In. His name is Crowley and if you will look back over the history of the two great rivals of the Hoosier state, Purdue and Notre Dame, Harvard trimmed the Old Gold in 1906, 4 to 0. A drop kick won the game. One of the star men on the crimson that year was Crowley, the same Crowley who is playing for Notre Dame this year. Is it any wonder that Notre Dame with another end, Rockne, who is almost the equal of Crowley, whipped Wabash.

Crowley is playing his second year at Notre Dame and was a member of the Harvard eleven for two years, but made his letter only one season.

Crowley was the strongest Notre Dame player on the field Monday. It was hard for Sheet Lambert or any of the Wabash backfield to get by him.

DILLON SHADES CHIP.

Indianapolis Fighter Has Best of Ga at Youngstown.

By associated Press.

YOUNGSTOWN, O., Nov. 22.—Jack Dillon, of Indianapolis, and George Chip, of New Castle, middleweight contenders, fought 12 rounds without a decision before the Olympic club last night. Dillon was the better of the two throughout, although Chip made the best showing in the last four rounds.

Fast Practice for Purdue.

LAFAYETTE, Ind., Nov. 22.—With Purdue's greatest battle of the season but three days off, the Boilermakers yesterday had some fast practice, but no scrimmage, and the coaches found the team in splendid spirits. The men are in good shape for their most important contest.

This afternoon the varsity line men lined up against the scrub line men and practice charging and using the shoulder. The team will leave early Saturday for Bloomington, accompanied by 1,500 rooters.

IN FOOTBALL CAMPS.

With but two days left before the Thanksgiving battle between Minnesota and Wisconsin, the Gopher camp is a monster mass meeting of Harvard university chapel yesterday. He warned the students against breaking away from the university and going to Madison as a case where an independent schedule had not been successful. Dr. Williams said in part:

"When Minnesota is particularly strong in football, Wisconsin is weakest, and vice versa, to be able to renew old relations with Michigan. Another thing which Minnesota is anxious to have brought about is some modification or abolition of the present summer baseball rule."

Philadelphian Easy Winner.

JOPLIN, Mo., Nov. 22.—Jefferson Clarke, of Philadelphia, easily won a popular decision last night over Young Jack Johnson, of Memphis, in a 15-round bout.

WILL NOT QUIT PURDUE.

Kirby, Ex-High Athlete, Intends to Remain at Lafayette.

Walter Kirby, the former High school athlete, who has been in Purdue infirmary for the past month as the result of injuries received during practice, will return to the Lafayette school for the remainder of the year at least. Mr. Kirby, who has been injured by a concussion of the brain, reports he is contemplating quitting Purdue. It is believed by friends he would leave school now; but, but Kirby says he has no intention of cancelling his registration at Purdue.

FAST PRACTICE FOR HIGH.

Scrimmage for Remainder of Week — Work Saturday A. M.

A fast practice marked yesterday's programme of preparation arranged for the High school for the annual game with Goshen High. Scrimmages the remainder of the week will probably be in order to fit the men for the Goshen game. Work Saturday morning while light work will predominate next week, Saturday's work out will be held in the morning.

SHE COULD NOT KEEP A SECRET

THOUGHT SHE OWED IT TO HER MANY FRIENDS.

MAKES A STATEMENT

Mrs. Margaret Manuel a Michigan Woman Comes Out in Strong Endorsement for Local Concern.

Her statement is as follows:

Saginaw, Michigan, Sept. 14, 1911.

Dear Doctors:—

I feel so much better than I have felt for the last five years that I want to tell you what I have been taking and if you wish you can use my name. Our family has lived in this city for twenty years and every old resident knows me.

I have had stomach trouble so bad for years, I could hardly endure the misery. I could not eat a single meal, my stomach would bloat so badly that I would have to loosen my clothes, and lay around for several hours.

Now after taking your medicine I feel as well and stronger than I ever did anything I want without the least sign of bloating or pain.

If any of my friends will call and see me, I will be glad to tell them of your wonderful medicine.

You have given your word when you said you could cure me.

I am sending my friends to you for you have treated me honestly and have given me what you said, and I give you that is a cure for my stomach.

Your friend,

Margaret Manuel,

The United Doctors to whom the above letter was addressed are the South Bend Institute located on the second floor of the Tropp Building, on Main St., opposite the postoffice.

The examining specialists in charge will be there Saturday, December 2, for consultation, to all callers. The office treatment is always reasonable and honestly agreed upon before the patient begins treatment. This assures satisfactorily in all cases. The offices are open from 9 o'clock to 8 o'clock in the evening—also Sunday forenoon.
