Thirty-nine players in the Indiana-Michigan bowling league have averages of better than 140, which fact shows a speedy development among the proponents of the organization. Holland of the Commercial-Athletic club retains a grip on the first position but as the season advances, Barton, of the Stars and Cordner, of Niles, are gradually closing in on him and are now within two points of being on equal terms with the champion. Games for This Week.

Indiana-Michigan league games this week will probably show several surprises and favorites are likely to bite the dust. On Wednesday night the schedule will bring the Commercial-Athletic and Stars together at Niles and Cushman which face Niles will be one of the most exciting of the season. St. Joseph, for the first time this season, will come to South Bend fortified with a team that is more formidable with the chances still in better form than they have been showing during the past three weeks. To win the contest it will be necessary to roll up an average greatly between 170 and Dowagiac will make the games between them two teams interesting.

The games on Thursday night will bring the Tribune and Stars together at Niles. The Tribune presents the strongest lineup they have had this season, and the Stars against the Centuryas.

The Commercial league games tonight will be between the Dowagiac team and the Martins and Pontoffice Fives. To-morrow the *Par Se* club will meet the Electrotypers.

SATURDAY'S SPORT CONDENSED.

Brief Review of Baseball, Boxing and Racing Events.

The leading developments reported in the sporting world on Saturday were as follows:

Baseball—Ban Johnson, president of the American league, said that the recent decision of the National league to play a long schedule shows that the latter is dodging a post-season series.

T. J. Hickey is to succeed J. Ed. Grillo as president of the American association, according to reports from St. Paul.

Frank T. Brush's stand in favor of a raise in the drafting price brought him the promise of a testimonial from the National Association of Minor leagues.

Clyde Rothgeb, of the University of Illinois, has been selected captain-elect in the Tony Fiegenschuh announcement.

Miscellaneous—James Lightbody, cyclopic champion, will run for the C. A. A. in New York, Dec. 30.

Jack Ryan, of Chicago, has a bowling match in D. A. Hopkins, of Grinnell, Ia., by thirteen pins.

Bonapel, the Algerian wrestler, hit Tom Jenkins during a match at San Francisco and was disqualified.

Pittsburg, Yale and Michigan, contend further changes in the football rules. Yale's misery is announced as being $1,500.

Turf—Representatives of eight western tracks met in Chicago and formed a pact for a revision of the racing schedule at the meeting of the Western Jockey club stewards, Jan. 3.

Lovelighter won the Crescent City handicap at New Orleans from Garrison, Aladdin Spencerian and two others.

Selola defeated Military Man and Annette in the Crocker selling stakes at Oakland, Cal.

Bragg won the Los Angeles feature.

HOLDER OF HIGH SCHOOL RECORD FOR HIGH JUMP.

E. McCARTNEY.

New York, Dec. 19.—E. McCaffney, holder of the world's record for the Public Schools Athletic league for the high jump. He signed it at four feet nine inches. Every day he devotes a little time to perfecting his jumping. He practices at home and if he fails to make a new record of five feet two inches—for which he is striving—at the coming meet in Madison Square garden it will not not from lack of effort.

In practice he is going over the bar with ease at five feet one inch. It is certain that the weeks remaining before the contest in the garden will give him an edge and just right to "set up" new figures to the glory of the School-boy league.

Jack Cephinnes and Schanne were winning favorites.

"Curlie" Brown was reported to have been forced out of the New Orleans hockey club.

Frank Ward, Fred Hosford, of Cleveland, knocked out Jack Finnegan, of Chicago, in the second round in Chicago.

C. G. W. Campbell and F. C. Hunt, students at Kentucky university, fought a draw match in Lexington, the forced wagering.

STUDEBAKER LEADS HORSEMEN.

South Bend Snow Driving Club Completes Organization.

The South Bend Snow Driving club completed its organization at the office hotel Saturday night by electing Col. George M. Studebaker president; Charles O. Bechtel, vice-president; William H. Parry, secretary; A. H. Cushing, treasurer.

Committees were appointed as follows: Entertainment—H. L. Gregan, Sam Leeper and Dr. F. R. Calson. Speed—George Rodifer, George W. Reynolds, Dr. F. R. Calson, Wm. P. Miller, the inter of Mishawaka.

The first matinee, which will be for best horses only, will be held on Colfax avenue Wednesday and if weather conditions are favorable will be followed by hodges from South Bend, Lagrange, Mishawaka, Elkhart, Cassopolis, Goshen, Niles, Dowagiac and Benton Harbor, will be held next week.

The club has decided that it is expected that not less than 15 horses will be given tryouts. Among them will be W. D. Johnson's Quick Sam Leeper's Gray Ghost, J. D. Casey's Bishop Lee, Dr. Calson's Dan Patch and Studebaker's bitter horse has been at Detroit under the care of Jimmy Burns who put him over a mile at Buffalo in 2:04 last summer. Upon him will devolve the task of beating Cesar O. and Billy Ha.

The officers of the Driving club were all identified with the sport last winter and through their efforts one of the most successful meetings held in the section of the country was given. Indications are that the meet of the Driving club this season will not be less successful. Within a few days it is expected that horsemen will begin to send in entries and reports will take steps to have their horses ready for the tryouts. Both of the towns have excellent stretches of pavement and they are confident that they can give the best sport meetings as was pulled off in Michigan last season.

The Colfax avenue speedway is being given considerable attention and if the weather continues as at present there will be an excellent foundation for the sports and trotters next week.

(By Tribune's Special Service.)

Grand Rapids, Mich., Dec. 19.—John Dagnet has not given up his idea of leading a Cardinal league magnate and has now enlisted the services of Charles Memphill, the star outfielder of the St. Louis American league team, in securing the franchise from Andrew Mazzuer, of Fort Wayne, and John Sullivan of Terre Haute.
