DANVILLE WANTS IN

MAKES APPLICATION FOR CENTRAL LEAGUE FRANCHISE.

PROMISE STRONG SUPPORT

J. P. Keary Claims Search of Four Directors—Terre Haute May Turn to South Bend—General Baseball Gossip.

Danville, Ill., formerly entered the race for a Central league franchise yesterday by making application for a berth in the organization. The city has completed an organization and will be represented at the Terre Haute meeting by a committee of prominent Danville business men who will be empowered to post a guarantee that the "Blind" city will incorporate a stock company of $10,000 just as soon that assurances are received that a franchise will be granted by the directors of the league. The application of Danville again changes the complexion of the circuit situation and it now looks as if Peoria, Danville and Pueblo will not up a warm contest for the places which will probably be vacated by Wheeling and Dayton.

Information received from Wheeling to-day is to the effect that W. W. Irwin, who will represent the Hinglo city at the meeting will bitterly oppose any action on the part of the directors to transfer the franchise to Terre Haute. If necessary, Wheeling will offer extra inducements in the shape of a larger guarantee to retaining clubs. The Hoosiers have a strong team this year and are a formidable team to contend with. J. P. Keary of Chicago claims to have the support of South Bend, Evansville, Wheeling and Dayton in his candidacy for the presidency. Two of these cities, however, may not get a vote as the presidency will be the last matter to be considered after the directors making up the new circuit will figure in the election. In case C. E. Lambertion fails to develop strength Louie Smith, the Terre Haute delegate, will throw his support in South Bend's candidate. Mr. Smith, Mr. Keary and Mr. Lambertion, all of Chicago, is stated can also be induced to help South Bend.

Gossip of the Diamond.

Manager Warrender, of Terre Haute, has signed Lefty Grove, an outfielder last year with Grand Rapids.

George Tebeau has secured an injunction trying on the Western league baseball meeting to-day, and demands the right to participate in the meeting. Tebeau claims to be a member.

It is understood that Hedges and McAleer, of St. Louis, have been shortening a large knife for some time and will start after the salaries of the Browns the latter part of the week.

Under the last agreement between the leagues the managers have a contract with the clubs for a term of years and it is believed the local managers will take advantage of it to cut something like $12,000 off their pay roll.

The probable disposal of R. L. Lowe, former captain of the Chicago National league team, is getting to be quite a considerable bone of contention. It is a couple of years ago he was one of the best infielders in the business. A close friend of Frank Selee, he followed that general from Boston to Chicago, where he met in a year. Last summer he suffered an injury to one of his legs and it looked as if he would be was then offered a chance to handle the Denver team which was disorganized by a bad season, and left by disgusted. Lowe tried to get the men to play together. In this he failed, then spoiling his chance of getting a manager's job in Denver.

Lowe is a good hitter, could hold down the job of Van Haltren, who for 12 years has ranked as one of the stars of the game. The veteran has announced that he will play in California, his home state, with the Oakland team. Lowe is said to be originally a catcher and a good one. Jones made the discovery that he was a strong batsman, and placed him in the Chicago outfield. Within recent years Van Haltren has played with the Giants. Season before last he was with the Chicago Nationals, and many predicted that he would never get in the game again. He recovered his old-time form but trouble with McGraw caused him to desert New York.

NEW BASKETBALL LEAGUE.

Six-Club Organization May be Formed by Director Schrier, of Y. M. C. A.

Physical Director Schrier, of the Y. M. C. A., is meeting with much success in the formation of an inter-city basketball league. He feels that the interest shown in the game since the organization of the Y. M. C. A. league has been such as to insure a successful season for a larger and more important league. Mr. Schrier expects to form a six club league. Two teams will represent the Y. M. C. A. Other organizations which will be included will be the Junior Christian association, of Mishawaka, the South Bend high school, the Commercial-Athletic club and St. Patrick's Athletic association.

The plans have not been completed, but it is probable that the schedule of games will be so arranged that all games will take place on Saturday nights, two games being played on each night. On every fourth night of the league is to be devoted to one the games at Mishawaka.

Among the men who have shown more than ordinary ability in the Y. M. C. A. gymnasium, and who will make up the teams representing that institution in the city organization, are Wagner, Carr, Barrett, Herron, McCarty, Best, Stinche, Fulkerson, Perkins, Leonard, Erler, Gaffney, Blackburn and Hodgson. Mishawaka's quintet will be composed of Bowman, Schlotzy, Beatty, Proctor and Chesbrow. Other men who may be called upon to substitute are L. Beatty, Frank Lerner, Barrows, Ritchey and Hoehn.

The high school team should be in an equal footing with the Y. M. C. A. Brown, Mathews and Price, of last years team have announced their intention of taking part in the game this year. Among the new candidates who have shown ability are Ward, Hoffman, Steve and Harry Cribbs, Cole, Nowicki, Bosman and Campbell. The Commercial-Athletic club team will be composed of the junior members of that organization and as they have frequently shown that they are good basketball material, it will undoubtedly make an excellent showing. In season up to Christmas, it

NEW SYSTEM OF TRAINING.

Chicago Athletes Will be "Shaved Up" and "Tapered Off."

Chicago, Jan. 12.—A new system of training will be adopted at the University of Chicago, perhaps next year. Under the new methods the athletes for the football team will not only be trained correctly to the climax of the season, but they will also be toned down from the climax. In short they will be "shaved up" and then "tapered off."

"Our manner of training men will never be wholly satisfactory," said Dr. Raycroft, gymnasium director of Chicago university. "Still we feel that we have in a normal year as well as truly as any other institution, the best results from the physical fitness of athletes which are made so much of at amateur sports athletics and which to the unscientific manner in which most of our athletes break training."

DATE FOR MINSTRELS.

Elks Pledge Unqualified Support to Big Home Talent Event.

South Bend lodge, No. 221, B. P. O. Elks, held a largely attended and very enthusiastic meeting last night. Two sophomores for membership were received and considerable routine business was disposed of. The minutes to be taken by an order was one of the all absorbing topics discussed. The committee appointed to confer with Mr. Rice, of Chicago, Feb. 1, was the date secured from the management of the Auditorium and that satisfactory arrangements were pending with Rice for that attraction on the evening of Feb. 2 and 3. After the meeting in session, reserved and social pennants were enjoyed.

IS A GAM'T FIGHTER.

Peccary Seems to Have No Fear in Fight.

The common peccary of Brazil is by no means a large animal. It is about twelve more than thirty-five to forty inches in length, and there is no other species occasionally met with which reaches twice that size. Peccaries look, too, the sharp outgrowths tusks which make the old world boars such formidable opponents. Yet the peccary is one of the gamest creatures imaginable. Given a fair chance, he will make a hard fight for his life against any number of odds. Both the leopard and the jaguar have very fond of peccary meat. They will follow a herd for weeks and sometimes spring on the chances of picking up a straggler now and then. But the peccaries are such fierce fighters that the big cats are afraid to attack them in the open or when two or more are together. The jaguar keeps watch among the branches of a tree until a careless peccary strays from the drove. Then with a sudden spring the jaguar leaps on upon its prey, kills it with one blow from its powerful paw and is off before the rest of the drove knows what has happened.

Croup.

A reliable medicine and one that should always be kept in the house for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse and will cure croup. Nothing else. There is no danger in giving it to children for it contains no opium or other harmful drug. For sale by all druggists.
