SHAKE-UP IN TEAM

PLAYERS WHO DISOBEY RULES WILL BE DROPPED.

BARRY IS DISSATISFIED

Poor Showing of Varsity Men Causes Coach to be More Strict Regarding Smoking—Gives Players a Lecture.

Things are looking a little different in football circles at Notre Dame. It appears that Coach Barry has become dissatisfied with the showing his squad is making and without a doubt the regulars will have to change their habits or there will be an entirely different lineup in the field when the next regular game is played.

After dinner yesterday the members of the squad were called into a room, where they were given a thorough lecturing by the coach. He has discovered in the past week that there are several of the regulars not obeying the rules laid down by him when the season opened and these men will have to turn over a new leaf.

In his little heart-to-heart talk with the men yesterday he informed them that he was not satisfied with their work and pay attention to the rules for training. Every man not willing to do this must hand in his uniform at once and quit the squad.

This was a great surprise to many of the regulars who believed Barry to be ignorant of the fact that they were disobeying his orders. After he went through with his lecturing not a man gave up his uniform and all promised to turn over a new leaf and pay attention to the rules of training.

Shake-up is Follow.

A shake-up in the eleven will probably follow. In the future Coach Barry will be assisted in keeping track of his warriors and when a man is found disobeying the rules he will be dropped from the squad and replaced by the varsity. Coach Barry is a good trainer and he is making the squad one of the fastest in the state, but he is strict and in this way will probably lose some good men. Unfortunately, if his squad is strong enough to do so.

The first change in the lineup was yesterday when Callistrate was shoved into the quarter back position and Bergman's advance to take his place at fullback. For the first time this year a lively scrimmage was held yesterday afternoon. It showed up the men who have been neglecting their work by paying no attention to rules. It lasted two hours and during that time Coach Barry got a line on what men he wished dropped.

Hendricks, a Brownson halfer, was taken on the squad yesterday and made a good showing. Fitzpatrick held up with an injured ankle and Captain Hepburn generaled the second squad. Dwan will probably get back in the game in a few days.

The game scheduled with Culver to be played here Saturday, but this contest has been called off. It is probable that another can be arranged up that time.

REGULARS FOR MICHIGAN.

Coach Yost Announces Men Who Will Make Good.

The Tribune's Special Service.

Ann Arbor, Mich., Oct. 14.—Coach Yost did something last night that he has never done before. He has given out for its advance his plan for the team in as many places as he can determine it at this stage of the game. It is as follows: Center, Lowell; right guard, Graham; right tackle, Patrick; right end, Hammond (Harry); left tackle, Curtis; left half, Magoffin; fullback, Hammond.

It will be noticed that the above includes six "M" men. Lowell is the only outsider that looks good enough to Yost for him to say that he has a place. Lowell has shown up well in defensive aggressive, and offensive work that has earned him the favor never before accorded to a new Michigan man in the middle of October—to be sure of a place on the first team.

Of course it was known that Graham, Patrick, Garrels and Curtis had mortgages on their jobs, and the only question about Hammond and Magoffin was how Yost would decide on this this shape. Hammond has his "nose" off, and was out in his tugs yesterday for the first time. He was put at work punting and catching punts. Yost knows what Magoffin and Hammond are capable of and feels no worry on their score.

ST. JOES DEFEAT CORBY HALL.

Long End Run for Touchdown in Second Half.

St. Joseph's and Corby halls clashed Sunday morning on Cartier field to the first inter-hall game of the season, the St. Joseph's winning by a score of 6 to 0.

St. Joe had the best of their opponents at all stages of the game and after five minutes of play in the second half Duffy skirted left end for 45 yards and a touchdown. Fagan kicked goal.

Schmitt at full and Duffy at half gained a great deal for St. Joe while Reynolds played a star game at quarter.

For Corby, Hoyt at quarter and Kelly and Lange in the back field played well.

St. Joseph.	Position.	Corby.
Fagan	R. E.	Lilek
Lower	R. T.	Morgan
Brown	R. G.	Fitzsimons
Cotter	C.	Fisher
Reynolds	L. G.	Mulhollan

READY TO MEET CHICAGO.

Indiana Practicing Hard for the Big Game.

The Tribune's Special Service.

Bloomington, Ill., Oct. 15.—Monte Clark, the crack halfback of the Indiana team, was out yesterday for the first time since the Wabash game. Hill and Tighe were also out, and there is not a regular on the hospital squad at present. The work of the team was very satisfactory in the sandlots, with the exception of Hoffman, who has been in shape for the Chicago game.

The student body and the players have hopes of winning from Stagg's men, and freely express them. The Indiana team will rely on tricks, and runs, quarterback kicks and quarterback runs almost entirely, as Bliddon and Hoffman are not capable of the tackle plays which he learned so well under Stagg.

Have is spending a great deal of time getting his drop kick in shape, and the way he places the ball between the bars brings joy to the animate students. Arrangements have been completed for a special train to Chicago for the game.

VICTIM OF CIGARETTES.

Wisconsin Star May Quit Game on This Account.

The Tribune's Special Service.

Madison, Wis., Oct. 16.—"Cody" Clark, the veteran tackle and halfback of the Wisconsin football team, has been disciplined for smoking cigarettes, and unless Coach Hutchins returns the western boy may be dropped from the squad entirely.

Dr. Hutchins did not jibe to talk about the matter last night. He explained the absence of Clark from the squad by saying that he had been "over-boy" was temporarily out of it for "cause." It is said that Dr. Hutchins met Clark on the street yesterday and the latter was industriously puffing away on a cigarette. The boy is said to have appeared him are to throw out for practice again until he could refrain from smoking.

PREPARE FOR MICHIGAN.

Illinois to Have Two Assistant Coaches Soon.

The Tribune's Special Service.

Urbana, Ill., Oct. 16.—Head Coach Lindgren, of Illinois, will have the assistance of Jake Stahl and Jimmy Cook, two old-time gridiron stars of the Illini, who have promised to come to Illinois and help in moulding the state team into shape for the game with Michigan in two weeks.

The appearance of these two old-timers will be a great surprise, and it is believed that Illinois' chances will greatly improve. It is also hoped to secure Fred Lewandowski, former head coach, later for a few days' work with the team. The Illini squad was given the equal yesterday, and special attention directed to the backs as a result of their work against Wabash last Saturday.

STAGG DENIES CHARGES.

Says He Did Not Induce Man From Illinois.

The Tribune's Special Service.

Chicago, Oct. 16.—Coach A. A. Stagg, of the University of Chicago, disposed of another intercollegiate scandal yesterday, when he issued a written statement fully denying the charge brought by students of the University of Illinois to the effect that he had enticed Carl Watson, the former Illinois athlete track and basket ball star, away from Illinois. Watson, it is alleged by the Illinois charge, as false and malicious, and stated that Watson had left Illinois for Chicago on his own volition.

VARSITY DOES NOT APPEAR.

Scrubs at Yale Practice—One Regular Out.

The Tribune's Special Service.

New Haven, Conn., Oct. 16.—Gillis was the only Yale varsity player in uniform yesterday. The Holy Cross game Saturday proved so exciting physically that the coaches were given a day off. The scrub team did make his reappearance as and rush after a three weeks lay-off caused by a severe muscle bruise. He was placed on the left wing, but had little chance to show his speed.

PLAN DOUBLE KNOCKOUT.

Jack O'Brien to Meet Two Men To-Night.

The Tribune's Special Service.

Los Angeles, Cal., Oct. 16.—"Philadelphia Jack" O'Brien has contracted to administer two knockouts to-night, when he will take on Fred Conley and Jim Trimble for 16 rounds each. Both men say that they are in condition to stand up and take punishment to the end of the scheduled bout. Both men will strive to make each a finish fight in less than the round limit.

SOX REAL CHAMPS

CARSON SAYS THEY WON TITLE BECAUSE OF SUPERIORITY.

American League Stronger Than the National, According to the President's Belief.

President Carson, of the Central league, returned yesterday from Chicago, where he attended three of the world's championship contests. He was highly pleased with the showing of the teams and says that no man, who saw the games, can say truthfully that they were fixed, which was the opinion of some fans not acquainted with the circumstances. In speaking of the series Dr. Carson said:

"It is foolish for anyone to think those games were fixed. The White Sox won the championship because of their superior work and that is all that can be said of it. From the start both teams played hard to get the honor of being the greatest club in the world and the Stockings won out.

"I was in Chicago and I saw my Joyce men get the flag. In the first place the Cubs were too confident and entered the series thinking that there was nothing to the fight. On the other hand the Sox were underrated by all and they went in to make the fight. After the first game the Chance men found that they were up against a stiff proposition and at last it proved to be too stiff.

"The White Sox are better than any team I have seen and belong in the very grade of a team that the Giants can have. They are good hitters, swift on their feet and at speedy fielders as can be imagined. Their swiftness enabled them to beat the Cubs to bases and before they could come back to earth Comiskey's men had wrenched the rag from their grasp.

"As far as I can see the American league is stronger than the National. The Cubs really have the National championship, while the Sox had a mighty hard and close fight for the rag in the American. Then the Jones men completely overwhelmed the National pitchers. They were the strongest batting team I saw and I say that the American is now the fastest organization in the world."

FANS ARE QUIETED

GREATEST OF BASEBALL WARS JUST CLOSED.

NERVE RACKING SERIES

Stockings, Top Notchers in the Diamond Art, on "Earn Storming" Tour of Illinois—Comiskey Goes North.

Fans are again quiet.

The baseball war, which has been all astir since April, when the league opened their schedules, has pulled the door shut and now only hope on the prospects for next season can be handed out as the fan joins a group of friends by the fireside and thinks it all over.

All Chicago and in fact the entire world as far as the National game is concerned is just recovering from the strain of weeks, when the Sox and Cubs were fighting for league honors and then the great strain of the world's championship. It would hardly seem probable to many that there are fans and men interested in the teams in Chicago, who have become almost ill because of the nervous strain, which came over them while the great series was being played.

But now it is all over. The greatest of baseball wars—the greatest of world's championship battles—have passed into history. Only on paper can the fan see the great fights pulled off by the Cubs and White Sox teams. That. There is a happy thought that strikes one as he remembers that Chicago—the metropolis of the great west and middle west, is the greatest baseball town in the world, the home of the greatest wagers and then the world's championship flag.

Should Feel Proud.

Think of it. Could any city be more proud of her warriors on the diamond than is Chicago. Charles Comiskey, president of the Sox, and James A. Murphy, owner of the Cubs, have a right to feel swelled over their great triumph and especially Comiskey whose wonderful team of Stockings made good in the face of all that was to be accorded a team of ball players. With this great victory every player of the Chicago American League team is the greatest in the world.

Chance's crew ranks second in line as the greatest of ball players. They were the team that was supposed to walk off at a canter. It was as easy as a team could think of capturing a rag and after all a big name and everything in their favor, they fell helpless before the Stockings and "bit the dust." But second place is a mighty high position.

Is Congratulated.

Since the championship series closed President Comiskey, the greatest man in baseball, has received hundreds of congratulatory telegrams on the wonderful victory his club won. Some are from other club owners, others are from players in the American and National leagues. He gave the team a share of the world's series money. Players receive $1,372 each, which is pretty fair wages for six days' play.

Now the White Sox have gone on a "earn storming" tour in Illinois and will return to their home city in about 10 days. They are the happiest lot of ball players in the world and many of them are preparing to build homes with their earnings in the big series. President Comiskey and a party have gone to northern woods on a hunting trip and will return in time for rechecking after standing the terrible siege of the past week.

Many are now asking why the Cubs did not win and that the Sox are not the world's champions. It is a hard question to answer why the Stockings are not leaders of the world in their profession.

ONE HONEST BASEBALL FAN.

Pays for Game After Getting Admission Through Fence.

People can talk about the dishonesty of baseball fans and how they try to get into games without paying, but there is one man in Chicago who is willing to pay for what he gets. He is considered the most honest baseball crank in the country. When the game was broken down in Chicago Sunday he was caught in the act of trying to get into the game without paying anything for it. Yesterday President Comiskey received the following letter from him:

"Friend Comiskey: Inclos please find $1 for seeing game. I did not pay today and could not best to stay out in the cold and see my team lose to Cubs. Yours, Comiskey and world's champions. A True Fan and Honest."

ED. WALSH ON THE STAGE.

Chicago White Sox Flinger to Appear Before the Footlights.

"Big Ed" Walsh, the "spit ball" artist, who crowned himself with glory by defeating the Cubs twice in the world's championship series, will be one of the main winners. Several theatrical managers are clickering with the big fellow and he will trod the board behind the footlights for a time. Walsh is a big man and he has a big name in the baseball world and will make him a drawing card, at the playhouse. He claims that some of the leading actors have nothing on him in their line and he will probably get a fine job.

Y. M. C. A. CORNER STONE

Laying Ceremonies Informally Discussed—No Definite Action.

The directors of the Young Men's Christian Association held a meeting this morning with representatives of the Studebaker Bros. Manufacturing company relative to the laying of the corner stone of the new Studebaker Y. M. C. A. No definite action was taken, but it is probable that the stone will be laid with conditions take place about Nov. 15. The Studebaker company was represented by Charles Arthur Curtiss and F. L. Brown at the meeting.

SHORT REHEARSAL HELD

Enthusiastic but Brief Meeting of Choral Club.

The members of the Choral club met for regular rehearsal last evening. Owing to the concert given later at the Elks' temple, the meeting was of necessity short, but none the less enthusiastic. On account of the brevity of the rehearsal, the entertainment which has become so popular with the club members, was omitted. It will be resumed next Monday evening.

DATE IS NOW SET

STATE BOARD OF CHARITIES PLANS FOR PRISON SUNDAY.

Attention of Ministers Throughout Indiana is Desired by Committee in Charge of Work.

The Tribune's Special Service.

Indianapolis, Oct. 16.—The board of state charities is calling the attention of the ministers throughout the state to the fact that prison Sunday comes this year on Oct. 28, the last Sunday in October. The board is also preparing to supply new sermon outlines with data for prison Sunday sermons.

Prison Sunday has been observed quite generally in Indiana for the past three years, each year showing an increasing number of ministers devoting their sermons on that day to sentiment favoring to prison reform, methods of reclaiming the unfortunate, the prevention of crime, the neglect of children and measures for the prevention of crime. Offensive platform meetings are held, addressed by some one prominent in prison work, and the attention of the lightminded of the public on these important matters and a series of laws which have resulted from prison work in Indiana, is one of the results. Prison Sunday is a day of prayer that will are watching, in particular, the juvenile courts and the operation of the indeterminate sentence and parole laws.

Much has been accomplished, but much remains to be done. There is need to keep the people informed and the ministers are being urged to cooperate with the board of state charities in this work. It is hoped that all who can do so will visit their local jails and institutions of the state correctional institutions.
