Mr. I. L. Showem — He Saves Money on the Marketing. — By Ryan Walker

N. D. PLAYERS ARE DRILLED IN SECRET

MARKS PREPARES FOR SATURDAY GAME BEHIND DOORS.

STARS ON HOSPITAL LIST

McGrath and O'Neill Will Be Out of Contest with Ohio Northern — Workout in Gymnasium at Night.

Coach Marks drilled Notre Dame gridiron warriors in secret yesterday. This was the first secret practice of the season, yet the coach intends to continue this until Thursday when his men will have a little let up in preparation for Ohio Northern game.

The opening part of the practice yesterday consisted of punting. The drop kicking, Eichenlaub and Dennis showed up well in drop kicking. Both men displayed great accuracy in this fine kicking high over the goal almost invariably.

Assistant Coach Hamilton put in an appearance after a few days' absence and took charge of the scrubs in the scrimmage.

The scrimmage was by far the hardest yet served up. Every man showed up his best. Injuries were received by McGrath and O'Neill which will cause the loss of these two men for the remainder of the week. McGrath's injury was the result of his hard tackling, he wrenching his shoulder in bringing down Burger. O'Neill's knee was strained epdeavorin. Both injuries are not serious. Smith will probably fill the center berth in the Ohio Northern game. Although a mere, Smith is able to read the movements of the line and play the game unhandicapped. Smith is a candidate for the Ohio State middleweight wrestling championship.

McGinnis Shows Form.

McGinnis, the inter-hall star, showed excellent form on the end. Time and again he succeeded in throwing the opposing backfield men for losses. He is a hard and consistent player, who uses his head to good advantage and may be seen on the end in the opening game next Saturday.

Berger gave a splendid exhibition in the backfield. His ability to hold the ball and his generalship is very pleasing to the coach. "Heine" is a strong offensive player, with plenty of speed and a good straight arm. He has no doubt clinched a berth back of the line and will probably be used Saturday.

Saturday's game will no doubt prove a fierce affray, as the Ohio Northern eleven is a strong rival of Notre Dame. Last year Ohio Northern had one of the best teams of the west. Last year these men were pitted against Philbrook and Dimmick, the best of the west in these positions. The Ohio Northern team gave Philbrook and Dimmick a hard game and had the opposing team feeling that Dimmick and Philbrook had their hands full.

Working Hard For Buckeyes.

Notre Dame is working day and night in order to get in shape for the Buckeye eleven. Last night the coach gave the squad a signal drill in the "gym." Ohio State is working hard and taking precautions for the game. They are coming with a host of rooters to cheer them on to victory. Manager Morphy expects that the seating capacity of the stadium will be taxed to its utmost on Saturday next.

ANOTHER LEAGUE OPENS.

Bowling Season Beginning to "Assume Life in South Bend.

One more bowling league got under way last night when the Business Men's league opened their season in Smith's alleys. The attendance league has been in session for some time, but the real opening of the bowling rivalry begins week. Four organizations will be in the league this season, the 12 season in-night, three Elks' leagues beginning their pin schedule on Tuesday alleys at the Elks' temple, while another will open on Smith's alleys.

The Business Men's league opened the Hoosiers last night in three straight games. The Hagerdorns won the first series from the Pennants in the Business Men's league, two games out of three. The Hagerdorns had the high and high average man with 202 and 171, respectively.

Ketchell's Brother a Fighter.

HAYESTRAW, N. Y., Oct. 2.—Leon Ketchell, brother of the late Stanley Ketchell, is the latest aspirant for honors in the boxing world. He weighs 154 pounds and is said to have an excellent chance in the lightweight division. Leon Ketchell is said to have had 22 fights as an amateur and two professional bouts, losing only one of the 22, and that on a foul. It is said to have the old time stiff that made his brother famous, and can hit hard.

Jones and Schmidt to Go.

DETROIT, Mich., Oct. 2.—Detroit has secured waivers on Outfielder Harry Jones and Catcher Charlie Schmidt. It has not been definitely stated what disposition will be made of the veterans, but it is though they will go to the American association.

MILLER DIRECTS SQUAD.

Coach Dunbar Ill With Grip—Second Scrimmage of Year.

Under the direction of Coach Miller, the High school squad held its second scrimmage at Lesper park yesterday afternoon. Coach Noel Dunbar has a slight attack of the grip, and was unable to report at yesterday's practice.

After a series of preliminary exercises hard scrimmage was held for 45 minutes. The second team under Howard Jones was thoroughly tried out and promises to become an important factor in the local eleven's style of play for the coming season. Cassidy, Whitbeck and Wolf starred in the line, Cassidy being exceptionally clever. Jones, Howard, Cassidy and Whitbeck and Wolf were most efficient in receiving them. The backfield was given a severe test yesterday in getting off their plays and in holding the line. Nugent, the first team line in the second team, Nugent and Berteling shone in the tackling department, the former breaking up play after play and downing the ball carrier before he could get interference. Berteling is fast developing into a stellar end.

With but four days left in which to perfect signals, learn plays and generally get the team in condition for Friday, the team will be put through some stiff drills in the next few days. A game with Wabash, Saturday, Dame, will be played either Wednesday or Thursday, according to the first team line in the second team. Nugent and Berteling shone in the tackling department, the former breaking up play after play and downing the ball carrier before he could get interference. Berteling is fast developing into a stellar end.

CONFERENCE TEAMS TO BE ELIMINATED

TWO "BIG EIGHT" GAMES SCHEDULED FOR NEXT SATURDAY.

Indiana and Maroons to Clash at Chicago With Minnesota and Iowa Playing at Minneapolis.

Candidates for "big eight" honors will go through elimination games next Saturday, when four conference eleven will clash. Chicago and Indiana at Marshall field, and Minnesota and Iowa at Minneapolis, will furnish the struggles in the west about which most general interest centers. Two Boosier games are on tap for this date, Wabash and Purdue opening their 1911 schedules to a game at Lafayette.

Purdue will meet Chicago the following Saturday at Chicago, and the Boosier team will be in shape to be expected to afford the boilermakers a thorough test. The first line on the state championship will be sensitive, and Notre Dame's right to claim the Hoosier title may be determined through comparison of Saturday's results. Purdue's game with the Maroons of Purdue. The latter, Indiana, Wabash, and Notre Dame usually prevent the strongest combinations in Indiana, and the championship will undoubtedly be decided by the four this season.

Final preparations for next Saturday's Maroon-Indiana game began with a setback for the former. The Chicago team, which was in hard scrimmage yesterday afternoon, Coach Stagg was mainly responsible for the varsity's first scrimmage. Coach Stagg said the kicking must be improved before the team is ready for game. A feature of yesterday's practice on Marshall field was the appearance of Jones for the first time. The cinder path was used for a signal drill and short sprints.

When Wisconsin meets Lawrence at Appleton next Saturday, the Badgers are sure to obtain a glimpse of the strength the Badgers are able to bring into play this fall for honors in "big eight" circles. Much troubling has been caused the Wisconsin team by two yesterday, which resulted in a 14 to 6 victory for the "varsity over the scrubs.

The first scrimmage of the year at Lawrence was marked by the number of touchdowns secured by the regulars against the scrubs. Yost sent his varsity squad to 21 nine just before the mock game, adding Cooper, a promising candidate, to the lineup. The regulars, for other reasons, were not in shape to get the real take in which brains has figured the season emanated from Princeton yesterday, where the coaches are beginning a lack of brief. The offensive play of the Tigers has been feature of the work, the gridiron instructors aim, with the forwards are now getting started. The backs are light although speedy. The first class drop kicker or punter has not been located.

"RED" PRYSOCK IS STAR.

Former Athletic Sate Great Pace in Ohio State League.

WHEELING, W. Va., Oct. 2.—Robert (Red) Prysock, of Bridgeport, who was a star in the Ohio State league that was difficult for other second sackers to hit, is now performing for the lineup of every all star team picked up in the circuit. Prysock not only fielded it better than any of his competitors, but outhit anything that pitched in the Ohio State league. The local ball club was recalled by the Zanesville Athletics, and will in all probability be seen in the regular lineup of that team during the 1912 season.

PACKY M'FARLAND, WHO IS TO MEET ENGLISH CHAMPION

The Tribune's Special Service.

NEW YORK, Oct. 2.—What promises to be one of the best fights seen dulled for a decade in the 20 round bout at Madison Square Garden, Wednesday evening, between Packy McFarland and Matt Wells. They have agreed to weigh in at 133 pounds at 5 o'clock in the afternoon of battle. Wells has been training for the fight for a month and do himself justice, and it is an ideal fighting weight for Packy. The latter refused like a Trojan to make 133 at 5 for Wolgast in the engagement of last year, and the fight ended. There were grave doubts entertained in the minds of his friends whether Packy could have carried his fighting strength into the ring. A week before the Wolgast battle Packy looked anything like a man who was ready to tackle a tough proposition. He looked stale, his eyes were drawn and his skin very pale. Nobody has any fear, however, but that the Chicagoan will be at his best with Wells; also is in a pretty safe bet that McFarland will be the British lad's hardest task, and he will have to do something honors this time upon him. With a few more pounds to his credit Attell night be a hard proposition for McFarland is universally acknowledged to be a clever boxer, and the extra ten pounds put the seems had known since the days of Joe Gans. He is fitted in every way to meet Wells on even terms.

Otherwise all this trouble has been of Packy's making.

Speaking of the Central league generally, Annis declared that everything was "lovely." "Next season the Central league will be as strong a circuit as any in the minor leagues," said he. "If Springfield is on one place that leaves only one opening. I understand South Bend is hankering to get back. The business men of that city asked me to make an effort to reach some agreement whereby they can get into the league.

"I see that several other towns have been mentioned, but I believe the league is through trying out small cities that can't put up a team that will be a credit to the league. Next year the league cannot fill up the vacancies with good road teams it might just as well prune itself down to a six-team organization. Whether it be six or eight teams, I think that everything will be solid next year."

PATTISON TO MINERS.

Ex-Michigan Apple Tosser Bought Back—Refused Football Suit.

The Tribune's Special Service.

TERRE HAUTE, Ind., Oct. 2.—Pitcher Pattison will be with the local Central league club again next season. The former Michigan Aggie twirler has been purchased back from the Cincinnati Reds by whom he was drafted. The return of Pattison to Terre Haute will greatly strengthen the local team.

Pattison will probably be unable to report to the local club until after the football season at Lansing. "Pat" was refused a football suit recently by the M. A. coach because he was a "tinker."

Schedule of Ohio Title Games.

CINCINNATI, O., Oct. 2.—The national commission has announced Cobbles, rules, and provisions to govern the games between Cleveland and Cincinnati for the championship of Ohio. The first game will be played in Cleveland, Oct. 10 and 11. The four remaining games are scheduled for Cleveland, Oct. 12, 14, 17 and 18.

FEAR THAT SEWER MAY INTERFERE WITH PARK

Annis Has But One Worry—Says South Bend Man Have "Hankering"

GRAND RAPIDS, Mich., Oct. 2.—Bert Annis, owner of the Grand Rapids team, returned to Grand Rapids this morning from Chicago. He went there from South Bend. There's only one thing bothering Mr. Annis. That is the city sewer which is being run through a bunch of legal convolutions, he says.

"After getting the lease, and going to Kalamazoo a bunch of legal convolutions, it would seem rather rough if the sewer should prevent us from carrying out our plans for a downtown park," said Annis. "I am going to try to fix things up with the city fathers next week. What I want to do first, is to get the diamond in shape. The grandstand and bleachers can be put up now, any time before the opening of the season.

"Some arrangements will have to be made to overcome this obstacle.

STANDING OF LEAGUES.

CLINCH FLAG BY PAIR VICTORIES

GLOOM IN CHICAGO; MAY NOT HAVE CITY SERIES.

C. MURPHY IS RETICENT

Cub President Thought to Be Contemplating Refusal to Permit Man to Play Sox—Dashes in Sport.

Two more victories and the National league pennant will belong to the Giants. While the prospective battlers for the world's baseball title were winning a diamond discussion with that other vanquished nine, the Pirates, of Pittsburg, Pa., the Cubs were idle. Accordingly, if Chicago wins seven straight games and the Giants drop nine of their remaining eleven the lead will remain with the Gotham nines, by a margin of a few points.

In addition there is a possibility the Chicago fans will even be denied the consolation of the customary city series. President Murphy being reluctant to say anything definite about the proposed series. He declined the lease yesterday by saying the Giants hadn't won the flag yet. This is taken to mean, not that the Cub head hasn't the nerve to permit the Giants to play here, but that he will refuse to allow his players to meet the Sox in a post-season series. Manager Chance has been recalled to Chicago from St. Louis for a conference with the Cub president.

Wiltse in Form.

New York's victory over the Pirates yesterday was a pitcher's battle throughout, the Giant hurler holding the Corsairs to two hits, one of which was secured by Carey, who is now playing left field and batting in third place. Hans Wagner was back at short, but Mickey McCarthy was on the job at third, and he made a fielding record. Once assists, Mickey figured in two double plays. The former Brooklyn is fulfilling Manager Ed Smith's prediction that if he was given a chance he would show up well. He is the first time into the Pirate line-up on the date of Wagner's injury. Mickey has been a fixture, and all changes have failed to affect his place in the batting. Del McCarthy is a hard hitter, and he has made good in the local Central league club in 1910. Smith having been attracted to the shortstop's playing when he coached the Notre Dame "varsity."

Tex Covington was called on relief in the ninth inning, but he failed when his pitching hand was injured by a batted ball. Four hits were secured off Tex before he retired. Mullin, who preceded him, had been chased from the box in the fourth inning. Hagerman finished in the first inning.

Good Day for Ownie.

Buck had two runs, two hits, one putout, five assists, and one error.

Cotta had a run, but no hits, striking out twice and fouling out once.

Crawford was the hitting star with a pair of doubles and two singles.

Ownie had a run, two hits, two putouts, two assists and one error.

Today is a red letter day in Denver, because President Taft was scheduled to present diamond medals donated to the members of the champion Philadelphia Athletics. Manager Jack Hendricks may be many things, but he gets results.

Vancouver Wins Pennant.

SEATTLE, Wash., Oct. 2.—The Northwestern league baseball season of 1911 has closed, with Vancouver winning the pennant by a comfortable margin.

FIVE THOUSAND WILL ATTEND LODGE MEETING

Woodmen of the World to Hold Big Field Day.

Five thousand members of the Woodmen of the World are expected to attend a big celebration to be held in South Bend Sunday. The affair will attract visitors from all parts of northern Indiana and special rates have been offered by electric and steam lines to the members. The Lake Shore will run a special train from the Vandalia and Chicago, Indiana & Southern railways and the Northern Indiana and South Shore interurbans will run special cars.

A big parade, which will move from Studebaker park at 10 o'clock, will feature the celebration which will be in the nature of a fete day. Members of Woodmen camps in the surrounding towns and cities, especially the uniform rank, will turn out in full. Several bands will be in the parade.

Following the pageant, the visitors will go to Springbrook park, where the athletic events will be held. There will be races, tugs of war, a ball game and other sports. Lunch by visiting uniform rank delegations.

Headquarters will be established in the Woodmen hall on East Jefferson boulevard. The hall will be open all day for the entertainment of the visitors, who will check their packages at the cloak room. The affair is in charge of W. E. Cady, state manager of the order.

MUSICAL WORK ARRANGED.

High School Course for Year is Outlined by Supervisor.

Announcement of the musical course in the High school the year made today by Miss Effie Harper, supervisor of music in the public schools. Although working under crowded conditions with limited equipment, the course promises to be interesting. During the first semester the German composers, Handel and Bach, and the Italian composers, Rossini and Donizetti, will be studied. The second semester will be devoted to Mozart, Mozart, Bellini and Verdi. The third semester or second year will include Barbaran, Liszt, Schubert and Weber, while during the last half of the year an extensive study of Mendelssohn, Schumann, Wagner and Gounod is outlined.

HELD ON MINOR CHARGE.

Edward Miller Will Possibly Receive Heavy Fine for Vagrancy.

Although Edward Miller will not be punished in the city court for attempted burglary, he will possibly receive a heavy fine for a minor charge. Miller has admitted since the arrest he had only worked one day in the past three months. Charges will be used against him when he is arraigned on a vagrancy charge. Miller was originally arrested for attempting to rob a dismantled saloon on West Washington avenue. If the prosecutor fails to make a case against him on this charge in court to-day and now the more important charge will be prosecuted against him. He will be in court again to-morrow.

NEW CENTERS VICTORS.

Defeat West End Hurdles in Football Contest.

The undefeated Center playing gladiators took the Hurdles, a west end aggregation, into camp to the tune of 12 to 6. The game was played on Chandler's field yesterday afternoon and was hotly contested, both having a strong line-up. Although claiming to be outweighed five to 18 pounds to a man, the Hurdles made up for their superiority by heavy gains through their opponents' lines.

The touchdown for the Hurdles was made by Kengleski while the touchdown for the Centers was made by Davies.

DRUNK AND NOT INSANE.

Accordingly William Ford is Fined in Police Court for Intoxication.

Evidence before the city court today indicated William Ford, 318 South Fine street, is not insane and he was fined $11 for intoxication. Ford was arrested last week charged with drunkenness. He denied the accusation, while his wife said he had been drinking alcohol. The police ordered the man insane and the case was continued.

Hoy the first semester the German composers, Handel and Bach, and the Italian composers, Rossini and Donizetti, will be studied. The second semester will be devoted to Mozart, Mozart, Bellini and Verdi. The third semester or second year will include Barbaran, Liszt, Schubert and Weber, while during the last half of the year an extensive study of Mendelssohn, Schumann, Wagner and Gounod is outlined.
