BEAT CHAMPS ONCE

SOUTH BEND WINS OPENER AND LOSES DOUBLE HEADER.

LINDSAY BEATEN AT LAST

Grand Rapids Finally Conquers Hoodoo of Cats South Paw and Defeats Him in Closing Game.

The Tribune's Special Service.

Grand Rapids, Mich., Sept. 2.—Manager Grant and his South Bend people took just one game of the three here Sunday and Labor Day, winning the opener through Pat Lindsay's good pitching and losing twice in the double header yesterday.

Lindsay went in to pitch the afternoon game Monday, Grant relying on his previous success to turn the battle the Hoosier way, but for once Pat was not invincible with Millar worked well for the locals.

Pat was wild, however, and the bits of the locals were opportune, though few, and they took advantage of every point.

In the morning game Keener worked for the visitors and had one bad inning, which proved disastrous to his side. Dickson, who was engaged in official stages and the visitors had no look in.

An error, a pass, and three singles in succession gave the home team enough to win the game.

Sunday Patrick was at his best and the visitors could not hit him when he used his shoots in easy fashion and though he fanned nobody it was one-two-three for them. The visitors found Warner in one inning, when Hayworth singled, Kelly got a free ride to first and both scored the winning runs. The score:

LOSE FINAL TO VETS.

Dayton Sluggers Rap Williams Who Gets Poor Support.

The Dayton bunch hung the final game on the board 8 to 2 at Springbrook Saturday in a game which was about the worst yet seen in these parts. Tom Williams was on the stab for the home bunch and he received a terrible scalding from the hard hitting Buckeyes. Bunkie this lamentable feature his support was cobra right and when a Vet batter didn't meet it for Vet-ter's sake it was a wild pitch and handed him a tick for the safe sacks.

Manager Kitt was in a great hurry to get away and asked that the game be started at the third hour, which request was turned down, mainly for the reason that it had been arranged long enough previously. Matchal, Dayton's manager, had the game thoroughly arranged and being peeved ordered his artillery to warp Mr. Williams and warp him they did. Had it not been for the wth of the Ohio-ans the score might have been larger. The score might have been larger. The massacre:

LEAVES DEFEAT EAGLES.

Schaefer Pitches Fine Game—Score is 7 to 5.

By hitting the ball hard, the Maple Leaves defeated the strong Eagle baseball team, before a big crowd on the Maple Leaves grounds, by the close score of 7 and 5. The game was exciting throughout and the teams were evenly matched. Manager Schaefer pitched for the victors, but although a little wild succeeded in holding the Eagles to a close score. The fielding of the Leaves and the batting of Schaefer for the Eagles were the features.

Spiros Lose to Kendallville.

With the score 1 and 1 up to the sixth the Spiros took an ascension and four Kendallville runs came over the rubber through some wild heaving and a couple of hits in the third and deciding game of the series. With 12 hits the Spiros could only manage to secure three scores, but they were earned runs. Wiltsey pitched good ball with the Spiros and did not walk a man while he struck out 14. Score:

Spiros ..... 0 0 1 0 0 0 1 1 0—3—12—3
Kendallville ..... 1 0 0 0 4 1 0 0 1—7—7—1

Manager Kittridge is said to be leading the league in hitting.

This is another off day and the teams all rest, unless extra games are run in some places.

Spiros Tigers continue in the lead despite their two defeats by the Sox. From personal observation it may be said they are some class.

The Vets have signed William Dorsch, a shortstop, and two pitchers, Brownstein and Bittridge, the latter who was sent to them through the Detroit team. Dorsch played in the game here Saturday.

Bob Kahl and Papa Bill Donahoe, of the Punchers, are practicing for the Chicago parade evidently. Kahl based on first and Bill on the pitchers mound a fungo, each of the players winning prizes offered by Evansville merchants.

The South Bend team opens at Canton to-morrow and after playing the Chinks visits Wheeling. Then it comes home for the final stand, meeting Springfield in a double header Sunday, Monday, and closing with a series with Terre Haute, ending the season a week from Saturday.

Yep, we are back from Cal.

DETROIT GETS BUSH

LOCAL SHORTSTOP TAKEN UP BY TIGER CLUB.

TWO OTHERS DRAFTED HIM

White Sox and Boston Americans Put in Lines, but League Leaders Are Final Winners by Lot.

Owen Bush, the fast little shortstop of the local team, will become a member of the Detroit Americans either at the end of the Central season or the beginning of next year, according to the bigger league. Word was received at local headquarters to-day that in accordance with a bulletin just issued by the American league officials Bush had been drafted by the Tigers.

In spite of the fact that the process of the little infielder was generally known among the scouts and that it had been rumored several times that major league clubs were after him the selling season closed and the drafting season opened without his being snapped up, and then in the first bulletin of drafts he was put down as being taken by the Detroit Americans, ahead of the White Sox, the Boston Americans, and the Tigers. Each of the clubs had a claim through the draft and the question of which one would get Owens was settled by drawing lots, Detroit winning out.

And that is just about as it should be, for both the Boston and Chicago clubs had chances to get Bush and passed him by, thinking that the Detroitites, as they let things slide until it was too late, Owner Comiskey knew not about how good Bush is and for a sum no greater than he has put up for Lord Knows Jennings would have had the chance. George Huff, scout for the Pilgrims, made frequent visits here and was evidently impressed with Owens's work, but still thought that Comiskey could wait until next year and that the $750 draft price would land the future star. The Detroit club, as far as known, had no scout here watching Bush, but may have had information from other sources.

Bugs in this burg have no doubt that Bush will cut some swath if he gets a chance. Nobody possible can cover any more ground than he does and he is a sticker at the bat, too, one who has seen his play knows it enough to permit him to scoop up a hits out in the gardens and nail the runner at first. His hitting has been good this year, and he has shown a disposition to be seen bright as well as Cherry, the present shortstop of the American league leaders.

Boston Gets Marquard.

The Boston Americans have drafted and have been allowed Rube Marquard, the Canton southpaw. Rube is just about as good as the best in the country, being leading pitcher in the Ohio city, doing business in the A. A. He sought to make good, Detroit, as announced before, gets Tingling and Mayhew, of the Vets.

It came as a surprise to local fans that Ben Hayworth has not been grafted by some of the higher up folks and others looked for Tinsdale and Kenner to go in the first pull on the drag net, but Ben's name was not in the bulletin and many hands near get the lift later.

Meanwhile that rather shatters the infield for next year, but bribery will be sorry to have Owens's ability appear, for he is a fast and sure shortstop. It took some of them a long time to get wise on the matter. Bush is a good fellow, a young man without bad habits, and everybody will wish him all kinds of luck and a permanent place with the Tigers.

Leaper Parks Win.

The Leaper Parks won an uphill game from the Sunnyside Monday by a score of 14 to 8. The Parks hit Wilson for a long hard while, but the Sunnyside hard hitter, brought in six of the scores by getting three bagger when the bases were full at both times. The Leapers have won 19 out of 27 games played.

The Leaper Parks want to arrange a game with the Maple Leaves for the first open date they have. The Leaves have won the pennant thus far and accept the challenge.

Crouch Wins a Game.

Scott Street, 12; South Street, 1.

The Scott street Reserves defeated the South street Grays by the score of 12 to 1. The battery for the winners was J. Rice and Wopdin. Heavy hitting was a feature.

New Carlisle 8; Leaper Park 4.

New Carlisle, Ind., Sept. 2.—The New Carlisle Tigers defeated the Leaper Park team here Sunday by a 8 to 4 well played game. Wilson pitched for the locals.

SEVENTEEN PERSOES GIVE UP LIVES IN CLIMBING THE ALPS

ONE OF THE MOST PERILOUS ANGLES DES CHAMOUX, 11,293 FEET ABOVE SEA LEVEL. THIS PICTURE SHOWS A PARTY OF TOURISTS ASCENDING THE SUMMIT BY MEANS OF ROPES.

The Tribune's Special Service.

Geneva, Sept. 2.—Seventeen deaths and 50 injured make the casualty roll of the Alps thus far in the mountain climbing season of this year. The casualty guides expect the number to be largely increased before the season closes. Recent storms in Switzerland and the recent earthquake epidemic have combined to make climbing specially hazardous.

Avalanches are continually forming and falling in the most unexpected moments, owing to the intensely hot weather.

Guides, always anxious for the serious avalanches falling from the Bonhomme glacier, was early in July the scene of an immense fall of snow and ice, which, in the descent, made a glacier lake on the Bodgner, caused by the heat. A somewhat similar fall swept down the St. Gothard line near Lucerne.

On the St. Bernard avalanches have been frequent during the past fortnight and the dangers have been busily engaged in seeking travelers who have been caught in the snow. Last Friday and Saturday three Italians were swept away on the Swiss side of the pass. Their bodies have not been found and may not be seen again for years.

Other Alpine mountains are the wonderful ice avalanches or chutes-nes, which are among the wonders and perils of the Jungfrau, the Matterhorn, the Pic Bernina, and the Aiguille des Charmoyz.

These marvelous falls of glittering ice, which are the most dangerous and sparkling lure of shattered and twisted seracs or ice needles, which have fallen from the glaciers and been precipitated down the mountain by the force of the sun's rays, are known as the chutes. The huge falls or cataracts of ice are a terrible danger for the climber without a guide, who rashly ventures into their vicinity after sunrise.

CUP TO ANDERSON

TEMPORARY POSSESSION OF STUDEBAKER TROPHY.

McGill, Runner-up, Is Pretty Game—Michigan City Team to Come Saturday.

Anderson was the final winner in the contest for the permanent possession of the Studebaker cup at the Country club, defeating the runner-up, McGill, yesterday. Anderson will have his name inscribed on the cup but must win it twice more to gain it permanently.

The semi-finals were played off Sunday, Anderson beating Ellis, 3 up, and McGill beating Alson, 7 up. Matches not yesterday and Anderson was the winner in a hard fought round, 1 up and 4 to play. McGill surprised the spectators by his showing. He is a pretty good one, as runner-up.

There was a large crowd to see the 36 round and a large number of people remained to dinner at the club and to the dance in the evening.

Saturday the Michigan City team of golfers will visit the Country club links at the latter's grounds. The visitors are said to be one of the strongest aggregations in the state and the local players will have to do their best to keep the cup in Anderson.

Sunday the contest for the president's cup will be begun, 18 to qualify. The final winner will retain the trophy, which is a very pretty piece of silver, for a year. It is a beauty. It is now on at the Mayr jewelry store.

To many, this offer may appear ridiculously cheap. And it is true. And we regret it is so. We have perfected the expense and nature of the treatments. But there is a reason for this: There are multiplied hundreds of people who think there is nothing for them but a life of misery and suffering. HOPELESS! is a word unknown in our vocabulary.
This Is Not True
And we want you to investigate our new line of treatments and learn that there is strength and health for you, without risking your life with an operation or taking the proverbial "barrel of medicine." We want you to take advantage of this offer and we are thus having an opportunity to become acquainted with the sick and afflicted and to prove the value of our treatments. We want you to realize that we could not do this in any other way. This is why we are making this liberal proposition.
To all who call on or before September 5th, we will give a free examination, treatment, FREE OF CHARGE and if your case is an incurable one, we will tell you so. But if your case is a curable one so that we can accept it at all, we will treat you for five dollars per month for our professional services and all local treatments which we are prepared to give, until you are cured.
We have, in fact, what these treatments are. We have every form of electricity known to science. We have the X-ray, the violet ray, the Minor light and the high frequency light. Sick Headache
Watch for the first indication of an attack and as soon as you feel it coming on take three of Chamberlain's Stomach and Liver Tablets and the attack may be warded off.
Mr. Geo. E. Wright, of New London, New York, says: "For several years my wife suffered with severe sick headaches. Her condition was so bad she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is well and strong." These Tablets are for sale by all druggists.
