BASEBALL SEASON IN SOUTH BEND CLOSING TO-DAY

BRONCHOS SHUTOUT ANNIS' OTHER TEAM

GRANT'S MEN PLAY BETTER BALL AND WIN 2-0.

VISITORS SLOW ON SACKS

Stage Annes Ten Singles and No Runs—Fifth Players Get Five Hits and Score Twice—Kroy Stars.

The poor base-running was done by the Grand Rapids bunch instead of by the Bronchos, the best part of the pitching was done by Moffit, and Teddy Kroy did the c st. Sunday afternoon, Grant's men winning 2 to 0. Teddy fielded brilliantly and hit timely. The rest of the boys played snappy ball and the combination wrought a shutout for Bert Annis' other team.

There was a fair crowd out to witness the proceedings. It being the last Sunday game of the season and a fine day for the game more might have been expected. There was a smattering of Grand Rapids rooting on the stands, but the order of the visitors was could for keeps in the fifth inning when the Raiders filled up the bases with none out and failed to score. Kroy stole home on a steal, but when the Stage got two more on a hit and ninth there was no assistance from the visiting fans.

Three Pitchers in Game.

The lineup for the Bronchos was the same as that of Saturday. Wells was called to Lima, O., Saturday afternoon on account of the dangerous condition of his brother and Martin was put on the initial bag. This arrangement bewilt three pitchers together. Moffit, Walsh and Kroy played in fine style. Ed. Smith accepted two chances in right field. Martin covered first nsh in Hal Chase fashion and also delivered a hit, and Moffit pitched a good game. Walsh hit twice and the winning only in the third stanza.

Umpire Dille Chill announced the batteries as—Hagerman and Clarke and Moffit and Turman. Ollie was feeling foolish and kept the crowd on edge with his horseplay. He moved the Grand Rapids bunch up to the ciffs and the game was played in one hour and 35 minutes. Runners were constantly getting on sacks due to hits and passes, but fast fielding kept down the scoring.

Moffit handled the first six men in order in the first two innings. Craven came near to putting a run over for the Bronchos the first time up. He caught Casey Hagerman before he had settled down, drawing a pass. Todd Walsh hit to Kroy and was thrown out. Walsh an Koehler drove out long flies.

Something Doing in Third.

There was something doing for both sides in the third inning. Walsh was called a ball by Umpire Chill. Kroy seemed slammed a hot one past Grant and Angle speared it, throwing the runner out. If it had gone for a single Kroy would have gone to third and at worst would have scored on a single. Fay Kehoe connected with a single into left. Kroy tore around third and drifted for home. Kroy picked the ball off in the fielder and winged it straight to the catcher of Kehoe. Hinote ran the dumby down.

For the Bronchos Moffit surprised the gathering by banging a hot one into center for a hits. Midge attempted to sacrifice but lapped the ball a little too hard and Hagerman fielded it to Kroy and Moffit. Moffit had surviving as it left a faster man on the bases and Midge made up for it by stealing second in the next break. Teddy Kroy shot a sixty into left. Hinote fielded it to Hagerman and tried to catch the fleet Kroy off first and Kiton failed to stop the throw. Teddy taking third whence he scored a moment later on Walsh's near hit to Kehoe. Score 2-0.

Kroy Bronchos had no other chance to score, but fast fielding prevented them. With one out in the sixth Walsh singled. Ben Koehler pulled off the unsuccessful, laying down a bunt for beating it out by a diving slide. Fay Kehoe hit to Kroy and Walsh was connected for a hot one past Kahl. Nick nabbed it and caught Walsh at the plate. Ed. Smith struck out, but he was not expected to clear the sacks.

Raiders Starch Out of Raiders.

The fifth took the starch out of the Raiders although they got on bases frequently thereafter. "Sunshine—Sunstitiner" Sunthon led off with a ringing single to left. Clarke passed one and Moffit fanned Hagerman. "Sunshine" to second. Sandy dropped a hard in the right spot and beat it out. Howlis came from the Grand Rapids contingent, who clamored for all these runs. Kroy fielded Howlis' grounder and hit to Koehler, who threw perfectly to the plate forcing "Sunshine." Truman's three looked like it had double Dummy at first, but Dille said—"snoutbush" Hagerman hit to Koehler in the same spot and Ben caught Sandy at the plate. Kroy fielded Kahl's hit and Casey's nine. Howlis—this time by the Bronchos bleachers.

Moffit was touched up again in the sixth and pretty fielding saved his bacon. Kroy fielded Howlis' hard one and then John Cox up and singled to left. Teddy ran after the ball and "Larry" could have made second, but preferred around first with Bone-head Barry, who in Matthew's drawer pretty Kahl tried to kill it and Moffit taking advantage of his expensive stretch ran out. "Sunshine" blazed a hot one to left and Cox tore past third. Bonehead Barry led him foot a little too far and Kroy fielded the ball to Kehoe, the ball to Walsh, catching John between the bases. The big fellow was easily run down. "Cox got a collision from Joe.

Stage Threaten Twice.

The Stage got to Moffit in the eighth and again Walsh was called a ball. Kroy cracked one down in right field. "Larry" had been "Ty Cobb or anybody else, but "Larry" he would have got to second. Kroy stole home on a steal McGuire at right and of course Cox didn't get any further than second. Sunthon came close to getting his third hit, but Midge Craven got to Sec-ie.

Kroy amazed his sixth distinct when he made a spec catch of Casey Hagerman's fly. Kahl opened the ninth for the final. Kahl shot a hit past second. Kiton repeated into left. Humphries was sent in to bat for Casey. Humphries was called a ball by Chill. Kahl stole second and Kahl was caught napping at third. Kroy fielded Humphries' hard drive to Kroy. Kroy was a pop-up for Grant. The score:
