Wheeling, W. Va., May 2.—Tired from an all night ride from Dayton the South Bend Greens failed to set up their usual game yesterday and Wheeling scored her first victory of the year to the delight of 500 fans who pulled themselves hoarse over the result. The score was 3 to 4, a shut out, the Greens first of the season.

If there is a team in the Central league that Wheeling cranks like to beat it is the South Bend aggregation. The fans go crazy when such a feat takes place and if the Stogies take another game out of the series it will be necessary for Sheriff W. W. Irwin to open up the insane ward of the jail for new patients. Last year the best Wheeling could do against Grant's boys was to win three out of 20 games.

Wheeling played clean, consistent ball yesterday and with Purcell in the box showed more strength than in the Grand Rapids games. South Bend fought hard, little Herbert Smith working like a beaver and Jack Bush showing much new zeal, but also with the stick and he deserved to win. Fair, however, was against him and he good naturedly took a beating. "Hercules" allowed only five hits, and had the support been solid behind him Wheeling would have scored only one run.

Purcell pitched a great game for the Stogies and had the South Benders well in hand at all stages of the game except the second inning when the score was in the second when Gene Curtis made a sensational running catch and followed it up with a remarkable throw to Kinsworth at home plate, nipping a Green.

In the fourth inning with one head down, John Fox hit for a two bagger and Smith drew a base on Bush's wildness. Then Fox executed the sacrifice and Smith came home on it and followed with a sizzler of honor while Andrews and Grant were trying to head off Smith from reaching second. Both men were safe and the Greens had a run. Fox made a good work by fielding the bonehide to the left field fence for two bases and scoring Smith, but in an effort to take advantage of the error Andrews and Mang was thrown out at the plate by a nice return of the ball from Coffey. The Stogies third run came in the seventh inning when Mang drew a base on wide usage, stolen second, Curtis sent another and took third on a wild throw to home and scored when Steve failure to hold a throw from Grant. The summary was as follows:

Caught Between Innings.

The Wheeling Register welcomed the Greens to Stogieville with the following remarks:

Information has been received from President Gilmore of the Central league, by President Perkins, of the Wheeling club, ordering him to retain Umpire McWaiters, whose incapacity was so well shown in the Grand Rapids games. The South Bend Tribune has predicted "Johnnie's" early fall.

"Well, the Grand Rapids team has come and seen and conquered, and nobody interposed a veto when they boarded a train for Dayton," says the Dayton Journal. "Wheeling, after a great surprise at the expense of the Rugs crowd, but if the Reeds had to be defeated, the general opinion seems to be that it was better to be licked by the Stogies than by any other team in the circuit. White Rock and Rugs mistakes figured largely in the two victories the Michiganders won here, still they played consistent ball, and deserved to win. Dayton will have their with much another game, and not from Our Own."

"The South Bends come to Wheeling to-day to open a four-game series with the Stogies, and doubtless the first game of the series will be whitewashed. The Greens, like the Reeds, a team that visited Wheeling last year Grant's Rays were the most popular with the Wheeling fans, and as he has practically the same team, the old fans will be glad to see him again. Mike Smith, who was with Grant a short time last spring, is anxious to go on the rubber and show the South Benders a thing or two.

And the fans know "Cool." "Cooper" as usual got his hit. He never misses in Wheeling.

When Grant cuts his sorrel to 12 men available for the three state he will be obliged to let out. With five cracker-jack pitchers, two star first basemen and a catcher who is a hitter, he has a gold mine. It is understood that Dayton and Grand Rapids will buy the pitcher and first basemen who have cut on the flight, although Dayton is anxious to get either Gallagher or Connors.

ILLINOIS DEFEATS NOTRE DAME.

In a ten inning contest Illinois defeated Notre Dame by a rush Saturday afternoon by one of the most exciting games that will be seen on western college diamonds this season. With the score even up in the tenth Parker was sent to first by hotel hit with a pitched ball. He made second and with two men out and two strikes on Pfeffer the batter attempted to dump the ball, the hot hitch hot on his shoulder sulphur with the barnstick and sent it for a hit just over the head of O'Connor at third who was playing in close. It was a hit and Pfeffer scored.

Illinois first score was forced over the plate in the seventh inning when with the bases full Reinhart hit the batter. Notre Dame's only score was made in the fifth when Hogan reached a base. Chadwick sacrificed him to second. The former stole third and scored on a wild throw to third. Both pitchers twirled excellent ball. Nelson, who is playing on Carter Field today.
