DEPARTMENT MANAGERS SALE

Tailor-Mades That You Will Covet at prices that Say 'Don't Pay More.'

Nothing that's new in plain tailor-made, dress, jacket, suit and "fancy" that isn't here. Only little, white touches which betray the finger of the master artist in the finishing of these suits, giving them a grace of outline and perfection of fit which custom tailors cannot improve upon. These suits will delight discriminating dressers and attract admiring glances wherever they go.

Saturday, the Fourth day of our Department Managers Sale will be the biggest yet, as one customer tells another of the Great Bargains being offered in Every Department.

Space will not allow us to tell you of all the Special Values being offered. Do not fail to attend this Sale, you will be both pleased and surprised.
