CANTON GETS GIFT

WILLIAM'S DESIRE TO BE FAIR COSTS LOCALS GAME.

GRANTITES LOSE CONTEST

Chinamen Win From South Bend by Score of 3 to 2—Delay in Arrival of Visitors Cause of Late Start.

The desire of Thomas Williams to be perfectly fair with Canton sent South Bend a game yesterday afternoon and had it not been for the loss of Evansville at Springfield, the Grantites would have again tumbled back into fourth place.

By all rights of baseball South Bend should have been credited with yesterday's game by a score of 9 to 2 but the luck of the sport gave Rude Myers and his Chinaman the contest by that score. South Bend outplayed the visitors and Furniss, although touched up for 12 hits quit the game with more than an even break of hooks with "Cy" Alberts, as the South Bender worked out of several bad holes which threatened to put the crimp on the Grantites for keeps.

The two mistakes of Williams came at critical stages of the game. The first came in the fifth inning and the seventh when he called Anderson out at the plate after the latter was clearly safe. Then to add to the gloom of the fans Tom declared Hopke safe at the plate in the second half of the eighth and Hopke had his foot shaded well away from the rubber by three feet. This decision, however, was excusable as the shades of night were gathering and the plate was hidden from the view of the acting judge.Anderson was entitled to the fifth inning run and everybody knew it for both pitchers having steam galore were putting the ball over the plate so fast that the batters were striking out.

Game Gets Late Start.

The game did not begin until 4:15 owing to the tardiness of the visitors of the Canton team in the city. South Bend with two out scored one run in the first on hits by Connors, Tinnan and Letcher. In the third hits by Anderson and Connors and a passed ball allowed Anderson to score the second run.

It was in this inning that Canton took advantage of the lamentable efforts of Furniss to field his position and on his error of Myers' beat and Hopke's error of Sager's throw followed when Alberts tossed, two men were safe on the sacks. Plummer then hit safe and drove one of them home. The second run was scored on Gotlick's error of Sager's throw. Canton won in the seventh with one down, Hopke was safe on Sager's error and he scored on a hit by Osborne and Williams' bad decision at the plate. Score:

OTHER CENTRAL LEAGUE GAMES

Wheeling and Springfield Win Contests in Hard Fights.

Wheeling, W. Va., Sept. 1.—Ehman pitching for the Grand Rapids Independents at Kansas last Sunday. William Furney, who was released last spring by Terre Haute has been sold by Vincennes to Rock Island, of the Central League. Furney has played every position on the Vincennes team during the season.

Pitcher Gibson's arm has gone back on him once more and the Boston Nationals have given up hope of recovering his services.

McGraw, manager of the New York National league team, has signed Bill Carter, the star pitcher of the Syracuse state league team.

Wheeling players are visiting the Ohio state league cities with the Steelworkers. The loss of two games in Evansville probably started the report. In every case the loss of a game is according to the fans due to an error by Umpire Nelson and not to the players. The other are baseball players standard.

By winning the game yesterday while Shreveport was losing the New Orleans team secured the pennant in the Southern league. More than 10 games remain to be played, but by losing each game New Orleans could not be deprived of the championship.

CECIL FERGUSON, PITCHER PURCHASED BY NEW YORK.

The rise of "Fergie" in the baseball world has been rapid. Three years ago he was pitching ball at the Terre Haute High school and at the opening of the Central League season he was pitcher for Terre Haute and developed into the best twirler of the league.

GOSSIP OF THE DIAMOND.

Facts About Players Known to South Bend Fans.

Bresnahan failed to hit safe for the New York Giants yesterday but accepted 11 chances.

Harry Arndt played third for St. Louis against Pittsburg yesterday and secured one of four hits made by the team off Leever. Harry also accepted three chances.

Miles Peer, formerly of Dayton and Evansville is playing short with Rock Island in the Three I league.

Pitcher Dolan of the South Bend catcher, has lost his batting eye and is not landing on the ball for Dubuque. He is, however, catching a good game.

Van Antwerp may not football and he is not playing ball with Toledo. He is now getting around to that he is the greatest pitcher in the Central league and is the most likely man in it to stick in fast company.—Grand Rapids Press.

Tony Rice of Grand Rapids has received a flattering offer to join the Kalamazoo Independent team for the balance of the season and for next year. He won a game for himself by striking out 18 Kansas batters while pitching for the Grand Rapids Independents at Kansas last Sunday.

William Furney, who was released last spring by Terre Haute has been sold by Vincennes to Rock Island, of the Central League. Furney has played every position on the Vincennes team during the season.

ADVANCE FOR FERGIE

NEW YORK GETS FORMER SOUTH BEND PITCHER.

List of Purchases and Drafts of Major Leagues Is Announced at Cincinnati.

Cecil Ferguson, the young pitcher developed by Angus Grant and sold by South Bend to Louisville at the close of last season for $500, has been sold to the New York National league club, the Louisville team, of the American association getting $2,000 for the former Grantite.

The announcement of the sale was made at Cincinnati yesterday at a meeting of the National commission. At the same time a list of all the players purchased and drafted by the majors was given out and the list shows that the scouts did not overlook a single good player while picking up the players for next year.

"Chesty" Van Ande, who is now in the city with Canton and who shut out Grand Rapids 8 to 0 on Thursday, is the only Indiana player drafted. He is taken Tommy Johns, the pitcher who was pounded for 12 hits when he last faced South Bend. Livingston, the crack Wheeling catcher instead of Van Ande is the man who should have been drafted by Cincinnati. Carl Fiedler, or Perry, of Grand Rapids, is an Detroit's pick.

The national baseball commission, which is a rule yesterday which will do away entirely with "covering up" minor league players. The new rule declares:

"Whenever the minor leagues player has been purchased by a major league club such player cannot revert to any minor league club unless the club so following such purchase shows all major league clubs in both the National and American leagues shall have waived claim to his services. And if such waiver is not secured the player shall either return with the club having purchased him or be transferred to the club refusing to waive claim to him by sale to such club of such player at a price not to exceed his original purchase, as is now fixed by National and American leagues, $1,500 in the case."

PLAYERS ARE HERE

NOTRE DAME UNIVERSITY ELEVEN WILL SHOW STRENGTH.

THREE STARS FROM CHICAGO

Pauga, Rennacker and Hill Are Expected to Make Team—Rockne Begins Coaching on Monday Because of Heavy Schedule.

Nearly all the players eligible for Notre Dame's football team reported for practice during the week and all seem eager to start the season's work. The first practice is scheduled for Monday. Prospects are bright.

Eleven of last year's squad including seven regulars and four first-class substitutes will try for the team and at least fifteen struggling big fellows, eligible and experienced, will also be found trying for positions.

Stars From Chicago.

The most prominent of the new men are the three stars formerly of the Chicago High school team, Pauga, Pauga, Rennacker and Hill and the Dawes brothers, McAvoy and McGahn, four heavy linemen who hail from the east. All seven entered at the beginning of last year, besides these there are a dozen good men for the team to work with.

Rockne to Coach Eleven.

Notre Dame is again to have a graduate coach in Henry J. Rockne. Last year he was assistant under Salmon and his work was so good that when Salmon resigned he was unanimously chosen to fill the vacancy. Rockne played on the regulars for three years at quarter and later at end. He has a reputation for doing the hardest kind of work and it may be that he will play some of the games with the team this season, he has plenty of heavy aspirants. "Pat" Reason, captain, carries off the prize for weight. He tips the scales at 215 ordinarily. He plays guard and has been a regular for more than two years. He comes from Brighton, Ia., and hails from a family of athlete.

Schedule is Heavy.

The schedule is the heaviest Notre Dame has had in years. Wisconsin and Northwestern are the only games to be played at Milwaukee in October. That is the cause of Notre Dame's early training this year. There is a heavy series for the championship of the western conference. Notre Dame will hold the prize. Indiana, Wabash, DePauw and Purdue will be played this year, though this is the first time that the state university has been on the schedule for the gridiron in some years. The schedule is as follows:

Sept. 23—Probably North Division High School of Chicago, at Notre Dame.
Oct. 7—Michigan Agriculture College at Notre Dame.
Oct. 14—Wisconsin at Milwaukee.
Oct. 21—Wabash College at Notre Dame.
Oct. 28—Ohio Northern at Notre Dame.
Nov. 4—DePauw at Notre Dame.
Nov. 11—Indiana at Bloomington.
Nov. 24—Purdue at Lafayette.
Nov. 30—South Bend at South Bend.

CURIOSITY.

Leads to Investigation and Truth.

What shall we do to be saved? was the title of one of Robt. Ingersoll's lectures. People of faith and people of no faith flocked to hear it. Thousands are asking, "What shall I do to get rid of dandruff?" The answer is, "Kill the germ that causes dandruff, falling hair and finally baldness; and the only thing that will do it is Newbro's Herpicide, which is the very latest discovery of the laboratory, and it is the only preparation that claims to, or that will, kill the pestiferous dandruff germ. It also is a delightful hair-dressing, free from oil or grease or sediment, and one ounce is all that is stood of its actual merit. Sold by leading druggists.
