ZANESVILLE BRINGS PITCHER KENWORTHY FOR SERIES

SEVERAL CAUSES ASSIST IN DEFEAT

TOTS DOWN BRONCHOS IN THIRD GAME OF SERIES.

MOFFITT PITCHES WELL

Eddie Wheeler and His Men Fail to Follow Suit of Visitors in Clouting Ball—Spurt in Ninth Inning.

There were many reasons why Terre Haute defeated South Bend at baseball at Springbrook yesterday afternoon. One was failure on the part of several well known Bronchos to hit the ball. Another was the poor umpiring of Mr. Brislain. Another was the ability of the Tots to pound the ball. The score was 4 to 2.

Elmer Moffitt pitched another, good game and let the hard hitting visitors down with eight hits, but the Bronchos were unable to make runs behind him. Moffitt struck out five, and passed three. Curtis was the Tot who did most of the damage. He led off in the first inning with a single, but couldn't get around. In the third he started the inning with a two bagger and scored. He started the fifth by getting to first on an error and scored.

Craven started the first inning for the Bronchos with a "hit by pitcher" stunt. Coffey made a perfect sacrifice and Craven went slowly to third a la Mike Donlin. Curtis, the Terre Haute who threw home and Brislain called Craven out, although it looked like "Midge" was safe. Krug was caught stealing.

Doubles Nip Chances.

Koehler got a pass in the second, but was caught stealing. McCarthy got hit to start the third. Watson placed a beauty over second. Koehler went over towards right, but Murray was playing lucky and nabbed it, doubling McCarthy at second. Craven got on to start the fourth. Coffey flew out and Craven was caught on a double play on "Midge" to Inkard.

Then again in the sixth Moffitt singled with one down. Craven forced Moffitt, but Coffey singled. Krug flew out. A fine chance was lost in the seventh when Wheeler singled to start the inning. Curtis fanned. Then Wheeler and McCarthy fly was caught by Curtis.

A better chance faded away in the eighth. With two down, Craven forced Wheeler. Coffey singled. Krug fell for second ball intended for hit to right. Krug singled filling the bases. Then the clean-up hitter rolled an easy one to the pitcher and was out at first.

It was thus throughout the game. Bad baseball luck had much to do with the defeat of the home team. Coffey with its easy assortment, Coffey walked a long fly to center. Koehler got hit. McCarthy waited for a pass. Watson flew out to center. Wells went in for Moffitt. Wheeler got a single. Curtis "bunt" fed Hennis and pulled in old "Cy" Alberts. Alberts was wild and passed Craven forcing Koehler. Brennan got a passed ball and McCarthy scored. Wells went to third and Craven to second. Coffey waited and Wells stole home. Coffey walked and it with a grounder to Murray.

The Potters from Zanesville will be on deck for Saturday and Sunday. Montgomery is well-known as a pitcher and Kenworthy is a newcomer who will always put up a good exhibition of baseball. The Infants are not very heavy sluggers, but they are holding their own with the best. Pitcher Kenworthy is a newcomer in the Ohio game with Zanesville the Columbus club will play Sunday's game. Can't win 'em all, though.

That man Curtis is crazy with the bat.

Jim two more runs were needed in the ninth.

Watson caught a nice game and hit the ball hard.

Craven got on base every time up but his teammates were unable to bring him in.

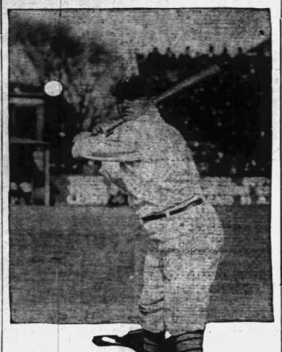
"IRON MAN" JOE M'GINNITY MANAGER OF FAST NEWARK CLUB



"Iron Man Joe" McGinnity and his aggregation of Newark ball tossers are the sensation of the Eastern league this season. Since the start they have been playing phenomenal ball and in much quarters are picked to walk away with the pennant in Pat Powers' circuit. "Iron Man Joe" is taking his regular turn in the box and is pitching major league ball. Two years ago it was thought that McGinnity's days as a twirler were over; he was thought to be washed up. Now it looks as if several big league clubs would like to have him on their twirling staff.

DEVINE GOOD AT QUARTER

Notre Dame Half Miler Shows Form at Shortstop.

During the entire Notre Dame track season Coach Marks has been training "Long John" Devine for the half mile and Devine has been doing the best work that a Notre Dame half miler ever did. His stride seems to be such that he can start a sprint any time and make the dash across track their best in order to keep in front of him. The coach has noticed this and in the workout yesterday afternoon he sent the well trained athlete on a trial sprint and he ran the quarter in 58 seconds. Two years ago it was thought that McGinnity's days as a twirler were over; he was thought to be washed up. Now it looks as if several big league clubs would like to have him on their twirling staff.

CORBY BEATS WALSH.

Foley Lets Walsh Team Down With Six Hits and Pass 16 Men.

Corby hall, of Notre Dame, defeated Walsh hall yesterday afternoon by a score of 9 to 6. Foley pitched for the winners holding his opponents down to six hits and sent 16 men to the bags. He is a new member in the inter-hall circles and is expected to make a name for himself. Corbey and Devine played good ball for Corby. For Walsh, McNichol and Ryan played the most consistent game. The former hit the ball hard in the clutch and did very good work. Sullivan also played good ball. The batteries were: Corby—Foley and Wilson. Walsh—Culligan, McNichol and McGlaughlan.

ST. JOSEPH WINS GAME.

Gridiron Stars Try Luck at Baseball and Make Showing.

St. Joseph hall, of Notre Dame, defeated a team composed of football men yesterday by a score of 7 to 5. Nobody expected the football men to make any kind of a showing, but they surprised the fans by doing the unexpected. They will be able to give any of the teams a good tub. Philbrook pitched the last three innings for the football men did not allow a hit. He had a barrel of steam and a good curve. Had he started to pitch in the first inning the football men would have won. For St. Joe, Howard and Zink did the best work, both hitting the ball hard. The batteries were: St. Joseph—Meiony and Howard. Football men—Philbrook, Schmitt and Miller.

PAPKE WINS BY KNOCKOUT

Kewanee Wonder Puts Away Joe Thomas in 16th Round.

By Associated Press.

SAN FRANCISCO, May 20.—Billy Papke, of Kewanee, Ill., last night knocked out Joe Thomas in the 16th round of a fight scheduled to go 25 rounds. Thomas showed flashes of his old time form and until Papke landed on his jaw in the 16th round he was the aggressor more than held his own.

Papke sent his man to the floor in the 16th with a right hook in the stomach. Thomas came up and was again floored with a right uppercut to the jaw. Papke went to his man and landed a straight right and left to the jaw. Thomas went crashing to the floor for the third time and lay until counted out.

Daggett Back With Bronchos.

Tom Daggett, the young third sacker from Columbus, O., who is owned by the Bronchos, returned to South Bend last night from Fort Dodge, Minn., where he has been filling the utility job with the Iowa team. He has been suffering a sprained ankle. Mack and was forced out of the game.

Runners Practice.

Seven runners, who will compete in the W. D. Staples' championship for the Marathon honor of the Y. M. C. A. gym classes on May 30, took a practice run over the city last night. Almost three miles were negotiated. A gold and a silver medal will be presented to the winners.

Higgins Returns to Cardinals.

ST. LOUIS, Mo., May 20.—Pitcher Higgins, who was recently released to the Denver Western league club by St. Louis Nationals, has returned to the latter club because of a hitch in the conditions of release.

Hendricks Gets Cranston.

DENVER, Col., May 20.—President McGill has concluded negotiations whereby Cranston, second baseman of the Kansas City American association team, will come to the Denver Western league team.

LATIN-AMERICAN STUDENTS SHOW FORM AT NATIONAL GAME

Every year the winner of the inter-hall series at Notre Dame is looked on as the best team in the university. Every year, the winner comes in dispute, however, there will be no dispute, for at present the team that is showing the best form is the Latin-American team. They are not in the inter-hall league, but have played three inter-hall teams and have defeated them all. It is always interesting to see a good team playing, but the most pleasing thing about this team is their coaching. Whenever a man gets on the bag, their coaching stops and it is rare sport to hear the boys from Mexico, Cuba, Porto Rico, Panama and the rest of the Latin-American countries yelling and coaching in their own language.

It is this peculiar coaching that enables the team to win games. Every speaking a language unknown to the opponents, is able to give their team-mates a chance to win. They are working in harmony throughout the game.

The foreign boys play the national game very well and their batting ability is remarkable. Somayor, one of the leading twirlers on the team, pitched a good game against Brownson hall on Sunday. Pedro and Arias are the two other pitchers and Arias the latter really shines behind the bat. These three men are the leading batters on the team, but not far behind them are Cortazar, Duque, Wolff, Cebrian, Gutierrez, Carrillo and Gamboa, the "Hi-ho Beauty."

So far the Latins have not lost a game and they are splendid batting at opportune moments has brought many victories. Early in the season they defeated St. Joseph team and continued to win from Brownson hall, Corby and Holy Cross. In the last game they showed some of the best batting that have been seen on the campus this year, making a total of 24 hits, off the pitching of Brownson hall.

The success of the team is due mainly to the able management of John Romana, son of a former president of Peru. He manages the team in the same style as does Hughie Jennings, but instead of the "Ee, Yah" he has "Hi Hi" and a siren whistle.
