Industrial Baseball League Holds Sway in South Bend Saturday Afternoon

Singers retained first position in Class A of the South Bend and Mishawaka Industrial league by trimming over the Oliver aggregation at Oliver park yesterday afternoon to the tune of 10 to 2. The Machine nine, which was responsible for the one-sided score, The pioneers were taken by surprise by the heavy batting of their opponents and played off their feeble batter second as cited upon. Kaplahl, who pounded the ball for three bases in the first inning, threatened to turn the game into a slugging fest. Vargo, the first batter up cracked out a single. Which sacrificed him to second and Kover slammed out a Texas leaguer which carried him across home plate. Then the fielding lightened, stopping this rally.

Oliver's offense popped open their score column in the first round by driving in a run.

Good Work.

Singers continued their brilliant work in the second inning. Hoffman coupled with a few hard hits netted them four tallies. Barman lined out to second to start off the frame. Then followed a couple of bingles by Nore and Miller, and White cracked out a double scoring the two runners. Hoffman followed with a single, coupled with a hard and another error gave Stevens a chance to rest across the plate.

With such a poor start the contest looked like it would end with tallies close to the half century mark, but at that stage of the fray both fields settled down to earnest work, and the Oliver outfit failed to score in the inning. Again in the sixth Singers rallied for a quartet of markers, which should be charged against the poor fielding of the Oliver bunch. In the second inning Oliver showed a hard hit Hoffman coupled out a triple and Kelt Sh. Hoffman scored on the hold. But the sticky fielding of Barman in the center gardens ended their aspirations.

During the remainder of the fray the Singer bunch effect in a run in each of the seventh and eighth, and Oliver came back in the ninth with a running on their lead. Oliver went down in the last three frames at the hands of Miller on the mound.

Fielding at times was snappy. Kover, Singers keystone bagman made a spectacular catch of Dion's drive in the second inning, and made the sensational fielding for the Oliver bunch making several thrilling catches in the center garden.

The work of Miller on the mound was worthy of note. This stalwart sent eight batters back to the bench on strikeouts. Kaplahl also pitched a sterling game, handicaping the support of his teammates.

LATHE WORKS WINS FROM WOOLEN MILLS

The South Bend Lathe Works Industrial nine had little trouble in putting the Woolen Mills outfit to bed in a game played at Woolen park Saturday afternoon by the score of 13 to 3. The Lathe men knocked Meyers from the box in the fifth frame after six runs had been placed on him. Davidson replaced him, but could not keep down the scoring.

NAVAL ACADEMY WINS BOAT RACE

Their Varsity Crew Will Represent America at Olympic Games.

By Associated Press:

LAKE ALTON, HAMMOND, Worcester, Mass., July 24.—The navy will represent the United States in the rowing regatta of the seventh Olympiad on the Seine canal at Antwerp. The varsity crew of the naval academy, winner of the Poughkeepsie regatta, will be the lone representative of the colleges of this country today in the Olympic rowing trials and national championship regatta left in its wake after a hard tussle the crack crews of Syracuse university and the Dutch Boat club, which finished in that order.

The Syracuse university shellmen had asserted in no uncertain strokes the right of the navy to carry the colors of America in the contest. Uncle Sam goes afloat in international rowing competition.

With the navy eight, there will be a single sculler, Paul Costello, representing America. Costello, single sculls who, paired with his cousin, Paul V. Costello, a fellow member of the Vesper Boat club of Philadelphia, gained a double claim to Olympic honors by winning the senior doubles title.

By Associated Press:

ANTWERP, July 24.—America made a clean sweep today in the Olympic trapshooting, taking the first five places in the individual competition. Frank A. Wright, of Chicago, Ill., is the Olympic champion, he scored 95 out of a possible 100. Frank A. Troeh of Vancouver, Wash., was second with 93.

Horace Bonser (National) Frank A. Wright, Buffalo, and Fred Plum, Chicago, Ill., tied for third with 87. Lancie Wm. Smith was fourth, straight ten at the finish, shooting as birds sprang at random from eight traps, while Troeh who was tied with him at 93 broke only eight of the last string.

By Associated Press:

NEW YORK, July 24.—A new American record of two minutes 1-5 seconds for the 220 yard swim for women was made here today by Miss Eileda Bonberger. Miss Bonberger lowered her own record for the distance by three seconds.
