COFFEY STAYS HERE

ST. PAUL CANNOT HAVE CRACK LEFT FIELDER.

DECISION FAVORS THIS CITY

Fast Central League Player Formally Awarded to Greens by Executive Board of National Association —Late Baseball Gossip.

Eddie Coffey will play left field for the South Bend Central league team during the coming season, as predicted exclusively by The Tribune in a recent issue. The crack player has been formally awarded to South Bend by the executive board of the National Association of Professional Baseball Leagues, and Secretary Farrell has notified President Bennett, of the league, and Fr. F. R. Carson, of the local association, that the crack player is on South Bend's reserve list.

The decision of the board settles the dispute in which South Bend and St. Paul have been engaged during the last two months and the probability is that St. Paul will not only lose Coffey, but also the $250 posted at the time the local man was drafted.

The history of the Coffey case is interesting and shows to what extent the National Association will go in enforcing the smaller leagues under their wing. When Coffey was drafted by St. Paul the local management received a check for $250, one-half of the price of the player, the understanding that the other half was to be paid at the beginning of the next season of the American association. St. Paul, however, failed to make terms with Coffey and threatened to keep him, adding to the expense of the affair, Coffey's contract which belonged to South Bend. The inability of St. Paul to sign Coffey at a lower price than $125 per month set the club to scheming to secure the return of the draft money. The local management claim that by an error they had paid too much money, that $200 instead of $250 was the drafting price. Furthermore, it has always been held that St. Paul was right and this week ordered South Bend to return the check. A fight is now on over this matter and as South Bend has good evidence to offer, the chances are that the Central league organization will have to lay down.

South Bend has figured in three disputed cases since becoming a member of the Central league, the first being Pitcher Ed Doheny, the second Coffey and Pitcher George Beam for the release of the second baseman, and the Cogswell case. The latter was decided in favor of the Greens, and the decision was ready to drop the player from the lineup.

Cecil Ferguson demands a salary of $300 per month from South Bend and intends to stick for the money. He says he is going to Terre Haute newspapers he will refuse to play ball here unless his demands are complied with. "Fergie" however, will not find South Bend willing to meet his exorbitant figures and until he gets ready to accept terms offered by Manager Grant he will be aligned to linger in the fever of the "Hottentots."

"There are more in the team who are getting more than he can," said Manager Grant to be met Dr. Carson at the Terre Haute meeting. "Yes" replied the doctor, "you are right, but these men are worth more than he is are. You did not pick up Ferguson for a song, you had to pay for him. If he are worth so much, why didn't some of the big leagues draft you?" They are the boys who do big pitching. "Not at all, sir," replied the Terre Haute man, "the offer that Indianapolis has offered him $400 per month and that several other teams have signified their willingness to give him $250. As the teams mentioned are in the big leagues and are able from the dreams, the stories are not regarded with any seriousness.

McFarland Not for Sale.

Minnie McFarland, of the New York American league team, will not be released and this will not be able to accept the offer made by the management of the Grand Rapids team.

"They offered me $750 for him," said Manager Griffith, "but I would make no deal for him until I was certain what I would have going to be for next year in New York."

A. H. Collins, president of the Grand Rapids team, is celebrating attempts to secure the big fielder and despite Griffith's refusal to sell, he continues to insist on secure the valuable player.

Collins is having trouble in securing the signature of William Clancy to a contract, although Clancy is the most valuable pitcher under the Grand Rapids team. Dickey thinks that he is willing to play on the home city but that he must have more money than he received last year when with the Blues.

Wheeling Signs Gene Curtis.

Wheeling is having less difficulty in signing her team than any other club in the Central league, it seems, including all but one contract of last year's team, Gene Curtis.

The last man to forward his contract properly signed is Eugene Curtis, the heavy hitting outfielder. Curtis is in good condition, however, and is weighing 15 pounds lighter than he was at the close of last season. Wheeling decided to let Bill Phillips have Curtis when Pittsburg decided to trade him to Wheeling.

Wheeling has arranged exhibition games as follows:

April 13—Boston Nationals at Wheeling.

April 14—Washington-Jefferson college at Wheeling.

April 15—Wheeling at Bethany.

Sailor Before Board.

Frank Haller, true to his threat, has carried his fight with Zanesville before the national board. The matter came up for a hearing in Chicago Thursday and was finally referred to President Bennett, Secretary Farrell, F. Parrish, of Albany, N. Y., as secretary. Haller is a Pittsburg player who was engaged by the Zanesville club last year and he claims that the organization took place he was released.

Dunlap Signs With Terre Haute.

Lenny Smith, of Terre Haute, is happy as Al Dunlap has signed a contract as "Pop," has signed his contract and is once more a Central League Terre Hoteiotel. Smith now has nearly all his team signed and is working with a number contracts and is prepared to meet another fight for the pennant.

Charlie Deininger, the crack third baseman of the Cincinnati team, has resigned his place with the Cincinnati club, which was the National league season opener. A letter from Hot Springs, Ark., states that Charlie Deininger is suffering from a severe attack of malaria and is compelled to take to his bed. DeArmond will not be released, however, as the Cincinnati management is confident that he will be in good health during the hot months of the campaign.

Late Report of the Phenoms.

Charles Harding, who starred his baseball career under Jack Keefe of the Chicago Marquettes and who last year played with the Bloomington "Three-I" league team, was signed yesterday by Herman Long for the Terre Haute team.

Hermes Schaefer, who refused to join the Minneapolis team after he was traded to that club by St. Paul, has signed with Seattle.

The Interstate Baseball league disbanded yesterday at a meeting held in Chicago. A new league will take the place of the defunct organization made up of towns in Illinois. The Wisconsin territory will be left to the Northwestern and Western leagues.

Jim Hackett, who distinguished at pitching and playing first base, and Eugene De Jernette, who acted as substitute infielder for the St. Louis National league club last year, have both been unconditionally released. Hackett has signed with the Pittsburg team, and with the Cincinnati club yesterday. The deal has been under way for some time but the St. Louis club claimed a prior right to the player. That was settled yesterday by Secretary Farrell, who decided in favor of Hackett. De Jernette is signed by the St. Louis club, and the purchase was immediately consummated.

Third Baseman Schippscissee, of the Philadelphia Nationals, was given a trial by Dreyfuss, of the Philadelphia North American. The sporting writers of the country will heartily hope that he doesn't make good. There are too many good players now.

The table of contents of $1000 will be "Cobb." It is a book of which are included in the national agreement not to steal one another's players and to respect contracts. This means 156 professional ball teams, or counting 12 players to each club, a total of 1,840 players.

Chairman Herrmann found the Minneapolis case too hard to decide without mature deliberation, and after a long discussion yesterday afternoon, the matter was postponed indefinitely. Herrmann announced that he did not feel himself in a position to render an immediate decision. It is probable that Herrmann's verdict will be announced from Cincinnati within the next week.

BASEBALL AT NOTRE DAME.

Candidates for Varsity Team Have First Batting Practice.

The second week at baseball training at Notre Dame closed to-day with no material change in the number of candidates. For the first time this season the men were put through a light batting practice. Chip Stephen has been absent from a number of the practices during the week, but will be out on Monday.

The first week in batting resulted unfortunately to quite a number of the candidates for the varsity team. Hit slipped when near the side of the ball and sometimes and in attempting to save himself from falling he suffered a sprained ankle. Hit will be able to resume practice in one of the bases, but when he has been ill for 10 days and will be in uniform by the latter part of next week. Cofferdy, who is regarded as a comer, also has played star ball on the strongest inter-hall teams, has been out of the game for the last few days and it was feared that he was threatened with an attack of appendicitis, but his condition is improved and he is again attending classes.

Track work is to commence that Coach Holland's direction and the week just ended has been one of the hardest that the men have had to go through. Practically all of the men in the distance runs have to bring up through their paces and a line on their work is less difficult to get than any time heretofore. Among the men who will figure in the distance runs this season are Dolan, Dale, Welch, Murphy and Kaufe will in all probability be good winners.

BOWLING LEAGUE FORMED.

Capt. Anson, of Chicago, is Elected President of Organization.

Cleveland, Feb. 13.—The National Bowling league, to consist of two-team teams in each city, was organized yesterday. Chicago's German has been secured by Captain Anson. In Milwaukee "Admiral" Dewey gets the franchise. John Flom, of Buffalo, R. Meisinger, of Detroit, and J. K. Starr, of New York, N. Jackson, of Brooklyn, N. P. Warrum, of Philadelphia, and Jim Carmack, of Toledo, are others to get a part of the schedule.

The opening games will be played April 25 and the season will close the eleventh week, playing two days in each place, the first night playing in two-man contests and on the second in individual games. Seven games will be played each night for the season, the prizes being cash and gold. Captain Anson has been elected president and Sam Kargl secretary-treasurer.

No changes took place in the individual bowling championship of the country, of Purdie, is still high with 832 for three games, Lowe, of Lansing, third and Mueller, of Minneapolis, third.

SOUTH BEND DEFEATS NILES.

Cosmopolitan-Shrimp Bowling Team Takes Two of Three Games.

A picked team from the Cosmopolitan Shrimp clubs of the Northern Indiana league defeated the Miles National, also of the Northern Indiana league at Niles, Mich., last night. The results were as follows:

Cosmopolitan-Shrimps.
