

BETSY ROSS TO MEET DAYTON ORIOLE FIVE IN BATTLE TONIGHT

Zwissler's Betsy Ross basketball team will endeavor to trounce the strong Holy Trinity Oriole basketball team from Dayton, Ohio, Wednesday night when the two teams meet in the second game of a double header. The initial game will be played between the Kewpies and Fort Wayne Studebakers, starting at 7:45 o'clock.

The Orioles will bring a team composed of extra large and fast players, all averaging around the six foot mark and weighing on the average of 170 pounds.

Their best players are Mat Lause, forward, and Henry Binger, floor-guard. Lause has an uncanny eye for the basket and is good for at least seven or eight in each game. He is about the most clever player on the Dayton team and can connect with the basket from any angle. Binger is a fast dribbler and he is hard to stop. This player is known in Ohio as one of the best all round players of the court sport in the Buckeye state.

Two New Men.

Betsy Ross will have two new men in the lineup to start the game. They are "Tobe" Jessup and "Shel" Simmons, both members of the crack high school team which was turned out in Richmond in 1917. Jessup played forward that year and was the mainstay of the team and Simmons jumped at center. Simmons has been appearing on the local floor for several years and his play is of the highest. Jessup is a former Earlham player and also LaCrosse, of Wisconsin.

Little will be seen at background for the Betsy five and Medearis and Reid will take up the forward berths. Mansfield also will be available to enter the fray. All three forwards have ability to hit the basket and the majority of the scoring is expected from them.

The Betsy Ross is one of the best teams in the Community Service league, and with the addition of the two stars, the game should be hot throughout.

Lineup which will start the game:

Betsy Ross—Dayton
Medearis—F. M. Lause
Reid—C. F. Simmons
Simmons—C. Jessup
Jessup—G. Binger
Tittle—G. C. Lause

FRANKLIN'S TOSSERS PLAY SPEEDY GAME

Franklin's basketball team, which will oppose the Quakers on the Coliseum floor Friday night, is without a doubt the fastest aggregation of goal tossers that has represented the Baptist school in years, and is picked by many critics as a possible contender for state honors.

Records and Richardson, the two forwards, are both stars; the former especially is living up to his name and is establishing an enviable record. Friddle at the center post is known to all followers of the indoor sport. Strohl at floor guard has a wealth of speed and is a member of the Franklin track. Captain Pike at back guard completes the defense.

Coach Mowe has seen the Franklin crew in action and expects to be able to meet most of the Baptist mentors attack move for move. A hard practice at the Coliseum Wednesday night will complete the stiff part of the Quakers' workout for the week. Light signal practice and a blackboard talk will be given Thursday evening.

Tickets for the game are being reserved as usual. The Camera Shop Kewpies will be seen in a preliminary contest with the Whitewater team. The first game will start promptly at 7 p. m. and the Earlham game at 7:45 p. m.

EARLHAM ENTERS IVEY, CRACK HURDLER, IN ILLINOIS INDOOR RELAY CARNIVAL, MARCH 4

Earlham college will be represented by an entry in the Illinois Indoor Relay carnival, which is to be held at Urbana, March 4, according to an announcement made by Coach Mowe. Charles R. Ivey will represent the Quakers in the big relay test, at which all of the leading colleges and universities in this section of the country will participate.

Ivey, who has been captain of the Earlham track team for four years, and who holds the Earlham record in the low and high hurdles and in the high jump, will be entered in four events at the carnival, Coach Mowe says.

These events are the 75 yard low hurdles (three hurdles 20 yards apart), the 75 yard hurdles (six hurdles 10 yards apart), the high jump and the broad jump. Although proficient in all these events, Ivey excels in the first three and is second to few when it comes to capering over the high sticks.

It is expected that Ivey will make his presence felt in some of these events although it is realized that he will be stepping out in fast company.

HIGH NET MEN MEET DECATUR, WABASH IN WEEK-END GAMES

Richmond high school basketball lads will take another week-end trip this week, meeting Decatur on Friday and Wabash on Saturday. As the dope stands at present, Richmond should win over both opponents and bring back two victories to the local high school's credit.

Having met and defeated DuPont high school of Louisville, Ky., and Connersville Hi last week-end, the local high has shown that they can step out two nights in succession and come through with the longer end of the score.

Coach Stenger gets a uniform Tuesday evening and with the help of four other second stringers, battled the regulars to a stand-still in his own style of play in an endeavor to create a different kind of opposition, for the team.

With Greene and Kessler bolstering the guarding department for the Red and White, the local coach has little to worry about except that his offense needs to get down the floor more steadily.

The next home game will be played with Spiceland Academy on the Coliseum floor Friday, Feb. 17.

The following men will probably make the trip to Decatur and Wabash: Greene, Kessler, Kennedy, Rost, Harkins, Spaulding, Schumaker and Nolan.

Em-Roes Have No Trouble Defeating Franklin, 37-23

Franklin, Ind., Feb. 8.—The Em-Roe basketball five registered a clean victory over the Franklin college five here Tuesday night, winning by the score of 37 to 23. The Indianapolis team was leading practically the entire game, the first half ending 23 to 14 in their favor. Lampert led the scoring for the Em-Roes, making six field goals, and Records scored the same number. Friddle and Pike played good defensive games.

MOGULS OF AMERICAN LEAGUE DECIDE ON PLAYING SCHEDULE

(By Associated Press)

WASHINGTON, Feb. 8.—This city extended the hand of welcome to baseball magnates of the American league today for their first meeting outside of New York or Chicago in the history of the organization. Clark Griffith, president of the Washington club had arranged for the club owners and officials to pay their respects to President Harding at the White House before beginning their sessions later in the day.

The meeting was called for the specific purpose of ratifying the 1922 playing schedule, but it was believed it would not adjourn without some discussion of plans for effecting restoration of the draft, now opposed by several of the minor leagues. Many rumors of impending trades of players for which the gathering would afford opportunity for direct negotiation also came to town with the magnates. The only one of which they appeared to be aware, however, concerned the New York and Detroit clubs, and even this was wholly conjectural as to the probable players involved.

The local club president indicated today that he would endeavor to have the magnates take a definite stand on the draft question at the present meeting. Discussing the opposition among the minors to the selection system, Griffith declared:

"Somebody is going to come out second best in this controversy—and it is not going to be the majors or organized baseball."

THREE WEEKS' WORK HAS WISCONSIN TEAM READY FOR BATTLE

(By Associated Press)

MADISON, Wis., Feb. 8.—Three weeks of preparation and readjustment of the University of Wisconsin basketball team, Dr. T. E. Meanwell, coach, believes, will have the quintet in top condition to open the second half of its schedule against Illinois on Feb. 11.

The Badgers' 17 to 15 upset by Minnesota after Wisconsin carried the play into its territory throughout the contest, but without ability to connect with the basket, is expected to result in a changed line-up for the second semester.

Throughout the season center has been weak, because of lack of an experienced player. Gibson, a sophomore, appears to spectators to show form in his play, but they say he is apparently unable to take his proper place in the short-passing game in which the Badgers specialize. He failed to make a basket in either the Minnesota or Michigan games.

CINCINNATI DECLARES 20 PER CENT DIVIDEND

(By Associated Press)

CINCINNATI, O., Feb. 8.—The Cincinnati National League baseball club declared a dividend of 20 per cent last year, the same as in 1920, according to the report of President August Herrmann, presented at the annual meeting of the stockholders yesterday. It was declared that prospects for the coming season was bright not only from a financial standpoint but also for a fine team, which, with several new players is expected to make a better showing than last year's team.

CHICAGO, Feb. 8.—Athletes holding to the superstition that their uniforms should never be washed while they are in a batting streak will have to change their ideas if they belong to the Chicago Nationals following an order issued today by President William Veech that suits may not be worn longer than a week without being cleaned.

Another member of the Chicago Nationals' pitching staff, Virgil Cheeves, has started spring conditioning in advance of the scheduled program. The big Texan was advised by Manager William Killefer to go to Hot Springs, Ark., and indulge in daily hikes and take a course of baths to take off some superfluous weight.

Carney played the best game for the Suckers, making five goals from the field.

The Kewpies are in the line of shape for their game with the Ft. Wayne Studebakers, here Wednesday night, and one of the best games on the Kewpie card is anticipated. The Ft. Wayne team has a very good record and are said to be much heavier than the locals.

Little Jackie was spending a holiday in the country and was highly entertained by everything he saw in the barn and farmyard.

The old red hen's cackle to announce that she had laid an egg was a never-failing source of delight. He always wanted some one to get the egg immediately.

One day he was allowed the privilege of going all by himself to fetch the treasure.

In a few minutes he came running back excitedly, but his eagerness was too great. He tripped and fell.

In a minute his hands and blouse were smeared with yellow as he clutched the egg of broken shell.

But he came up smiling to his mother.

"Oh, mummy," he cried, as he held up the fragments. "I had a fall, but it's all right, 'cause I didn't lose anything only the juice!"

Bill Hays, former national champion of the 100-yard dash and present conference champion in the same event, probably will be unable to compete in Notre Dame's indoor schedule, because of a pulled tendon which snapped in practice. Hays is the third man who will be unable to take part in the winter track program. Shaw and Wynne being the other two.

KEWPIES PREPARING FOR CONTEST WITH STUDEBAKER TEAM

The Camera Shop Kewpies are expecting one of the hardest battles of the season when they stack up against the fast Ft. Wayne Studebakers, in the Coliseum, Wednesday night in the first game of a double-header being staged by the Kewpies and the Betsy Ross five. Special preparations have been made for this game by the Kewpies and every man is in the best of condition for the fray.

Final practice was held in the Coliseum Tuesday night, the team practicing with the Betsy Ross five. The team displayed an unusual amount of pep in the practice and are expected to send the Ft. Wayne lads home with the short end of the score. The locals still remain undefeated and every effort will be made by the north-erners to hand them their first trimming of the season.

Repair Prowess.

In the last few games the team seemed to have lost some of its former team play, but this is rounding back into perfection again and the visitors will find it very hard to break up. The Kewpies are especially noted for their short passing style of game.

Ft. Wayne claims a scoring combination in Carrington and Ryan forwards and Bolyard center that is a wonder and has not been stopped this season, piling up point after point. This combination will cause the local guards to be on their feet at all periods of the game.

The guarding sector will be taken care of by Girdian and Lindman. These two men form a very tight defense that will cause the local scoring combination much trouble in working the ball to within close scoring range. These men are reputed as being very fast and especially good at breaking up under the basket play.

The game is called for 7:45 and the probable line-ups are:

Kewpies—
Brehm—F. Carrington
O. Monger—F. Ryan
Sauter—C. Bolyard
Lohman—G. Girdian
H. Monger—G. Lindman

TOM GIBBONS SEEN AS LOGICAL FOEMAN FOR JACK DEMPSEY

By FRANK G. MENKE

If Tom Gibbons isn't the logical foeman for Jack Dempsey, then the word "logical" should be tossed into the salty seas.

The achievements of the St. Paul Irishman through the past year, have not merely eclipsed the Dempsey showing in his pre-championship days, but have been more wonderful than that of any heavyweight of any era.

Twenty-one knockout victories in 22 starts—that's the Gibbons record. Only one man has gone the distance with him—and that man was Bartley Madden of the concrete jaw and the cast-iron stomach.

No living man ever floored Madden—and he has fought the greatest heavyweights in the game. Gibbons, even though he failed to stop Madden, gave him the worst beating he ever suffered and had him beating on the ropes at the finish.

Gibbons is Hard Man.

Some persons scoff Gibbons as a Dempsey rival because he's a little too small and because he hasn't whipped any good man. In rebuttal, Gibbons certainly isn't too small, and he has whipped a tougher gang of fighters, all things considered, than Dempsey sent down to defeat before he triumphed over Willard.

Gibbons is practically six feet tall—all enough for any man. He displaces around 180 pounds—heavy enough for any man. He is taller and heavier than was Carpenter—yet many reckoned the Frenchman had a real chance against Dempsey. Gibbons has knocked out more men in a year than Carpenter has put to sleep in eight or 10 years.

Pair is Well Matched.

If Gibbons fought Dempsey, he would have to yield to the champion only a matter of an inch or two in height, perhaps 10 pounds in weight and an inch or so in reach. When one remembers that Dempsey "spotted" Willard nearly 70 pounds, six inches in height and nearly that many inches in reach, how come this talk that "Gibbons is too small for Dempsey?"
