

It Looks Bad for the Pirates After Yesterday's Ball Game

JIMMY AND GOATS SPECIALS WIN

'Swede' Edgren Pitches Gilt Edged Ball—Allows But Five Hits.

The Hoosier Creams or the Fitzsimmons, maybe it was the Studebakers—no, it was the Jimmy and Goat Specials, defeated the fast going Notre Dame varsity team on Carter field, Notre Dame, Sunday afternoon by a score of 11 to 3. From the manner in which "Swede" Edgren, lately arrived from England, served them to the opposing batters, it looks rather bad for Bezek and his gang of Pirates. Had Hoo been there to lamp the game, he would have had a chance to sign up a real hurrier, for the blond aviator served up an assortment of speed and curves yesterday that went right past the Notre Dame sluggers.

From start till finish "Swede" had his old team-mates eating out of his hand. Not that they looked good or anything of the sort, but Edgren was breezing 'em across in a manner that would have made many a major leaguer look on with envy. Once during the game, in the eighth, the blonde boy eased up and Notre Dame scored thrice. That was his only slip, though.

"Fighting Irish," Notre Dame players were called once, but their work yesterday belied their battling ability. Four runs in the first canter took the starch out of their sails and they played with their heads down throughout most of the game. They were off, decidedly off, and seemed not only to know it, but to show it. They displayed little pep and no fight. In one respect only did they outplay their opponents—in error-making.

Goat's Specials failed to flash the form they showed last Sunday, but they had more than enough to win. Aftowski went to short and filled Louie Wolf's shoes in exceptional fashion. "Grandpa" Koehler was among the missing, and Chief Meyer "Comiskeyed" at first. He contributed a boot, a wild throw and a muffed to the error column. Otherwise he enjoyed a perfect day. "Benny" Allen, former Central leaguer, took care of third for the town boys.

Wrape started on the mound for Notre Dame. Claffey had no use for his ice bat. He walked and promptly stole second. A moment later he moved to third on Aftowski's infield scratch to Wrape. Aftowski stole second. "Chief" Meyer then marched to the plate, and stood at attention while Wrape hit the bat on "Chief's" shoulder. The ball popped to right, Chief got credit for a hit and Claffey and Aftowski scored. De Rose singled and Meyer went to third. He scored on a passed ball. Allen drove one right for a base and De Rose scored. Spahr forced Allen at second. Moffett doubled but Spahr was held at third. Lavery relieved Wrape for Notre Dame and Hickson, next batter, hit to Sjoberg, who pegged to Bahan and got the runner. Bahan threw to McGuire and caught Spahr going home.

Notre Dame went down in one, two, three order in the first and second frames.

Goat's Specials got busy again in the third and pushed over two more. Meyer swung his second time at bat and sent a whistling single to left. He stole second and scored on De Rose's single. De Rose went around and scored on a series of boots.

Spahr got a hit on a passed ball in the sixth after he had fanned, and went to second and third on two wild throws. He hurt his ankle sliding into third and Meyer ran for him. "Chief" scored on Moffett's hit.

Five errors in the seventh netted the South Benders two more runs. In the eighth Edgren led off with a single. Claffey shot a liner at Murray and Pat failed to get the runner at first. More wild throwing followed and before the side was retired two more runs had swelled the South Bend total to 11.

Notre Dame got three in the eighth after Sjoberg had grounded out. Claffey to Meyer. Bahan singled and Moore, who supplanted Mohart at third, dumped a tantalizing Texas leaguer in short left. Bahan went to third and Moore stole second.

Connors walked. Then, with the bases full, Doyle shot one at Allen, who fumbled the ball and Bahan and Moore scored. Connors scored on Murray's single. Barry ended the inning by grounding out to Edgren.

Sjoberg nicked Edgren for a triple to right center in the ninth with two out, but died at third when Bahan flied to Hickson. The score:

Notre Dame 3; Jimmy and Goat Specials 11.

Edgren pitched 7 1/2 innings, allowing 11 runs, 5 hits, 3 errors, 1 walk, 1 strikeout.

Claffey batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

Pat batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

Allen batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

Barry batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

Wrape batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

McGuire batted 4, 1 hit, 1 error, 1 walk, 1 strikeout.

CHICAGO, April 14.—Tom Campbell, University of Chicago freshman, set a new world's indoor record for the 500 yard run Saturday night at the Central A. A. U. championships running the distance in 1:13 1-5.

The old mark of 1:13 2-5 was held by Tom Halpin of the Irish-American Athletic club of New York.

Jole Ray, Illinois Athletic club, broke another C. A. A. U. record, when he reduced his own time of 9:31 2-5 for two miles to 9:16 1-5. The first night he set a new world's indoor record for the mile, and the second night he broke the Central A. A. U. record for the half mile.

BOWLING SEASON ABOUT OVER

Many of the Leagues Completed Schedules During Last Week.

BY JEHOASAPATH SPARE.

A good many leagues completed their 1919 spring season schedule the past week. The Automobile and Vehicle leagues stopped play at the Studebaker club, the starters winning the honors in the former, while the Skeins turned the trick in the latter. Both organizations had a very interesting race throughout, the Horns finishing one game behind the leaders in the Automobile league, while the Rims, Spokes and Hubs gave the Skeins battle until the very end of the Vehicle league.

The City, Commercial and West Side leagues also closed. In the latter the Choka Stars, who copped the bunting, trailed along at the bottom of the ladder during the early stages of the race, but fought their way to the top by degrees until they turned in the championship of their organization. They were closely followed by the M. H. club. But the Choka Stars could not win two flags in one season. They were fighting with the leaders of the Commercial club during the entire season, but were overtaken by the Spiros and Olivers in the final drives, the latter team coming fast to the front during the last four weeks of the schedule season.

Goat Anderson Pilots Winner. One of the hottest fights between two clubs marked the race of the City League during the entire season. From the very outset it was evident that the fight was between the eventual leaders, Jimmy and Goat's Army and Navy team, and the Studebakers, who finished in their respective order. Other clubs, the Watch Co., Hoosier Creams and Hardwoods, gave short spurts at various stages of the game, but it proved only spasmodic, and they were far below the leaders at the final bell.

The affairs of the league were quickly wound up and the prizes have already been distributed, the various events being won by the following teams and individuals: First, five-men event, Army & Navy; third, second, Studebakers; \$25; third, Watch Co.; \$20; fourth, Hoosier Creams; \$15. High single team game, which drew \$5, was won by Studebakers with 1,019. High three-game series by George Thurn with 649, which paid \$3, and the high single game score was won by Carl Mohn at 257, for which he was rewarded with \$2.

The individual high average prizes were picked off by the following players:

Player	Score	Prize
1st—Tom Sharkey	191	\$4.00
2nd—G. F. Richards	185	3.00
3rd—V. Woodruff	185	2.00
4th—George Thurn	184	1.00

By far the largest list of select average bowlers was produced during the past week, when 11 players made the grade. There have been higher totals posted during the season but there have never been near as many candidates. Of these Tom Sharkey led the way with 642, a 221 rating, while John Casmier came through with another of his many big averages during the season. Fred Betz of the Commercial league was awarded third place.

Betz Collects High Score. While the number of players who qualified for our roll of honor did not exceed previous records established during the season of any other week, it came within a few of it.

It was featured by the many substantial scores turned to the secretaries of the various leagues, as 15 players rolled games of 220 or better.

Of these, Fred Betz, captain of the Indiana Engraving Co. team, of the Commercial league, carried off the plum, scoring 258. Tom Sharkey of the Studebakers was second with 253, while third place was won by Van de Walle of the same organization, with 246. The complete list of roll of honor men for the week is as follows:
