FACTORS WILL BE AT SPRINGBROOK ENTIRE WEEK

SMITH CLUB LOSES WITH TIGHT SCORE

LANSING SENATORS BLANK FACTORS BY SCORE OF 2-0

HITS PROVE VALUELESS

Locals Out-Clout and Out-Play Visitors But Apparent Hits Land in Horse-shoe Mits at Critical imes

GAMES THIS WEEK

The Factors will be at Springbrook during the entire week and South Bend fans will be given ample opportunity to see some fast baseball. The Lansing Senators are here to-day and Tuesday Topsy Hartsel will be the guest of Toledo Mud Hens on the local diamond Wednesday and Thursday. Flint will be here Friday and Saturday, a double header being slated for Decoration Day.

This is the day that Manager Smith must make his final cut in the Factor squad and hereafter but 13 men can be carried. He has 15 men in addition to himself at this time making it necessary for him to suspend a fourth man. Smith has been in a quandary as this is quite a puzzle for Smith but it is most likely that Asher and Snell will be the men who will be compelled to go. Both are good men and Smith is anxious to keep them but he must drop at least two players to-night. Schorr will pitch to-day against the Lansing crew.

Manager Smith was very well pleased with the attendance at yesterday's game, more than 1400 face being present.

BY R. E. TODD.

The Factors lost another tight game yesterday afternoon, the Lansing Senators shaking the Smith club, 2 to 0. Although the locals out-hit and out-played the visitors they were unable to shove over a marker, apparent hits going for naught when the ball landed in the horse shoe laden Lansing mits.

Hixon and Neuschafer divided honors in the batting feature of the battle the Factors being accorded eight singles and the visitors but seven. During the last three periods the Factors threatened to tie up the score. Five hits in those rounds were a fence as the Senators grabbed off several hard drives and pulled a double play which kept the Factors under the white wash flooded.

Lansing Scores One

Lansing scored its first marker in the second when Hixon dropped his high fly in left. Simpson sacrificed, Dobbins to Schmick and a premeditated demise by aviation to center scored Lyons. Madison followed with a single and Neuschafer walked but McHale went down on his easy grounder to Korfhagen.

The second tally was shoved over by the Senators in the eighth period when Lyons was walked. He pilfered second and a two bagger to the centerfield fence brought home the tally.

It seemed that the Factors were unable to get the ball on the ground yesterday, as was evidenced by five straight fly outs to Lyons in left field. McHale also pulled down a couple of drives which looked good for singles.

Hashing in Five

McHale started the battle by popping out to Schmick. Hixon bested Fully's grounder, allowing him to reach first safely. But the Senator was caught at second by Stevenson when Spencer touched one to him. Holmer went down, Foley to Schmick.

Korfhagen opened for the Factors, his easy one to Kelly proving value less. Patterson attempted to bunt when Kelly threw wild to first but was paged at second. Patterson then he attempted to steal second. Schmick hammered out a two bagger between center and left but Arndt popped out to Lyons.

The Senators scored one run on a hit and an error in the second. Kiefer started this period with a hard grass mower to right but Stevenson, Foley and Dobbins popped the pill in Lyons's mit.

Hits Are Valueless

The only feature of the third round was Spencer's single over first, after Kelly had walked. Patterson also came across with a hit in this period, hammering a single down the third base line. Guerny got a hit in the fourth but failed to get farther than third, securing one base on a passed ball. There was nothing doing for the Factors in the fourth, fifth or sixth rounds. A double play in the fifth rendered a double hit single by the visitors useless.

Kiefer got to second on an error by Guerny after Arndt had popped to right garden. Stevenson doubled with a single to Fowler's center in the seventh. Foley hit a double play, the Lansing second baseman getting Stevenson on the line and Foley before he reached first.

Lyons Scores Again

A free pass, stolen base and a double scored Lyons in the eighth. The Factors looked good for a marker in this period when Hixon drove one through second after Dobbins had advanced to McHale. Korfhagen followed with another single to the same spot but Schmick and Arndt fled out to left and right respectively.

With two down in the ninth, Stevenson and Foley singled but Schmick fast ended in favor of the Senators when Foley dropped one into Hellmer's mitten.

FACTORS DEFEAT TOLEDO

South Bend Pounds Ball For Sixteen Hits

The Tribune's Special Service.

TOLEDO, O., May 25—It was a two-barrered slugging fest that took place Saturday afternoon at Swayne field between Ed Smith's South Bend Southern Michigan league crew and Topsy Hartsel's representatives in the same organization. The visitors were the hardest sluggers, however, and the game goes on record in favor of the Hoosiers by the score of 12 to 11.

It was the kind of baseball some of the fans liked. Others were not so highly elated over the exhibition and left before it was over.

Ed Abbaticchio appeared in wear a Toledo uniform in the old days of the American association and pitched the first mound for Fachoin. He pitched three and two-thirds innings and when the smoke had cleared away there were seven runs chalked up for the locals on the scoreboard in center field. The bleachers beat time for the big twirler when Manager Smith sprinted him from the mound.

He was succeeded by Duffy who was a puzzle in the pinches and although hit hard at times he was let in any great danger of losing.

Fachoin was hit hard in Toledo. He had a bad day, lameness in his pitching arm, or something. He pitched two full rounds and was yet in into the third one when Harzel trotted out Platake. Out of the ten men who faced Smith in the time he performed on the hill five of them had hit safely and the same number had scored when he was detricked. Platake started off by allowing a hit which scored two more. Platake was as wild as a March hare. He ribbed three batters and walked a similar number. And when he did get it over the pan there was a Hoosiery ready to crack it on the seam. It was a tough game to lose. Hits for Toledo, were not forthcoming when they would have done some business.

Patterson was the hitting star for the visitors, poling three safeties in five trips to the starting point. Pendry and Comsky duplicated his feat for Toledo.

Dobbins was the only man in the South Bend squad who did not get a hit, while Foley, Stevenson, Kiefer and Arndt each got two.

Three fast double plays negotiated by the South Bend infield aided in staving off defeat for the visitors.

CRICKETS ARE DEFEATED.

Peg Bemis Does to Champs What he Tried on Fosters

The Tribune's Special Service.

TOLEDO, O., May 25—Peg Bemis came back on Sunday and did what he couldn't do with South Bend on Saturday. He pitched winning ball against the league leaders on the Sabbath and with perfect work and heavy hitting behind him, defeated the Crickets 8 to 1.

In the very first inning the Toledo clubbers got busy and landed on Fisher Aldrich for two singles and a two-base wallop, which, aided by an hooked boot, put across three runs. The local team added another score in the third and two in the sixth.

Aldrich pitched five innings and in that time, donated three hits and 4 runs when 23 men had faced. He was detricked in favor of Hoover, a youngster, but the visitors were unable to hitch Bemis' crafty twisters.

The Crickets' only tally came in the second frame on a single by Bailey and a three-sack clout by Gill. Bemis allowed but six hits and had scattered in all but the second. Fast fielding behind the twirler was in evidence. The visitors had also been expire on the paths. Two lightning double plays were negotiated by the Battle Creek infield.

PREPARE FOR 500 MILE MOTOR RACE

ELIMINATION TRIALS ARE SCHEDULED FOR THREE DAYS

Final Arrangements For Speedway Event Are Completed—Numbers of Cars Are Wishbid.

By Associated Press.

INDIANAPOLIS, May 25—Though the eliminations trials for the fifth annual 500 mile automobile race here next Saturday were to start today officials of the speedway did not know whether any of the drivers would make the test. The officials announced that the trials would be held today, Tuesday and Wednesday and must be finished by sundown. Wednesday but it is optional with the drivers a a to when during the three days they will make the runs.

Final arrangements for handling a large crowd were made by the speedway officials yesterday when all persons employed there were at the beck for instructions. In addition to attendants were given opportunity of handling a large crowd of race enthusiasts who were out to witness the practice spins.

With the arrival of A. R. Paddington of Detroit, referee, all of the officials for the race are here and will conduct the elimination contests. In the trials to be held during the three days fifteen of the forty fire racing cars must be eliminated as only thirty will be allowed to start in the race.

In what order the cars will start and their numbers will not be officially announced until the morning of the race. In previous years speedway officials have been greatly bothered by the selling of unofficial programs by unauthorized vendors in the vicinity of the course and to stop this it was announced last night that the official entry list with the numbers of the cars and the drivers would not be given out until the program was placed on sale Saturday morning.

NOTRE DAME DEFEATED.

Beloit College Club Wins by Score of 12 to 10

Beloit college, taking advantage of Notre Dame's frequent and costly errors and touching Heine Berger for nine in four innings Saturday, gained a 12 to 10 verdict over the locals on the Carlisle ball diamond. Notre Dame pounded out three hits and succeeded in running the score up to eight in three points of the load, but though Sheehan gave but three hits in the last five innings the Gold and Blue men were unable to overcome the big start got by Beloit.

To-morrow Notre Dame will go after Lake Forest on the local diamond with a vengance, for two reasons. First, because Lake Forest slipped over a stunt similar to the Beloit game here Saturday last year and secondly because Coach Harper is anxious to see the Cornell team on the home diamond again.

OVERCAME BIG LEAD.

Walsh Hall Defeats Brownson in Ninth Inning, 10 to 9.

Coming from behind with ten runs in the last few innings of the contest the Walsh hall nine overcome the Brownson lead of nine runs and walked off with the game by a one point margin on the Brownson diamond yesterday. Cassidy held the Orange and Black helpless for the first six innings but he took a few chances in the latter half of the game and allowed the south siders to connect for safe drives. In the second inning Brownson sustained a serious loss when Mota, the crack catcher of the interhall league twisted his knee as he was sliding to second and was forced to retire. Morales, who replaced him behind the plate caught a pretty game and picked on the Walsh pitcher for a double.

FACTORY LEAGUE IS STARTED ON SEASON

SINGERS AND OLIVERS WIN OPENING GAMES OF YEAR

TWO INTERESTING SCRAPS

Studebakers Lose After Making Hard Fight While Rubber-Re's Are Overwhelmed by Score of 25 to 2.

Standing

	W.	L.	PCT.
Singers	1	0	1.000
Olivers	1	0	1.000
Studebaker	0	1	.000
Rubber-Re's	0	1	.000
Ball Bands	0	0	.000

Two good crowds attended the opening of the manufacturers baseball league at Springbrook and at Singer parks Saturday afternoon although the threatening clouds kept many fans away. The results of the opening battle for The Tribune trophy cup reveals the fact that the Studebakers and Singers are going to do some fighting for the pennant this season while big scores of 25 to 2 piled up against the Rubber-Re's by the Olivers indicate that the Mishawaka team must be strengthened considerably if it expects to make a showing in the race.

The Singer-Studebaker game was fast from start to finish and although the wagonmakers hit safely 13 times they were unable to shove over more than three tallies. The Singers scored twice with three bagger in the second big inning of the game looked all Studebaker as the wagonmakers appeared to be the strongest and were hitting Martin hard while Moffit held the sewing machine ages until the seventh when they shoved over two markers. Phillion went to first when hit by a pitched ball, stole second and scored on Zielinski's double past third into left. An error by Aldonson allowed Zellnski to score, this tally winning the game.

The Studebakers made their one run in the second inning when Martin contributed three hits. With two down Brickman opened with a single to right, pounding out a hard grounder past first. A passed ball allowed him to reach second and Kincher's single over second scored him. Moffit followed with a safety but Martin settled down and Richards whiffed, ending the inning.

Barnhart, the Studebaker catcher, was accorded the slugging honors, getting three singles in four trips to the plate while Zielinski and Moffit, the Studebaker hurler came across with a two bagger each. Moffit buried great ball for his club, allowing the Singers but three hits, two single an d a double. Both teams used poor judgment in base running and the wagonmakers lost scores on their anxiety to get from two to third consecutive times. The Singers made mopping up.

The Rubber-Re's were taken off their feet in the initial period of the game at Springbrook park, the Olivers running the bases like wild and scoring a dozen times before they plowboys could be eliminated. Connors took all honors in the batting division with a home run, triple, double and single. Dwyer was Hasner, followed closely with a double and three singles. The Olivers garnered a total of 16 hits off Beacock which with three errors allowed the Olivers to score twice and two runs were contributed to the Rubber-Re's by Fryer and Atwater while the Olivers managed to make half a dozen errors. Wylkins got two at the singles for the Mishawaka club while Darr took the third. It will be necessary for the Rubber-Re's to take on some new strength if they expect to come within speaking distance of victory this season, for the four other clubs appear to be a much higher class. It is probable that the Ball Bands club will begin to add new men at once as it is believed that strength of the league was underestimated.
