MARTIN HURLS AND BEATS STOGIE MEN

ALLOWS WHEELING ONLY FOUR SCATTERED HITS.

GRANT HOLDS DOWN BENCH

Kelly Takes Leader's Place at Second and Plays Brilliant Game—Rogers Relieved by Miller in Sixth Round.

The Tribune's Special Service.

WHEELING, W. Va., Aug. 19.—With Abe Martin twirling in his usual form and allowing Wheeling only four scattered hits, South Bend won the second game in the series yesterday by a score of 4 to 1. Rogers started the pastime off for Wheeling, but he was wild and ineffective. He was succeeded by Miller, who pitched good ball.

For the first time this season Manager Grant, of the South Bend club, has played the bench. Kelly took his place at second for the day and handled everything that came his way in clever style. Coffey, Kelly and Roehler played a star fielding game for South Bend. Coffey accepted five hard chances in the middle field and Roehler handled them successfully at short for hours in succession.

First blood came for Wheeling in the fourth inning when Sabrina was safe with two men down on Koehler's bad heave to Hayworth. Sabrina came through. Shoshan and Foy and Sabrina scored on Foy pegged wildly to third. Hoagster grounded to Shoshan, leaving Wetzel at third.

South Bend got to Rogers for two runs in the sixth and the game was virtually decided by that. Kelly opened the sixth with a single. Martin followed suit, scoring Foy. Spahr muffed Cravath's fly and Coffey singled to left, scoring Kelly, who had stole third. Martin scored on Spahr's error. In the eighth when Foy singled and took second on Davis' error, Kelly was safe on Healy's error and Foy was caught at the plate when he attempted to score on Martin's hit and South Bend avenged the hit and run game on Martin's grounder through short. Kelly scoring.

In the ninth inning the Stogies took a sudden brace and scored one run. Wetzel hit to second and Hoagster hit safely to the second single for the day. But for fielding by Koehler, Shoshan and Kelly retired the next three batters. Score:

Fort Wayne Beats Former South Bend Pitcher.

The Tribune's Special Service.

TERRE HAUTE, Ind., Aug. 18.—Fort Wayne gave Schaffer another good clouting yesterday and won from Terre Haute by a score of 7 to 2. Only sensational fielding on the part of Terre Haute kept down the score. Zilston played a remarkable game, getting three hits, two triples and a single. Score:

ROWAN ALLOWS BUT TWO HITS.

Dayton Easily Defeats Evansville in Fast Game.

The Tribune's Special Service.

EVANSVILLE, Ind., Aug. 19.—Twirling in his usual fine form, big Jack Rowan allowed Evansville but two hits yesterday and Dayton had no trouble in winning by a score of 7 to 1. The game was fast and several sensational fielding plays were made by both teams. Score:

The Tribune's Special Service.

HOBLITZEL IN GREAT DEMAND.

Herrmann Will Make Fight for Single Player.

After flirting with Hoblitzel for many weeks without making up his mind to buy the Wheeling star, President Herrmann, of the Reds, has decided, now that the St. Louis Cardinals have secured the player, that he wants him.

The Red chief is accordingly making the baseball world to its foundations in the attempt to secure the player. Cincinnati claims that when overtures of purchase were made to Wheeling the Stogie management declared the player was not for sale at any price. Clackenbug (club President) was accordingly opened with the latter people, and while Secretary Hedbenner was dickering with the management of the Cardinals, President Ebbets, of the Cardinals, and Otto Hedbenner, of the Wheeling front, made the Cardinals play Hoblitzel on the bench until the claim to the player had been settled. Whatever at the outset may have been the attitude of the Stogie people, the ball players were out of the Federal League. On form shown this year he is the greatest prospect in any minor league and if Gringo Speak fight for him he will develop into another Hal Chase.

SPORTING NOTES

Pickett, of Lima, leads the Ohio State Leagues in pitching with a fine mark. Pickett is also pitching for the Cincinnati team of the same league, is first in the averages with six won out of eight played.

Mansfield, in the Ohio State league, has three men batting over the .300 mark. Bailey leads with .329 with Chakoski a close second with .325. Benny Jewell, former Wheeling player who has joined the team, comes next with a percentage of .318.

Catcher Fischer, of the Zanesville team, has been purchased by the Toledo club, of the American association. Fischer joined the team on Friday, Aug. 16. That will leave the team without a second catcher for the season, but with some one to work in one of the contests "Pepper" Schriver can turn the trick.

Louis Heilbroner states that in his judgment Cincinnati will get Hoblitzel, the Wheeling first baseman who is now attracting the attention of the National league. He says that current conditions exist in the minor leagues with regard to the farming of players, which is the cause of the present dispute between Cincinnati and St. Louis about the player's services.

Tommy Daley, the blonde outfielder who did the hurdle act with Terre Haute yesterday, is said to be anxious to return to the double A league with Brooklyn and has a talk with President Herrmann. The reason that Tommy left the Reds was that he had a word war with President Ebbets, who accused him of indifferent playing. Daley denies that he is at fault and nothing and Daley has been ordered to return to the Terre Haute club.

Jack Lapham, well known among baseball people, will be seen in the Cincinnati Central league team when Bob Myers was at the helm has been booked for the Canton team in the O. and P. Lapham pitched for Canton last year, and he was generally considered among his local friends that Lindsey had retired and the fact that he is still in the game with chances of becoming a team manager will occasion some surprise.

BARON GRATTAN, SENSATIONAL PERFORMER ON GRAND CIRCUIT

One of the standout performers on the Grand circuit is Baron Grattan. Ratings on the big rings is not new to this speed marvel nor has he lost his speed in the least. He needed no lady but big Jack Rowan to drive him to victory in the Kentucky Futurity and the Rose would take to no other him at once.

Herrmann telephoned yesterday asking for the two players but he was not given any satisfaction. He also wired Ganzel to come home and help him in the contest for the Vets and Cat while there was a chance for the three would not be a shift of players. If the Vets have no chance for the rag in the remainder of the season, the two players will probably be released to the Reds. But as the indications are now that the problem will be in the hunt to the finish, chances are that Ganzel will not see his youngsters before the close of the season. Sept. 6.

PLAN FOR AUTOMOBILE RACES.

South Bend Autoists Make Preliminary Arrangements.

Preliminary arrangements were made yesterday by several South Bend automobile enthusiasts for a race meeting which is planned to be held during the latter part of September.

According to the plans of the promoters, the races are to be held on a straightaway course situated about 10 miles east of South Bend. A grandstand to accommodate about 2,000 people will be erected and the road would be placed in excellent condition for racing, although about 100 miles will have to be expended for grading.

Considerable interest is assured, as invitations will be extended to the Chicago automobile and motorcycle clubs to enter cars in the events. Cars from South Bend and other cities will also be entered.

Promoters of the races will probably form a stock company before the South Bend Automobile club and a committee will be sent in to immediate future to decide the project.

Doves Buy Outfielder Becker.

PITTSBURG, Pa., Aug. 19.—Manager Keeler, of the Boston Nationals, before leaving for Chicago last night, endeavored that he had signed Outfielder Beals Becker, of Little Rock, Ark., who was with Pittsburg for a part of the season. Beckert, who is a brother of Frank Beckert, will Pitcher William Chappelle, of Memphis, over whose signing there has been such a fuss in the Southern league.

Cardinals Buy Champ Osteen.

FORT WAYNE, Ind., Aug. 19.—Clancy Osteen, shortstop of the Fort Wayne Central league team, has been purchased by M. Stanley Robinson, of the St. Louis Nationals. Although the claim to the player has been made, it is not thought to have been $1,000. Osteen will remain here until the end of the season.

Drill Secures New Recruits.

TERRE HAUTE, Ind., Aug. 19.—Terre Haute had four recruits from the Eastern Illinois league at yesterday's drill. Pitcher Lovinia and Outfielder Yeager are to be given trials.

DAYTON TO OPEN IN HOME SERIES

VETS WILL OPPOSE SOUTH BEND FOR THREE GAMES.

Grant's Athletes Have Had Successful Trip, Breaking Even With Zanesville and Beating Stogies.

Back in their own ball yard after a six-day trip, Grant and his band of athletes will return to-morrow to Springbrook park for a series of nine games, Dayton being the first attraction.

To date the South Bend club has had a very successful trip, even much better than Manager Grant expected. South Bend broke even in a four-game series at Zanesville and then took 4 Jaunt over to Wheeling, winning the first two games of the series. The present trip will end to-day when South Bend crashes with Wheeling in the final game of the series.

The Vets will return home, Bend from Evansville, where the Veterans have been playing a strenuous series with the Purchers. Dayton easily defeated Evansville yesterday with Rowan twirling a two-hit game and Myers will probably use the big pitcher in the opener here. Rowan is due to land Dayton above South Bend.

Every member of Grant's pitching staff has worked well in the present trip. Martin, Moore and Lindsey won two games each and Rogers pitched the only two losers. Outfielder Kroy will be given an opportunity to get into the game as Coffey will probably be shifted to left and the hard-hitting outfielder will take Coffey's place in center. Foy will probably remain at short, as he has been playing it and has had but little rest this season.

Tieman relieved Frank Kurke of his duties as backstopper during the Zanesville series and Ce clever left-hander has been playing a snappy game.

Girl Makes Remarkable Swim.

BLOOMINGTON, Ill., Aug. 19.—Much interest was taken in the remarkable swimming feat of Miss Hermia Tunis, of Tamewell county. She swam a distance of 10 miles between Peiin and Peoria, going down the Illinois river. She made the trip without a rest and was accompanied by two men in a boat. It took her 4 hours and 20 minutes to do the same, she was not exhausted. The long swim occupied four hours and 20 minutes and is probably the longest swimming exhibition ever made by a woman in Illinois, or perhaps in the west.

WESTERN CLUBS LEAD IN BASEBALL

DURING PAST YEARS VICTORY HAS CENTERED IN WEST.

STANDINGS ARE CLOSE

Four Clubs in American League Fighting Merry Battle for First Place Honors—National Race for Flag is Exciting.

NEW YORK, Aug. 19.—Supremacy in baseball unquestionably is with the west in distinction from the east this year. With four western clubs occupying the four first division berths in the American league and two western teams holding first and second places in the National league, not much comfort is left for baseball patrons of the Atlantic slope. Only New York and Philadelphia of the National league stands a foothold for the east among the no-calling winning clubs.

It was not long ago that the east was supreme upon the diamond. In the decade preceding the birth of the American league and the subsequent baseball war the lion's share of honors were monopolized by the east in spite of the major league and its second independent to break in baseball circles. Not so this year. The baseball war did this by breaking up the powerful combinations get together in eastern cities and scattering the brainy players over the country.

Pennants Go West.

For three years in the present century Pittsburg carried off the honors in the National league, while Boston, Chicago and Boston were dividing them in the American league. Then the pennants switched to New York and Philadelphia in the east. Following that came the upsurge of all the highest honors in Chicago alone for the Cubs and Sox, and the pennants have remained in the west along with the world's championship.

But there has been no such spectacle recently as that presented this year when the western clubs hold practically all the honors. The result of this has been a great revival of interest in the national pastime in the west without any serious loss of prestige in the east, where the enthusiasm of the fans has been at a low ebb for years. This widespread interest has spelled prosperity even in a year when business in general has been stagnant. The continuation of this prosperity naturally will necessitate considerable more playing strength in the east and the west. Cities in the west, Boston and the east become weary of losing in the enterprise and hustle of management lies this remedy. There is no likelihood of another big league war to distribute the playing talent.

KETCHEL BEATS JOE THOMAS.

Michigan Boy Wins by Knockout in Second Round.

SAN FRANCISCO, Aug. 19.—Stanley Ketchel knocked out Joe Thomas in the second round of their scheduled 25-round fight here last night and more than made good in his first battle as a heavyweight.

Thomas made a match for the rugged Montanaan. Ketchel kept after Thomas from the opening bell and ended matters soon after the second round got under way with that dreadful punch of his.

Ketchel was the first at the principals to leave the ring. As a reason for Thomas not being in the ring soon after Ketchel it was stated that Joe objected to Graig Harting as timekeeper, because he is friendly with Ketchel. Harting retired and Eddie Abrams was appointed timekeeper for the club. Thomas then came in.

Eddie Smith, the referee, then hopped up in the ring and directed himself of his coat. He gave the men instructions and then started them on their way.

EEL BREAKS THREE RECORDS.

Passes Fourth Mile of the Year at Poughkeepsie Track.

POUGHKEEPSIE, N. Y., Aug. 19.—The feature of the opening of the grand circuit meeting of the Hudson River Driving club yesterday was the 2:16 pace, in the first heat of which The Eel went in 2:01¾. This beat the track record, his own record, and the fastest time made by a pacer on circuit this year. The Eel's this contention was George Gano.

Jack Lapham won the 2:09 trot with comparative ease after losing the first heat to Lord Jack, which time was given. This heat went to Lord Jack, which reduced his record from 2:11 to 2:08¾. Green won the 2:18 trot with Lepel after losing the first heat to Lord Jack.

Although 3a pools were sold, the attendance was equal to the average of previous years for the first day.

COUNTRY CLUB GOLFERS BUSY.

Match for Studebaker Cup Causes Much Interest.

Contestants for the Studebaker golfing cup will play a qualifying round at the Country club links Sunday afternoon. The finals for the handsome cup will be played at some future date.

One week from Sunday a contest will be held for the Dr. Jack Lapham's stick pin. Saturday a match has been arranged between the Country club stick experts and a team from the Sunnyside club to be played on the latter's garden. All the matches promise some fast stick wielding and are attracting considerable interest among South Bend golf enthusiasts.

PAPKE DEFEATS SAILOR BURKE.

Illinois Fighter Wins Six Round Bout in the East.

NEW YORK, Aug. 19.—Billy Papke, the Spring Valley, Ill., middleweight, had all the better of a six-round slugging match with Sailor Burke, of this city here last night before the National sporting club.

Though no decision was given, according to the rules here, it was evident that the Illinois fighter had a big margin and would have been given the decision, had there been any.

Joe Galligan Beats Stringer.

PHILADELPHIA, Pa., Aug. 19.—Joe Galligan, the Chicago fighter, gave Kid Stringer a good pummeling for six rounds here last night, having a big edge at the finish.
