The Tribune's Special Service.

Fort Wayne, Ind., May 31.—The first of a series of battles in which rivalry of the most intense spirit will develop was played yesterday and the game, desperately contested, was won by Fort Wayne by a margin of only one run, the score being 3 to 2.

South Bend played a great game, but Fort Wayne was just a little better and was able to hold on the ball for two more innings than were earned by the seven clad generals headed by Agnie Grant. At that Fort Wayne should not have won, the score in the first inning being the result of an error by Coffey, the latter dropping an easy fly from Bolden's bat.

Moffit and Oberlin did the best honors and worked like tribune to land, victory. As on previous occasions, the champions could do little with the delivery of the opposing twirler but the ill luck which follows South Bend's premier twirler was again present, for much to the delight of a large and enthusiastic crowd.

Work Good Throughout.

Fort Wayne scored in the opening frame after South Bend had been retired. Bolden, the first man up hit a long fly to left, but Eggie Coffey worked the sympathy dodge and in spite of the fact that he was out in the second, Hinkle sacrificed him to third and Dennis sent him home with a hunt, the centerfielder being safe on Spangler's error. South Bend threatened in the sixth and Fort Wayne's chance came very near being lost. Moffit scrutinizing him to second. Coffey touched one that has the Shakespeare mark of a base hit on it, but Lindsay made a great stop and throw to first. Anderson then sent another ball laded base hit over Hinkle's way. He stopped the liner in the air with his left hand amid wild applause. It was a star catch at a critical time and perhaps saved the game.

Fort Wayne was uneasy and to make matters less convincing, the "shamps" set hard in their half of the third and scored two runs on a hit by Cogswell, a base on balls and Hogan sent a grass-cutter to center. Dennis advanced both men a peg on a sacrifice fly. Sager to Spangler. Mr. Hogan filed out on a long fly to Bolden and Anderson grounded to Hogan.

Cogswell Makes First Run.

Previous to this stage of the game the fight was fierce and only the sensational playing of Cogswell and Spangler reversed the locals from sending more men over the plate. Meyers opened the game for South Bend and in the fifth inning homerunned, but Hogan spoiled the hit by knocking it down and getting it first. Sager threw it high enough to disturb the fielder and Meyers got to third and was kept in the air but he failed to down, but not his hand was in the floating miniature. In the sixth a repetition of the chance of the home team making a tally was spoiled by a fast double play over short, covering the infield with a man on second and third. The score was as follows:

GARSMAN C. S. TITUS IS DECISIVELY DEFEATED BY VESELEY AND WILL RETIRE FROM CONTESTS.

New York, May 31.—Thousands of spectators saw the thirty-eighth annual races of the Harlem Regatta association rowed yesterday. The Columbia university crews carried off the intermediate sights, intermediate fours, junior four-oared race, the senior four-oared race and the senior eight-oared race.

Hot Off the Bat.

The Fort Wayne team has very materially improved its standing during the last few days and promises to move in position to go into first place at any time, but with a series of games in which two are stacked against the South Bend it is not probable that the Fort Wayne team will be advanced within the next few days.

The season for this is that the pitchers are not in shape for a brilliant field, but the fortunes of baseball are strange and there is no telling just what may happen. At any rate, the Fort Wayne team in the opening game has not forged ahead with a spurt and seems to be going at a gait that the men can keep up all season. The wedding out related will begin when the time comes that a pitcher or catcher must be cut loose to get down to the twelve-men limit. It is a difficult matter to pick the man to be let go.

Hinkle is batting better than any other man on the Fort Wayne team. He has been placed fine for without an error. The averages are as follows:

Hitting—Beam, .327; Hoase, .304; Corbisier, .294; Hardy, .294; Lindsay, .286; Dennis, .286; Hinkle, .286; Hasel, .286; Dennis, .285; Cassidan, .284; Sievert, .212.

Fielding—Dennis, 1.000; Hardy, 1.000; Beam, 1.000; Myers, .983; Dolan, .966; Hinkle, .955; Lindsay, .949; Alberts, .947; Hasel, .946; Corbisier, .931; Hoake, .915; Oberlin, .847.

DAYTON SIGNS "HUB" KNOLL.

Toledo Outfielder Joins "Old Soldiers" and Plays Good Ball.

The Tribune's Special Service.

Dayton, O., May 31.—Hub" Knoll, the man who gave Harry Arndt a hard fight for a place on the Columbus, O., team a year ago, has been released by Toledo to Dayton. He joined the team Friday and played good ball in center. Dayton also signed Infielder Beery.

Central League News.

Old Jack Weeks is the idol of the G. A. R. infield of the Evansville team. He got a letter yesterday. His veteran boy wanted to him at Terre Haute.

Wheeling is the only team in the Central league that has not lost a game to Dayton. He hitched against the Cincinnatian Sears, of South Bend, Saturday and was beaten.

Terre Haute's team, known since the organization of the Central league as the Colts—tears—has why, nobody is able to tell—will probably be known as the Distillers as soon as the men get acclimated to Terre Haute.

Vernon's Defeat Plymouth.

The Vernons defeated the Plymouth Clover Leaf club at Plymouth Sunday by a score of 4 to 3. The batteries were Pope and Price for Plymouth, Harris and Cree for the Vernons.

Want No Educational Test.

It is said that the recent suggestion of the Lancet that young men should undergo an intellectual test before being allowed to marry has spread dismay among English girls. As conditions now stand the gentler sex are in the overwhelming majority, and such a requirement, they declare, would certainly swell the ranks of unmarried women to a considerable extent.

Not Popular for Wedding Parties.

To Gloucester cathedral in England belongs the unique record of having had but six weddings solemnized within its walls during the past 150 years.
