STAR FLYWEIGHTS SIGNED TO APPEAR ON LABOR DAY CARD

Jimmy Kelly to Meet Bud Taylor—Gibbons and O'Dowd Work Out.

Another feature match was added to the all-star Labor day boxing program at Springbrook park when Jimmy Kelly, who outpointed Frankie Mason at Benton Harbor last Independence day, was signed to meet Bud Taylor, Terra Haute flyweight, by Promoter Kessler Tuesday morning. The two little stars are scheduled to go 10 rounds in the semi-windup to the Gibbons-O'Dowd set-to. They were originally booked to battle at Aurora, Ill., the evening of Labor day, but this bout, being cancelled, conferences were held with Jim Mullen, manager of Kelly and Eddie Kane, who looks after Taylor's welfare, and the articles signed.

Both these men are very well known as one of the best flyweights in the game holding decisions over Mason and other topners.

Young Huston, a local lad, will take on Frankie Daly of Brooklyn in the preliminary bout, a four-round engagement, and another ten-round go is to be booked today, so fans will be assured of 34 rounds of the highest class boxing.

Tommy Gibbons and O'Dowd are both in Chicago and will train there for the next few days, both men planning to conclude their work here Friday and Saturday. O'Dowd worked out at the Arcade gymnasium Tuesday afternoon and made a good impression upon Chicago critics, many of whom believe he will extend Tommy to the limit. Dan has a formidable record particularly in the east where he is credited with holding the New England heavyweight title. His recent knockout victory over Harry Jamieson of Milwaukee proves that he has a lusty wallop as this same Jamieson recently felled Harry Greb for the count of nine and Greb's ability is recognized here.

Gibbons says that he already is in the pink of condition, having had a long rest this summer, and believes that a few workouts will put him on edge. The arrangements for the banquet in his honor by the local Knights of Columbus have been completed and several noted out of town men will attend in addition to prominent citizens of this city. Jack Dempsey has planned to be there and Mayor Carson, E. F. Johnson, Frank J. Green and others will be called upon for speeches during the banquet. Gibbons is a member of the St. Paul council, Knights of Columbus.

The work on the arena and the building of additional seats is well under way and arrangements are being made to handle a record crowd.

MISS AMERICA IS WINNER OF TROPHY

Final Heat of Power Boat Race is Abandoned—Five Straight for Gar Wood.

DETROIT, Mich., Aug. 30.—The fourth and final heat of the gold cup power boat race here Tuesday was abandoned on account of rain, after Miss America I, of Detroit, and Miss Chicago, of the Chicago Yacht club, had covered ten miles of the 20 mile heat. It was decided not to run off the heat as with two boats in the race, Miss America had a winning margin on the trophy.

Miss America I was driven Tuesday by "Gar" Wood, and Miss Chicago, by George Wood, his brother. It was "Gar" Wood's fifth consecutive victory in the annual cup races. "Gar" Wood also scored an easy victory in the Wood-Fisher race, driving his Baby Gar to a new world record for displacement boats in the third and final heat. The new record was an average speed of 44.2 miles an hour as against the former record of 43.1 established by Wood Saturday.

Nicknack of the Buffalo launch club, which finished second in Tuesday's heat, took second place in the race, on points, and the third place point score went to Aye Aye Sir, of the Miami Beach Yacht club, which finished fourth in the heat Tuesday. The sea sled trio finished third in the last heat. While on the last lap the craft swerved sharply on a high wave, throwing Steve Schofield, the machanician, into the water. Schofield, however, sustained nothing worse than a "ducking" and was immediately picked up by his boat.

PETER MANNING IN SECOND TROTTER RECORD OF SEASON

Murphy Horse Goes Mile in Two Minutes—Jeannette Rankin Wins Again.

READVILLE, Mass., Aug. 30.—The world's trotting record for five-year-old trotting geldings Tuesday was broken for the second time this season when Peter Manning, driven by Thomas W. Murphy, trotted a mile against time in two minutes flat, at the Grand Circuit meeting here, lowering by a quarter of a second the mark he hung up a few weeks ago at the North Randall, O., track.

Jeannette Rankin, the leading money winning trotter of the year, again showed her superiority over the stake horses by capturing the big end of the purse in the Massachusetts, a \$5,000 event for 2:11 trotters, but not until after Betty Taylor, driven by J. L. Dodge, had won the first heat in 2:03 3/4, the fastest time of the race.

Cox's Horse Third
Driven by Walter Cox, the Boston owned pacer, Col. Bidwell, winner of nine consecutive races over New England half-mile tracks this season, was not up to the task of bowling over the big line pacers, and had to be content with third place in the Pilgrim, a \$3,000 for 2:10 pacers, which was won by the Tennessee mare, Ruth Patch, driven by Fred Edman.

Cox won the first heat of the 2:07 trot by Jane the Great, but the event finally was captured by Selma, another daughter of Peter the Great, driven by Harry Fleming. Fleming also figured in the winnings in the Boston Herald purse for two year trotters, taking one heat with the chestnut colt, Oscanawa, but because of breaks he lost the race to the New York mare, Edith Worthy, in the stable of Lyman Bruse.

Leading Pirates Rally in Attempt to Stave Off Giants

The recent setback which Pittsburgh suffered at New York when they dropped five in a row to the onrushing McGraw clan has brought interest in the National League race up to a fever pitch. The Pirates have rallied since then, however, and have taken two out of three from the champion Dodgers, while New York beat the Cubs thrice. The schedule from now to the end of the season greatly favors Gibson's men, as the majority of their games are to be played at home, while the Giants will battle most of theirs on the road. At the present time Pittsburgh leads by a game and a half margin.

The prices of the Smoky City are pictured above: Left to right, top row—Robertson, Morrison, Glazner, Hinckman, Grimm, Barnhardt, Manager Gibson, Rader, Warlock, Adams, Rohwer and Zinn. Seated—Whitted, Hamilton, Maranville, Carey, Bigbee, Tierney, Cuthaw, Wilson, Carlson, Cooper and Schmidt. Front row—Brotten, L. Bigbee.

LOCAL FAVORITES ENTERED IN RACES HERE NEXT SUNDAY

Marks, Ludlow, Brinck and Others to Return for Motorcycle Events.

The return of several old favorites for the motorcycle races here Sunday at Springbrook park, in addition to the entry of new faces, comes as good news to local fans, who anticipate a repetition of the thrilling events at the last races at the local track, when Don Marks and Eddie Brinck fought on almost even terms in every event held. Both these men will be back, and Freddie Ludlow, remembered here for his "eyelash" victory over Gene Walker earlier in the summer, has also signed his intention to come here. Ludlow is one of the most popular riders who ever appeared here and followers of the cycle sport expect a great race when Freddie's Harley clashes with the Indian used by Marks.

Marks has been doing some wonderful work since his last appearance here, when he crashed into the fence on the initial lap of the 25-mile race after coping every other event. The Akron rider showed plenty that day and was on the track half an hour after the mishap despite several painful injuries. Since that time Don has beaten every noted rider in the east and will lead every rider in the country in events won at the end of the season if he maintains his present pace.

Everything is being done to get the track in lightning fast condition, and several records are expected to go at the meet Sunday.

New Jersey seaside mothers, who have been bothered in keeping tab on their children, have adopted the method of embroidering their addresses on the back of the bathing suits worn by the youngsters. "I live at 37 South Texas avenue," read a neatly embroidered inscription across the shoulders of suits worn by two young bathers who strolled about the Shelsea beach the other day. When they were tired of the beach and breakers they turned their backs to the life guards and inquired, "How do we get where it says on our backs?" The necessary instructions were given and their reached home safely.

Rival Middleweight Claimants
Scrap at Jersey City to
Settle Title.

By JACK VEECH.
NEW YORK, Aug. 30.—Johnny Wilson will take no chances in his bout with Bryan Downey on Labor day. The Charles town battler must make 150 pounds and he intends to be in tip-top condition for his return engagement with the Columbus mauler when they get together at Jersey City.

Wilson is training at Manhasset, where Georges Carpentier trained. He had his first real workout Monday afternoon, and after more than an hour of bag punching, rope skipping and hammering his sparring partners around he scaled at slightly over 160 pounds. During the remainder of the week Wilson will keep up a fast pace, with plenty of hard work to improve his wind and toughen his legs. He expects to go after Downey hammer and tongs from the first bell and prove his right to the middleweight crown by a knockout victory.

Wilson realizes that he must be in shape, for Downey is working like a Trojan. The Buckeye battler is doing a lot of boxing with Johnny Papke, a southpaw of Wilson's type, and Johnny Carr, a rangy lad who can give and take. Downey is a fighter, pure and simple, and when he faces Wilson he hopes to repeat his performance at Cleveland by flooring the title claimant for the count.
