CHAMPS OPEN WITH REDS

National League Schedule is Adopted at Meeting of Magnates—Other Changes in Rules.

New York, Feb. 28.—The National league baseball schedule was given out yesterday, but outside of that only routine business was transacted at the meetings of the National and American leagues here. Both leagues wound up their meetings and were in session only a short time.

Changes in the playing rules, neither of which will make any radical difference in the game itself, were the most interesting transactions next to adopting the schedule.

The opening games on April 14 are as follows: Chicago at Cincinnati, Pittsburg at St. Louis, Boston at Brooklyn, and New York at Philadelphia. The opening series includes four games in each city. From Cincinnati the Cubs will go to St. Louis for three games.

The opening of the season in Chicago will be a special day for the Cubs and it will be the opposing attraction to the world's champions. Four games will be played with the Reds. Then Pittsburg is scheduled in Chicago for four games.

The eastern clubs go west for the first time Monday, the opening date being May 11. Philadelphia will be the first eastern club to visit Chicago. The western clubs will not invade the east until June 4. As the Cubs finished their eastern trip on June 3, they will be compelled to finish on the road this season with the exception of their final game of the year, which is scheduled at Chicago with Pittsburg.

Pitcher Cannot Sell Ball.

The rules committee got together at last and passed two quite important laws. One relates to the selling of balls by players. It is now ruled that now stands the pitcher may not rub the ball on the ground at any time nor on any part of his clothing and may only soil it with his hands.

Considerable complaint has been given to that feature of ball games. Pitchers, especially those who depend on the spit ball for their success, have delayed games to unnecessary lengths during the last two or three seasons and this change in the rules is expected to shorten the duration of the game minutes. The umpires were not asked to sell the balls, so it looks as though the pitchers would have have to handle the glossy ball in its virgin state or else surreptitiously rub it on the dirt on the side. This also goes for Tabeau with a base hit or an out at first.

A change in the scoring rules also was made. It was decided that "a sacrifice hit shall also be credited to a batsman who drives a ball out of play when but one man is on, hits a fly ball that is caught, but results in a run being scored."

Several years ago scorers were instructed to credit a long fly to the outfield which resulted in a run as a sacrifice. The rule was changed two or 3 years only intentional bunts counted as sacrifices. The new rule will delight the batsmen and unquestionably boost averaging a little.

Although the National league magnates adjourned, it was decided that all admission tickets to games this season must bear the union label, and a resolution was adopted approving the action taken by the American league and the national commission on the question of invasion of territory.

SPIRO'S TO HOLD MEETING.

Baseball Club Has Secured Several Games This Season.

With A. B. Swortka again handling the managerial reins of the scrappy Spiro baseball club and presenting the same strong line-up, the team bids fair to have another successful season on the diamond.

Games with the best independent teams in northern Indiana and southern Michigan have been secured already. New uniforms have been ordered and next Friday night the members of the club will meet at the hall to decide on playing dates and other general business. Four practice games have been secured with the Notre Dame squad before the season opens.

The Spiro club will open the season at Elkhart when the team will stack up against the strong aggregation of that city. Arrangements have also been made to open the playing season at Goshen and dates have been secured with Battle Creek, Mich., Peru and several other near-by cities.

Iowa Secures Kent for Coach.

Iowa City, Ia., Feb. 28.—Maurice Kent, the Iowa baseball captain of last year, will coach the Hawkeye team this spring. Kent played with the Marshalltown Iowa league team last year, and was one of the best batters in the league after the close of the outfield war. His selection as coach of the local varsity nine is extremely popular among the men, most of whom have played with him in past seasons. He was conceded to be the greatest college player in the Iowa in his time and one of the two or three best in the west.

Addie Joss to Join Naps.

Toledo, O., Feb. 28.—Addie Joss left yesterday afternoon for Cleveland to join the Naps, who will leave Saturday for Macon. President Armour yesterday received word from Elwert, the crack third baseman secured from the Pueblo club, that he had decided to jump to the "outlaw" league, and had signed a contract with Sacramento. Howard Wakefield, the catcher secured from the Pueblo club, refused to sign a contract. He wants more money. Armour will look for new players.

Jones to Coach Wabash.

Crawfordsville, Ind., Feb. 28.—Ralph R. Jones, for the last four years physical director of the Young Men's Christian association here, has been elected athletic director of Wabash college to succeed Francis M. Cayou, the Indian coach who has been at the head of the athletic department for the past three years. Mr. Jones will assume charge of Wabash athletics next September. However, he will coach the baseball team this spring.

Dubuque Secures Two Players.

Dubuque, Ia., Feb. 28.—Manager Rowland, of the Dubuque Three Eye league team, yesterday received signed contracts from Tim O'Brien, a catcher of St. Louis, and Jack Shiel, a third baseman of Iowa. 22.

CONNIE MACK WANTS PENNANT FOR PHILADELPHIA.

CONNIE MACK.

Connie Mack, manager of the Philadelphia American league baseball team, is out after the pennant this year with a determination that will leave the other clubs set up and take notice. He has strengthened his team in all lines, joined the Association and led the Athletics to victory in 1905.

JACK JOHNSON ACCEPTS OFFER TO BATTLE TOMMY BURNS.

Colored Heavyweight Declares And Size Ring Will Suit—Willing to Make Side Bet.

New York, Feb. 28.—Jack Johnson thinks he has better than an even chance against Champion Tommy Burns in the proposed battle for the title at London. The big black drifted into New York yesterday and officially announced his plans in the matter.

"Burns says he wants to be dangerous just so long as he doesn't back out of the match," declared Lil' Artha, "and I'll beat him at his own game. He can order a 20-foot ring, build it in any shape he wants, put it in any place, if he wants to, I'll be the $5,000 that has been promised me that I defeat Burns. I'll come into the ring after all this talk I'll cross the ocean and shake him out of the British islands.

Johnson wired his acceptance of the London promoter's offer yesterday and offers to bet an additional $5,000 on the side. This more than Tommy has done and his closest friends here are betting on the colored man. He made the proposition to bring down a little wager on himself. The dusky fighter is the only man down in the ring, who can give Burns a hard fight and nobody knows this better than the champion who is the first to call for Johnson's scalp. Burns is the title holder by appointment over the fact that the big battle will be decided in London, when the American promoters have offered the champion a purse of $15,000 in addition to holding out for the fight in London will only serve to swell the tide of feeling against him."

FANS PICK ATTELL TO WIN.

Champion is Made Big Choice Over Eastern Boxer.

San Francisco, Feb. 28.—Little interest has been manifested here in the scheduled 20-round battle to-night between Champion Abe Attell and Eddie Kelly, the Buffalo featherweight. Betting has been light, with Attell an overwhelming favorite at odds of 1 to 3. Kelly's friends appear shy even at this odds, and no wagers of importance have been reported.

Kelly has been offered to bet $100 against $1,000 that the Buffalonian will not last 20 rounds. Both boys are fit to the contest. Attell giving his weight last night as 120 pounds, while Kelly tipped the scales at 122. Attell is credited with having a hard waking in either hand, and is a rushing fighter, who should make things very hot for the champion, but the speed of the Hebrew is picked to wear down the attack of the little Irishman.

WILL EASILY MAKE WEIGHT.

Britt and Nelson Training for Coming Battle.

Los Angeles, Cal., Feb. 28.—The fight patrons who expect to attend the fourth fight between Jimmy Britt and Battling Nelson scheduled to take place before the Pacific Athletic club of this city next Tuesday night may rest assured that neither of the rival lightweights will disappoint them. Nelson expects to indulge in three days bouts of actual training and to appear in a four round exhibition bout with Dalton at the fight arena to be staged by the San Pedro Athletic club on the night of March 3.

Jimmy Britt sent in word from the East Side Athletic club that he had weighed in at 133½ pounds after his matinee workout. He was on the road for a mile and a half before he left the interior. At the gymnasium Britt heard Danny Webster and Charley Ansinger for three rounds.

Jack Blackburn Trims Gunther.

Philadelphia, Pa., Feb. 28.—Jack Blackburn beat George Gunther badly in the last two rounds of their fight at the Broadwyn Athletic club last night that the Australian was in bad shape when the bell rang to end the contest. Blackburn had been trying to finish the fourth round with one punch for the first four rounds. Gunther was in a bad condition when he came to in Blackburn all through the last round, the referee being unable to pull them apart.

Redskins Hold Annual Banquet.

Carlisle, Pa., Feb. 28.—The Carlisle Indians held their annual football banquet here last night in the Indian gymnasium, with about 100 guests in attendance. Addresses were made by Coach Glenn S. Warner and Captain Lebo Lemon. All of the famous gridiron opponents of the aborigines were present.

Ray Bronson, Secures Match.

Indianapolis, Feb. 28.—Ray Bronson, 126 pounds, of Indianapolis and Fred Welsh, the Englishman, were last night matched to box 10 rounds before the Peoria Athletic club March 13. Welsh recently beaten Harry McFarland in a hard fought bout at Milwaukee.

HOLDS BADGER FIGHT

PAUL BICKFORD IS REFEREE OF BLOODY CONTEST.

DOG IS AN EASY WINNER

Vicious Battle Takes Place in South Side Hall Before Two Hundred Sound Sporting Men—The Result.

Sporting men in South Bend held their annual Badger fight in a south side hall last night at which nearly 200 of South Bend's highest once attended, an admission of 25 cents being charged to witness the dual.

To Paul Bickford, of the Sheridan hotel, who is credited with being authority on every sporting event from the person to invent the first boxing glove to who linked Jim Jeffries, belongs much credit for capably refereeing the affair. His services were efficient and he pulled the match off without the slightest hitch.

For several weeks Mr. Bickford has been informed that his services were in demand to act as third man in the ring and it is said that he was highly elated over the honor of officiating at the affair. His knowledge of the sporting world and his experience in officiating in fights greatly aided him in the match.

Early in the evening those who had received invitations to the contest begin to arrive and by 8 o'clock from 150 to 200 sports were on the scene. Everybody was anxious for the fight to begin and finally Mr. Bickford, the referee, was introduced to the gathering, although no introduction was necessary.

Referee Makes Statement.

"Gentlemen," he began, "I give out this place to fight and I know it, and there is one thing I want that thoroughly understood and that is my business begins and ends with me. Everybody must have their money down on the table before I start the fight. Whoever of the box add if you people don't remain in your seats I'll declare the match off." he continued.

"I mean business," he declared, "and I do not purpose to let that Badger out in this ring without examining the dog and seeing that he is fit and in the center of the ring as it can have a fair show," he added.

After the usual preliminary arrangements and the spectators had adjusted themselves, the dog entered and Mr. Bickford raised the cover from the box, and the battle began. According to those who attended the fight, it was one of the fiercest ever witnessed. In less than 30 seconds the dog had sunk his sharp fangs in the throat and neck, and after 15 minutes of the fiercest kind of mill ing the battle ended with the dog the winner.

Spectators congratulated Mr. Bickford on the manner in which he had acted as referee the contest and it is said that he may be secured to officiate at the next contest, which will be held in the immediate future.

TO DECIDE FOOTBALL GAMES.

Students at Michigan Favor Eight Battles This Year.

Ann Arbor, Mich., Feb. 28.—Whether or not Michigan's football schedule for 1908 will include more than seven games will be decided to-day at a meeting of the board in control of athletics. There is a strong sentiment on the campus favoring at least eight games so that the schedule may admit of two east versus west struggles.

On account of the present policy of the board it is difficult to predict what the decision will be. Practically all Michigan is allowed two games inasmuch as the Ann Arbor team has been so great hope is prevailing that the board will give its sanction to more than eight at the utmost.

BASKETBALL SEASON CLOSES.

Varsity Five Easily Defeats Fast Michigan "Aggie" Team.

The varsity basketball team brought its season to a successful close here yesterday by beating the crack Michigan "Aggie" team, which has for the last five years held the championship of Michigan, in a fast, snappy game by the score of 34 to 23.

The Notre Dame quintet outplayed the visitors from the start, leading at the end of which it had registered 24 tallies to its rival's four. The "Aggies" came back strong in the second half, playing a much better game.

LEAVE FOR CHICAGO

FRENCH AND GERMAN CARS CONTINUE WESTWARD JOURNEY.

"Sealed Bonnet" Machine Arrives in South Bend To-day and is Off for New Carlisle.

After making necessary repairs and adjustments, the French car, Motobloc, and the German machine, Protos, contestants entered in the New York-Paris endurance contest which arrived in South Bend yesterday, left at 2 o'clock to-day for Chicago.

While plowing through the snow the sales of the French machine were sprung and the gears of the German car were broken, and these two accidents caused the delay in South Bend. The repairs were made to-day at the Studebaker garage on the French car but the German machine will have to wait until it reaches Chicago, where the gears can be obtained. Nothing was found to be wrong with the motor on the German car and its speed to Chicago will be limited to about 10 miles an hour.

The Moto car, which is accompanying the French machine, left New Chicago, arrived in South Bend to-day at 2:30 o'clock and resumed its journey to New Carlisle at 1 o'clock sharp. It will wait for the German and French machines. The Moto holds the world's record for running with the "sealed bonnet" and has been in the contest since last July. The car has traveled over 8,000 miles.

Thomas Car Continues Run.

The Tribune's tips at Service.

Chicago, Feb. 28.—Escorted by a pilot, the Thomas car, leader in the New York-Paris automobile race, left Chicago at 10:40 o'clock this morning for the west. The other contestants will leave the city in the order named to-morrow. It was announced at the banquet given last night for the racers that Craig Hansen, the Norwegian aviator, would continue the run to Paris with the American car. It is said that he had a dispute with M. Hourgieres, the pilot of the Protos, and forgot way to back into snow bank and resigned his position.

Jimmy Briggs Fights Draw.

Providence, R. I., Feb. 28.—Dick Nelson, New York's "fighting Dane," and Jimmie Briggs, of Chelsea, Mass., went 15 fast rounds it a draw last night before the Blackstone A. C. at Lymansville. Up to the 14th round they gave a pretty an exhibition as has ever been seen in the state and Nelson, the big Dane, was leading at the time, being far more aggressive, doing most of the leading and getting away with most of the honors.

A REGULAR CIRCUS

Every Time Children Had to Take Cod Liver Oil.

We have all seen or experienced it ourselves. The child with pale face, weak back, and sunken eyes—pale-faced soon as it was swallowed and even the grown-ups demanded preserves, lemon or coffee in which to take cod liver oil.

That was years ago before two enterprising druggists, Mssrs. Scott and Bowne, discovered how to separate the medicinal and curative elements of the cod's liver from the nauseous, nauseating oil and produced Vinol.

Vinol is not a cod liver preparation, but cod liver preparation combining in a highly concentrated form all of the body-building, strength-giving and curative elements of cod liver oil, combined with the tonic properties of iron, with all the unclean oil eliminated and peptonate of iron added. It's different from all other tonics now in.

We ask every mother in South Bend who has a weak, delicate or ailing child, every run-down, debilitated aged person, suffering from pulmonary troubles to try Vinol on our guarantee, that if it fails to give satisfaction, Public Drug Store, South Bend, Ind.

Rheumatism Cannot Be Cured Unless Uric-O Is Used

Sudden Deaths, Heart Failure and Paralysis are Caused by Poisonous Uric-acid Poisoning.

The Rheumatic person is in critical regarding the claims of almost any remedy advertised for Rheumatism. Rheumatism has baffled the learned doctors for ages, and the planters and ointments combined never have cured a single Rheumatic. Uric-O does not pretend to be a cure-all, but it does claim to break out secretions also. The only true way to cure Rheumatism is to drive it from the system, for as long as the Uric acid poisons are in the system, the Rheumatic sufferer cannot free from the trouble. This is where the value of Uric-O as a per-ment cure for Rheumatism comes in. Uric-O not only claims that Uric-O is a cure, but it does claim that Uric-O is a cure for Rheumatism. Uric-O is not a mere palliative, but a cure. That is why Uric-O is sold on an absolute and effective cure for Rheumatism. The proof rests that Uric-O is such a wonderful cure for Rheumatism in that it is guaranteed to cure Uric-acid Poisoning and Rheumatism only. It is composed of perfect antidotes for the rheumatic acid poisons. Uric-O is sold on a guarantee to cure Rheumatism. Rheumatism simply cannot exist in a person's system if Uric-O is used.

Uric-O is sold by druggists of good repute at the bottle, but if you will find druggist who doesn't carry it, one can get it free of charge by writing out the advertisement with your name and druggist's name and address, inclosing 25 cents in stamps to cover cost of mailing, to The South Bend Drug Company, six bottles for $5.00. Uric-O is sold in South Bend on an order on the owner's or City Drug Store.

Uric-O is sold and personally recommended in South Bend by Weeks & Berkshire, Public Drug Store.

The "live" Clothiers are always active offering the appreciative public better clothes and better values than the other fellows who were content to wake up to the forgiving methods of selling clothing.

The "live" Clothiers are always using the method primarily in vogue by all to make suits that could be sold for $15 at a fair profit and well worth the money, but at the part of the season and during the latter part of the season offer the same suit for $12 or $13 cash.

Men have recently been up against this, but they are now wise to it.

The new method is to make the same clothing is not to prepare our own prices in advance of the season, but at the end of the season, for a set our clothes and day in the year at just a small, legitimate profit, and we always have the suits for sale at $15.00 that others do not hesitate to ask $18.00.

RECEIVED GRATEFUL THANKS OF HUNDREDS IN PITTSBURG

The following article, taken from the Pittsburg Press, describes the results of L. T. Cooper's visit to that city, and the effect of his test preparation as told by people who had benefited by taking the Mi-o-na treatment. Cooper's therefore with regard to the human stomach.

Cooper believes that the human stomach in civilized races has become so weak and lazy that it needs help, and most 19 health of the present generation is due to this fact. The article follows:

"L. T. Cooper is meeting with the greatest success in his talks on Mi-o-na tablets and there is glorious, confusion of thought, despondency, heartburn, sleepiness, nervous headache and other forms of indigestion.

"One of the most unusual statements was made by Mr. C. W. Woods, of 1 Ridge avenue, Allegheny, Pa., he said: For four years my wife was in very poor health. She was weak and thin, with a hectic flush and cough. Physicians said she had consumption. We had given up hope of her life. She was so hopeless and weak, and there appeared to be very little ground for hope.

"Shortly after Mr. Cooper came to Pittsburg I read of the cures of hopeless people that had been obtained by Cooper. Who had tried his medicine, he I got some for my wife. She had taken it only two days when she was improved. Her appetite was good. She began to improve immediately. She has gained seven pounds since she began taking the medicine. Her health splendid and looks very much better. I feel that I cannot make statements I do and am glad to have them call at my house and verify my statements.

"The Cooper remedies are becoming justly famous. We sell them.—Public Drug Store.
