The Greens took two more falls out of the Stogies Saturday and Sunday, sending the West Virginians down the ladder while they themselves added a few more points to South Bend's record. Both contests were well played as is indicated by scores of 5 to 1 and 8 to 1.

Wheeling lost Saturday's contest mainly because one George Schaefer

faced the plate and handed out curves and speed with such good effect that only two hits were registered against him. "Long John" Fox and Teddy Pritchard being the only men able to force the pitcher into unmarked territory. Fox did the twirling for the Stogies, but the "man from up there" did not strike terror to the hearts of the Southbenders and they pounded him as one of the best pitchers in the league. The Greens took kindly to his delivery and singled and doubled and tripled for 13 bingles with a total of 11 bases. The fielding also was up to snuff, not only by the locals but by the Stogies and consequently the contest was full of interest, although only one sensational play was made. In the eighth inning Schetrer drove a terrific liner to the right of Schaefer which the latter pulled in with his bare hand. The official score and summary was as follows:

Sunday's Game Was Interesting.

Charley Cogswell and his little bat played havoc with "Dummy" Rossom's twisters yesterday and the slaughter which the auburn haired right fielder indulged in during the course of the game helped the Greens to their South Bend's 13th victory over the Stogies. Yesterday's contest was the 19th game that the Greens have played this season and while "Cupsy" and Andrews were the only men who did not have difficulty in locating Rossom's curves, they celebrated the event by rounding the bases in championship style. In fact they rounded the bases so well that the Green's eight hits counted for three more runs than Wheeling's eight.

It is said opposite "Dummy" Rossom in the box was on the bench Sunday with a bad case of the Cuffids but had he work hard to keep his team mates out of trouble.

Caught Between Innings.

Schetrer suffered a split finger yesterday.

Andrews was good for a double and single yesterday.

Cogswell batted pretty good for a sick man, a single, double and triple made up the record for the day.

The pitcher pitching records show Loop Pitcher Moffit to have to Wheeling's credit, having taken the lead from Rosson.

Coffey and Anderson did not lose any time in getting down to first. Both were best on infield hits which were decidedly helpful.

Umpire Tom McNamara will not stand for any foolishness from the players. His work is entirely satisfactory to the fans.

Wheeling has not won a game on the local grounds this season. Of 19 games played between the two teams the Greens have won 13.

The Greens have one more week at home starting next Sunday. Wheeling is here to-day. On Tuesday, Wednesday and Thursday Jack Grim's team from Marion will hold down the diamond. Grand Rapids will put up the last three games. This will be the last trip of these teams here this season, with the exception of Grand Rapids, the home series of that club being played on the local grounds August 21, 22 and 23.

THE CENTRAL LEAGUE DIAMOND

Jack Grim May Manage Terre Haute Team Next Year.

It is rumored that Jack Grim will manage the Terre Haute team next year.

Catcher Rickey who was with Terre Haute for awhile is playing good ball for the La Porte, Ind., team.

Pitcher Beatty, formerly with Marion, has been signed by Fort Wayne.

The Fort Wayne management is after Catcher Bergen, now with the Cleveland American league team.

"Rudy" Kling has been sold by Terre Haute to Colorado Springs in the western league. After it was seen that Terre Haute had little prospect of getting Catcher McGuire from Evansville in exchange for Kling, the owner Terre Haute shortstop was loaned to Colorado Springs.

There is a rumor to the effect that Herbert, who is at present catching for Marion, will go to Grand Rapids through a trade. A deker is now on Harvey Taylor, the Grand Rapids catcher and President Haldermann, of Marion.

Dayton wants Bonns and Plummer, of Urbana, O.

Wood, the crack Hayes, O., shortstop, will join the Dayton team of the Central league to-day.

Walters refuses to be sold to Pittsburg, and it is reported he has signed with an Independent team at Waterloo, Ia.

Catcher Ryan, sold to the "Huts" by South Bend, and sent back Terre Haute to Marion, is batting with a percentage of .312. Dunkenberg is second with .311.

Dennis, of Fort Wayne, was out of the game Saturday and Sunday on account of sickness. He is threatened with typhoid fever. Cliff Carroll acted in the middle garden.

President Herrmann finally decides Fort Wayne and Terre Haute must play the postponed July 25 game over. Herrmann's decision takes a game from the west column of the Redbirds and Terre Haute has one less lost.

SAID OF THE GREENS.

South Bend Team Was More Favorable Considered.

The following comment in the South Bend Press will be interesting to local fans.

"Marion Leader-Sun's Boss discussed the Hoosiers, Saturday, and

VISITORS WILL BANQUET.

State Bankers' Association Meets Here Early Next Month.

The preparations are well under way for the entertainment of the many visitors who will be in South Bend Sept. 9 and 10 to attend the state bankers' association meeting.

The cashiers of the various local banks form the executive committee and all preparations are being made by them. An elaborate banquet will be served in the banquet hall of the Oliver hotel on the evening of the first day's session and the guests will be shown through many of the leading manufacturing plants of the city.

THREE TIMES AND OUT.

Soldier's Death Finally Decreed by Order of the Colonel."

The following incident is related in "Y. C." as having occurred in South Africa: One of the soldiers who had been reported killed in a certain battle, and against whose name in the roll was written a note to that effect had been made, afterward turned up and reported himself. Then the sergeant made another note in the roll, "Dead by mistake." The man was placed in the hospital, and a few weeks later succumbed to the injuries he had received. This fact was communicated to the sergeant through the colonel of the regiment, and then a third note was made: "Re-died by order of the colonel."

Says Women Should Study Alone.

Prof. Ludwig Stieda, probably the most famous anatomist in Germany, recently published a powerful protest against the movement among the professors of medical faculties in German universities for permitting women to attend medical lectures in the same classroom with men. He expresses the opinion that the presence of women must have an injurious effect both on the professors and on the women themselves. Prof. Stieda will not exclude women from medical study, but it is absolutely necessary, he says that they be instructed in anatomy in separate classrooms.

Love at First Sight.

Friend—So yours was a case of love at first sight? Mrs. Lovejoy—Yes, indeed. I fell desperately in love with my dear husband the moment I set eyes upon him. I remember it all distinctly, as if it were yesterday. I was walking with papa on the promenade at Brighton, when suddenly papa stopped, and, pointing him out said: "There, my dear, is a man worth $75,000."—Gray Stories.

Strenuous Service.

The parson had just delivered a fiery sermon on the evils of rum. One of the members was seen to be writing uneasily in his pew. "Behold!" cried the excited parson. "One of my shafts has struck the right man. See how uneasy our wayward brother is." "Yes," retorted the accused man; "you're uneasy, too. If you had a knee long down your back."

August Blanket Sale.

It is customary for people to buy their cotton and wool blankets early because by so doing they can usually make a small saving in price. This reason holds especially good this season owing to the great advance in the price of cotton. The raw material from which these blankets are made advanced from 40 to 60 per cent and cotton and wool blankets which are bought later in the season will be priced on the advanced price of cotton.

The bankets which we offer during this sale are all clean, fresh and sanitary. They are shipped to us direct from the mills in original cases and packages.
