# CENTRAL MOGULS CONTINUE SESSION

## MAGNATES ARE IN SOLID SESSION

DISCUSS SCHEDULE THROUGH NOON HOUR.

MOGULS FAIL TO AGREE

Annis and Wheeler Tell Different Stories—Eddie Claims He Has Settled With Berk, But Latter Denies It.

BULLETIN.

The Central league magnates closed their schedule session at 12:30 o'clock and selected the 140-game schedule of J. W. Adams, of South Bend.

The opening dates are as follows: April 26, Grand Rapids at Evansville; South Bend at Terre Haute; Fort Wayne at Wheeling; Dayton at Zanesville. May 4, Evansville at Dayton; Terre Haute at Fort Wayne; Zanesville at South Bend; Wheeling at South Bend. The closing dates are: Sept. 10, Grand Rapids at Dayton, two games; Zanesville at Terre Haute, two games; Wheeling at Evansville two games; South Bend at Fort Wayne.

The holiday dates are: May 30, Fort Wayne at Dayton; Terre Taute at Evansville; Wheeling at Zanesville; South Bend at Grand Rapids. July 4, South Bend at Grand Rapids; Evansville at Terre Hauteu; Dayton at Fort Wayne; Zanesville at Wheeling. Sept. 4, Fort Wayne at Dayton; Evansville at Terre Hauteu; Zanesville at Wheeling; Grand Rapids at South Bend.

The southern opening was decided upon after an hour and a half of wrangling. The highest mileage is that of Grand Rapids, 6,212 miles, the lowest that of Dayton, 4,899; average mileage, 5,630.

The Central league club owners met this morning at 10:30 o'clock at the Oliver hotel, but did not take up consideration of the schedule until after 12 o'clock. The morning hours were taken in discussing a change in the constitution of the league, and at noon the work on the arrangement of the 1911 season dates was begun. The league directors formed the schedule of J. A. Adams, of the city, subject to certain changes, which he maintains he cannot make. At one o'clock no decision had been reached in the matter.

Elmer Redelle, the Dayton magnate, has fought strongly for an opening date at Dayton, while President Shrybock, of Fort Wayne, has fought for a transfer the opening date from Zanesville as a circus is billed for that city on April 26. Mr. Redelle relented this morning, but what his stand in the meeting was had not been learned at one o'clock this afternoon.

**Wheeler Claims Release Purchase.**

Complications in the Annis-Wheeler-Berk-Ebbets tangle arose this morning late night that he had come to terms with Mr. Annis, and was now manager and part owner of the Terre Haute club. L. D. Smith corporated owner of the Terre Haute club, this morning stated last night that he had not come to terms with the ex-Boone manager. He could not be found this morning before the meeting and what his stand now is a matter of conjecture. In discussing the question of his free agency this morning at the Oliver hotel magnate Wheeler appeared to expect the purchase of his release from Annis during the day. A contract showing Wheeler was manager and one-third owner of the Terre Haute club was produced at last night's meeting by Mr. Smith. That Mr. Annis will force Wheeler to pay what is generally considered a fair sum for his release is expected.

The league officials were in session yesterday afternoon, but only an informal discussion of the schedules presented by various aspirants for the half century check was in order. Dr. Harley Parker, of Grand Rapids, was the only magnate present in the afternoon, and the magnate did not wish to proceed with the league business without the new club owner.

The magnates went into executive session at 8 o'clock last night, and the schedule was further discussed after the acceptance of Dr. Harley Parker credentials as owner of the Grand Rapids club. He was placed on the league board of directors, as is necessary, and the meeting was adjourned in session until 10:30 when they adjourned for the day.

**Annis is Host.**

Owner Bert Annis, of the South club, was host to 40 baseball men, owners, managers, players, and friends of the game last night at the Oliver hotel, following a splendid dinner, an hour was spent pleasantly in informal speaking, the new league presidents, U. C. Shyrock, of Zanesville, and Dr. H. Parker, of Grand Rapids, being called on for speeches by Dr. F. B. Carson, who acted as toastmaster.

Office magnates, managers, ball players, and newspaper men responded with short talks. Every owner and manager of the league was present except Ed Berk, of Dayton, and Leaders, Dr. James Casey and Ike Montgomery, respectively. Out-of-town representatives and guests were: W. W. Irwin, Wheeling; A. A. Schmidt, Fort Wayne; Charles Ebbets, Brooklyn; Charles Zanesville; Elmer Redelle, L. H. Webber, Punch Knoll, Dayton; L. T. Smith, Eddie Wheeler, Terre Haute; Claude H. Varnell, Bert Dunk, Fort Wayne; Dr. Harley Parker, Grand Rapids; E. W. Barrett, sporting editor Evening Press, Grand Rapids Press, and president of the Michigan State league; Tom Swope, sporting editor Dayton Herald; Elmer Moffitt, of New Carlisle; Clarence Ruhl, sporting editor Dayton Journal, sporting editor Fort Wayne Sentinel; M. T. Drunkenbrod, sporting editor Fort Wayne Journal-Gazette.

**Made Can't Make Deal.**

Dade Moyers, ex-Central leaguer, and now manager of the Quincy, Three-I league club, who was in attendance at the afternoon session, was not able to put a deal before the schedule meeting this morning. Made was as successful as the other managers in trading or buying players, for usual exchanges and sale talk resulting in very little business. Manager Wheeler, who closed yesterday found Eddie Wheeler in the midst of them, Bob Grogan being secured by purchased from Vancouver, to which club he had been sold by the Dayton management. Ed-Bill Bailey, Ed Berk, Ike Montgomery, Bassman "Kit" Carson, Charlie Carr having charges of the other end of the deal. If the latter received no bonus he will have received the worst of the deal, according to the talk circulating in the Oliver hotel lobby.

Dayton is looking forward to a winning team in Quincy are forgot, Quincy is a good baseball town, and he will be able to give the fans winning ball, he believes. Made has a number of players in mind, and has recently purchased three checking good players from Hannibal, Mo., club.

"Deacon" Pearson, former Evansville, and Dayton pitcher, would like to become manager of the Dayton club, he has cabled Punch Knoll and is now after a position on Dr. Carson's staff. The league head does not expect to be able to use the ex-Vee and Sya. He already has a competent stand-in arbitrators and does not feel that he can give Pearson a position.

**Berk Per Anti-Sunday Law.**

It has developed since the gathering of the Central league magnates that Wheeling officials are fearful of the passage of an anti-Sunday baseball law in West Virginia. Such a law would be a death blow to the game in the Stogies, they fear, if it should be allowed there. The Stogie management will forestall the effects of such a move, however, by building a park across the river, where the Sunday games would be played if the law is passed.

Manager Ed. Smith has been after "Speed" Kelly, of Denver, and "Red" McDermott, the former Fort Wayne third sacker, but was unable to get either. Claude Varnell, who was left by Smith in charge, Smith has been after a pitcher for some time thinking that it might be possible for him to get him as Dr. James Casey, new manager, of the Billikens, had announced his intention of playing the Terre Haute club a series of games in the corner last season, and as a result George McDermott played left field, first base, and occasionally third.

## TWO PIRATES KEEP FANS ON TENTER HOOKS

Byrne is Hold-out and Campbell Announces Retirement.

Pittsburg contracts are coming in with pleasing regularity for the Pirate fans, although in two cases they are worried about the future actions of a pair of players. Both are St. Louis residents, and one is a hold-out, while the other has announced his intention to retire. The former is Bobby Byrne, and the latter Vincent Campbell.

It is thought that the money matter is the cause of Byrne's hesitation, while Campbell's positive statement that he will quit the game and devote his attention to business in his home town is not taken seriously in Pittsburg, as the young man has a brilliant future on the diamond. Before he left for his home in Missouri he made out his expressed intentions, "Scoops" Carey, the ex-Broncho, would have a still better chance to make good with the Pirates, "Scoops" says Campbell, "Carey is a good ball player, and I regret to also leave him this "tip" to show Carey a clean pair of heels.

Judging from Louis Heilbroneer's remarks in speaking of "Scoops" and McCarthy, the former will be developed into a first baseman or will warm the bench. Manager Fred Clarke and Ed Smith think it would be a shame to put the "Scooper" on first, with his promising future ahead of him as a great outfielder, and Heilbroneer, despite his remarks, is said to be sure that Carey be shifted to the first sack by the statement that first baseman were mighty scarce. He admits that ball players as a whole were not hanging around on Lakes Erie and Michigan. Carey a finished ball player, fielding, hitting, running, and throwing, and this and as the right thing quickly. That is about all that is necessary.

Because of the scarcity of ball players, Carey, Heilbroneer says, is considered one of the greatest baseball acquis in the country. Secretary Farrell has been instructed to announce the reason for the suspension of so many players, and the fans will be pleased to learn that the spring of suspension and baseball men are investigating the matter in the hope that the suspended players may be taken back into the game.

## CLAFFEY SIGNS FOR 1911.

Local Player Will Play With Green Bay This Season.

Joe Claffey, local boy, who was considered several months ago as a prospective top-end Broncho, has signed a petition on the Broncho nine, has signed to play with Green Bay in the Wisconsin-Illinois league this season. Claffey played in 1909 with the Broncho, and Manager Kelly had been sold to Philadelphia, and displayed the astonishingly good form for several weeks. He is fast, considered the speediest shortstop in the W.-I. league, and is a hard hitter, with a mole 10 bases. His fielding average was .906.

Kurke and Watson, ex-Broncho catchers, were in the W.-I. last season, hit .239 and .127, respectively.

**Girls Play Basketball.**

The Studebaker girls will meet a Y. W. C. A. basketball five at the Y. W. C. A. "gym" Friday night.

## NOTES OF MEETING.

Harry Arndt, who was traded to the Wilkes-Barre club of the New York State league, is said to be closed for the first sack position, but wherever he plays he will slug that pill, he says. "I've had two bad years in succession," he said yesterday, while chatting with Charlie Carr, manager of the Wilkes-Barre club, in the New York State league, in the lobby of the Oliver hotel, "and I'm certainly due for a big year with the willow."

When Lee Tannehill was asked at the Oliver hotel yesterday if he would be the White Sox club next season, short-stop, third, second base, he retorted, "I don't know what position I'll play, but I'll play somewhere." Tannehill is considered a good bet for a place on the White Sox club, and the rumor that he might be sent to the Grand Rapids club has been emphatically denied by the Sox management.

## CENTRAL LEAGUERS SPEND WINTER IN CHASING DENIZEN OF THE WILD

Central league players are proving strong for winter hunting during the 1910-11 cold season, a number of the diamond stars well known in South Bend and around the circuit putting in the winter in that useful fashion. Fans may think it a lazy mode of life, but the sight of the expeditions in which the stars have been report in the spring of 1911 will prove to them it has afforded Punch Knoll to such an extent that he lined up his 1911 team months before the rest of the managers began hunting, and is already prepared to start the ball rolling. His first exploit which found his way to the public was the tale of his running down a relict. Punch's latest expedition has resulted much more profitably, for he has brought back a real stand-up moose carrying a lusty remembrance of that trip in his shape of the left hind foot of a female fox. Punch carries it in his hip pocket and has shown it to no other clubs can beat both the team and the foot out of the pocket.

Punch was hunting with Frank Winchell, the pitcher, secured from the Blue Grass league, and after a vain attempt to run down a "Mieuse" Fox, the pair of them came upon a big moose. The bird food was seen in his pocket, and there is not another club manager in the league that can touch Punch in confidence in his team. Punch is at the meeting, and his face certainly shows his satisfaction with the moose incident.

Other Central league managers and players, who hunt in the fall and winter are John Henry Myers, Mickey McCarthy, Elmer Moffitt, Aggie Grant, and Roy Mason. John Henry is the real king in the Jungle shows the Central league, and he is now representing with the report of John's trusty rifle daily.

Elmer Moffitt, sojourning in the vicinity of New Carlisle, Ind., has been hunting with the Dayton club, and he and Ike Bailey are the lucky pair in the lotion. "Happy" was at the banquet last night, and did full justice to the sumptuous repast before him, his appetite being in no way affected by the effects of an outdoor life. One of these famous one hit, numerous strike out games would certainly be fine if "Ike Bigger" were to be called on to pitch a game right now.

Mickey McCarthy and Roy Mason, of the Wilkes-Barre Grasshoppers baseball club, are sojourning with Owner A. A. Grant, with Secretary Lee "Pop" Fowler of the local club, has spent a week or so at a nearby lake, where he has been hunting and fishing. Their enthusiasm usually dampens when the snow arrives, but they have the reputation.

## DR. PARKER MAY NOT MANAGE CLUB

DEPENDS ON SUCCESS AS A BENCH MANAGER.

New Stag Owner Determined to Give Grand Rapids a Good Team—Impress Magnates Favorably.

Dr. Harley Parker, owner of the Grand Rapids Central league club, will manage his club this season from the bench if it proves a furtherance of his success at the club on the diamond if he should do so. In case, however, it develops that better results can be had by procuring a bench or playing manager Dr. Parker will procure such a man as quickly as possible. He is determined to give the Grand Rapids fans a good brand of baseball and a team that will finish among the top-notchers, and will spare no effort to do so. Dr. Parker has been found by the magnates to be a man who is going to have to be the ranks of the owners, and in the short time he has been with the league magnate he has made a very good impression upon them.

Dr. Parker is a young man, and is very strongly pleased with the baseball situation in Grand Rapids. Dr. Parker formerly lived in the Furniture City and the fans are with him from start to finish. He still maintains his home in that city, and any humiliation which he may suffer will be felt by him as well as if Grand Rapids, as by the stag huge. He defeated in the race for the Central league pennant, however, is far from being discouraged, and has the nerve to assume which, he says, he has the fastest line-up of the league finish in the history of the loop simply because they fail to get going right.

A number of men have already been signed by Dr. Parker, and he has a long talk with Owner Charles Comiskey, of the White Sox, Saturday, and as a result he expects to secure three or four players when Manager Rowe, of the White Sox, and Dr. Parker agree anticipates the turning over of a few players from the Chicago by Manager Chance. He now has in his line-up a bunch of fast youngsters, who will make the club fly when their meet Central clubs in the spring. Among the players he has secured so far to date are as follows:

Catchers Schaefer and McKenty, of the Independent clubs. Pitchers Earl McQuillan, brother of McQuillan, of the Chicago Cubs, and Shelly and Lowell, of the Chicago Gunthers. Infielders Martin and Spahn, of Chicago Independents; Shortstop Potts, of the Flint, Southern Michigan independent, formerly of Chicago Logan squares. Outfielder Thomas, of the Logansport Northern Indiana league club. Five or six Western league players were also young Shelly, the Gunther hurler.

Dr. Parker secured his catcher Kilps, of Louisville, Kilps was out of the game last season with a broken leg.

Charlie Carr, manager of the Utica, New York State league club, who has secured a number of his pitchers in Canada, will probably get the sole from Dr. Parker for the catching of his players on the baseball field. Four-

## DECIDE EVENTS FOR THE OHIO STATE MEET

Broad Jump Will Be Eliminated From Notre Dame Meet.

The events to be contested in the dual track meet with Ohio State in the Notre Dame gymnasium Saturday have been decided upon. The programme will contain 12 events as follows: 40-yard dash, 220-yard dash, 440-yard run, half mile run, one mile run, two mile, 40-yard low hurdles, 40-yard high hurdles, high jump, pole vault, shot-put and relay.

The regular indoor schedule that is coming in evidence in Notre Dame athletics is a very interesting one. The broad jump has been eliminated from the list of competitions and the 220-yard dash substituted in its place.

Notre Dame gave to on a strong team last year, and lost the broad jump from their list. With Ohio on the long leap for gold and time would have had an easy time in taking five points in this event.

The basketball court in the gymnasium has been temporarily changed, the baskets being placed about one yard about 10 feet, making the court 35 feet shorter. The change brings the baskets away from the wall and makes a field with out-of-bounds on all sides. The change is made in order to be able to duplicate the floor in Tyndall Men's order gymnasium in Toledo, where the local team will play the latter part of the week.

**Corbitt Signs With Rochester.**

Ted Corbitt, crack hurler on the local squad last season, has signed with the Rochester, Minnesota-Wisconsin league club. Corbitt was sold his release by the local management that he might accept an offer to manage the Rochester club in 1911. Many predictions were made at the time that Corbitt would be back in the Central league uniform in 1911, but he is certain now to play outside this organization.

**Sets Skating Jump Mark.**

SARANAC LAKE, N. Y., Feb. 7.—Edmond Lacy, the amateur skating champion, made a broad jump on the ice here yesterday. It was two inches, breaking the world's record three feet, five inches. The world's record, held by F. Daniels until now, was made at Boston, Feb. 28, 1907, when he made a broad jump of 21 feet, seven inches.

**Gotch on Mat Again.**

SIOUX CITY, Ia., Feb. 7.—Frank Gotch returned to the mat here last night a finish match for the first time since his retirement a year ago. In a bout with Kato Osman, he made quick work of the Turk, throwing him twice in 15 minutes. He displayed his old time skill and alertness although he is slightly over-weight.

**Hans May Sign Early.**

Although Hans Wagner usually waits until boarding the train for Hot Springs before signing his contract, he is expected to do so early this year. Overtures made this week and back his "sig."

## TURK WAS CONSIDERED WORLD'S CHAMPION WRESTLER FOR ONE DAY

tech suits and sweaters will be taken by the new Central magnate, if Carr's terms and goods prove satisfactory.

## 'VARSITY BEATS CORBY.

Inter-Hall Champions Easy for Notre Dame Regulars.

The 'varsity basketball team routed last year's inter-hall champions last night when they defeated the Corby hall aggregation, by a score of 42 to 16. The superior strength of the university players was too much for the Corbyites, and the brilliant teamwork, which has characterized the players from the red and white ball the past two years, was lacking. The Corbyites were not the easy victims they expected over-team but their slow passing caused them to lose the sphere before they could work it near the basket. Morris, of Corby, was the star of the game for the losers. O'Neil, the varsity driver, led with the ball many times on the jump off.

During the second period Coach Marts sent the second team into the game, and the brilliant team, which had put up the defenses that was exhibited in the game before during the first part of the contest.

**Sporting Man Will Sell.**

By Associated Press.

MILWAUKEE, Wis., Feb. 7.—Charles H. Davies, one of the best known basketball referees and team managers in the northwest, who refereed the Wisconsin-Minnesota game Saturday, fatally shot himself in the head at home yesterday morning. He was taken to Trinity hospital where he died to-day.

**Objects to Marsh Temper.**

After giving her husband, William E. Van Dongo, two trials to conquer an ungovernable temper, Mrs. Lillian Van Dongo, of Chicago, has filed a divorce. The complaint, which contains an allegation of the foregoing facts, was filed in the circuit court yesterday. The couple were married five years ago. Van Dongo (Drummond) is attorney for the plaintiff.

**Umpires Sign With Central.**

The monthly bulletin of Secretary Farrell shows that Umpire A. J. Cleary and Mike Jacobs have signed with the Central league. Forest L. Cuffy, drafted from Wichita, has signed a contract with Newark Eastern league club. Hayless, former Vet, has signed with Mobile, and Belden, ex-Fort Wayne player, with Wichita.

**Dallas and Tierney Draw.**

By Associated Press.

JEFFERSONVILLE, Ind., Feb. 7.—Jerry Dalton, of Indianapolis, and Billy Tierney, of Louisville, fought 10 fast rounds to a draw here last night. The City Athletic club here last night. They weighed in at 118 pounds.

**Notre Dame Seniors Meet.**

The senior class of Notre Dame university held a meeting last night in the Sorin law room. Preliminary arrangements were made for the Easter ball, which will be given in Brownson hall. Arthur Funk, president, was chief of the "Doms." Discussed several matters pertaining to the annual.

**Serious Injury to Hand.**

At 18-year-old son of Frank Scritzel, 718 Arnold street, sustained a serious accident to his right hand when a gun, which he was carrying, was accidentall discharged Sunday. A portion of the hand was shot away.

**Are Like Corks.**

The girl looking for a proposal will find that men are a good bit like corks. Some will pop, while others have to be drawn out.

FREE TO THE RUPTURED

A New Home Cure That Anyone Can Use Without Operation, Pain, Danger or Loss of Time.

I have a new Method that cures rupture and I want you to use it at my expense. I am not a quack nor a fake man. I am a man who has had this trouble and for 30 years tried all the truss-wearing and danger of strangulation forever.

I have invented a method, a simple, double or separate appliance for the holding in position, my Method is absolutely cure. It is medical what I claim for it. I know it cures. I know it will certainly cure you. I want you to be cured. I want to prove to those apparently hopeless cases that my Method will cure them. I want to show the world that I am ready to prove it at my own expense, that my Method will cure all ruptures, regardless of age, size, shape, or condition, whether bowel, navel, scrotal, ventral, ability and longer life. My free offer is for a limited time only. Write me at once. Don't put off and leave cures to others. Send to-day. Simply mail coupon below. Do it to-day.

Procrastination Is the Thief of Time

CONSUMPTION.

If there is any doubt in your mind about that tired, languid feeling, as to the nature of that little cough, the restless, nervous and weak condition, that little bit of fever at times, the flushed face, etc., etc., etc., is it not time you should know? Why not know about the 10 every seven in 10 people that die in the course of the year, fall of consumption? The early stages only of this disease are considered curable. It is not true that you should defer from day to day hoping to learn that you are not affected. It will be found to be your condition, my Cryolize treatments (inhalation of cresus) will benefit you at once and if your case is not too far advanced your difficulties will be mastered of time. Examination and advice free. Come.

LADIES.

All diseases peculiar to your sex successfully treated. Don't suffer longer with headaches, backaches, dragging sensations, irregularities, dizziness, nervousness and other kindred troubles.

RHEUMATISM.

My electrothermal treatment for rheumatism, neuralgia, sciatica, lumbago and all kindred ailments is the most wonderful pain reliever yet discovered.

VARICOCELE AND HYDROCELE

Cured without cutting or any dangerous surgical operations. No pain. No blood. No anesthetic. Cure guaranteed.

PILES AND RECTAL DISEASES

Cured without pain or the knife. No chloroform, no hospital and no operation. Call to-day and investigate my methods.

PROSTATIC, KIDNEY, BLADDER AND ALL URINARY DISEASES

Cured in a few days. Stop that constant pain in the side, weakness, enlargement of the prostrate gland, chronic inflammation and all catarrhal and unnatural discharges cured to stay cured.

NERVOUS DEBILITY.

Lost vitality and all weaknesses, the result of violations of the laws of health, or from any cause whatever, positively cured. If you are conscious of constant drains upon you, come to me and I will cure you.

BLOOD POISON.

No man can afford to experiment with this terrible disease. Our treatment has cured hundreds and will cure you.
