SCHOOL STARS IN SPRING MEET

Michigan Making Elaborate Plans for Old Time Event

Ann Arbor, April 16.—After many months of debate and discussion it has just been decided that Michigan is again to have an interscholastic meet May 23 and 24, and that it will be sanctioned by the schoolmasters association.

To celebrate the resumption of the meet it is probably that the usual long list of prizes and medals will be supplemented and that every effort will be made to make this meet a gala affair. Plans for extensive entertainment of the visiting athletes are already under way and Michigan will not leave a stone unturned to make the meet this year a big success.

Under the blanket tax system every student of the university will be admitted to the meet, so there will be a crowd of at least 5,000 spectators and with any kind of fair weather, the pick of the prep school athletes of three states ought to stage some class performance.

About thirty track athletes, both freshmen and varsity, are spending the vacation in Ann Arbor preparing for the Penn relays. It has been settled that a freshman one-mile relay team will be sent, as well as a varsity one, and two mile team and that there will also be several athletes entered in special events. Kohler in the mile and Sargent in the high jump are certain to make the trip.

M'GOORTY VS. PAPKE.

Negotiations Under Way for Fight in Milwaukee Soon.

Chicago, April 16.—Negotiations are under way toward the consummation of a big middleweight match for Milwaukee next June. The boxers involved in the deal are Billy Papke of Keosauqua and Eddie McGoorty of Chicago. Papke has admitted that he expects his last bout to be ready by that time and has expressed a willingness to mingle with any middle of town in a Cleveland City arena, provided there is money enough in sight for him. The money will be there in a McGoorty match all right, and the chances are that Eddie will get the match unless Bob Moha wants it.

Unholy has decided to make a concession to Jimmy Clabby on behalf of McGoorty, in order to get the Hammett star into the ring at Denver, May 2. Clabby insisted on 158 pounds at a week, McGoorty wanted to weigh three hours earlier. Unholy has notified the club that Eddie will scale at 17, and now it is up to Clabby. The match will be closed in a day or so.

Chicago may adopt free text books for public schools.

THNK BADGER IS COMER.

Matty McCue Heralded as a Second Ad Wolgast in Chicago.

Chicago, April 16.—Is Wisconsin producing another Ad Wolgast in this latest fighting sensation—Matty McCue of Racine? Everybody is wondering. Matty has all the earmarks of the real thing, and if he doesn't live up to the expectations of the Chicago fight fans there will be many who will revise their opinions of themselves and come to the conclusion that they do not know the real goods.

No fighting machine of such a sensational character has been seen in this neighborhood in many a long day. McCue is nothing of not sensational, for he has the kick in either his port or his starboard with dazing and straightening an opponent up with a sizzling left and heaving things nicely for the deadly right that he whips over in such convincing style.

When it is considered that this lad is only 18 years old one may judge that with careful handling and a little bit of luck he cannot help developing into something of a real wonder. Just now he is in the hands of John McCue of Racine, a grizzled old veteran of the game, who has been in athletics off and on for these many years now. It is from John that Matty takes his fighting monicker, his right name is Matthew Paulson.

WEIGHT RECORD FOR RYAN.

Heaves 35 Pound Shot 20 Feet 9 Inches in New York Games.

New York, April 16.—In an indoor athletic meet at Battery D armory, Patrick Ryan of the Irish-American A. C., made a new world's record of 20 feet, 9 inches, throwing the thirty-five pound weight for height.

The previous record of 19 feet, 4.1 inches, was made about three weeks ago by Con Walsh, formerly a member of the New York A. C., now of the Seattle, Wash., A. C.

Ryan and Matt McGrath, the olympic star, were tied at 20 feet, but on the throwoff Ryan made the extra nine inches.

WILL FIGHT FOR VON KLEIN.

Chicago, April 16.—Charles Erbstein, attorney for Edmund E. C. Von Klein, Minneapolis diamond broker and alleged "marriage swindler," is on his way to Minneapolis to obtain evidence on which he will base his fight to prevent Von Klein's removal either to Milwaukee or Portland, Ore., where he is wanted on charges of swindling women.

Promoter Al Lippe says that the match between Al Palmer and Jack Johnson is still on and that the bout will take place in Paris next June.

SMALL TEAM TO PENNSY GAMES

Yale Will Take No Chances on Injuries to Men This Year

New Haven, Conn., April 16.—Yale is pursuing a policy of extreme caution in its track campaign this season and will send to the Pennsylvania relay meet the smallest delegation in years. Coach John Mack has decided to take no chances in a repetition of the injuries of former years instead of pushing the track men, especially the sprinters.

There will be no outdoor meets till May for the team, and most of their top-notch work will be done in the last three weeks of the season. Mack assures himself of the possibilities of the team by the most painstaking indoor season on record at Yale.

No relay teams will take the trip to Philadelphia, and will enter only three events on the Philadelphia card—the hurdles, the pole vault and the high jump. Yale is always strong in the pole vault. Captain Gardner has, for years, been a pole vaulter, as is Captain Wagoner this season. In the vault this year Wagoner, Achilles and Carter will go to Philadelphia, and all are looked upon as likely point-winners. Yale's two new hurdlers, Potter and Shadden, will be started in the lumber-topping event.

FEW DRESSY CHAMPIONS

Fashion Plate Pugs Seldom Have Records of Great Achievement.

Cleveland, April 16.—Fashion plates who make a business of trying to champ as champions, notoriously fall shy of the goal.

Stanley Ketchell was the one and only Beau Brummel of fistic to win a championship. Philadelphia Jawn O'Brien, who was a marvel in evening dress, was recognized as light heavy champ, along with others, and that's the farthest he ever climbed toward those familiar seven letters that spell success.

Jimmy Britt never went around with a chrysanthemum in his lapel or a bag in his trousers. Not a bit of it. Holmes had his suits made in the best establishments and he had one for every hour in the day—after two fights with Nelson, Britt used to be Nat Goodwin's choicest pal, and when he went to Europe to fight, he just naturally clumped with lords, dukes, earls and marquises. When Jimmy was coming out he was the pride and joy of the Olympic A. C., of Frisco, a more or less expensive club. He had costly tastes drummed into him.

Joe Rivers, who has made more money in a shorter time than any Mexican who ever crossed the border, is getting to be a swell. Joe got a good start when he beat Kilbane in twenty rounds, and his wardrobe was gradually become more complete.

Danny Morgan used to have Knock-out Brown pose around the big hotels of New York in evening apparel to create a respectable impression upon visiting fight fans. Kayo was amusingly funny and out of place. Something was eternally wrong with the collar and he had an awful time with the feet and hands. He got by through until he attended one of Dan McKeel's "Four Hundred" fights at his magnificent Forty-fourth street club, where everybody was supposed to wear a stiff-bosomed front. Kayo was kidded and teased so much that, regardless of Morgan's orders, he peddled the snail-skin tails and hasn't worn them since.

EVERS SUDF FOR \$300.

Chicago, April 16.—John J. Evers, manager of the Chicago National league team, has been sued for \$300 by a manufacturer who alleged that fixtures installed in a shoe store which Evers and Charles Williams, secretary of the Chicago Nationals, tried unsuccessfully to run here, never had been paid for. Evers maintains in reply to the suit that he cannot be held responsible for the debts of the venture which was managed by a corporation.

MASSACHUSETTS TO ACT AGAINST THE DEADLY GOLF BALL.

Boston, April 16.—Because of two serious accidents in golf games in the past four days, a bill will be introduced in the legislature on recommendation of the state board of health, to prohibit the sale and use of certain imported golf balls containing an explosive acid that sometimes destroys the eyesight when set off.

The accidents which aroused the board of health were two in a long series in the last few years all over the country. Several persons have lost the use of one or both eyes and have been disfigured in other ways as a result of the golf balls exploding.

INTERNATIONAL LEAGUE.

Championship Race of "Class A" Organization Under Way.

Providence, R. I., April 16.—The race for the championship pennant of the International league (formerly the Eastern league) began today with games scheduled in Baltimore, Newark, Jersey City and Providence. The champion Toronto team was programmed as the opponent of Harry Smith's players at Newark, while Jersey City had the Buffalo team as its guests. Rochester opened at Baltimore and Montreal at Providence.

This is the twenty-second season of the International league, which was organized as the Eastern league in 1892 and continued under the old name until last season. Twenty-one cities have held franchises since the organization, as follows: Elmira, Utica, and Yonkers, one season; Albany, Binghamton, Erie and Troy, two seasons; Hartford, three seasons; Scranton and Worcester, four seasons; Wilkes-Barre, six; Baltimore, eleven; Syracuse and Springfield, eight; Newark and Jersey City, twelve; Montreal, sixteen; Toronto, nineteen; Rochester and Buffalo, twenty; Providence, twenty-two; the latter being the only club that has been continuously a member of the organization.

SPORTING EDITOR'S NOTES.

Manager Evers of the Cubs, has shipped Pitcher Sutcliffe to the New London team of the Eastern association.

Manager Callahan of the White Sox, figures that Pitcher Benz is fifty per cent stronger than he was last year.

The Cincinnati club lost quite a bunch of money by being compelled to cancel exhibition games on account of the flooded condition of the ball yard.

The St. Joseph team hung one on "Big Ed" Walsh in an exhibition game on the Sox western training trip, when they drove the "Big Moose" to the woods in six innings.

The Athletics' pitching staff looks to be some staff with the youngsters, Wyckoff, Durnin and Bush helping out Bender, Coombs, Plank and Brown.

Pitcher George Foster, who is showing his winning ways with the champion Red Sox, was once with the Browns and last season the star twirler of the Houston, Tex., team.

Willard Schardt, the former Brooklyn twirler, is back in the American association, being a member of the Indianapolis team. Two years ago he was a star with the Milwaukee team.

A number of baseball critics claim that the outfield of both the Giants and the Athletics are woefully weak. The season is just yet. A little later we will see what we will see.

Pert Annis, who has been in the Central league for the past ten years, first an owner of the South Bend team and later as owner of the Grand Rapids franchise, has retired from the game.

Connie Mack doesn't think that Washington will cut much of a caper in the American league pennant race. Either the Red Sox or the Athletics will attend to the winning stuff this season, according to Connie.

Bob McAllister, ex-amateur champion heavyweight of California, and Paddy Slaving will clash in San Francisco April 26.

NOT TO RAISE MEAT PRICES

Present Scale Prevents Living Profit to Dealers

Laurium dealers, who this week submitted to an increase in the wholesale price of meats, look with grave apprehension upon the situation. A new scale of prices controlled retailers this week, but no local advances have been made, practically all dealers feel that the public cannot afford to meet an increase.

Dealers in general assert they have been losing money on nearly all cuts for the past two months and there appears to be no indications of a let up. Steers are selling at nine cents and up, and pork is bringing 12 cents and upwards on the hoof. Sirloin steak is selling at 24 cents retail and all grades of pork are bringing from 20 to 22 cents the pound, an increase of 5 cents in the past few months. Lamb and mutton are scarce at 16 to 25 cents and hams are going at 24 to 25 cents. Bacon is becoming more of a luxury and prices are quoted at 23 to 30 cents retail. Poultry is becoming scarce and the supply is limited.

"The day of cheap meats is passed," says a local dealer, "and the wholesalers are not able to supply the demand. Texas cattle are not yet marketed and not until they arrive, which will be in the latter part of May, can we look for any reduction in the price of beef. Only stock and straw fed cattle are to be purchased at present and meats received in the copper country come from Omaha, by way of St. Paul.

"A reduction in tariff may help, but the dealers, apparently, have taken time by the forelock and I cannot see a possible chance of a break in prices for some time. Personally, I would rather close my shop than again raise the price of meats."

TWO BIG PRELIMINARIES FOR CAPONI-ALLARD BOUT

PROMOTERS WILL OFFER FANS GOOD BILL AT PALESTRA APRIL 22.

Negotiations for two big preliminaries for the Allard-Caponi match, which promoters will stage at the Palestia next Tuesday night, were concluded yesterday. "Young" King and John Savola, both of Hancock, will appear in a four round bout, and Charles Chapman of South Range, and "Kid" Brown of Hubbard, are slated to appear in the semi wind-up. Both have appeared in numerous bouts and their work classes them among the county middleweight champion claimants.

Both principals in the main bout will arrive Sunday or Monday and will go into training quarters at Hancock and Lake Linden. A big advance sale of tickets has been reported and promoters have been given assurance of spectators from all points in the copper country.

ARRIVALS OF THE STORK.

The following births were recorded in Laurium today: A son to Mr. and Mrs. Paul Rompf, of 209 Ironquill street; and daughters to Mr. and Mrs. Joseph Sullivan, 116 Seneca street. Mr. and Mrs. Neis E. Nelson of 429 Florida street, and Mr. and Mrs. Peter Vatti of 124 Woodland avenue.

ENTERTAIN AT SHOWER.

Miss Hilda Dahl entertained at her home last evening at a linen shower in honor of Miss Signa Freeman, whose engagement to Frank Huddy has recently been announced. The residence was prettily decorated with ferns and cut flowers and a dainty luncheon was served.

\$3,000,000,000 NET EARNINGS.

Corporations in U. S. Do Increased Business in Past Year.

Washington, April 16.—The net earnings of corporations of the United States for the calendar year 1912 were \$7,000,000,000, an increase of \$250,000,000 over 1911.

This amount will yield an income to the federal government under the corporation tax law, of \$300,000,000, which is \$2,500,000, or 5 per cent greater than a year ago. Royal A. Cahill, commissioner of internal revenue, has just received returns from practically all corporations and year-by-year completed assessments to the full extent of the \$50,000,000, which must be paid before June 20. In addition, \$2,000,000 will come from delinquents of previous years.

Throughout Europe there are 190,150 residents per square mile.

A WORD WITH WOMEN

Valuable Advice For Calumet Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment, the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed right in this locality. Read this woman's convincing statement: "Mrs. Otto Nelson, 612 N. Fifth St., Birmingham, Mich., says: 'I do not hesitate to recommend Doan's Kidney Pills. I had been suffering from distressing backaches and other symptoms of kidney complaint. Seeing Doan's Kidney Pills highly advertised, I got a box. They brought me prompt relief.'"

For sale by all dealers. Price, 50 cents. Foster-Wilbur Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. (Advertisement)
