IN CENTRAL CIRCLES

LOCAL TEAM WILL BE KNOWN AS GREENS.

SWAIN ON RESERVE LIST

Big Pitcher Cannot Join Wheeling Team Unless Released By North Dakota League—Stock Company at Anderson.

South Bend's Central league team will be known as the "Greens," the directors of the South Bend Athletic club having practically decided to equip the club with uniforms of green shirts and pants and red caps, belts and stockings.

Jacob Chamberlain, of Washington Court House, O., is a candidate for the pitching staff of the local Central league team and the prospects are very good for Manager Grant to secure his signature to a contract. Chamberlain has been a friend of Jack Rutherford, the Cincinnati pitcher, for several years and the National league has asked Manager Grant a letter recommending Chamberlain as a man with a promising future.

Swain Cannot Play.

"Bo" Swain will not play league ball this year but will coat his hat in independent circles and he will be a member of Manager Swain's team to play with Wheeling in the Central league and Wheeling is just as anxious to secure left service, but he is on the reserve list of Pinderson in the North Dakota league.

Will A. Smith, of Knoxville, Tenn., is signing players for Wheeling and writes that he has bagged another good man in Catcher Owen Shannon, who played with the Davenport, Iowa of the Three I league in 1901 and 1902. He has also signed William Dahlquist, pitcher, who played in the Southern league.

The Wheeling club will recommend Harry Hamm and Jack Nolte, of Wheeling, as substitute umpires for the Central league in that city, and their appointment by President Bement is expected in the course of a week.

Stock Company at Anderson.

McVeigh Lindsay, of Anderson, has completed the organization of a stock company, which will own the franchise and Anderson team. The stock has all been taken by 10 people. The articles of incorporation are now being prepared and will be filed with the secretary of state in a few days. Lindsay has signed Demonteville, the pole vaulter, and has practically made up his team. The only place which is not filled is that of catcher. Lindsay says he has six on these or four men, and if terms can be agreed upon it will probably be filled by Jason, the Muncie pole player. There is also a line out for Long John Wiley, the Muncie pole center. Ray Pulse, a pitcher of that city, will also probably be signed.

Phil O'Neil will act as captain of the Anderson team. The pitchers will be Ed Hanlon, Tommy Thomas Hudson and Amos Hutter. Nippert is signed to play either at first base or catcher. Richter will be on second base and Demonteville at shortstop. Warrender and Dayer will play in the outfield. The third fielder will probably be one of the pitchers. Doty Grimes, of Columbus, O., has also been signed by Anderson for the outfield.

Leagues Insist on Demands.

Mutual respect for contractual and reservation rights, uniform playing rules, a board of arbitration consisting of equal representation of the national association on one side and the National and American leagues on the other are the main points that the National Association of Professional Baseball Leagues will insist on in the coming conference between the association and the National and American leagues regarding the drafting of a new national agreement.

A draft of the proposed new national agreement was carefully gone over by the board yesterday as a month hold in New York. It was finally decided that the National association would insist on the rules tentatively adopted at the last annual meeting—the association on Oct. 24, as follows:

"Resolved, That in the event of joint invitation being extended the National association at any future time to confer with the board of directors of the American league the National league in the interest of a tripartite convention, the national board of the National Association of Professional Baseball Leagues will be present as the association its present organization and constitution and organization provide and shall:

"Resolved, That these instructions are hereby declared to be mandatory and compulsory."

The National association will demand that the tripartite board have jurisdiction only over matters involving disputes between the National association and the two major leagues and will seek greater representation in the new board.

Small Towns Have Fever.

Peru and Cuyzona are now anxious for a baseball team. Peru cities in a baseball league. Promoter "Jap" Pace of Hartford City, who is interested in the movement, reports that they will probably be taken in, making a five or six-city league. Both cities assure that excellent teams will be placed in the field and will be well supported if they will be admitted into the league. Pace reported favorably from Hartford City and it is probable that the preliminary work of effecting the league will be formed in the near future.

NEW MEN ARE OUT.

Notre Dame Track Athletes are Tried by Capt. Hoover.

Capt. Hoover put the new candidates for position on the track team through a try-out this afternoon and several of the new men sprung surprises. The track was clear as it had been cut up by the baseball practice, but it now looks as though material for the sprints had been found as Silver, Staley and Cahill showed up well.

In the sprints both Silver and Staley carried off the honors. The time in the 220 was rather disappointing. In this event Silver and Cahill took to running against time and Staley came in third. In the mile run Dewsnap led the bunch until the 10th lap when the pace proved too hot for him. Dogie Walsh and Doran followed in the order named. Doyle and Walsh decided to develop into fast distance men and Doran will be tried in the two mile run.

Among Most Beautiful Seen.

The floral display at the funeral of Senator A. M. Burns recently is being commented on as one of the most beautiful ever seen in the city. Many friends from out of town attended the funeral and among the beautiful tributes were those of Auten post, G. A. R. and Aztec W. R. C. of this city.

Thug Robs a Woman.

Miss Jennie Hendricks, of Elm street, was attacked by a thug Wednesday night and robbed of $1. The holdup took place on a vacant lot between Dresden and Washington streets, near Elm street.
