FINES ARE HANDED WHEELING PLAYERS

PRICE, MILLER AND ALDERMAN CHASED FROM BALL LOT.

SOUTH BEND WINS 6 TO 5

Grant's Performers Have Busy Batting Rally in Final Session, Scoring Three Runs—Price Makes Statement.

In a thrilling battle marred by frequent wrangles with Umpire Conley, South Bend defeated Wheeling in the second game of the series yesterday afternoon, score 6 to 5.

Three members of the Wheeling club—Price, Miller and Alderman—were fined and chased off the lot by Umpire Conley much to the dissatisfaction of the large gathering. Everybody seemed to have their fighting garments on and members of both teams argued about everything that displeased them.

Because of Miller's friendly debate with Mr. Conley, in which he used language seldom heard at a sewing circle meeting, it will cost the alert right gardner 10 plunks. Manager Price made a just kick at one of Conley's decisions in the second inning. Price, too, was fined, the amount being $10. When Alderman began to tell Conley how rotten his decisions were the reserve pitcher was assessed five hard earned bones. President Carson declares the fines will remain good.

"If Conley wants to collect the fine handed me, I'll quit baseball," declared Manager Price, of the Wheeling club after the game. "It will never be paid by me nor if I am suspended for the balance of the season. I do not believe Conley did the right thing when he chased us off the grounds. It shows poor judgment. He was sadly off color on some of his decisions and it was up to me to make a roar," he continued.

Early in the game Wheeling secured a big lead, making three runs in the first inning. Price was disappointed for two singles a two base hit and a three baser. Moore was hit rather freely during the early stage of the contest, while Grant's pitching was good, he allowing a demon left handed smash the fourth inning. South Bend scored three runs in the fourth and won the game in the final session when Hayworth hit safely scoring Kelly.

Geno Moore started the pastime off with a single. Price was retired on a fly ball in the final round by Alberts. Newcombe was sent up to bat for Moore in the eighth and it was at first thought that Grant would give the big pitcher an opportunity to show his ability in the box. Moore having been hitting well.

Wheeling started the scoring in the first session. Price flew to Craven and Wessel hit for two bases. Venable singled, scoring Wessel and Miller doled one for three sacks, bringing Venable across the plate. Maggert struck out. Pfeiffer singled and Miller attempted to steal on Tieman but was caught at second. Spangler grounded out.

Two hits an error resulted in another run for Wheeling in the third. Wessel singled and Venable laid one down in front of the plate. Wessel was thrown out at second, Tieman to Koehler and Venable was safe. Miller hit safely and Tieman threw poorly to Kelly, Venable counting. Wessel scored in the sixth on Hunter's single.

Three runs were reaped by South Bend in the fourth when Coffey drew a pass and Koehler connected for two bases, scoring Coffey. Kelly singled, scoring Koehler and Hayworth wished one for three sacks. South Bend failed to score until the final session. Then the trouble started.

Craven was passed for the third time and Foy sided. Coffey smote for two bags scoring Craven, and Koehler repeated the stunt, bringing Coffey home. Hayworth hit safely and Koehler scored. Hayworth hit safely and Koehler left field, bringing Kelly in for the winning count. Score:

SOUTH BEND TAKES FIRST.

Craven Makes Home Run in Final Session.

In the first game of the series with Wheeling, Grant and his crew defeated the Stogies Saturday afternoon by a score of 6 to 4.

Ed Smith was on the mound for South Bend and twirled a good game, allowing but five hits. Thirteen hits were scored off Jacobson, the visitors being charged with four the second inning. Kelly counting on Hayworth's single. Three hits netted two more runs in the third. In the seventh three runs were made on three hits, a pass and a couple of errors. Craven surprised the natives in the ninth by walloping out a home run, scoring Kelly. Score:

PACKY M'FARLAND INSIST HAVINGS HOGAN REFEREE FIGHT WITH NELSON

The Tribune's Special Service.

CHICAGO, May 11—Packey McFarland, who returns to-day from Milwaukee, where he signed articles with Nelson for a lightweight fight before the Badger Athletic club is determined to have Hogan referee the match and insisted upon putting this condition in the contract.

"Hogan is my choice for referee and I insist on having him," said McFarland, "and I made that stipulating in the articles which I signed with Matchmaker Tom Andrews while in Milwaukee. Chicago fans would prefer that a local referee officiate in this contest for I am sure they will be with me and the local club when the battle is started."

The McFarland training camp will be pitched at Healy's gymnasium at 55th and State streets, and the little Irishman will begin work Tuesday morning. He will do his road plodding in Jackson park every morning, boxing soon and in the afternoon will work through an extensive programme of gymnasium work.

Kid Farmer will assist Pat Kennedy in getting Packey into trim.

The local middleweight will attend to the training of the boy, and with figures from the pointers that he has on hand Farmer will help him lots in hardening his system for the boxing in Milwaukee of the Hogewitch veteran.

The boxing will be an easy task for McFarland. He scaled at 141 pounds ringside Saturday morning, and he will pull the harness off at 142 pounds. Packey is not put the harp to any inconvenience. The exact date of the contest will not be determined until Alex Nelson reaches Milwaukee the middle of next week.

DUBUQ TWIRLS IN MID-SUMMER FORM

NOTRE DAME HURLER BEATS ROSE POLY, SCORE 5 TO 0.

Varsity Players Leave Wednesday on Eastern Trip, Meeting Syracuse in First Game.

Notre Dame showed its class Saturday when it defeated Rose Poly team in a fast clean contest by the score of 5 to 0. The game was the best played on Carter field.

It was not until the end of the fifth inning that the Notre Dame players hit their pace and started scoring. Up to that time McDonough was the only man who succeeded in finding the star twirler of the opponents. With two out Reel got on the initial ring on a error by Redenger. Dubuq then hit safely and Reel scored. Over scoring. McDonough came home when Dubuq laced out a clean single. A hit by Bodkin and a boot on balls secured by Gough filled the bases but Daniel slow grounder refired the side.

This stopped the scoring until the seventh inning when two more runs were added. Botham brought one of the tallies across the plate on Daniels' hit. A single by Cutshaw scored Daniels. In the eighth McDonough was there with the seat again bringing in two runs. Dubuq hit safely and completed the scoring, the final count being 5 to 0.

Dubuq pitched a great game. He had everything and held the visitors under control during the entire contest. Only four hits were secured off him, one particularly being a long drive. Bodkin and McDonough put up a stellar game behind the bat and with the stick. Out of four times up he got away with three safeties, one of which was for two bags. The varsity team will now start eastward, where they hope to add more victories to their record. Games thus far routed the western aloes with which they have come in contact. Dubuq and the two Irish players will to-night for their homes but will join the varsity in Syracuse where Syracuse university will be taken up. The Notre Dame team, accompanied by Dubuq, will depart Wednesday evening. The rooters anticipate giving their idols a great send-off. Score:

LATEST GOSSIP OF THE CENTRAL CLUBS

"POP" SCHRIVER TO JOIN ZANESVILLE TEAM TO-DAY.

FORT WAYNE STILL LEADS

Dayton Close Second in Race for Top Position in Counting Column—Hogan's Goats in Hard Luck.

ZANESVILLE, O., May 11—A message was received yesterday stating that "Pop" Schriver would report to Manager Hogan at Fort Wayne this morning. The news was about the best that has been received by fans this year, and almost everyone is pleased to hear of the latest addition to the squad of the Tigers.

Schriver was with Zanesville last year and was easily the best backstop in the F. O. M. He was returned to Wheeling at the end of the season and then drafted by Pittsburg. Yesterday he was turned over to the management of the local team and will be in Fort Wayne in time for the game to-day. The present squad consists of 14 men. The decision of Secretary Fox to go on the road with the team add another player to the team. Whether Wetzel comes to the Infants or not the team is in good shape at the present time. Pitchers Walker, Watt, Linetts, Gapp and Kennedy have been pitching themselves worthy of a place in the Central. Catchers have been fine and sensational. Errors and mistakes have lost most of the games for the Infants. The pitching staff has been all to the merry since the start of the season. Wilson, Kennedy and Gapp are starting three catchers. Both of the young catchers have shown form and it will be a hard task to decide between the two. Both may be kept until the first of June when the teams must be in the salary limit.

The Infants have not been many on the team. Inexperience, pulling-nose, inability and lack of knowledge of the other man on the infield have been big factors in the seeming lack of team work on the part of the team. Scarcely a game has been played with the same infield and outfield twice. Now that the infield is almost settled upon the men will have a chance to get together and show what they can do. In regard to Cooley and Wetzel for third, Cooley has played in the Central and has demonstrated what he can do in the position. Wetzel is a unknown quantity. It is useless to attempt to compare the ability of these two men, as there are no lines upon which to base a comparison. Lloyd, when well, is practically sure of the position at second base. Wetzel has failed as utility man to advantage. Nye's weakness with the bat is his fault. With Lloyd in the lineup the Infants will seem rather formidable.

The outfield seems to be in the best of shape. Hogan's goats are in the game as much, if not more, than earlier in the year. On the whole, things are brightening for the Tiers and they ought to render a good account of themselves in the eight games away from home. They should return in Zanesville higher in the percentage column.

Fort Wayne is still at the top of the heap and Dayton a close second. The last week made no changes other than to separate the leaders and the tail enders a little more. It takes well bunched teams to make an interesting race. However, there were not enough games played to indicate the strength of any of the teams. It will not be until there are a few more games played that the strength of each of the teams can be gauged properly. Fort Wayne starts out on a trip on May 17 that will take in every town on the circuit but two, and if they keep their pace through that trip it will test their mettle. Wheeling opens at home Wednesday for a week's stay. Its big and more all the other teams, being at home with the exception of four days until June 8. This will be the opportunity to get the team in shape, as the games will all be with the weakest teams right being with Zanesville and Terre Haute. Fort Wayne or Dayton. In that time the two leaders will hook up for four each and there will be a grip there.

Wheeling baseball boys have always posted themselves on the book and have always been strong for the baseball town. Hostetler's with one pennant winner and a team always in the fight, the fans have turned out and made a loud and joyful noise but if they lose a few games in quick time they too bite to help out a loser team. Wheeling's fans are like those in Dayton, Brooklyn are where they have real fans—men who love baseball as a national sport and the fact that the home team loses does not keep them from turning out. Just now unless the Stogies take on a winning streak there will be a falling off in fans as the heat hums along, and there will be there simply to do what they can to keep the team from winning. Wheeling has been successful in the past and it may be that the team is scheduled for a second division finish this season.

JENNINGS SAYS END IS NOT YET

MANAGERS OF TIGERS BELIEVES THEY WILL WIN.

Hughey Has Not Abandoned All Hope of Landing Another Pennant—Pitchers Not Working Well.

Hughey Jennings has been the subject of much space in the sporting columns of the St. Louis papers, and the manager of the Tigers has been doing a heap of explaining. Here is some of his talk:

"We don't seem to have any cold weather pitchers. We had a lot of bad weather on the training trip, and we have had nothing but bad weather ever since. In the south my veteran pitchers were not able to get into shape and the young fellows than I added to the staff for this year are hardly equal to the task of beating such strong clubs as Cleveland, St. Louis and Chicago with any regularity.

"We hardly expect to get up with the leaders now until the old pitchers do get in shape for work, and then they will be there.

"The chilly weather has taken much of the fire out of the team, too. The boys are not holding and running the bases as they will when the hot days come. They are afraid to take a chance on a lot of plays for our two pennant winners. We will have the pennant last season by aggressive playing and we expect to do the same this year, but we can't get that aggressiveness started until the season and weather warms up.

"We played several games in Detroit, Cleveland and Chicago when baseball should not have been thought of. Cleveland had two or three pitchers who worked through it in fine style, while our men performed as though they would much rather be hugging the radiator.

Cleveland Hard to Beat.

"We have a long eastern trip next ahead of us, too, but I expect to climb up in the race while on this trip. I believe the western teams are much stronger than of the east, and we will surely beat those fellows down there, beginning next week. Cleveland is always a hard club at this time of the year, but I believe we will do well at the same time. St. Louis has been surprisingly strong this spring and gives promise of keeping it up all summer; so there is little reason for us to worry because these three clubs have put a crimp in our standing right at the start.

"Just you all remember, we made a bad start a year ago. No one picked us even in June as pennant winners. This delayed start is not troubling me yet. If we are in bad place on July 1, then I will begin to worry."

KETCHEL SECURES KNOCKOUT.

Floors Sullivan in Ninth Round of Fast Fight.

SAN FRANCISCO, May 11—Stanley Ketchel, of Montana, knocked out Jack (Twin) Sullivan, of Boston, in the 10th round at Colma Saturday. The fight was scheduled to go 35 rounds.

The fight up to the ninth round was even. Then for two rounds Ketchel battered Sullivan about the ring, several punches landing on the body and face. Sullivan failed to come back in the 11th round but again weakened and in the 12th and 13th rounds he was knocked down for the count of nine. In the 29th round, after a few moments of ineffective sparring, Ketchel ended the fight by a terrific right hand blow to the stomach. Sullivan rose at the count of nine, weak but game, only to be sent down again, this time to stay.

TERRY TO MEET LOUGHREY.

Get Away From Business

When you drive a Rambler, you leave care and worry behind.

No thought of business enters your head—you are free to enjoy all out doors, to hunt, fish, picnic or visit your favorite haunts whenever the mood seizes you. You can take your wife, your sweetheart or your chum and have the jolliest time of your life with a

Rambler

You can take the country roads at five to thirty miles an hour—or faster. You can climb hills—plow through sand or mud—go anywhere you wish. You will be ready to quit before the Rambler is. "

We want to show you why the Rambler will go anywhere—why it can climb any hill—why it will plow through mud and sand that stalls other cars—why it is as comfortable and as serviceable as a $5,000 car—and costs only $1,400 to $2,250.

We don't ask you to take our word for it—we have the proof. All we want is your permission to "show you." Will you give it?
