BAT OUT A VICTORY

SOUTH BEND FALLS ON BREIT-ENSTEIN IN FIFTH.

CRUIK'S TRIPLE ENDS IT

Long Hit Breaks up Game After Five Singles Put Visitors on Easy Street—Score is 6 to 3.

The Tribune's Special Service.

Evansville, Ind., July 1.—South Bend Again spoiled a winning streak of the Evansville team by bunging on Breitenstein's curves in the fifth inning of the opening game here yesterday. Breit was recently purchased by the local club from Springfield and essayed to continue the good work of the home team which was the order during the series with Grand Rapids. Pat Lindsay worked for the second time in two days and pitched good ball with the exception of an inning or two.

Both teams played great ball in the field, not a misplay being recorded against either side, while the batting of the visitors, when blue smoot runs, was a feature. Owen Bush did some great work at short, with two put-outs and nine assists to his credit and the South Bend infield received several round of applause from crowd of special fans for fast playing.

Both sides were scureless until the fourth round, when Hayworth singled and moved up a base on Tieman's sacrifice and scored on Cruikshank's triple. Lynn was forced at second as Cruikshank's hit to Kahl, Hayworth went to third. A drive by Kenner scored Ben with the first tally.

In the fourth the game came back strong and it looked as though Lindsay was up in the air in the Evansville half of the fourth. Pat walked two of the home hitters and allowed three hits in this inning which gave the visitors a lead of a double and scored three tallies. Kenner, a nice throw by Billy Molsinger, which caught Kahl at the plate as the second baseman was trying to move from second on Knoff's single, ended the rousing inning.

Evansville tied the game in the fifth, inning by good hitting Bush opened with a single and Grant, Molsinger, Hayworth and Tieman hit safe, the first two tallying on the output. Kenner's sacrifice scored Tieman. Cruikshank slammed the ball to the fence, scoring the three runners, Molsinger, Hayworth and Tieman and giving to third on the hit. The drive was a long one and Breitenstein, who is said to have failed to touch second on the trip and was called out.

Breitenstein's double and a pass in the latter half of the fifth failed to net the visitors a tally. Knoff, the last man, who succeeded Breitenstein was unteachable by the bats of the visitors, Kenner's hitting was a feature of the game. The score:
