PRESIDENT TAFT IS REAL FAN AT CHICAGO TO-DAY

BRONCHOS DROP ANOTHER GAME

BILLIKENS TAKE LONG END OF SCORE IN EASY FASHION.

SMITH'S HOODOO PRESENT

Very Comes to Aid of Team and Scores One Run—Mad Anthonies Score Three Times in First.

The Tribune's Special Service.

FORT WAYNE, Ind., Sept. 16.—Sid Smith's old hoodoo on the Fort Wayne lot was in good working order in the game yesterday with South Bend and although the team behind him hooked up after he had gotten away to a bad start, a base on balls, an error, a stolen base and a double in the eighth picked the combat for Fort Wayne by a score of six to three.

Both teams played ball right through and, although both are pretty well set in the race for the pennant, this did not enter into the contest, and, although the county fair is still in full running order and attracting big crowds more than 110 people deposited their money at the gate to see the encounter. Curve kept the hits scattered and only a little horse play was responsible for the tieing run. Smith pasted six men and his wild pitch counted against him, scoring one of the runs.

Blount Gets Pass.

Blount was passed to open the matter and Donahue hunted. Wells ran in for the play and tossed the ball wild to Grant at first and Blount went to third. Channel paraded along the third base line and Wells balked, the pitcher's bat, scoring two runs. Trying out Channel, who had gone to second on the throw to the plate, to third and he scampered across on a wild pitch.

Smith worked Corns for transportation as an opener for the third and Kroy provided a hit to middle on which the midget made third. He scored while Koehler was being retired at first. Kroy took third on the same play and Corns scored on a fly ball with a nice hook along the first base line.

The hook-up occurred on a funny play. After Wells had been retired in the seventh, Grant hit and on a hit and run play with Fry, he made a long drive to Channel in left. Fry drifted to right, Smith popped to Fromer and Grant took a long lead off third. Donahue did not covey the bag and while Fromer was walking across the diamond with the ball, Grant ran home. Fry made a break for second. When Fromer whirled and threw the ball to Lindsay, Fry checked up and by the time he had been tagged, Grant was over with the tieing run.

Blount Sews Up Game.

Koehler pulled Tinnan off first with the throw of Lindsay's grounder in the eighth and Donahue tossed to Fromer, coming down from Smith to Tinnan, but Corns beat out an infield hit and stole second. Blount sewed up the game with a double to right. This disgusted Smith, and while he was fooling around with Channel, Corns got the ball as it was returned to him, missed it and before he could recover it Blount was on third and he scored on Donahue's infield hit.

Trevey got the Billikens off to a score in the first of the eighth, but was caught at the plate. He went to second when Donahue threw wild to first on his grounder and Kroy advanced him with a bunt. He tried to score on Koehler's rap down first, but Tinnan to Donahue to Wells put him down. The South Bend club is here without a bat, mask or protector. The team will disband and nobody feel like carrying any excess baggage. The Fort Wayne players allow them to use their outfit. The score:

Final Game of Season.

FORT WAYNE, Ind., Sept. 16.—The Central league season closed here today with a morning game that lasted 11 innings and ended in a tie, by mutual consent, the score being 3 to 3. The game allow the clubs to close on even terms. The winning or losing of the game would not have affected the standing of either.

Fort Wayne had a good lead at the opening of the ninth, but Hammond hit for four singles in addition to hitting Graves and two runs trickled over tieing up the score. A hundred and seventy-five people saw the season close under a fog that hung over the ball ground. Account of the death of Charlie Phalen.

It was not a listless affair and the old rivalry between the towns entered to the very last out in the final struggle.

WEATHER BAD FOR FIRST OF SERIES

Detroit and Philadelphia Clash in Four Decisive Games.

By Associated Press.

PHILADELPHIA, Pa., Sept. 16.—Rain threatened to interfere with the opening game this afternoon in the important series between the Detroit and Philadelphia baseball clubs which lead the American league fight for the pennant. The weather was cloudy in the early morning and rain was predicted. The two clubs have two scheduled games to play in four days and the series may go a long ways toward deciding the contest for league supremacy. Detroit has the advantage of playing four games on the road, but the disadvantage of playing all but two of its remaining games on foreign grounds. All of Philadelphia's remaining games will be played at home. Each team has played 130 games and each has 12 games to play. Philadelphia has 8 games to play in Detroit to its three for first place. Of the 12 games played by the two teams this season Philadelphia has won 11.

Philadelphians have been looking forward to the present series and the crowds which were expected to attend the games if bad weather does not interfere. Connie Mack, manager of the home team, announced that he would pitch Plank this afternoon and Coakley tomorrow against the Tigers and have been faced by the present series. Summers was scheduled to pitch the opening game for the visitors.

Benjamin F. Shibe, president of the Philadelphia club, and Hugh Jennings, manager of the Tigers, have been called on Henry Ward, director of the department of public safety, and asked for police protection during the coming series. Mr. Shibe showed the director a handful of letters containing threats against the visiting team and the director granted the request and issued an order that 200 policemen be sent to the grounds each day, and that a strong reserve force be held in the background in readiness to be called upon. Chief of Detectives Lee, Lieutenants Ten Broeck and 18 detectives will be scattered through the crowd. Director Clay will be on hand to see that the order is carried out to the letter.

President Shibe has decided to stop the sale of gift drinks during the series in order that no empty bottles will be in the hands of spectators. Any person caught throwing a cushion will be arrested.

BIG SERIES PLAY ALREADY DISCUSSED

Pittsburg, Chicago, Philadelphia, and Detroit Discussed by Directors.

By Associated Press.

CHICAGO, Sept. 16.—The National commission met here to-day in the office of President B. B. Johnson, of the American league, to discuss tentative schedules and plans for the world's championship series between the winners of the pennants in the National and American leagues.

In making up the tentative schedules for the big series four clubs were considered—Pittsburg and Chicago in the National league and Detroit and Philadelphia in the American. Two schedules were drawn up, but the right one only will be announced, and that after the winner in each league is determined.

The question of a successor to President John Heydler of the National league in handling the world's series was considered. Tom Shaw of Pullman was president of the league Heydler and Robert McRoy, secretary of the American league, took charge of the contests last year. It is said Secretary Charles G. Williams, of the Chicago Nationals, will probably succeed Heydler in that capacity.

The alleys are in great shape for a long gruelling season and W. E. Golts, the man who has charge of the alleys says they are the best in Northern Indiana. Expert carpenters have been at work throughout the summer getting the alleys ready for the season. Patent pin setters that guarantee the pins on the spots have been installed and everything has been done for the benefit of the players and the spectators.

Five troubles are to be played for: the Classer, the Brunswick-Balke, the Miller, the Studebaker and the Elks' cup. The first season ends with a tournament for the Elks' cup. The cup and ball will close some time in April. The two leagues of eight teams each will have a season of the best kind of sport. Business men, who are not members of the leagues are invited to bowl on the alleys in the afternoon.

CHAMPION GOTCH MAY DEFEND TITLE

Foreign Wrestlers Coming to Attack American Mat Artists.

The Tribune's Special Service.

NEW YORK, Sept. 16.—No less than five foreigners, wrestlers of different nationalities and of various degrees of prowess, are coming to the United States, each heralded as having grand chances to beat the American champion, Frank Gotch. Over there are the Irish champion heavyweight, and Giovanni Raleigh, the Australian champion, while Lemm, the Swedish champion, and Hassan Mirat, the Turkish champion, are due to arrive here in a few weeks. Gotch, who is at the Dublin meet, will set foot on American soil about Sept. 25, and prospects are bright that George Hackenschmidt, the Russian Don, will also return in a few weeks to regain the championship which he lost to Gotch. Hackenschmidt is now training at J. H. Hessman, of Buffalo, N. Y., and he states that beginning on Oct. 1 the Dublin wrestler will begin a tour of America. On this trip Zbyszko will meet every heavyweight in America, and if he should have defeated all the foreign wrestlers he will meet every heavyweight in this country and Zbyszko wants to do likewise before he asks Gotch to meet him for the world's highest mat honors.

Zbyszko is a physical marvel: He is 26 years of age, weighs 254 pounds, is 6 feet, 11 inches in height, his neck measures 21 inches, chest 52 inches, waist 44 inches, upper arm 23 inches, forearm 18 inches, thigh 31 inches, calves 21 inches and calf 18½ inches. He is the strongest man in the world, the biggest of American athletes, and the enormity of Zbyszko's size is apparent.

CENTRAL LEAGUE NOTES

Pittsburg and Wheeling are in "cahoots" in the first place both are pennant winners and they "find a" feel the thing are in a close by Connection in the second place the Pirates have fought and drilled all Spring and Summer for a chance at Terrence Fisher McGoldrick, and Suffel, all go to the Charles training camp in the third place the Pirates have consented to go down to "Threedstown" for a game with the Central league champs. All in all the Wheeling prospects are pretty well straight in Dubuque.

Hank Butcher and Arlete Delhaven have both been drafted by the Athletics and it remains to be seen which one will stick. Butcher is the young man of the two and Delhaven is the veteran. Butcher is a Philadelphia lad on his feet, far as he is with the stick, and steadier in the field.

Chris Wren, who is another Central leaguer, who was to be copped by Connie Mack may not go to the Athletics but will go to Chicago as the infield. Wren is a good fielder.

Teddy Kroy has been a steadier ball than any man on the Broncho team this season, according to a Fort Wayne scribe. The dope is that he will be retained.

Artie Delhaven is in Indiana playing ball for Covington.

Earl Tinning pitched his first game in the American association yesterday against Kansas City team and won 2 to 1. He was touched up for 10 hits, but Kansas City could not bunch them, holding his position well. Earl was a perpetual antler in the Central and his confidence helps his cut.

Johnny Freeman made two hits and two runs off the Tribe Friday yesterday, but formed the Tribe's three runs, two of which were the base and lost the game to Washington.

Hank Butcher, who is to be given his try out with Philadelphia, in the American league, demoted the Bean last night and Butcher made good in the stopping outfielder placed on the blacklist.

To The SEATTLE EXPOSITION

The famous SUNSET EXPRESS of the SOUTHERN PACIFIC, daily NEW ORLEANS and LOS ANGELES and SAN FRANCISCO, affords the greatest opportunity for sight seeing through California via "The Road of a Thousand Wonders" to the Pacific Northwest.

The open window route—cool and comfortable. Oiled and dustless roadbed. Oil burning locomotives—no cinders. Electric lighted sleepers—lights in every berth.
