

## RICHMOND TROUNCES CONNERSVILLE HIGH; TOO MUCH KESSLER

"Kessler for Mayor," was the sentiment voiced by Richmond fans who witnessed the local high school basketball team defeat the highly worshiped Connerville "Hi" team on the latter's floor Saturday night by the score of 21 to 14. Score at half time was seven to seven, indicating a tight game in the first period.

In the second half, Richmond solved the situation and found Connerville's weakness. When Greene of Richmond took the ball and started to pass down the floor to his team-mates, the entire Connerville team was up the floor and found themselves without a defense. Richmond was slow in finding this out, but when the fact was made known to them in the second half, they broke down the floor faster and slipped the seven field goals through the hoop for the margin to win. This fact about the Connerville defense spelled defeat for them.

Connerville was rated and was expected to win over the locals by at least 15 points. Their highly rated M. Williams, former Anderson high school player, was the player which Connerville bragged-up so much, but when "Whitey" Kessler was assigned the duty to watch the little fellow, the game was lost. Kessler made a fool of Williams every time the Connerville lad showed around.

Richmond showed signs of training into physical condition and the offense which was put up was entirely too fast for Connerville to keep up. Kessler, without doubt, was the fastest man on the floor; and through his speedy foot-work the Richmond team was kept fighting.

Greene was invaluable at backguard and through the work of Kennedy, Rost and Harkins on offense, the team was indeed a smooth working machine. Kennedy and Harkins played one of the best games of their careers in Saturday's game and showed remarkable signs of come-back qualities.

Dan Rost was watched by Connerville, and although he held to one field goal, his work in breaking up the plays of the opponent was an outstanding factor. Harkins, his running mate, stuck to the side of the floor and connected for five goals from the field while Rost was being ridden all over creation.

**Depend on Substitutes.** Connerville has a team which has good substitutes who can be depended upon. Sparks and Neal were ushered into the game in the last part and made a goal apiece. Their best player was supposed to be M. Williams, but his practices are not the "clean cut."

The game was rough at all times and was hard to handle. The referee was continually hampered by members of the Connerville team with suggestions in regard to decisions.

## SATURDAY RESULTS AMONG BIG FIVES

INDIANAPOLIS, Feb. 6.—DePauw got the jump on the Butler five here Saturday night and walked off with the long end of a 29 to 23 score. DePauw started out strong and scored five points before Butler broke into the scoring column. The first half ended 19 to 11 in favor of the DePauw crew.

MINNEAPOLIS, Minn., Feb. 6.—Indiana turned the tables on Minnesota here Saturday night and romped home winner by the score of 23 to 19, in a well played game. Minnesota was minus the services of her star Capt. Kearney and their team play seemed to be demoralized without his presence in the lineup.

CHICAGO, Feb. 6.—Chicago university basketball five broke the winning streak of Illinois Saturday night, handing them a 22 to 16 beating. The Maroons outplayed the Suckers in all departments of the game, having the ball most of the game and getting many more shots at the basket than did the Illinois men.

## RALLY WINS CONTEST FOR FOUNTAIN CITY

FOUNTAIN CITY, Ind., Feb. 6.—A rally led by Hatfield and C. Miller in the last half enabled the Fountain City high school five to take the number of the Eaton high five here Saturday night by the score of 24 to 21. Eaton outscored the locals in the first half but the bombardment put up by C. Miller and Hatfield soon overcame the Ohioms' lead, the score at the half way mark was 13 to 9, in favor of Eaton.

Sherer of the Ohioms was the scoring star of the game making 15 points and also put up a good defensive game. Hatfield was the bright light for the winners, making 10 points, and was a tower of strength on the defense.

**F. City (24) Eaton (21)**  
Knights ... .. F. Higgins  
Pegg ... .. F. Higgins  
Hatfield ... .. F. Higgins  
Evans ... .. F. Higgins

Substitutions—C. Miller for Knight, Larkins for Cottenham, Stephens for Larkins.

Field goals—Hatfield 3, Evans 4, C. Miller 2, Sherer 5, Cottenham 1, McIntyre 1, Walton 1.

Foul goals—Hatfield 3, Sherer 5, Referee—E. Porter, Richmond.

Harkins and Kennedy seemed to acquire uncanny eyes in the last half of the game, and between them, they connected for a number of field goals, which were all at difficult angles, and well out on the floor. The playing of Harkins certainly was a comeback.

## DAYTON STARS COME FOR BETSY ROSS CLASH

Zwissler's Betsy Ross team which will meet the Dayton Oriole team of Dayton, Ohio, in the Coliseum, Wednesday night, will be composed of some of the best material available in the city. In order to compete in the class with the Dayton team, which holds a championship record in Ohio, the Betsy Ross team was forced to strengthen its line-up considerably.

"Shel" Simmons will jump at center; Nash Higgins, of Earlham, will hold down the backguard position and "Toby" Jessup will take up the work of floor guard for the Betsy Ross team. The calibre of these men is well known. Mansfield, Reid and Medaris will be the forwards for the Betsy Ross team, thus completing the line-up for the evening.

**Dayton Stars.**  
Dayton Orioles will bring Matt Lausie and Harry Binger, who are rated as among the foremost basketball men of Ohio. Alvin Hegman, Cletus Jeckering and Clem Lausie complete the Oriole team's lineup. This team averages around 170 pounds and is composed of tall men. Matt Lausie, forward, is rated as one of the most clever forwards in the game. He acts a good bit like a film comedian, but he knows how to shoot baskets.

Camera Shop Kewpies will meet the Fort Wayne Studebakers in the first game, and this is not rated as a curtain raiser. The public two basketball games for 50 cents, which will entitle the holder to a reserved seat for no additional charge. Seats may be obtained at Zwissler's restaurant at any time.

**Young Lutherans Trounce Grace Methodists, 4 to 3**  
Second English Lutheran basketball team defeated the Grace M. E. five at the Y. M. C. A., Saturday afternoon in the first game of the Junior division by the score of 4 to 3. The two teams fought on even terms at all times.

The United Brethren team lost to the First Presbyterians in a fast game by the score of 12 to 10. The game was close at all times and the winner was never sure of the game until after the final whistle.

Second Presbyterians dropped a game to the St. Paul's Lutheran five by the top-heavy score of 2 to 1. The game was featureless and the winners had things their way at all times. Hasemeier and Hanseman were the stars of the game.

**Phi Delt's Prepare For Game With Union City**  
The Richmond Phi Delt basketball five will practice in the high school gym Monday night and all members of the team are requested to be present. The team is getting in some hard practice sessions in preparation for the game here with the Union City Phi Delt's on Feb. 13, in the Coliseum. This game will practically determine the championship of the Phi Delt's in Indiana.

The first game of the evening will be played between the Richmond Business College Girls and the Junior girls team of this city and a good game is expected as both teams are evenly matched.

Tickets for the game are on sale now and can be purchased from any member of the fraternity. The price of admission will be 50 cents.

Tickets for the old Detroit Rayls and Indianapolis Habichs game to be played here Wednesday night, Feb. 15, went on sale Monday morning at the Camera Shop. The entire lower floor has been reserved and the advance call for seats is very heavy, and gives every indication of a capacity house. People are urged to get their seats early.

No doubt these two teams are the best in the independent circles and are evenly matched. In the Habichs lineup will be Stonebreaker, Bacon, Johnson, Hank Stevens and Taylor. The Rayls will line up with Kavanagh, Voss, Demondy, Unger and Bostwick. The first game will be played between the Camera Shop Kewpies. Their opponents have not been selected. Manager Morrey is making every effort to bring a first class team here to play them.

## INVITATIONAL TOURNEY IS WON BY LIBERTY; TRIMS CENTREVILLE

LIBERTY, Ind., Feb. 6.—Liberty high school basketball team won the invitation tourney here Saturday by trimming the Centerville high school five in the final game by the score of 20 to 12. Liberty established a good lead in the first half, which was too much for the Centerville lads to overcome, the score being 17 to 4.

The Centerville lads came back strong in the final half and outscored the Liberty lads, but the early lead was too much for them. McCashland, the Liberty pivot, was the bright light of the game, making eight points for his team and playing the floor well. Fisher and Chambers put up good games for the losers.

## COLORED NET GAME BOOKED FOR TONIGHT

Probably the best game of the season on the Richmond A. C.'s card will be played Monday night at the Coliseum when they stack up against the Springfield Triangles (colored) from Springfield, Ohio. The Triangles have one of the best colored teams in the middle west and will make the locals hustle to cop the long end of the score.

The A. C.'s have been getting in some hard ticks of practice for the game and are all in the best of condition for the fray. Manager Tevis has been drilling the men hard on team play and the men are showing to a good advantage in this department of the game, and will depend upon this style to cop the bacon.

Pearl and Slaughter are the best men on the Springfield five and will bear a close watching. These two men are very fast and are capable of hitting the basket from any angle on the floor. They will cause the local guards considerable trouble in the game Monday night.

**The probable line-ups:**

## ZBYZKO WRESTLES TONIGHT

(By Associated Press)  
NEW YORK, Feb. 6.—Stanislav Zbyzko, world's heavyweight wrestling champion, who is nearing the fifty mark in years, will defend his title tonight against a former champion, Eam Caddock, who is two decades his junior.

## RICHMOND WILL WIN DISTRICT TOURNEY, ACCORDING TO DOPE

Has Richmond high school's basketball team a clear title to the honor of winning the district basketball tournament which will be held here on March 3 and 4? The greater part of this question has been answered in view of the fact that Richmond defeated Connerville high last Saturday night on her own floor by a 21 to 14 score.

Even with Connerville humbled, Richmond will have to consider several of the other fast teams in the surrounding country, as well as to look out for a possible comeback by the Connerville bunch. Connerville had made a prediction that her team would win over Richmond last Saturday by 15 points, but she was badly fooled. They have good material and they have a prospect of coming back and showing real ability in the court game.

Richmond is now hitting a stride which shows marks of training into fine physical condition and her brand of offense, coupled with wonderful defense, is beyond reproach. If the team keeps up the honors of the district will again rest in Richmond.

**Still Running.**  
Rumors from Fountain City and Hagerstown say that the teams are still in the running and that a real fight is going to ensue when the tourney whistle is blown. Hagerstown met defeat at the hands of Richmond a few weeks ago, but in view of the fact that they now have a new gym at Hagerstown the team may become accustomed to playing on larger floors and spring a surprise in the tourney. Root and Wichterham are two veterans of the Hagerstown five and they work together with fine play.

Fountain City high has a squad of youngsters which will fight to the last notch and with their dependable center, Hatfield, they are expected to make a showing in the tourney. A. Thomas, Evans and C. Miller complete the scoring machine of the Fountain team and they all work the floor with more or less efficiency. Therefore, Fountain must be watched.

**Liberty Steps Out.**  
Liberty stepped out last week and won her invitational tourney, defeating Earlham in the last game. The Liberty team has played little more or less consistency this year, but their stride is now carrying them along more smoothly and they will bear watching. Their lineup is composed of several fast players who get down the floor for short shots and who work together at all times.

Centerville and Cambridge will send their teams this year and with the extra ticks of work which they have been putting in, they will develop into better working machines. They have teams composed of old men who have had experience and who know the way to play the game.

**Brownsville Inconsistent.**  
Brownsville high school seems to be very inconsistent this year, but their progress bears watching, as they have defeated some good teams.

Probably the nearest rival Richmond will have, will be Connerville. Next in line will be Hagerstown, then Fountain City, fourth, Liberty, fifth, Centerville, sixth, Cambridge City, seventh, and Brownsville.

Centerville and Economy have been going fairly lively and may spring something which will be unexpected for and topple over some of the higher rated teams.

## Fish Propagation Cost State \$184,438 In Decade

INDIANAPOLIS, Feb. 6.—During ten years the State of Indiana has engaged in propagating fish for restocking public waters, the sum of \$184,438.24 has been expended, according to statistics just compiled by George N. Mannfeld, chief of the fish and game division of the conservation department. This sum includes the cost of all equipment, cost of erecting hatchery buildings, wages paid fish culturists and others employed, etc. The state at four hatcheries has in ten years reared and propagated a total of 38,984,000 baby fish which were planted in public waters. The average cost of each fish so produced was 47 cents including bass which, it obtained from commercial fisheries, cost 10 cents each at the fingerling stage. A total of 2,161,051 bass have been planted in Indiana waters by the state department in the last decade, Mr. Mannfeld says.

**Fast Stepping Franklin Will Test Quaker Team At Coliseum, on Friday**  
Coach Nelp's fast stepping Franklin basketball quint will be the next opponents of Earlham at the Coliseum, Friday night. This is a game long looked forward to by local fans.

Franklin recently upset the state dope bucket and set the sport critics to chattering by defeating the Wabash Little Giants a few days ago at Franklin by a one point margin. This was the second game the two teams had played this year, the first game resulting in a victory for the Scarlet, also by one point.

**Play Faster Game.**  
The Baptists this year are playing a different class of ball from that exhibited in previous seasons and credit for their superior showing is being given to Coach Nelp, who has developed a spirit in the team that carries them over. Records, star point getter who was a big factor in the Wabash defeat, is also given credit for the success of the team with his phenomenal goal shooting.

Coach Mowse and his Quaker five realize that they will be meeting a stiff proposition and will train this week accordingly. It is probable that several practice games will be played by the Mowmen. Reserved seats for the game Friday night are on sale.

## Chips and Slips

St. Paul fans are awaiting the coming season with added interest as a result of the acquisition a short time ago of Wallie Christiansen, erstwhile Yankees.

With any other club but a champion one Christiansen might have remained in the big show this year, so good is he. But the pennant-potting Yankees failed to figure out a place for him.

Christiansen joined the New York club last spring at Shreveport, La., and his form there and in the early season practice sessions stamped him as a comer. He got a chance in center field, but the coming of Miller hurt his chances of breaking into the lineup at all regularly.

Huggins sent the lad to Joplin with a string attached, and Wallie's work there verified Huggins' confidence in him. He was recalled. He is a south paw in throwing and hitting and handles himself well. He does need a trifle more experience, however, and ought to get it with the Saints.

A country schoolma'am was examining her pupils for the benefit of the members of the school board. The youngsters went through their paces

nervously and did fairly well until the question, "Who wrote Hamlet?" There was a lull of exhaustion and no one answered. She asked again, and this time more sternly: "Who wrote Hamlet?"

Little Johnny Jones piped up defiantly, "Please teacher, I didn't." "Ha, ha!" Director Blank chuckled about. "The little Skeesicks! I'll bet he did."

Purdue is now the undisputed leader in the Big Ten race for basketball honors, being the only team that has a clean slate. Indiana broke Minnesota's winning streak, Saturday night and Chicago trimmed the Illinois crew on the same night. Purdue plays Illinois Tuesday night at Illinois, and should Illinois win the Old Gold will go into second place. Both teams have been weakened by the loss of a star player on each team.

Richmond high school put the skids under Connerville Saturday night in one of the hardest fought battles that has been played on the Connerville floor, this season. Richmond had just returned from a long trip to Louisville, Ky., the night before and it was rather doubtful if she could turn the trick.

Joie Ray, the Illinois A. C. speeder, set up a fine mark in "The Hunter" mile race at Boston in the feature event of the Boston A. C. annual meet, Saturday night. Traveling the distance in the fast time of 4:20.5, he broke his former record of 4:22.15, which he made in 1919.

Candidates for the Purdue baseball team were called for the first practice, Monday afternoon by Coach Ward Lambert and his assistant, "Hump" Pierce. Several of the men on the basketball squad who were members of the team last year will not report until after the net season is over.

Kessler, Richmond forward, was detailed to watch M. Williams, Connerville's all state forward, and the clever Whitey took care of him in fine style. Kessler led the reputed factor of Connerville's win, the Old Gold, and all these were at a time when Kessler was busy on offense. Connerville high is banking too much on their Mr. Williams, and if they don't watch their step, they will have a one-man team.

Danny Rost soon found out that the Connerville bunch was sticking him, and turned the scoring department of the game over to Harkins and Kennedy. Dan made up his mind that if he was being ridden all over the floor, that he would play a defensive game and treat them the same way. He reinforced the guards and made the Red and White defense all the more invincible.

## NOT EXPECTING CRACK STATE BASKETBALL TEAM THIS SEASON

INDIANAPOLIS, Feb. 6.—Present indications are that there will be no outstanding basketball team among the Indiana colleges this season. Sports writers and other followers of the net game admit that it will be almost impossible to consider any one team as the undisputed champion in basketball.

Recent upsets such as Indiana's defeat of DePauw, Franklin's wallop of Wabash, Capt. Don White's ineptibility at Purdue and other overtures earlier in the season have tumbled the basketball situation into a chaotic condition and it now appears that there will be no best team in the state, but rather there will be four or five good ones.

**To Continue Schedule.**  
Purdue will continue its Western Conference schedule this week without White's services. The Boilermakers have two hard games ahead, Illinois at Urbana Tuesday night, and Indiana at Bloomington next Saturday night.

Other games of the Indiana colleges set for this week follow:  
Monday—No games scheduled.  
Tuesday—Purdue and Illinois at Urbana; Butler and Wabash at Crawfordsville; University of Louisville and Franklin at Franklin; State Normal and Rose Poly at Terre Haute.

Wednesday—No games scheduled.  
Thursday—No games scheduled.  
Friday—Evansville college and Butler at Indianapolis; Franklin and Earlham at Richmond; Rose Poly and Hanover at Hanover; Indiana Dentals and St. Viators at Kankakee, Ill.; Valparaiso and Concordia at Ft. Wayne.

Saturday—Purdue and Indiana at Bloomington; Northwestern and Notre Dame at South Bend; Muncie Normal and Terre Haute Normal at Terre Haute; Indiana Dentals and St. Joseph at Rensselaer; Evansville college and Oakland City college at Oakland City; Valparaiso and Huntington college at Huntington.

A pretty Christmas custom is observed in Austria, where, in thousands of homes, lighted candles are left all night in the windows, so that the infant Christ, when he passes through village or town, may not stumble.

**IF KIDNEYS AND BLADDER BOTHER**  
Take Salts to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an inflammation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again the kidneys are difficult to get rid of. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful
