Interesting January News.

Now comes the annual January clean-up and we are going to quote such prices as will make short work of it. Rerunning stocks after our seasonal holiday sales reveals many lines badly broken and some in which we are entirely too long. For instance: In shoes and slippers, the lines are much demoralized, while in rugs and curtains we find ourselves with more on hand than we should have (owing to the encroachment of the dry dept.) Taken as a whole, however, the stocks are ample to supply even more than an unusual demand and what we save for you now will be a wonder. Every Day in January will be a real Bargain Day.

New Waisting Materials. Four Rattling Bargains. Special Offerings in Good Shoes. Slush in Cloaks Continued. Reductions in Men's Wear.

People tell us they never see such good bargains as ours and when they think of the price always with they had bought more.
