SPORTS OF SEASON--BASEBALL

EVANSVILLE GIVES AGGIE MUCH CREDIT

EVA PAPERS ARE BOOSTING FORMER BRONCHO MANAGER.

PLAY FIRST GAME APRIL 4

Grant Has 27 Men on Roster—When Little Warrior Took Hold in January He Had Only Few Players.

To Manager Angus Grant, of the Evas, is due the utmost credit and support. He is the man, who has gotten together a bunch of men, when three months ago, Evas were in the dark as to class for a team this season.

When Aggie took hold of the Evas in January there was but a sprinkle of veterans and no new men signed for this season's team.

Each of the seven other teams in the circuit had weeks before begun to swell their roster. Some began immoderately after the close of the 1909 season.

Some managers might have thought it a great undertaking and become disgusted at the start. It was not so with Aggie. With the same pluck and earnestness as he has demonstrated during his managerial career, the manager of the South Bend team he started out to choose a team for the Evas. When he was there he was informed by a great many that Evansville would not support a losing club. The team last season was poor enough. Aggie knew that.

After two months of toil, some days of which he worked half the night, he has gotten together a team which looks good for the race.

Aggie is a great scrounge. All of the new men come with strong recommendations.

Some of them proved phenoms in smaller leagues. The old men will not be outmanoeuvered. Aggie knows that for example has been known to pick out a good eye for a ball player, and he has sent a great many of the youngsters, whom he has signed in uniforms.

First Game in Week.

The first game of the season will take place Monday, April 4. The Evansville team will play a home game on that date. The same team will play the following day.

The Buffalo club will be southern on April 11 and 12, followed by the Havana Cubans on April 13.

Twenty-seven Men on List.

Twenty-seven men have been lined up heavy for the Evas this season. They are:

Second baseman, owner and manager—Aggie Grant.

Catcher—Doyle, Cady.

Outfielders—Groerer, Snyder, with Columbus last season; Fourney, Parham, both with independent organizations; Hoover, Hoover, Ryan, of Notre Dame university club; Steele, with Frankfort in the Blue Grass league last season; Ellis, a youngster from northern Indiana.

ZBYSZKO EARNS BOUT WITH GOTCH

GIANT POLE TAKES TWO FALLS FROM YUSSIF MAHMOUT.

Greater Strength of Victor Accounts for Result—Vanquished a Clever Wrestler.

CHICAGO, March 30.—Struggling for one hour and a half in as desperate a battle as ever has been seen on any wrestling mat, Stanislaw Zbyszko, of Poland, pinned the shoulders of Yussif Mahmout down in defeat in two straight falls at the Coliseum last night.

Not only did he gain much glory by this achievement, but he addition secures the coveted match with Champion Gotch, which will bring him many shekels and greater glory should he be victorious in the battle of the mile from Gotch. The first fall was scored with a half nelson and crotch in 1:04:41 and the second in 31:42, with a back bar arm and half nelson.

It was not any superior knowledge of the art of grappling that brought victory to the Polish giant, but greater strength, although it must be admitted Mahmout was not lacking in this respect. In the power of endurance the crown must be given to the Polish giant.

One of the largest crowds of the local mat season, wedged into the Coliseum, and the entertainment, as evidenced by the noise of the spectators, came up to the expectations.

The popularity of Champion Frank Gotch was evidenced by the cheering through the crowd to the ringside. Shortly after this Dr. Roller, the Battle Royal—weather, was introduced from the ring. The cheers were loud and long, and the doctor, through the ropes he did, was terrific. Yussif Mahmout and Zbyszko opened hostilities.

Notre Dame Player Signs.

MENDOTA, Ill., March 30.—Rufus Waldorf, one of Notre Dame's famous twirlers in 1907 and captain of the team in the same year, has signed up to play with the Streator Reds this season. Waldorf pitched for the St. Louis National league at East Liverpool, in the Central league with Wheeling, in the Western league with Sioux City, and in the Northern league with Fargo.

Hoops Makes High Average.

LOS ANGELES, Cal., March 30.—Willie Hoppe last night averaged 500 in a 600 point match at 18-2 balk line against Ed Ponsford. Hoppe's high run was 173. Ponsford made 108 points with high run of 177.

DAYTON AND TERRE HAUTE SQUADS TAKE HONORS FOR EARLY START

The real honor of starting out first goes to Dayton. A full squad reported to Manager Knoll at the Vet park yesterday. Enough were on hand to play a regulation game. Yesterday the day was devoted to indooring the joints, and straightening out the plant. Knoll was highly pleased with the showing. Sykes, first baseman, looked well at first base, although no hard work was given him.

Terre Haute also had a taste of baseball at the Athletic park. Three players were out on the grounds with Manager Stimson and yet in no hurry to report. Three veterans, who has been keeping in condition all winter, showed up in better form than the others. Manager Stimson has got out the first managerial dope of the season in the shape of what would go up at the end of the season.

Although Heinie Tiemann, Buck Connors and Harry Arndt have been practicing at Cartier field at Notre Dame for two weeks, few care to see them, so their work is not to be compared with the work of the Central season boys. It will only be when the signed gathers at Springbrook and that

KLING'S FINE IS $700.

Cub Catcher Must Pay Money Himself—Goes to Cuba.

By Associated Press.

CHICAGO, March 30.—John Kling will be forced to pay a fine of $700 to get back into baseball. This catcher, who jumped his contract with the Chicago Nationals, must play at least the next season with the Cubs. Kling must pay the fine himself, no one being permitted to pay it for him. The Chicago club said also show why it should not pay a fine for offering to take back the ineligible player.

The national commission's finding in brief is as follows:

"1st. The player will be required to return to the Chicago National league club and fully carry out the contract that he had previously entered into with that club and particularly to perform the duties of salary stipulated in that contract.

"2nd. The Chicago club will not be permitted for a period of at least one season to either trade, sell or release the services of the player while operating under the national agreement.

"3d. The player will be required to pay a fine of $700 for his action with respect to the Minneapolis club and the Minneapolis-Athletic club, permitting the Minneapolis club to ineligible player (Fraser) to participate in games with that club.

"4th. The player will also be required to pay a fine of $500 by his action in violation of the national commission, and $500 additional for his violation of that rule in open defiance of a notice from the commission not to do so.

"5th. Neither the Chicago club nor any other club or person connected with organized baseball will be permitted, either directly or indirectly, to reimburse the player for the fines imposed in the preceding paragraphs.

"6th. The player will be required to pay the fine herein inflicted to the secretary of the national commission within ten days from date, or be ineligible to any game in organized baseball.

"In this case the Chicago club has admitted that it has tendered the services of a player who was guilty of violation of rule of baseball, herein so, that is to say, after the player had made himself ineligible on account of his actions in playing in Chicago last fall, the Chicago club, with knowledge of the facts, proposed to show why they should not be fined for their action in this respect, for the violation of this rule.

"We recommend that a copy of this finding be transmitted to the president of the American league, to the president of the National league, to the president of each American league club, and to the secretary of the National association of professional baseball leagues.

"T. J. LYNCH,
"AUG. HERRMANN,
"National Committee."

KANSAS CITY, March 30.—Lynch said: "Although the terms imposed by the national commission are pretty severe I shall abide by them and it will afford me the greatest delight to greet the West Side fans in Chicago when I get back from Kling to-day when application is made.

"I know the national commission is the court of last resort in baseball, and when it tells a fellow what to do he has to do it," added the catcher. "I don't care a rap about the fine, but as my lay-off is to play for a salary of $4,500, but I love baseball and I am willing to meet the conditions in order to get back into the game.

"I don't care to play for Chicago than any other place on earth. The fans in that city have always been very kind to me and I tell you I shall mightily glad to get back into a Chicago uniform. I hope to be able to get back into the game, and I shall do the best I can, and I shall join the Chicago club within five or six days after I receive the notice.

"It was impossible for me to play ball while the matter of my fine has been hung up in the air and took up all my personal attention."
