TOM HALEY OUSTS RICHTER FROM LEAD

DETROIT BOWLER BREAKS RECORD WITH 705 PINS.

SOUTH BEND MEN IN MONEY

Campbell-Zimmerman Take Fifth Place and $250 in Doubles —Chicago Man Barely Beaten Out in Singles.

DETROIT, Mich., March 17.—Detroit broke into the prize money of the American Bowling congress tournament good and strong at almost the last moment yesterday, when Tom Haley won first place in the singles with the unprecedented score of 705 and also captured the medal and $100 cash money for the highest total for games with another record-breaker of 1,861. The former high mark in the individuals was 699, made by Archie Wengler, of Chicago, at Cincinnati in 1908, and the best previous total for nine games was 1,818, made by R. Crabbe, of East Liverpool, O., at the same tournament.

Everybody thought it was all over but paying the bills when Haley, who had nothing in the singles and nine games classes when Haley broke loose with his great record-breaking pin smashing. He opened with 236 and raised it to 252 in his second game, the combination giving him the edge over Wengler, who had 251. He needed only 193 to best Richter, but he made it good by landing 201.

Dalker and Waterman, of Titusville, won the doubles with 1,241, three pins ahead of the Campbell-Zimmerman team, of Chicago, Charlestown and Detroit, with the latter also landing the extra $250 for he best score in the nine games.

TWO PROMINENT MEMBERS OF THIS SEASON'S HOLDOUT BRIGADE

Cammitz and Bush were two of the holdouts that gave the fans much worry. Heard Cammitz refused to join the Pirates and Owlie Bush refused to join the Tigers. Both finally came through after a period of discontent that gave the Detroit team the scare of their lives. He refused to handle the pill for the American champs until a raise was given him. Bush was on a larger salary. Pitcher Cammitz announced just when his pay envelope should contain before he would dolge up with Manager Fred this year. Cammitz knew he was a big factor against the world's champs, but the fact that Clarke said to himself Cammitz should get just as much as Clarke, thought he was worth and not a penny more, a man who will sacrifice Pitcher Willis and First Baseman Abstein on principle, and Cammitz knew that he left Cammitz on the ground to carry out his own ideas. Cammitz came in the fold yesterday.

FLYNN IN TRIM FOR LANGFORD

WHITE BOXER HAS GOOD CHANCE AGAINST NEGRO.

Even Money Offered Sam Will Knock Out Opponent in 15 Rounds—Woodman Gets Own Rules.

By Associated Press.

LOS ANGELES, Cal., March 17.—Two to one was the morning odds on Langford in his fight with Flynn this afternoon at Vernon. There was a great deal of betting and a keener interest displayed than in any other fight held here since the Sharkey-Griffith fiasco. This was due to Flynn's showing against the black giant. Flynn has improved a good deal since he left Sharkey and getting even for the one-round knockout Langford administered in San Francisco some months ago. The apparent reversal of form gave the Sharkey-Griffith crowd a chance to bet. Sharkey was 10 lbs. had that he would not last more than 15 rounds of the 45 scheduled.

Both men trained faithfully. Along in pounds the better weight. It was pointed out would see in Flynn's entrance to the ring that he had put on fighting into a much larger frame and is several inches taller. But Joe Woodman, Langford's manager, contributed a obtain fight rules which it was hoped would prevent Flynn from using his ability the white mule's wild style of fighting.

JOE RAIDY GUEST OF OWNER ANNIS

STAG MANAGER VISITS SOUTH BEND—GRANT HERE.

PRESIDENT CARSON HOME

Schedule Making Requires Attention Former Bronchos Leader—John Adams One of Four Prospective Drafters.

President P. R. Carson retired last night from the Dayton schedule meeting having stopped off on the way for a few hours in Fort Wayne. Eddie Wheeler, owner of the Bronchos, accompanied the president to Fort Wayne and stopped off for a short time. Wheeley went to Grand Rapids from Fort Wayne yesterday. Bert Arnia, owner of the Stags, and Joe Raidy, his manager, with Angus Grant, owner at Evansville, reached the city last night from Toledo.

Schedule making is requiring the attention of Grant, who was up till a late hour last night in consultation with John Adams, of the city. Adams was one of the four schedule-makers who were ordered to make changes in their drafts and submit them to Grant, Redelle and Herrick within the next week.

The executive meeting of the committee of three and President Carson will be held either in this city or Toledo. The meeting will probably be held next Tuesday and the chances are that the meeting will be held in this city if the downfall of several prospective schedules.

Joe Raidy comes to South Bend to make permanent headquarters until the opening of the season. He is looking for a room and expects to be located in a short time. TWO ENTRIES FOR EACH TRACK EVENT

NOTRE DAME AGREES TO OHIO STATE'S REQUEST.

Dimmick's Shoulder in Poor Shape—Edwards May be Used in Hammer Throw.

Manager Kostick, of the Notre Dame track team, has announced that in the coming meet with Ohio State each college would be allowed but two entries in each event. This is done for the benefit of the Ohio State team. As they have a long distance to travel, it is impossible for them to carry a large squad, while the Notre Dame team will have its entire strength. This act shows the sportsman-like tactics for which the gold and blue is noted.

Coach Marie has already held a few trials for the coming Ohio State meet. The important trials will come today. These will be for places on the relay team. In many events the relay has been the deciding event of the meet. Coach Marie has asked the Ohio coaches to bring their men in this event. Those who are the most probable candidates for the relay are Fletcher, Wasson, Duffy, Devine, and Mulcahy.

Capt. Davis has not yet returned from the trip to Milwaukee. Directly after the meet he went to his home in Fond du Lac, where he is training with his father. The Ohio Captain will be called upon to fill the hole and the coach expects him to carry off the honors. Duffy has returned and started in at once to get in condition for the meet. Duffy is in good condition and much is expected of him in the mile and quarter mile. Dimmick's shoulder, which was hurt in the Michigan game, is still bothering him and he is not able to do much of here. If it gains his strength the coach will put Edwards in his place. Dimick is the best hammer thrower in college and the coach does not want to take any chances of injuring him for the Ohio meet. He is a certain to win of the coach that he will win this event in the conference meet.

FIST FIGHT IN CHURCH.

Three-Round Bout at Xenia, O., Causes Deep Furrs.

By Associated Press.

XENIA, O., March 17.—A three-round fist fight and Queensberry rules, that took place in the basement of the New Reformed church at Church and Detroit streets, has stirred religious circles here deeply. The principals were Cleveland men, who were working on the roof of the new structure.

The men fought first on the roof and then, when they quarreled at the workman, went to the basement to settle their difficulty. A ring was hastily marked off and the men went at each other hammer and tongs.

The fight lasted three rounds and at the end of the third, the larger of the men was thoroughly whipped. He packed up his tools and left town.

ST. JOSEPH RING BESTS UNCLE SAM

CITY AND COUNTY EMPLOYES DEFEAT GOVERNMENT MEN.

U. S. Militia Starts Out Like Sure Winners, But Fall Down in Big Indoor Game and Pool.

The city and county 'ring' proved to have a better organization than Uncle Sam's "combination" last night in an entertainment at the Y. M. C. A. and the local officials took the lion's share of the contests, which were engaged in. The government men started out like sure winners taking the bowling and billiard contests in quick succession. But the local men came back with winnings in pool and indoor baseball.

Bob Schaefle, a bowler who recently attended a national bowling tournament at Detroit, was with the U. S. bowlers and he was constantly terrorized with "dings" to the effect that he was more in his class at the Y. M. C. A. than he had been in great shape and he lost 683 to 471. The dinging was as follows:

Government — Schaefle, Scarlett, Zipperer, Smith and Preshafer. City — Taylor, Christlieb, Pilmeier, Sweyer and Hodgers.

The local bowling sting squadron also took the billiard contest, 31 to 44. The billiard teams were: Government—Charles Pierce, H. G. Wilson and G. W. Zimmerman. City—Harvey Rostin, Chester Alward and H. E. Schwartz.

"H. Joe" broke into the winning column in pool when the county and city employed took four out of six games from the Uncle Sam team. The twenty mark for the winner. The pool players are Government—C. Pierce, A. G. Wolse, H. E. Shaw, W. T. Henderson. City—Marshall, Hughes, Ralph Clark, Willis and Robert Hill.

Taylor, a member of the East Central station fireman's team, was the big stumbling block for the U. S. minute man in the indoor game. Valhert showed a collection of curves, fade-aways, slow balls, and drops that the Uncle Sam team was guessing. The final score was 1,000 to 7 for the city men. The nine were as follows:

Government—H. Wilson, catch; P. Pierce, pitcher; Hughes, first base; C. Weber, second base; E. Lancaster, third base; W. Berich, right short; Frank Zipperer, left short; Captain Palmer, right field; W. L. Henderson, center field; E. Whitinger, left field.

City—Frank Christlieb, catcher; George Valhert, pitcher; Chester Alward, first base; F. Hilmeil, second base; Harvey Rostin, third base; Charles Hodgers, right short; L. Sitt, left short; Harry Josephson, left field.

The "nine" was visited at the closing "splash" of the evening. About 150 men were present of the U. S. A. during the evening. The next Wednesday night the Y. M. C. A. will be a mixed social for the members of the Y. M. C. A. and their lady friends, the members of the Y. W. C. A. and the ladies' auxiliary of the Y. M. C. A.
