FORT WAYNE AND BRONCS PLAYING AT SPRINGBRROOK

ACT AS AXIS IN MERRY-GO-ROUND

BRONCHOS SMOTHERED BY TOTS 16 TO 2.

CY ALBERTS HELPLESS

Heathens Jump on South Bend Twirler for 17 Hits, Totaling 21 Bases —New Shortstop Fails to Make Good.

The Tribune's Special Service.

TERRE HAUTE, Ind., July 21.—"We love our baseball, but oh, you howling farce." Cy Alberts and the Bronchos. Result, Terre Haute 16, South Bend 2. You see the Tots joined in the chorus with a will.

Cy Alberts was the leader of the musical attraction straight through. From the center of the diamond the big "Rube" handed the Tots whatever was most to their liking and the Heathens proceeded to fatten their batting averages on his bounty. Seventeen hits for a total of 21 bases were chalked up for the locals.

Schricker Did Well.

Schricker, for the Tots, also did his level best to see that nothing resembling a close decision should be the outcome of the near-game. The big fellow worked consistently throughout and succeeded in not only to be counted against him. Krug and Coffey bothered him more than the others, each of these outfielders getting two hits, but nothing even threatened to change the foregone prediction in the first round. Both of the "stations" scored were results of errors.

In the field the Bronchos backed Cy up with fair both.

Manager Grant, of the visitors, tried Ewing in the second, Cravens in the fourth and Carey and the new-comer was left catcher when the team set out for South Bend.

Start Scoring Early.

Terre Haute started in to take the starch out of the Bronco early and apparently intended to make a clean job of it. Three runs came in the first round on as many hits. From then on there was nothing but "Tots" visible, the two runs allowed the visitors coming when the winners eased down slightly in their pace.

Twice in the Terre Haute batterson round the ire of the scorers by batting around. Figure three is common in the Terre Haute hit column and DeHaven, the one Tot who is creating a reputation for batting, proceeded to do better by tearing off four hitches. The score:

Cubs After "Kid" Wares.

ZANESVILLE, O., July 21.—The Chicago National league club has sent a feler on "Kid" Wares, the clever local shortstop. Cub scouts have been watching the local shortstop for some and that he has looked good to them is apparent from the fact that they want to know how much cash it will take to get him as one of the candidates for Joe Tinker's shoes, the present Cub shortstop.

EASY FOR PURCHASERS.

Accounting Department of Studebakers Swamped at Indoor Baseball.

In a game marked by wild hitting and spectacular fielding, the Purchasing Department team, of Studebakers' yesterday swamped the Accounting department team, at indoor baseball, by the score of 11 to 4. The game was a "Fourth of July" affair.

The purchase team had dented their heavy hitting rags and clouted the big ball unmercifully, the boys from rule were chalked up by the Bayers. Hinds, who did the twirling for the Purchasers, was invincible, holding the opposing team to four hits. The teams lined up as follows:

Purchasers—Barrett, catch; Emmons, left shortstop; Chapple, first base; Brinks, second base; Garcous, third base; Hinds, pitcher; Hoffman, right short; Thorn, left outfield; Beahm center field; Kindig, right field.

Accounters—Stone, catch; Fulmer, third base; Rodgers, catcher; Brush, right shortstop; Boardman, pitcher; Clement, second base; Cuikerby, first base; Hoffman, left short; Garson, center field; Crosby, left field.

Home runs—Barrett, 2; Beahm, 2; Wheaton, 1; Kindig, 1; Brush, 1. Umpires—Johnson and Heath.

NEW MAN LOOKS GOOD; SHIFT INFIELD TO-DAY

Walsh to Third, Cora to First, Craven to Right Field.

Grant, who reached South Bend with his Bronchos this forenoon, thinks he has picked up a good prospect in young Carey. The Terre Haute recruit who played shortstop with the team in yesterday's game.

Carey will probably not be worked for the next two or three days as Walsh will make an attempt to secure the third base position. Walsh will be set over to the short field. Cora brought back to first base and Craven sent out to his old stand hold in the right field.

Carey, the new shortstop will also hit for up to his old game, this will give Grant an exceptionally strong infield. Either Carey or Carlisle will probably be held for the utility role.

Potter Cripples Better.

Manager Montgomery has abandoned his crutches. He still uses a cane.

Sporting experts to be able to get along without crutches in a couple of more days. It will be several weeks, though, before he can get back into the game.

"Doctor" Holmes is getting along slowly. His finger festered and is quite sore, but he should be able to get back in harness within another week.—Springfield Times-Republic.

NOTES OF THE DIAMOND.

An attempt to catch a baseball dropped from a balloon 500 feet above ground will be the stunt of "Happy" Hogan, catcher of the Vernon, Cal., ball club in the near future. He will thus endeavor to better the feat of Charley Street, the Washington catcher, who recently caught a ball that had dropped from the top of the Washington monument.

Since joining the Champ Pitcher Moore has officiated in four games and has lost two. Both of these have been dropped because the Champs failed to hit the opposing pitcher. Moore is a nephew of Jim Hart, president of the Cubs.

Beecher, last season with Dayton, is held for base-stealing honors of the National league with Hans Wagner. No number the scouts are looking all over the country for a base stealer.

Outfielder Hooper, last season with Wheeling, has been doing good work for Springfield, Mass.

Catcher McKean, given a trial by the Zanesville at the opening of the season has been signed by Dayton to help out while Pearce is sick for duty.

CLAFFEY MAY PROVE TO BE ANOTHER OF GRANT'S "FINDS"

Grant took Owsle Rush when Dayton thought him not worth trying and he developed into a good outfielder in one year. One year before Owsle is making the biggest noise around short cy in the American circuit. Grant took Kocher after the latter had all colleges in Michigan, kept him in a utility role with South Bend for one year and then sold him to Terre Haute at double the price he paid for him to an American league club.

Claffey was called to the players bench when the sudden sale of Kelly left Grant without a shortstop and he made an infielder of Claffey and lost no paradise. Claffey jumped in the first game and did himself proud. Grant watched his work and made mental notes. After the game he said the youngster had a private season on the diamond. Grant knew what he needed. Grant knew what he needed. Grant took him on this last trip. He didn't see the league on fire but he held his own consistently. He looks good, whether he stays with the Bronchos for the remainder of the season or is placed with Little Rock, Grant's Southern Association. The Grant, works to and youngsters higher.

LIST SOUTH BEND HORSES AT KAZOO

DR. C. K. AND DOLLIE S. OWNED BY F. R. CARSON LISTED.

Entries for First Grand Circuit Event Closed Yesterday Throughout Lower Michigan.

Yesterday, the closing date for entries for the Grand Circuit races at Recreation park, Kalamazoo, saw four new entries from the Harry Hoffman training stables as follows:

2:17 pace, Dr. C. K., br. g., owned by Dr. R. F. Carson, South Bend.

2:12 pace, Marbold, b. m., owned by Kirkland and Bailey, Mattawan, Mich.

2:19 trot, Dollie S., b. m. owned by Dr. F. R. Carson, South Bend.

2:12 pace, Rose M., b. m., also named in the race, owned by J. R. Keach, St. Louis.

Although last years' entry list for the opening event was considered large, it is thought the lists closed yesterday exceed it in number.

The interest is great and increasing daily, and the horses are showing good development work in preparing rapidly and before the first day's racing everything in the line of track, paddock, and seating accommodations will be in perfect order. Workouts continue daily.

"CHRISTY" BREAKS FINGER

Star Giant Twirler, Will Be Laid Up Two Weeks.

NEW YORK, July 21.—New York's chances for the National league pennant received a serious set back yesterday when, in the seventh of an 11 inning game with St. Louis, "Christy" Mathewson, the team's star pitcher, had the second finger of his left hand broken in dropping a line from Delahity's bat. Mathewson has been New York's one consistent winner this season, and has not been defeated since June 12.

Mathewson left the game immediately and the surgeon who attended him reported that it would be at least two weeks before he could twirl again. Mathewson was to have pitched heavy on Saturday in the series with Chicago starting Thursday.

Good Word for the "Umpire."

While the action of Umpire Gaudaur knocking Baldy down is to be regretted, he certainly had grounds for his attack. Baldy's actions in the umpire should take comfortable from the players before he engages in a fistic encounter, there should be some sort of rule to prevent a manager from using such language on a ball grounds.—Evansville Courier.

BAT HAS PRAISE FOR AD WOLGAST

BUT THINKS HE WOULD WILT IN DISTANCE COURSE.

Dene Spends Day in Chicago En Route East for Charity Boxing Exhibition.

CHICAGO, July 21.—Battling Nelson reached the city yesterday from the Pacific coast and departed to-day for New York, where he is to give a boxing exhibition for the benefit of the New York newsboys. The lightweight champion looked in the best of shape and had nothing but commendation for someone he recently met at Los Angeles.

"Wolgast is a good, tough, young boy," he said, "and he got up a great book—but I'm willing to take him on any time he wants to go over the distance. I'm willing to sign with Pedick and if he can make a good showing with either a couple of rounds, I'll give him a couple of rounds myself. I don't make the lightweight limit. I'm 10 pounds this day inside of one week and then intend to rest for a couple of months."

Nelson said that he intended to proceed slowly back to the Pacific coast and that he would stop off at Reno, Nev., and that he expected to stay out for a time and rest at the Bar-O ranch in New Mexico. There he will go well go to his ranch at Livermore, Cal., and he will take up his farm, and then he will take up his ring to fight again. He says it is possible he will do this in the fall.

Nelson laughed at the idea that Wolgast would be able to "beat him down if the bout had lasted long enough."

"My lucky number has always been 27," he said, "and if that bout had been set for 27 rounds, Wolgast would have taken the count."

The Battler has now developed an ambition to see his young brother, Charley, through the University of California financial course. His career will depend on the Battler's ranch.

Melville Shepard Has Sum Prop.

NEW YORK, July 21.—Melville E. Shepard, the world's champion middle distance runner, who won both the 880 and the 1,500 meter championships at the Olympic games in 1908, announces in a letter that he has chosen on the roll on one of the ships of the Hamburg line from competing in any of the athletic meets this season.

DITCH CARS AND JOIN STREET FIGHT

GLIDDEN TOURISTS HAD BUSY TIME ON DAY'S RUN.

PRIZE FIGHTER VICTORIOUS

Knocks Out Two Observers Before Locked up—Two Cars Damaged in Attempting to Avoid Collision.

By Associated Press.

FORT DODGE, Ia., July 21.—The Glidden tourists resumed their journey this morning with Burnell Muffs the destination to-day. The distance is 194 miles. The weather was ideal and the roads in fair condition.

Secretary Ferguson, who was injured yesterday by being thrown out of car No. 87 which was ditched by the breaking of the steering spindle, will complete the tour by rail, going on the special train. His injuries were not serious.

Eventful Run Yesterday.

The sixth day's runs of the Glidden tour, which brought the A. A. A. cars here last night, proved to be an eventful one, the day's journey resulting in three cars being ditched and the injection of three additional pedestrians. A street fight, in which Chief Of Police Ryan, of Fort Dodge, and a prize fighter, figured, afforded the Gliddenites their last exciting incident of the day.

William Bulgers, in his Chalmers Glidden car, was the first to come to grief. A deer ran across the Winnebago road while returning to the road had got his car in the ditch to avoid hitting a young man and women who walked across the road in front of the approaching machine. A number of spectators who witnessed the accident delayed the car considerably and will result in a penalization to be announced later.

The E. M. F., which figured in a collision with a team of horses, failed to avoid hitting a horse and buggy near Bancroft and broke a rear wheel. The injured team which carried the travelers' baggage was ditched for the same reason near Algona.

Three Knock Outs.

The fight in which Marion Reeves took part was short but exciting. A "Kid" Gallagher, who claimed to be a "Kid" Hallagan, ended an argument with a local resident by knocking him down. The "Kid" was about to administer further chastisement to the unlucky Pi. Dodge men who remained upon the ground when Reeves down. Reeves, who was accompanied by Mr. B. J. Lynon, who came to the rescue fared no better and two gatlemen were required to remove the Des Moines fighter to a jail, both of the men being fined $100 and costs for the disturbance.

Additional penalization was given to the Maxwell No. 107, Hower cup car and the No. 11 Midland Glidden entrant. With the Chalmers penalization to be announced later, the Maxwell and Midland cars will be penalized for tightening a loose fender iron and the Midland one six-minute points for repairing a leak in the water manifold.

The run from Mankato was short and the cars arrived in good season, the roads being good in places but would have been very difficult to traverse in rainy weather, as many stretches of Iowa dirt roads are. Cloudy weather prevailed.

Gliddenites slept in the Pullmans last night, the cars being left in the hands of the watchmen. The trip to Kansas City, the cars meeting the tourists at each night's stop, standing of the cars:
