HUTS RISE IN RAIN

McCONNELL'S MEN BEAT WHEELING WHILE LOCALS REST.

TOM PROBABLE PITCHER

Williams Selected to Work in Opener at Dayton—Grant to Bolster Team —Cross and Johnson Hit Well.

While the South Bend aggregation was forced to remain idle in Dayton yesterday on account of the heavy rain which swept the United States and Ohio, Terre Haute surprised everybody by winning the opening game from Wheeling and tying the locals for next-to-the-bottom. The rain left the grounds at Dayton rather wet, but the chances are that a game will be played at the home of the Vets to-day as the sun has come out again. Williams was slated to work for the South Bend team and perhaps Malley for the Vets. Malley pitched the final innings of the game Monday, but was ready to go in again yesterday and may be ready to pitch to-day.

The defeat of the Champs in three games, only one of which seemed to be lost, has caused the fans to sit up and look and they are prepared to give the Dayton crowd a hot fight for the series which begins to-day. The hard luck which has been pursuing the Champs and has since the beginning of the season made their turn been lost, somewhere and a further change for luck may is freely predicted by fans and critics.

Grant Increases Strength.

Manager Grant is still bent on increasing the strength of his team and one or two players are slated to join the Champs soon. Manager Grant and Tiernan so regulate the hitting ability of the locals has been increased and the rest of the team is in good shape and playing ball as good as can be expected. Williams, Cross and Johnson are the best hitting backstops in the league and both are catching good ball. The stolen bases recorded by the Grand-Bedore team are not so numerous as the fault of Cross, who gets the ball to second every time, but rather more due to the absence of the man-agent, who has been covering second in the Champs on account thereof. Grant and Blair swipe little bases all around second and several of Frank's first rap pops slipped by unheeded. Cross is a heady player besides and did a good deal towards balancing up the bunch of youngsters in the absence of Grant yesterday.

Grant was injured in the game Sunday in a collision with Conaway, but not seriously and will be not again in the game to-day, it is expected. With the Vets in the cellar and the Champs the team pays up a firm game and a good record on the present trip is expected.

No Stretch in Schedule.

The plan proposed by Owner Arnold, of the Grand Rapids team, of having the Champs and Vets come to even up for the lost games and money during the awful spring has not been received with great acclaim and probably nothing more will be heard of it. The Champs will have to be a brace Amold will be satisfied to let the season go as it is.

President Johnson left last night for Springfield which town he will visit Friday and Saturday. President Johnson yesterday was especially anxious to have the doctor come down to Toyland at this time so that he can see the Bisbee and Champs in their initial contests of the season and he wired or telephoned the boaters to try to be on hand Friday. The president probably will stop at Dayton, too, and see the locals in one of their engagements with the Vets.

HUTS HALT LEADERS.

Smith Holds Wheeling to Three Hits —Score 3 to 2.

HEAD HITS FOUL, MEN IN HOWL.

Police Rush Up, on the Run; Find Each Player Has Big Gun.

Tuscumbia, Ala., June 5.—If a foul ball hits the catcher on the topknot good and square, bounces off and dies unerringly a block or so in air, and if the big man on first base gets his foot on the bag, is it a foul or a fair, or is he safe? Well, just ask Hank O'Day.

If the catcher is a colored man, with coal like a lump, if there's two outs, if the bases are full, if the score is tied, 1 to 1, and if on top of that the "lump" should send the batter away, do you think those negro teams would fight. They did, well I should say.

The police, who, by coincidence, as they rush up on the run, should find each man or both teams armed with a razor and a gun, and should jug the bunch, would they be fined? That's what they would be, if the fellows in jail ever get out of the jug. He will probably be in to-morrow, the rest happened here to-day.

WILL PLAY FOR CITY TITLE.

Spires and Eagles to Contest at Springbrook Sunday.

The first of the series of three games between the Eagles and the Spires for the city championship will be played at Springbrook Sunday and there is a great deal of interest among the fans in the outcome of the game. Supporters of both aggregations are already claiming the victory and some good feeling is anticipated.

This From Wheeling.

The Wheeling Intelligencer says: "Aggie Grant has a promising bunch of youngsters, but they do not seem to be able to strike the proper gait on the start. When they hit their gait, Grant says they will be at the bottom of the ladder. Wheeling may not be at the bottom when the showing stone battle. If they do settle down, the other teams will have to hustle."

ORBY WINS DERBY

DICK CROKER'S HORSE CAPTURES ENGLAND'S CLASSIC.

Johnny Reiff, American Jockey, Pilots Winner—Wool Winder Second.

London, June 5.—Richard Croker's Orby, ridden by Johnny Reiff, the American jockey, won the derby to-day. Wool Winder was second and Sloeve Gallion third. Orby was bred in Ireland but is of an American dam.

Capt. Greer's colt, Sloeve Gallion, was unshaken favorite at odds of 13 to 8 but the result of the race was not the foregone conclusion it was in recent years. Not a few expected Lord Derby's Beaucho to realize the enjoyed opinion of his jockey, Maher, that he will pass the favorite in the winning post.

Mr. Walker's Galvani, who beat Sloeve Gallion for the Middle Park plate last year, was less favored than a short time ago. It is regarded as significant that none of the stable companions of the winner showed anything.

The betting against Croker's Orby and Col. Hall's Wool Winder was 100 to 12 and 10 to 1 respectively, but each had a following.

There are only nine probable starters in the derby, which is a fact noteworthy that three horses, Sloeve Gallion, Galvani, and Orby were Irish bred, Irish trained, and Irish owned. For the first time in some years there is no French competitor.

Indiana, 9; Wabash, 5.

Bloomington, Ind., June 5.—Indiana defeated Wabash, 9 to 5, in the race for second honors in the state championship series, Indiana winning the series with three great victories. Both teams changed pitchers in the sixth. Indiana ..... 0 0 1 1 2 1 2 0 1—9 12 4
Wabash ..... 2 0 0 1 0 0 0 2 0—5 8 5
Batteries—Indiana, Cunningham and Hill; Wabash, Irwin and Dawson.

Evansville has been forced to give up Philip Haley, a Virginia league player, who is acting on the pitcher and Dr. Carter, who is playing third. Punch Shinkle has one of his things in Staley can work on the Evas.

BAT TO MEET BRITT

GREAT LIGHTWEIGHTS PLAN NEW BATTLE.

JULY 4 MAY BE BOUT'S DAY

Fast Fighters Will Weigh 133 According to Agreements—Referee Yet to be Chosen.

Chicago, June 5.—Another battle between Battling Nelson and Jimmy Britt is practically arranged. Billy Nolan, the Dunn manager, and Britt having come to an agreement as to the weight stipulations. The two boxers agree to meet at 133 pounds, weigh in three hours before the fight and to battle under the same rules that governed their last clash.

The referee will be chosen 10 days before the mill and the purse will be 60 and 40 per cent of the best offer made. Local clubs are eager to land the mill, while Los Angeles and Nevada promoters are hot on the trail.

It seems certain that Nelson and Britt will look up on July 4, as Nolan evidently is figuring on running a counter attraction to the Squires-Burns affair, which his ancient enemy, Jim Corbett, is promoting. Nelson, Nolan and Britt are to go to the coast Sunday, but it is probable that Nolan will stay and probably does not know what his manager has in store for him, but it does not make any difference to the Dufbible Dane, for he knows that if he can get James Edward into the ring, all well and good, and if he cannot get James Edward, why, there's no harm done.

There has been a lot of wrangling to get a match made between Nelson and Britt. There was a hitch on the weight, Nelson being willing to fight at any weight, but Britt insisting he be settled and the men will meet at the same weight they did last time, 133 pounds, weigh in three hours before the battle. Nelson is in good shape and will not need much work to get down to the weight. Britt is not enough for Nelson Britt will be a sure up for him, he will not neglect his training on that account. To-day is Nelson's birthday, the 35th, and there are big doings planned at the Hugo which homestead of the Nelson family.

New York, June 5.—Twelve yachts started this morning on a 635 mile ocean race from New York to the Bermuda islands, for two cups offered by eastern yachtsmen. Thomas Has Challenge.

Terre Haute, Ind., June 5.—Joe Thomas, the Pacific coast claimant of the welterweight title, and generally recognized as one of the best men of his weight in the country, has agreed to meet the winner of the fight between Billy Rosen, of Kansas City, and Jack Dillon, which is to take place here June 11.

Jack McCarthy Released Again.

Brooklyn, N. Y., June 5.—Jack McCarthy, the old Chicago, Cincinnati and Indianapolis star outfielder, was given 10 days' notice of his release by President Ebbets, of the Brooklyns, yesterday. He had been playing his trouble. Eddie Burch will play left for the Brooklyns.

Alleged Murderer of Girl Put Through Awful Ordeal.

Elm Hurst, L. I., June 5.—So terrible was the crime against Amelia Stapfeldt, 15 years old, who was murdered in a field, that Henry Becker, under arrest as her slayer, is making his confessions piecemeal.

A few days ago the innocent young girl went out to pick dandelion greens. She was found dead, stabbed and mutilated with a case knife she had taken along to cut the greens.

Becker was arrested as a suspect. Extreme measures were used to make him talk. He was dragged into the undertaking shop where the child's

body lay. A detective laid Becker's trembling hand on the cold, white forehead of the victim. The ordeal was too much for Becker. "Yes, I saw her," he said. "I did it. I had to do it. Oh, poor little girl. Oh, that she were alive again!"

The prisoner put the crime upon an unknown man. The police were not satisfied with this story. Finally he said, he admitted the crime. He said he had been sleeping in the field when he saw the girl. He made advances to her, and when she threatened to call the police he struck her a blow on the head with a stone and attacked her with the knife.
