SOUTH BEND GRABS TWO FROM INFANTS

GRANTS' ATHLETES PATTEN AVERAGES IN DOUBLE BILL.

CRAVEN IS GIVEN PURSE

Speedy Right Fielder Makes Home Run Swat With Bases Loaded, Scoring Four in the Second Game.

Both performances of a double bill with Zanesville yesterday were won by South Bend.

Through timely hitting and some daring base running, South Bend won the first contest by a score of 4 to 2. The second struggle was a slugging match from start to gong with Lindsey having a shade the better of a pitching duel with Hastings. Score, 8 to 4.

Sensational fielding in which Koehler, Craven, Coffey and Grant figured prominently was the bright feature of the first game. Koehler handled 13 chances in the short infield without a slip, while Coffey and Craven did brilliant work in the field. Alberts was Manager Grant's choice for pitching honors and Pat Patten was worthy to handle for honors for Zanesville.

Right in the first round South Bend scored two runs when Craven drew a pass and stole second. He went down to third on Coffey's sacrifice and scored on Koehler's infield single. Miller Madden's double closed and Madden was responsible out. Sheehan whaled into left for three bases, scoring Koehler, and Thomas retired the side with a long fly to Miller.

Zanesville Scores in Third.

First blood came for Zanesville in the third. Kenworthy singled to centerfield and Hayes sacrificed, Sheehan grounded and Thomas stole. Craven started the fifth off with a single bunch and was sacrificed to second by Coffey. Koehler singled and Craven took to his heels for home, but scored safely after a series of shenanigans between Kenworthy and the home team.

Second Game.

In the second inning of the final game, after he had counted in the first, Craven punched out a home run with the bases loaded and a Sheehan ahead of him on South Bend. The fans thought a hot through Hayward and bleachers, scoring nearly $10 for the short right fielder.

Nedeau scored one run for Zanesville in the fourth on Hayes' single, a stolen base for three sacks and counted on Lloyd's drive to left. Three hits, a base on balls and an error scored three runs for Zanesville in the third inning. After that period Lindsey allowed but two hits.

Zanesville came back again in the third, fourth and fifth on well placed hits. Hayworth counted on Kurke single in the third, Craven was sacrificed to the second and Grant counted on Lindsey's single to left. Score, 4 to 4. The game was called in the seventh inning by agreement. Score:

Although it was announced yesterday that Bert Annis, president of the South Bend baseball club, had purchased the Grand Rapids franchise in the Central league, adding new colors to the situation was issued Friday night.

Mr. Annis has not returned from Grand Rapids and will not probably return until the deal is closed with the stockholders of the Grand Rapids club. It is understood that Mr. Annis will send some people of the South Bend Club to Grand Rapids to look after the interest of the team, providing the sale is made.

FORT WAYNE, Ind., Aug. 6.—Fort Wayne defeated Evansville in the first game on the home grounds by a score of 5 to 2. The visitors fought hard at all times, but could not find Miller opportunely, and aided by fast base running, the Fort Wayne players pushed over five scores and won the game. Score:

HOGAN SIGNS NEW PITCHER.

Secures Hastings, Former Wisconsin League Manager.

Marty Hogan, manager of the Zanesville club, is combining the country in an effort to land some players to strengthen the team before the club returns to its own pasture from the present road trip.

Through the recommendation of Pitcher Joe Hastings, who managed the Green Bay Club in the Wisconsin state league last season, Hastings was given an opportunity to work yesterday and through wildness he lost his first game with the club. According to reports, he is a clever fielding pitcher and will probably remain with the Indians.

TWO SENATORS ARE SUSPENDED.

Players Clymer and Delehanty Given Indefinite Terms.

CLEVELAND, O., Aug. 6.—Second Baseman Delehanty of the Washington American league club, was indefinitely suspended yesterday by President Ban Johnson as a result of the abusive language used by the player in yesterday's game here, following an altercation between Umpire O'Loughlin, Manager Stahl and Catcher Clymer, who also had received notice of the indefinite suspension of Right Fielder Otis Clymer for disrespectful language to Umpire O'Loughlin when he was called out on strikes.

Cobb Searches for Preacher.

AUGUSTA, Ga., Aug. 6.—Ty Cobb of the Detroit American league team, who will wed Miss Charlie Lombard, of this city, to-day, had difficulty yesterday in finding a preacher to perform the ceremony. Cobb said that the Augusta preachers are scarce in Augusta. Cobb was willing for a justice of the peace to tie the knot, but Miss Lombard demanded a preacher. Finally Cobb found the Rev. Thompson Walker late in the afternoon.

Ball Player Loses Decision.

GREEN BAY, Wis., Aug. 6.—Roddy Dolan, former first baseman of the Green Bay baseball club, has lost his suit instituted to recover $150, alleged to be due him as salary from the club. He was given another suspension for indifferent playing and disorderly conduct. Magistrate Judge Monahan yesterday decided that under the contract the club had a right to suspend Dolan, and further that the fine of $100 was not excessive.

SPORTING NOTES.

Marty Hogan, manager of the Zanesville baseball club, has refused Pitcher George Wolf, who has been with the team since the first of the season.

Jimmy Ryan, formerly in charge of the Evansville club, has resigned as manager of the Montgomery club of the Southern league. Ryan was a great outfielder, but he proved a failure as a manager. He has returned to his home in Chicago to look after his business interests.

Bude Myers is the hickiest manager in the Central league. Myers was one of the managers in taking Bird, the former Purdue university pitcher, in the trade from Cincinnati he secured a bunch of energy which is standing him in good of the present time. Bird and the Fort Wayne bannerman have been in the Central league and have been performing at that city quite regular.

George Tyler, Miller the twirler released by Fort Wayne early in the season and loaned by Wheeling is staying at the home at Cleveland where he is getting jobs in much money playing Saturday and Sunday games for the Cleveland Indian aggregation. He did in professional company. He is satisfied with conditions and states that he will remain at home for the rest of the season.

"Reverse Jack" Darrah, at one time manager of the Wheeling team in the Central league and who is one of the original old horses in the game, has been in charge of the Dayton team of the Ty Young is to be held in Boston. Darrah played in South Bend years ago and was first with the Indians in the old Tri-State in 1900 that season he was with Dayton. Jack Dunn brought young Cy and it was through this that he was invited to be special guest at the Boston celebration. In his day Darrah was noted as one of the fiercest of baseball managers, scores of times by the police. He is one of the game now and is making his home at Springfield.

CLEVER HANS WAGNER, FAMOUS SWATTER IN NATIONAL LEAGUE

PITTSBURG, Pa., Aug. 6.—Hans Wagner, of the Nationals, and Ty Cobb, of the Detroits, are leading the batting averages of the two leagues.

Ty Cobb has a little the advantage of Wagner in percentage. Both men are the backbone of their respective teams. Ty Cobb has been at bat 349 times to Wagner's 323, but has not been able to make as many hits as the Wagner, for with 100 out of 349 times at bat he had made four less runs than Wagner. Cobb has stolen 23 bases in his 349 times at bat, while Wagner has stolen 18 in 323 times. So has faced the plate.

Cobb has made 12 sacrifice hits Cobb has been the most twice as many times as Wagner, having made 12 sacrifice hits to Wagner's six. Cobb has made 12 more hits than Wagner, but he brings his average up above Hans'.

Wagner leads the Nationals in number of hits by a safe margin. Doolin, of New York, is the only competitor and while he has made five hits more than Wagner he has been at bat 20 times more.

In the S. columns Wagner shows his remarkable form. Murray, of St. Louis, is the only man who has stolen more bases than Hans in the National league, and he has stolen but one more than Wagner. If Pittsburg wins the pennant this year no man will receive more credit for the achievement than Hans Wagner.

MINNIE M. THIRD IN PACING EVENT

FAST SOUTH BEND HORSE FINISHES IN MONEY.

Harry M. Hoffman Drives Col. George M. Studebaker Pacer in 2:26 Race at Kalamazoo, Mich.

The Tribune's Special Service.

KALAMAZOO, Mich., Aug. 6.—Pretowers of the racing game were given a big surprise yesterday when the Oklahoma ganer, Shamrock, easily defeated Rowdard and Minnie M. in the 2:24 pace, for which but four horses started. Minnie M., owned by Col. George M. Studebaker, of South Bend, Ind., and driven by Harry M. Hoffman, won thirty money in the race, taking third in the first two heat and second in the final. Best time was 2:19¼.

Spanish Queen justified the confidence of her friends when she won the Burdick House purse trot of $10,000, the feature event of the Michigan Grand Circuit meeting. Her nearest competitor was the mare Alcesta in the Gerry stable, and Alcesta made the winner equal her record of 2:07¾ in the second heat.

Time splendid races fought it out in the 2:10 pace, which Ed Pick, of Detroit, chief result being the sensational pacer Dan Patch, who finished third in the second heat.

The big race was marred by the unsteadiness of every horse from which any good work was expected, and this was the cause of the postponement of three of the five heats that were necessary to finish the contest.

But for the break made by Spanish Queen when she was leading down the home stretch in the first heat there would undoubtedly have been but three heats trotted.

The real race of the day was furnished by three of the five starters in the 2:19 class for trotters, and at the end of five hard fought, tough contests Alcesta, driven by Ollie Harvey Mills, was returned the winner.

Alcesta had an easy time of it in the 3:20 pace, and was not compelling to stop within two seconds of her best time to win.

PIRATES BUY PITCHER BRANDON

Big Price Paid for Kansas City Spitter.

PITTSBURG, Pa., Aug. 6.—It was announced here last night that Pitcher Brandon of Kansas City, in the American association, has been secured by the Pirates. He will probably be sent to join the Pittsburg team about Sept. 1, when the Pirates start on the last lap in the league race. Brandon recently pitched two games at Indianapolis against Marquard, for whom New York pays $11,000, and lost him.

HOLLINGSWORTH TO JOIN CLUB.

New Pitcher for Infants Will Arrive To-day.

Announcement was made to-day by Marty Hogan, leader of the Infants, that Pitcher Charles Hollingsworth will join the Zanesville club in South Bend.

He also announced that three other players have been ordered to join the club as quickly as possible. Umpire Kilian is now officiating in the Wisconsin League and the new pitcher is said to be fast.

Nashville Club Leads League.

MEMPHIS, Tenn., Aug. 6.—For the first time in five years Nashville is leading the Southern league race, yesterday's games sending New Orleans into second place after having led greater part of the season.

Livingston to Play Lakeville.

The Livingstons will journey to Lakeville Sunday to play the strong team with accompanying aggregation. Lake will account a big crowd of rooters with pitch for the Lakeville team while Bern will probably do the twirling for the Livingstons.

WHEELING FANS ARE STILL WITH STOGIES

HAVE HOPE THAT TEAM WILL WIN FEW GAMES.

FLEMING AFTER MORE MEN

Over One Hundred Players Have Been Tried With West Virginia Club This Season, Twenty-nine Being Pitchers.

WHEELING W. Va., Aug. 6.—It was believed that Wheeling might break the season hoodoo last week by getting three in a row through the forfeiture of one, but the hope was vain. Manager Fleming continues to make changes, but so he has tried out nearly all the available unemployed players, the experiments are fewer, and it really looks like he has got together the best club that has worn the Stogie uniform this season. In one game last week every man on the team, batting, included, was a former P. O. of the O. & P. league. There are left but three men who started the season with the club, and but two who were on the salary list of Wheeling before this summer. In all more than 100 players have been experimented with, including 19 twirlers, and it looks like there will be no change in the pitching staff with "Buck" Ewoldsen has started in work with East Liverpool. He was one of the star infielders of the Central league until this season, and his release did not come from lack of playing ability, but because of indifference.

Mobilized is Good.

If Harvey Overfoss is really looking for a pitcher he should be mobilized. Mobilized is exactly the work of Mobilized. The big first sacker is the find of the season, and if Overfoss does not go after him some other major league club will, as he work clearly entitles him to trial with fast company. His fielding is good, his batting is near perfect. He is not a finished first sacker, but he has the stuff in him. And his work at times is of the exceptional order. It is at bat, however, that he has shown most. He has made one improving big hitting average during the week, bringing it up to .466, which is some hitting with a tail end team. In 28 games he has made 43 hits and 18 runs, and has stolen 15 bases. He is a natural hitter.

The rain in the league except Wheeling, is the prettiest since the organization of the league, and it rained several days last week when all the clubs had percentages better than .500 and less than .500, with the exception of Wheeling. It is still anybody's fight, and the Stogies are getting in a fine earlier position hopefully. Wheeling may figure in some of the plays of the leaders, however, as there is no reason why Fleming should not capture half of the games from this time until the close of the season.

TOBIAS AGAIN IN CONDITION.

Great May Work Him in Present Home Series.

After being out of the game for several weeks, Pitcher Tobias again joined the South Bend club yesterday. It is probable that Grant will work him in one of the games during the home series.

Kroy, who twisted his back while sliding bases, will be in the game within a few days and will be stationed in the field. He had only played a couple of games with South Bend when he was injured.

Pitcher Alberts to Wed Soon.

FORT WAYNE, Ind., Aug. 6.—Charles Alberts, who was under suspension by the local management for indifferent playing, has come to terms again and has been taken back into the fold. He intends to marry Miss Rose Rupp, of this city, a sister of his brother Fred's wife, about Aug. 15.

Dodgers Get New Player.

NEW YORK, Aug. 6.—President Ebbets, of the Brooklyn National league club secured another new player yesterday. He is Jack Ryan, of the Harvard Midgets of the Southern league, who is credited with being a frolicsome third baseman and a good hitter. He will join the Dodgers in a few weeks.
